

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the BIE; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the BIE enhance the quality, utility, and clarity of the information to be collected; and (5) how might the BIE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The BIE is requesting renewal of OMB approval for the admission forms for the Student Enrollment Application in Bureau-funded Schools. School registrars collect information on this form to determine the student's eligibility for enrollment in a Bureau-funded school, and if eligible, is shared with appropriate school officials to identify the student's base and supplemental educational and/or residential program needs. The BIE compiles the information into a national database to facilitate budget requests and the allocation of congressionally appropriated funds.

Title of Collection: Data Elements for Student Enrollment in Bureau-funded Schools.

OMB Control Number: 1076–0122.

Notice of Inventory Completion: Fowler Museum at the University of California Los Angeles, Los Angeles, CA; Correction

AGENCY: National Park Service, Interior.

ACTION: Notice; correction.

SUMMARY: The Fowler Museum at the University of California Los Angeles (UCLA) has corrected an inventory of human remains and associated funerary objects, published in a Notice of Inventory Completion in the **Federal Register** on January 27, 2016. This notice corrects the minimum number of individuals and associated funerary objects. Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request to the Fowler Museum at UCLA. If no additional requestors come forward, transfer of control of the human remains and associated funerary objects to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to the Fowler Museum at UCLA at the address in this notice by November 19, 2018.

ADDRESSES: Wendy G. Teeter, Ph.D., Fowler Museum at UCLA, Box 951549,

Los Angeles, CA 90095–1549, telephone (310) 825–1864, email wteeter@arts.ucla.edu.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3003, of the correction of an inventory of human remains and associated funerary objects under the control of the Fowler Museum at UCLA, Los Angeles, CA. The human remains and associated funerary objects were removed from Los Angeles and Santa Barbara Counties, CA.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American human remains. The National Park Service is not responsible for the determinations in this notice.

This notice corrects the minimum number of individuals and associated funerary objects published in a Notice of Inventory Completion in the **Federal Register** (81 FR 4662–4670, January 27, 2016). A re-inventory discovered more human remains and associated funerary objects than was previously recorded. Transfer of control of the items in this correction notice has not occurred.

Correction

In the **Federal Register** (81 FR 4663, January 27, 2016), column 2, paragraph 4, sentence 1 is corrected by substituting the following sentence:

At an unknown date between 1900 and 1950, human remains representing, at minimum, 26 individuals were removed from Sequit Creek Indian Mound (CA–LAN–52) in Los Angeles County, CA.

In the **Federal Register** (81 FR 4663, January 27, 2016), column 2, paragraph 4, sentence 5 is corrected by substituting the following sentence:

The fragmentary human remains represent 20 adult individuals, sex unknown, one sub-adult individual (sex unknown), three juvenile individuals (sex unknown) and two infant individuals (sex unknown).

In the **Federal Register** (81 FR 4663, January 27, 2016), column 2, paragraph 4, sentence 7 is corrected by substituting the following sentence:

The two associated funerary objects include two unmodified faunal bones.

In the **Federal Register** (81 FR 4667, January 27, 2016), column 3, paragraph 2, sentence 1 is corrected by substituting the following sentence:

At an unknown date, human remains representing, at minimum, four individuals

were removed from San Miguel Island (CA-SMI-xxx) in Santa Barbara County, CA, from private ranching land, likely in the 1920s, by Dr. Guy C. Rich and given to Loye Miller of the UCLA Biology Department and accessioned within the Dickey Bird and Mammal Collection.

In the **Federal Register** (81 FR 4667, January 27, 2016), column 3, paragraph 2, sentence 5 is corrected by substituting the following sentence:

The fragmentary human remains represent four individuals of unknown age and sex.

In the **Federal Register** (81 FR 4670, January 27, 2016), column 2, paragraph 2, sentence 1 is corrected by substituting the following sentence:

- Pursuant to 25 U.S.C. 3001(9), the human remains described in this notice represent the physical remains of 1,827 individuals of Native American ancestry.

In the **Federal Register** (81 FR 4670, January 27, 2016), column 2, paragraph 2, sentence 2 is corrected by substituting the following sentence:

- Pursuant to 25 U.S.C. 3001(3)(A), the 46,017 objects described in this notice are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to request transfer of control of these human remains and associated funerary objects should submit a written request with information in support of the request to Wendy G. Teeter, Ph.D., Fowler Museum at UCLA, Box 951549, Los Angeles, CA 90095-1549, telephone (310) 825-1864, email wteeter@arts.ucla.edu, by November 19, 2018. After that date, if no additional requestors have come forward, transfer of control of the human remains and associated funerary objects to Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California may proceed.

The Fowler Museum is responsible for notifying the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California that this notice has been published.

Dated: September 6, 2018.

Notice of Intent To Repatriate Cultural Items: Fowler Museum at the University of California Los Angeles, Los Angeles, CA

AGENCY: National Park Service, Interior.
ACTION: Notice.

SUMMARY: The Fowler Museum at the University of California Los Angeles (UCLA), in consultation with the appropriate Indian Tribes or Native Hawaiian organizations, has determined that the cultural items listed in this notice meet the definition of unassociated funerary objects. Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request to the Fowler Museum at UCLA. If no additional claimants come forward, transfer of control of the cultural items to the lineal descendants, Indian Tribes, or Native Hawaiian organizations stated in this notice may proceed.

DATES: Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to the Fowler Museum at UCLA at the address in this notice by November 19, 2018.

ADDRESSES: Wendy G. Teeter, Ph.D., Fowler Museum at UCLA, Box 951549, Los Angeles, CA 90095-1549, telephone (310) 825-1864, email wteeter@arts.ucla.edu.

SUPPLEMENTARY INFORMATION: Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate cultural items under the control of the Fowler Museum at UCLA that meet the definition of unassociated funerary objects under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the Native American cultural items. The National Park Service is not responsible for the determinations in this notice.

History and Description of the Cultural Items

In 1978 and 1979, 132 cultural items were removed from Lindero Canyon (CA-VEN-606) in Ventura County, CA. Collections from the site derive from the survey and excavation undertaken during the North Ranch Inland Chumash research project, led by Dr. William Clewlow Jr., on land privately owned by the Prudential Insurance Company. A cemetery was discovered during the 1979 excavations. Thirteen burials were uncovered and left in-situ, but burial objects were removed for study. The unassociated funerary objects were removed from six of the burials and were transferred to UCLA in 1979. The site has been dated to the Late Period, A.D. 1300-1650. The 132 unassociated funerary objects are: 12 pieces and four bags of shell fragments, two shell beads, 62 stone flakes, one cobble, three quartz crystals, 41 pieces and two bags of unmodified animal bone fragments, four ochre fragments, and one charcoal lump.

Determinations Made by the Fowler Museum at UCLA

Officials of the Fowler Museum at UCLA have determined that:

- Pursuant to 25 U.S.C. 3001(3)(B), the 132 cultural items described above are reasonably believed to have been placed with or near individual human remains at the time of death or later as part of the death rite or ceremony and are believed, by a preponderance of the evidence, to have been removed from the specific burial sites of Native American individuals.

- Pursuant to 25 U.S.C. 3001(2), there is a relationship of shared group identity that can be reasonably traced between the unassociated funerary objects and the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California.

Additional Requestors and Disposition

Lineal descendants or representatives of any Indian Tribe or Native Hawaiian organization not identified in this notice that wish to claim these cultural items should submit a written request with information in support of the claim to Wendy G. Teeter, Ph.D., Fowler Museum at UCLA, Box 951549, Los Angeles, CA 90095-1549, telephone (310) 825-1864, email wteeter@arts.ucla.edu, by November 19, 2018. After that date, if no additional claimants have come forward, transfer of control of the unassociated funerary objects to the Santa Ynez Band of Chumash Mission Indians of the Santa Ynez Reservation, California may proceed.
