The National Endowment for the Arts, established by Congress in 1965 as an independent Federal agency, is the official arts organization of the United States Government. It is dedicated to supporting excellence in the arts, both new and established; bringing the arts to all Americans; and providing leadership in arts education.

Through its grants and programs, the Arts Endowment brings great art to all 50 States and 6 U.S. jurisdictions including rural areas, inner cities, and military bases. The Arts Endowment awards competitive matching grants to nonprofit organizations, units of State or local government, and federally recognized tribal communities or tribes, for projects, programs, or activities in the fields of arts education, dance, design, folk and traditional arts, literature, local arts agencies, media arts, museums, music, musical theater, opera, presenting, theater, and visual arts. In addition, it awards competitive nonmatching individual fellowships in literature and honorary fellowships in jazz, folk and traditional arts, and opera. Forty percent

of the Arts Endowment's funds go to the 56 State and jurisdictional arts agencies and their 6 regional arts organizations in support of arts projects in thousands of communities across the country.
