“(5) An estimated 19,400,000 children (27 percent) live apart from their biological father.

¶130.21 UNITED NATIONS GENERAL ASSEMBLY

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 438); as amended:

Whereas the 60th session of the General Assembly of the United Nations is currently underway in New York City;

Whereas the State of Israel is a critical strategic ally of the United States in the Middle East and the only true democracy in the region;

Whereas 60 years ago the United Nations was founded, in part, to prevent another Holocaust from ever happening again;

Whereas three years after its founding, the United Nations passed General Assembly Resolution 181, which provided for the partition of Mandatory Palestine and the establishment on its territory of an independent Jewish state, which became the State of Israel;

Whereas in recent years, the General Assembly of the United Nations has engaged in a pattern of approving resolutions that unfairly criticize and condemn Israel;

Whereas during the 59th session of the General Assembly of the United Nations, the General Assembly adopted 21 resolutions criticizing Israel;

Whereas despite the myriad of challenges facing the world community, the General Assembly of the United Nations has devoted a vastly disproportionate amount of time and resources to castigating Israel;

Whereas for the past 30 years, the United Nations has funded three entities that support anti-Israel propaganda, including the Division for Palestinian Rights, the Committee on the Exercise of the Inalienable Rights of the Palestinian People, and the Special Committee to Investigate Israeli Human Rights Practices Affecting the Palestinian People and Other Arabs of the Occupied Territories;

Whereas the double standard against the State of Israel that is perpetrated at the United Nations is pervasive: of ten emergency special sessions called by the General Assembly of the United Nations, six have been about Israel, and since 1997, at the annual meetings of the United Nations Commission on Human Rights in Geneva, only Israel has had its own agenda item (Item 8) dealing with its alleged human rights violations, whereas all other countries are dealt with in a separate agenda item (Item 9); and

Whereas as a founding member of the United Nations, the United States has a special responsibility to promote fair and equitable treatment of all member states of the United Nations: Now, therefore be it

Resolved, That the House of Representatives urges member states of the United Nations to—

(1) stop supporting resolutions that unfairly castigate Israel; and

(2) promote within the United Nations system a more balanced and constructive approach to resolving conflict in the Middle East.

The SPEAKER pro tempore, Mr. BOOZMAN, recognized Ms. ROS-LEHTINEN and Mr. LANTOS, each for 20 minutes.

¶130.22 ISRAELI PRIME MINISTER YITZHAK RABIN

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 535):

Whereas Yitzhak Rabin was born March 1, 1922, in Jerusalem;

Whereas Yitzhak Rabin volunteered for the Palmach, the elite unit of the Haganah (predecessor of the Israeli Defense Forces), and served for 27 years, including during the 1948 War of Independence, the 1956 Suez War, and as Chief of Staff in the June 1967 Six Day War;

Whereas in 1975, Prime Minister Yitzhak Rabin signed the interim agreement with Egypt (Sinai II) which laid the groundwork for the 1979 Camp David Peace Treaty between Israel and Egypt;

Whereas Yitzhak Rabin served as Ambassador to the United States from 1968–1973, Minister of Defense from 1984–1990, and Prime Minister from 1974–1977 and from 1992 until his assassination in 1995;

Whereas on September 13, 1993, in Washington, D.C., Yitzhak Rabin signed the Declaration of Principles framework agreement between Israel and the Palestinians;

Whereas upon the signing of the Declaration of Principles, Yitzhak Rabin said to the Palestinian people: “We say to you today in a loud and clear voice: Enough of blood and tears. Enough! We harbor no hatred toward you. We have no desire for revenge. We, like you, are people who want to build a home, plant a tree, love, live side by side with you—in dignity, empathy, as human beings, as free men.”;

Whereas Yitzhak Rabin received the 1994 Nobel Prize for Peace for his vision and bravery as a peacemaker, saying at the time: “There is only one radical means of sanctifying human lives. Not armored plating, or tanks, or planes, or concrete fortifications. The one radical solution is peace.”;

Whereas on October 26, 1994, Yitzhak Rabin and King Hussein of Jordan signed a peace treaty between Israel and Jordan;

Whereas on November 4, 1995, Yitzhak Rabin was brutally assassinated after attending a peace rally in Tel Aviv where his last words were: “I have always believed that the majority of the people want peace, are prepared to take risks for peace . . . Peace is what the Jewish People aspire to.”; and

Whereas Yitzhak Rabin dedicated his life to the cause of peace and security for the state of Israel by defending his nation against all threats, including terrorism and undertaking courageous risks in the pursuit of peace: Now, therefore, be it

Resolved, That the House of Representatives—

(1) honors the historic role of Yitzhak Rabin for his distinguished service to the Israeli people and extends its deepest sympathy and condolences to the family of Yitzhak Rabin and the people of Israel on the tenth anniversary of his death;

(2) recognizes and reiterates its continued support for the close ties and special rela-

tionship between the United States and Israel;

(3) expresses its admiration for Yitzhak Rabin’s legacy and reaffirms its commitment to the process of building a just and lasting peace between Israel and its neighbors;

(4) condemns any and all acts of terrorism; and

(5) reaffirms unequivocally the sacred principle that democratic leaders and governments must be changed only by the democratically-expressed will of the people.

The SPEAKER pro tempore, Mr. ADERHOLT, recognized Ms. ROS-LEHTINEN and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and agree to said resolution?

The SPEAKER pro tempore, Mr. ADERHOLT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed.

¶130.23 OCTOBER 2005 FLOODS AND MUDSLIDES

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 280); as amended:

Whereas on October 4, 2005, Hurricane Stan made landfall on Mexico’s Gulf coast, bringing sustained winds of 80 miles per hour before weakening to a tropical storm and generating separate storms across southern Mexico and Central America;

Whereas Hurricane Wilma, a category four hurricane, made landfall in Cozumel, Mexico on October 22, 2005, and stalled over the Yucatan Peninsula bringing over 60 inches of rain to some parts of the Peninsula and causing severe flooding, over 75,000 evacuations, damaging between 30–40 percent of the houses in Cancun, and causing severe damage to the area’s vital tourism industry;

Whereas Hurricane Beta made landfall on October 30, 2005, near Karabal and Sandy Bay, Nicaragua, as a category two hurricane, displacing thousands of people, damaging critical communications and transportation infrastructure, and bringing destructive winds and rains to these and approximately 50 other communities;

Whereas the heavy rainfall associated with these storms caused widespread and severe flooding that has affected millions of people across Central America, including the people of Costa Rica, El Salvador, and Guatemala, and the people of Mexico;

Whereas, as of October 12, 2005, the flooding had killed an estimated 2,000 people across Central America and Mexico, according to government estimates which are expected to be revised upwards;

Whereas rains have produced more than 900 landslides, burying entire villages and causing numerous deaths in Guatemala, with official government estimates confirming 654 deaths, 577 people missing, and more than 120,000 people affected across 621 communities in the provinces of Escuintla, Guatemala, Quetzaltenango, Chiquimula, San

Marcos, Chimaltenango, El Quiché, and Baja Verapaz;

Whereas many of the affected areas are especially vulnerable to natural disasters and lack access to basic healthcare, sanitation, and medical services;

Whereas the flooding and landslides have damaged housing and public infrastructure in 251 of the 331 municipalities in Guatemala and sustained rains across much of the country have hampered ongoing relief efforts;

Whereas two simultaneous emergencies in El Salvador—the severe flooding caused by Tropical Storm Stan and the eruption of the Santa Ana volcano on October 1, 2005—have affected half of the country and forced the evacuation of more than 69,000 people to local shelters;

Whereas Tropical Storm Stan caused massive flooding in the Mexican States of Veracruz, Chiapas, Oaxaca, Tabasco, Puebla, Hidalgo, and Guerrero and forced the evacuation of approximately 370,000 people from nearly 3,000 communities to local shelters, according to the Government of Mexico;

Whereas extensive rainfall in the Costa Rican provinces of Alajuela, Cartago, Guanacaste, Heredia, Puntarenas, and San Jose in the Pacific and Central Valley caused severe flooding and landslides, forcing more than 1,000 people in 459 communities to evacuate to local shelters, damaged 550 houses, 117 bridges, and 11 educational buildings, and more than 281 roads have been blocked or damaged by mudslides;

Whereas many families in these affected areas are homeless and in desperate need of reconstruction help;

Whereas the United States Agency for International Development's Office of Foreign Disaster Assistance (USAID/OFDA) initially provided \$150,000 to USAID/Guatemala for the local purchase and distribution of emergency relief supplies, as well as for helicopter support, including fuel and rental of local helicopters and an additional \$1,200,000 to USAID/Guatemala for emergency grants to nongovernmental organization partners for emergency health, water and sanitation, and shelter activities;

Whereas USAID/OFDA committed \$200,000 to support the Pan American Health Organization's (PAHO) emergency health and water and sanitation activities as part of the United Nations joint appeal;

Whereas USAID/OFDA is working closely with the Governments of Costa Rica, El Salvador, Guatemala, and Mexico to coordinate transportation and distribution of relief commodities to affected communities and for the local purchase and distribution of emergency relief supplies, water, and food;

Whereas on October 8, 2005, the United States Southern Command (USSOUTHCOM) deployed a 58-person team to Guatemala City to assist with ongoing disaster relief efforts in southwestern Guatemala and sent nine United States Army helicopters to conduct search and rescue missions and provide for the transportation of emergency relief supplies, including food, medical supplies, and communications equipment, to affected areas, as well as flying in host nation firefighters, emergency aid workers, and doctors; and

Whereas the United States initially has provided \$100,000 to the Mexican Red Cross for the local purchase and distribution of emergency relief supplies to aid victims of Hurricane Wilma, and a USAID/OFDA team is working with USAID/Mexico, local disaster officials, and other organizations to assess impacts, aid requirements, and deliver further emergency assistance: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That—

(1) Congress—

(A) mourns the horrific loss of life caused by the floods and mudslides that occurred in October 2005 in Central America and Mexico;

(B) expresses its deep condolences to the families of the many victims;

(C) commits to provide the necessary resources and to stand by the people of Costa Rica, El Salvador, Guatemala, and Mexico in the relief, recovery, and rebuilding efforts;

(D) applauds the prompt humanitarian response to this natural disaster by the United States Agency for International Development, the United States Armed Forces, and other departments and agencies of the United States Government, the United Nations and other international organizations, and nongovernmental organizations;

(E) recognizes the growing support by international donors for relief efforts;

(F) affirms its commitment to additional United States support for relief and long-term reconstruction efforts in areas affected by the flooding;

(G) urges continued attention by donors and relief agencies to the needs of vulnerable populations in the stricken countries, particularly those left homeless by this disaster and whose welfare and economic livelihoods have been disrupted;

(H) urges assistance which targets immediate and long-term infrastructure needs, with a special emphasis on improvements that aim to increase emergency preparedness and withstand future natural disaster events; and

(I) encourages the Administration and other international donors to provide immediate and long-term assistance for the reconstruction of affected infrastructure that is a requisite for the economic and social development of the devastated communities; and

(2) it is the sense of Congress that it should be the policy of the United States—

(A) to promote economic growth and improved living standards, reduce poverty, and promote democracy and the rule of law in the countries of Central America;

(B) in concert with multilateral humanitarian organizations, the Organization of American States and the Inter-American Development Bank, to actively support the reconstruction of affected communities in places to be determined by respective governments in collaboration with representatives of such communities;

(C) to expedite humanitarian relief and reconstruction efforts in order to mitigate the immediate and long-term threats to public health, economic development, and security in Central America;

(D) to provide technical assistance to Central American governments in order to strengthen the capacity of first responders and governmental institutions at the national, provincial, and local levels in the area of disaster management coordination and preparedness, including information and communications systems to help with the response to natural disasters; and

(E) to encourage the governments of these countries to improve disaster mitigation techniques and compliance among all key sectors of their societies.

¶130.24 HUNGARIAN REVOLUTION

Mr. GALLEGLY moved to suspend the rules and agree to the following resolution (H. Res. 479); as amended:

Whereas on October 23, 1956, university students marching through the streets of Budapest were joined by workers and others until their numbers reached some 100,000 Hungarian citizens protesting against the communist government of Hungary and its domination by the Soviet Union, whereupon the Hungarian Security Police opened fire on the crowd and killed hundreds;

Whereas the Hungarian government under Prime Minister Imre Nagy released political prisoners, including major church leaders, took steps to establish a multi-party democracy, called for the withdrawal of all Soviet troops from Hungary, announced Hungary's withdrawal from the Warsaw Pact, and requested United Nations assistance in establishing Hungarian neutrality;

Whereas the Soviet Union launched a massive military counteroffensive against the revolt on November 4, 1956, sending tens of thousands of additional troops from the Soviet Union and launched air strikes, artillery bombardments and coordinated tank-infantry actions involving some 6,000 tanks which, remarkably, the outnumbered and under-equipped Hungarian Army and Hungarian workers resisted for several days;

Whereas Prime Minister Imre Nagy was seized by Soviet security forces despite assurances of safe passage for him to leave the Yugoslav Embassy in Budapest where he sought asylum, and he was taken to Romania and was subsequently tried and executed;

Whereas an estimated one thousand two hundred Hungarians were tried and executed by the post-1956 Hungarian government;

Whereas an estimated 200,000 Hungarians fled their country in the aftermath of the Soviet suppression of the Hungarian uprising, and over 47,000 of these people eventually were able to settle in the United States, where they have contributed to the cultural diversity and the economic strength of this country;

Whereas the uprising of the Hungarian people in 1956 dramatically confirmed the widespread contempt in which the Hungarians held the Soviet Union and the underlying weakness of the communist system imposed by Soviet authorities in Central and Eastern Europe, as well as the strength of popular support for democratic principles and the right of the Hungarian people to determine their own national destiny;

Whereas on October 23, 1989, the Republic of Hungary proclaimed its independence, and in 1990 the Hungarian Parliament officially designated October 23 as a Hungarian national holiday, indicating that the legacy of the 1956 Revolution continues to inspire Hungarians to this day;

Whereas the people of Hungary are beginning a year-long celebration to mark the 50th anniversary of the Hungarian Revolution of 1956;

Whereas on March 12, 1999, the Government of Hungary, reflecting the will of the Hungarian people, formally acceded to the North

Atlantic Treaty and became a member of NATO and on May 1, 2004, Hungary became a full member of the European Union; and

Whereas Hungary and the United States continue to expand their friendship and cooperation in all realms: Now, therefore, be it Resolved, That the House of Representatives—

(1) commends the people of Hungary as they mark the 50th anniversary of the 1956 Hungarian Revolution which set the stage for the ultimate collapse of communism in 1989 throughout Central and Eastern Europe, including Hungary, and two years later in the Soviet Union itself;

(2) expresses condolences to the people of Hungary for those who lost their lives fighting for the cause of Hungarian freedom and independence in 1956, as well as for those individuals executed by the Soviet and Hungarian communist authorities in the five years following the Revolution, including Prime Minister Imre Nagy;

(3) welcomes the changes that have taken place in Hungary since 1989, believing that Hungary's integration into NATO and the European Union, together with similar developments in the neighboring countries, will ensure peace, stability, and understanding among the great peoples of the Carpathian Basin; and

(4) reaffirms the friendship and cooperative relations between the governments of Hungary and the United States and between the Hungarian and American people.

PROGRAM

Mr. PEARCE moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 196):

Whereas after the tragic attacks of September 11, 2001, Congress enacted legislation authorizing volunteer pilots of United States commercial air carriers who participate in the Federal flight deck officer program to use lethal force to defend the flight deck of an aircraft against acts of terrorism;

Whereas a volunteer pilot in the Federal flight deck officer program must undergo rigorous psychological screening and a background investigation, as well as complete an intense training curriculum;

Whereas volunteer pilots in the Federal flight deck officer program provide a significant deterrent against potential acts of violence or terrorism in United States airspace, are an essential layer of security for the Nation's flying public, and are a key factor in restoring confidence in the Nation's air transportation system;

Whereas volunteer pilots in the Federal flight deck officer program devote personal time and finances to maintain a high standard of proficiency in the use of firearms and techniques for addressing emergencies in flight; and

Whereas volunteer pilots in the Federal flight deck officer program, at great per-

sonal risk and with no compensation or recognition, are dedicated to the protection of the flight deck, thereby providing an additional layer of protection to the aircraft, passengers, and cargo from acts of terrorism, such as the possible use of the aircraft as a weapon of mass destruction against people on the ground; Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress—

(1) recognizes that volunteer pilots in the Federal flight deck officer program are the consummate quiet professionals and embody what is best in our national character;

¶131.22 LABOR, HHS, AND EDUCATION
APPROPRIATIONS FY 2006

On motion of Mr. REGULA, by direction of the Committee on Appropriations and pursuant to clause 1 of rule XXII, the bill (H.R. 3010) making appropriations for the Departments of Labor, Health and Human Services, and Education, and Related Agencies for the fiscal year ending September 30, 2006, and for other purposes; together with the amendment of the Senate thereto, was taken from the Speaker's table.

When on motion of Mr. REGULA, it was,

Resolved, That the House disagree to the amendment of the Senate and agree to the further conference asked by the Senate on the disagreeing votes of the two Houses thereon.

Ordered, That the Clerk notify the Senate thereof.

¶131.23 MOTION TO INSTRUCT
CONFEREES—H.R. 3010

Mr. OBEY moved that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on H.R. 3010, be instructed to insist that the conference agreement include \$4.183 billion for the Low-Income Home Energy Assistance Program (LIHEAP), an increase of \$2.176 billion over the House bill and \$2 billion over the Senate bill, to help the elderly and the poor cope with rising energy prices, and that the additional cost be offset through reductions in tax cuts for households with incomes above \$1,000,000. The additional amounts above the House-passed level should be appropriated to the LIHEAP contingency fund, and in allocating the funds among States, the Secretary should be directed to give due regard to estimated increases in the heating and cooling costs for low-income households during fiscal year 2006 as compared to the previous year.

Pending consideration of said motion,

¶131.24 POINT OF ORDER

Mr. REGULA made a point of order against said motion, and said:

“Mr. Speaker, I make a point of order against the motion because it violates clause 9 of rule XXII by proposing to direct the conferees to exceed the scope of matters committed to conference.

I ask for a ruling from the Chair.”

Mr. OBEY was recognized to speak to the point of order and said:

“Yes, I do, Mr. Speaker.

“Mr. Speaker, 2 weeks ago the Labor, Health appropriation bill was defeated on this floor largely because it contained inadequate investments in education and health. Today, the bill is back, and what this motion would do is to say to the majority that if they do not want to recognize the need for additional education and health funding, that they at least recognize that an emergency situation exists with respect to the rapidly rising home heating costs with natural gas, for instance, expected to be 50 percent higher than it was last year and with only 15 percent of persons in the country who are eligible getting help from LIHEAP as it is.

“I would simply ask the majority to withdraw the point of order in order to allow us to simply proceed to at least debate and vote on the question of rearranging priorities so that we can add \$2 billion to the Low Income Heating Assistance Program and fully pay for that by cutting back the scheduled tax cut for persons who make over \$1 million to \$131,000. I think that is quite ample for them. I would urge the gentleman from Ohio to withdraw his point of order.”

The SPEAKER pro tempore, Mr. BASS, sustained the point of order, and said:

“The Chair finds that the proposed instructions dwell their operative focus on matters not within the scope of differences committed to the conference by the two Houses.

“On these premises, the Chair holds that the motion is not in order.

“The point of order is sustained.”

¶131.25 MOTION TO INSTRUCT
CONFEREES—H.R. 3010

Mr. OBEY moved that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on H.R. 3010, be instructed to insist that the conference agreement include \$4.183 billion for the Low-Income Home Energy Assistance Program (LIHEAP), including \$2 billion in emergency funding, thereby bringing the total for LIHEAP to \$2.176 billion over the House bill and \$2 billion over the Senate bill, to help the elderly and the poor cope with rising energy prices. The emergency funds should be appropriated to the LIHEAP contingency fund, and in allocating the funds among States the Secretary should be directed to give due regard to the estimated increases in the heating and cooling costs for low-income households during fiscal year 2006 as compared to the previous year.

Pending consideration of said motion,

¶131.26 POINT OF ORDER

Mr. REGULA made a point of order against said motion, and said:

“Mr. Speaker, I make a point of order against the motion because it violates clause 9 of rule XXII by proposing to direct the conferees to exceed the scope of matters committed to conference.

“I ask for a ruling from the Chair.”

Mr. OBEY was recognized to speak to the point of order and said:

“Yes, I do, Mr. Speaker.

“Mr. Speaker, the last motion sought to increase funding for the Low Income Heating Assistance Program by \$2 billion and fully pay for that with an offset on the revenue side of the ledger. The gentleman from Ohio did raise a point of order against that. We would have preferred to fully fund the amendment, but given the fact that the majority has chosen to exercise its rights under the rules of the House to raise a point of order, this is the only remaining avenue that we have to try to increase funding for Low Income Heating Assistance, recognizing that there is indeed an emergency; and we would simply ask that the amount of money for Low Income Heating Assistance be increased by \$2 billion and recognized as emergency funding under the Budget Act so that we can proceed to deal with the very real problem that persons in this country will have heating their homes with higher energy prices. If we are not allowed to do that, then there is no way that we are going to be able to provide substantial help to them.”

The SPEAKER pro tempore, Mr. BASS, sustained the point of order, and said:

“As in the previous motion, the proposed instructions exceed the scope of conference.

“The point of order is sustained.”

Mr. OBEY appealed the ruling of the Chair.

The question being stated,
Will the decision of the Chair stand as the judgment of the House?

Mr. REGULA moved to lay the appeal on the table.

The question being put, *viva voce*,
Will the House lay on the table the appeal of the ruling of the Chair?

The SPEAKER pro tempore, Mr. BASS, announced that the yeas had it.

Mr. OBEY demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The vote was taken by electronic device.

NOT VOTING—3

Brown-Waite,	Franks (AZ)
Ginny	Hastings (WA)

So the bill was passed.

A motion to reconsider the vote whereby said bill was passed was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said bill.

¶132.9 PROCEEDINGS VACATED—H.R. 1400

On motion of Mr. PUTNAM, by unanimous consent, requested that the ordering of the yeas and nays on the motion to suspend the rules and pass the bill (H.R. 1400) to amend title 18, United States Code, to provide penalties for aiming laser pointers at airplanes, and for other purposes, as amended; be vacated to the end that the Chair put the question on the motion de novo.

Accordingly

The question being put, viva voce,

Will the House suspend the rules and pass said bill, as amended?

The SPEAKER pro tempore, Mr. BASS, announced that two-thirds of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof,

the rules were suspended and said bill, as amended, was passed.

A motion to reconsider the vote whereby the rules were suspended and said bill, as amended, was passed was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said bill.

¶132.10 PRIVILEGES OF THE HOUSE

Ms. PELOSI, pursuant to rule IX, rose to a question of the privileges of the House and submitted the following resolution (H. Res. 591):

Whereas the recurring practice of improperly holding votes open for the sole purpose of overturning the will of the majority, including bullying and threatening Members to vote against their conscience, has occurred eight times since 2003, and three times in the 109th Congress alone;

Whereas on November 22, 2003, the Republican Leadership held open the vote on H.R. 1, the Prescription Drug Conference Report, for nearly three hours, the longest period of time in the history of electronic voting in the U.S. House of Representatives;

Whereas the normal period of time for a recorded vote is 15 minutes, and the Speaker of the House has reiterated that policy on Opening Day of each Congress by saying, "The Chair announced, and then strictly enforced, a policy of closing electronic votes as soon as possible after the guaranteed period of 15 minutes";

Whereas the sole purpose of holding the Prescription Drug vote open was to undermine the will of the House, and reverse the position that a majority of the House of Representatives had taken during the entire vote;

Whereas it was widely reported in the press that former Representative Nick Smith (R-MI) was bribed on the House floor, and the incident was described in Robert Novak's column in the Chicago Sun-Times, November 27, 2003: "Nick Smith was told business interests would give his son \$100,000 in return for his father's vote. When he still declined, fellow Republican House members told him they would make sure Brad Smith never came to Congress. After (Rep.) Nick Smith voted no and the bill passed, (Rep.) Duke Cunningham of California and other Republicans taunted him that his son was dead meat";

Whereas the cost of the Prescription Drug bill was a critical factor in determining the votes of many Members of Congress and Richard S. Foster, the chief actuary for the Centers of Medicare and Medicaid Services, conducted numerous estimates indicating the cost to be much higher, including a June 11, 2003 analysis of a similar plan in the Senate which would have cost \$551 billion over ten years and Members were not made aware of this;

Whereas the Congressional Budget Office (CBO) estimated the cost of the Republican Prescription Drug bill to be \$395 billion over ten years and, yet just two months after the vote in Congress, Joshua Bolten, Director of the Office of Management and Budget, disclosed that the Administration's estimate of the cost was actually \$534 billion;

Whereas Representative Bill Thomas, the Chairman of the Ways and Means Committee and a key negotiator on the bill, told HHS Secretary Thompson on February 10, 2004 in a hearing before the Ways and Means Committee, "I know some people were surprised that your (HHS) number was higher. I personally was not . . ." (Hearing Transcript, February 10, 2004);

Whereas, Representative Nancy Johnson, the Chairman of the Ways and Means Health

Subcommittee and a key negotiator on the bill, said she knew of the higher estimates and stated, "Absolutely, we knew about these numbers." (The New York Times, March 18, 2004);

Whereas the Republican Leadership and the Committees of jurisdiction chose to ignore the warnings of higher cost estimates and intentionally misled Members of the House for the sole purpose of winning passage of an extremely controversial bill;

Whereas in a clear conflict of interest the Chairman of the Energy and Commerce Committee, former Representative Billy Tauzin (R-LA), was actively engaged in a job search with the pharmaceutical industry at the same time that he was a key negotiator on major provisions in the bill, and after its passage, he subsequently left Congress to take a highly paid executive position with the head of the pharmaceutical lobby, and is reportedly making many times his congressional salary;

Whereas the Republican Leadership's submissiveness to the influence of corporate interests, and their illegitimate efforts to overturn the will of the House to pass flawed legislation like the Prescription Drug bill, which was written to meet the needs of drug companies, call into question the legitimacy of the laws they enact and the agenda they pursue;

Whereas the culture of corruption has so permeated the Republican Leadership that they will violate their own rules and the customs and decorum of the House to win votes on the floor of the House of Representatives; therefore, be it

Resolved, That the House denounces the culture of corruption exhibited by the Republican Leadership, denounces the ongoing resort to illegitimate actions taken to pass legislation like the Prescription Drug bill under false pretenses, rejects the practice of improperly holding votes open beyond a reasonable period of time for the sole purpose of circumventing the will of the House, and directs the Speaker to take such steps as necessary to prevent any further abuse.

The SPEAKER pro tempore, Mr. BASS, ruled that the resolution submitted did present a question of the privileges of the House under rule IX.

Mr. PUTNAM moved to lay the resolution on the table.

The question being put, viva voce, Will the House lay the resolution on the table?

The SPEAKER pro tempore, Mr. BASS, announced that the yeas had it.

Ms. PELOSI demanded a recorded vote on agreeing to the motion, which demand was supported by one-fifth of a quorum, so a recorded vote was ordered.

The vote was taken by electronic device.

It was decided in the { Yeas 219 affirmative } { Nays 188

¶134.11 FILIPINO-AMERICAN CONTRIBUTIONS

Mr. CANNON moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 218):

Whereas the peoples of the Philippine archipelago have a long and proud history, and today, as the Republic of the Philippines, embrace democracy, occupy a central strategic position in Asia and the Pacific, and nurture a rich and diverse cultural heritage;

Whereas the United States and the Philippines have enjoyed a long and productive relationship, including the period of United States governance between 1898 and 1946, and the period post-independence starting in 1946, during which the Philippines has taken its place among the community of nations and has been one of our country's most loyal and reliable allies internationally;

Whereas the bonds between our two countries have been strengthened through sustained immigration from the Philippines to the United States;

Whereas the 2000 census counted almost 2.4 million Americans of Filipino ancestry living in all parts of our country, including the top two States: California, with almost 1.1 million Filipino Americans, and Hawaii, with some 275,000;

Whereas the contributions of Filipino Americans to the United States include achievement in all segments of our society, including, to name a few, labor, business, politics, medicine, media and the arts;

Whereas Filipino Americans have especially served with distinction in the Armed Forces of the United States throughout the history of our long relationship, from World Wars I and II through the Korean War, the Vietnam War, the Gulf War, and today in Afghanistan and Iraq;

Whereas within the United States, Filipino Americans retained many of their country's proud cultural traditions and contribute immeasurably to the diverse tapestry of today's American experience;

Whereas Filipino Americans have also maintained close ties to their friends and relatives in the Philippines and in doing so play an indispensable role in maintaining the strength and vitality of the U.S.-Philippines relationship;

Whereas both the Filipino experience in the United States and the resultant ties between our two great countries began in earnest in 1906, when 15 Filipino contract laborers arrived in the then-Territory of Hawaii to work on the islands' sugar plantations, the beginnings of an emigration from the Philippines to Hawaii which, during the subsequent century, has sometimes exceeded 60,000 a year, making Filipinos the largest immigrant group from the Asia-Pacific region;

Whereas 1906 also saw the first class of two hundred "pensionados" arrive from the Philippines to obtain United States educations with the intent of returning, although many later became United States citizens and

helped form the foundation of today's Filipino-American community;

Whereas the story of America's Filipino-American community is little known and rarely told, yet is the quintessential immigrant story of early struggle, pain, sacrifice, and broken dreams, leading eventually to success in overcoming ethnic, social, economic, political, and legal barriers to win a well-deserved place in American society;

Whereas our Filipino-American community will recognize a century of achievement in the United States in 2006 through a series of nationwide celebrations and memorials honoring the centennial of sustained immigration from the Philippines; and

Whereas this centennial is for all Americans of whatever ethnic origin to celebrate both with and in order to understand and appreciate our Filipino-American community, but also as a remembrance of the struggles and triumphs of all of our predecessors and in honor of our common national experience: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That the Congress—

(1) recognizes the centennial of sustained immigration from the Philippines to the United States;

(2) acknowledges the achievements and contributions of Filipino Americans over the past century; and

(3) requests that the President issue a proclamation calling on the people of the United States to observe this milestone with appropriate celebratory and educational programs, ceremonies and other activities.

¶134.12 LOS ANGELES GALAXY

Whereas the Galaxy's victory in MLS Cup 2005 was the team's second MLS championship in the last four years, the first also won over the New England Revolution in a 1-0 victory in MLS Cup 2002;

Whereas the victory in the MLS Cup gave the Galaxy their second major championship of 2005, the first won by defeating FC Dallas in the Lamar Hunt U.S. Open Cup championship game in September;

Whereas the owner of the Los Angeles Galaxy, Anschutz Entertainment Group, has made the Galaxy the model MLS club

through sound management and by instilling a team-first philosophy;

Whereas head coach Steve Sampson, and assistant coaches Afshin Ghotbi, Billy McNicol, and Ignacio Hernandez, Head Athletic Trainer Ivan Pierra, Team Administrator Anthony Garcia, and Equipment Manager Raul Vargas led the Galaxy to their second MLS championship by stressing teamwork and determination;

Whereas the Galaxy went undefeated during the 2005 MLS playoffs, advancing to the MLS Cup by defeating the top-seeded San Jose Earthquakes and the Colorado Rapids in the Western Conference playoffs and scoring seven goals and allowing just one over the span of four games, which included three shutouts;

Whereas the Galaxy's ability to win this season despite several player absences due to call-ups by the United States men's national team is a testament to the skill of the coaching staff and the desire of the team to play with pride for the city of Los Angeles;

Whereas midfielder Guillermo Ramirez, who scored the game-winning goal of MLS Cup 2005 in overtime, was selected as the game's Most Valuable Player, joining fellow Guatemalan and 2002 MLS Cup MVP Carlos Ruiz as the only Galaxy players ever to win this prestigious award;

Whereas the Galaxy have the most devoted and spirited fans who contributed to eight sold out home games and brought the average home game attendance to 24,000 people this season;

Whereas the Galaxy continue to captivate a growing and diverse audience from across Southern California; and

Whereas all of Southern California is proud of the accomplishments of the Los Angeles Galaxy team, the entire Galaxy organization, and the dedicated and faithful Galaxy fans throughout the 2005 MLS season: Now, therefore, be it

Resolved, That the House of Representatives—

(1) congratulates the Los Angeles Galaxy on their victory in the 2005 Major League Soccer championship; and

“(b)(1) The recipient of a request for records, a report, or other information under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114(a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947, may petition any court described in subsection (a) for an order modifying or setting aside a nondisclosure requirement imposed in connection with such a request.

“(2) If the petition is filed within one year of the request for records, a report, or other information under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114(a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947, the court may modify or set aside such a nondisclosure requirement if it finds that there is no reason to believe that disclosure may endanger the national security of the United States, interfere with a criminal, counterterrorism, or counterintelligence investigation, interfere with diplomatic relations, or endanger the life or physical safety of any person. If, at the time of the petition, the Attorney General, Deputy Attorney General, an Assistant Attorney General, or the Director of the Federal Bureau of Investigation, or in the case of a request by a department, agency, or instrumentality of the Federal Government other than the Department of Justice, the head or deputy head of such department, agency, or instrumentality, certifies that disclosure may endanger the national security of the United States or interfere with diplomatic relations, such certification shall be treated as conclusive unless the court finds that the certification was made in bad faith.

“(3) If the petition is filed one year or more after the request for records, a report, or other information under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114 (a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947, the Attorney General, Deputy Attorney General, an Assistant Attorney General, or the Director of the Federal Bureau of Investigation, or his designee in a position not lower than Deputy Assistant Director at Bureau headquarters or a Special Agent in Charge in a Bureau field office designated by the Director, or in the case of a request by a department, agency, or instrumentality of the Federal Government other than the Federal Bureau of Investigation, the head or deputy head of such department, agency, or instrumentality, within ninety days of the filing of the petition, shall either terminate the nondisclosure requirement or re-certify that disclosure may result in a danger to the national security of the United States, interference with a criminal, counterterrorism, or counterintelligence investigation, interference with diplomatic relations, or danger to the life or physical safety of any person. In the event of re-certification, the court may modify or set aside such a nondisclosure requirement if it finds that there is no reason to believe that disclosure may endanger the national security of the United States, interfere with a criminal, counterterrorism, or counterintelligence investigation, interfere with diplomatic relations, or endanger the life or physical safety of any person. If the recertification that disclosure may endanger the national security of the United States or interfere with diplomatic relations is made by the Attorney General, Deputy Attorney General, an Assistant Attorney General, or the

Director of the Federal Bureau of Investigation, such certification shall be treated as conclusive unless the court finds that the recertification was made in bad faith. If the court denies a petition for an order modifying or setting aside a nondisclosure requirement under this paragraph, the recipient shall be precluded for a period of one year from filing another petition to modify or set aside such nondisclosure requirement.

“(c) In the case of a failure to comply with a request for records, a report, or other information made to any person or entity under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114(a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947, the Attorney General may invoke the aid of any district court of the United States within the jurisdiction in which the investigation is carried on or the person or entity resides, carries on business, or may be found, to compel compliance with the request. The court may issue an order requiring the person or entity to comply with the request. Any failure to obey the order of the court may be punished by the court as contempt thereof. Any process under this section may be served in any judicial district in which the person or entity may be found.

“(d) In all proceedings under this section, subject to any right to an open hearing in a contempt proceeding, the court must close any hearing to the extent necessary to prevent an unauthorized disclosure of a request for records, a report, or other information made to any person or entity under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114(a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947. Petitions, filings, records, orders, and subpoenas must also be kept under seal to the extent and as long as necessary to prevent the unauthorized disclosure of a request for records, a report, or other information made to any person or entity under section 2709(b) of this title, section 626(a) or (b) or 627(a) of the Fair Credit Reporting Act, section 1114(a)(5)(A) of the Right to Financial Privacy Act, or section 802(a) of the National Security Act of 1947.

¶135.35 REPUBLIC OF NICARAGUA

Mr. BURTON of Indiana moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 252); as amended:

Whereas the United States is strongly committed to promoting democracy and the rule of law through the democratically elected government and the civil society of Nicaragua;

Whereas the Democratic Charter of the Organization of American States, of which the United States and Nicaragua are signatories, stipulates that "[t]he peoples of the Americas have a right to democracy and their governments have an obligation to promote and defend it";

Whereas after experiencing a revolution, loss of personal liberties, destruction of property, and economic instability a quarter century ago, the people of Nicaragua are committed to maintaining a democratic

form of government that functions democratically and whose branches of government respect the rule of law and human rights;

Whereas in November 2001, during the last national election, approximately 90 percent of voters in Nicaragua turned out to vote, indicating a strong commitment to a free electoral process and self determination;

Whereas international observers, including representatives from the National Democratic Institute, the International Republican Institute, the Carter Center, and the Organization of American States, monitored the Nicaraguan elections of November 2001 and determined that the elections met minimum international standards and that the outcome reflected the will of the Nicaraguan people;

Whereas ex-President Arnaldo Aleman and Sandinista Liberation Front (FSLN) leader Daniel Ortega entered into an agreement, which is widely known throughout Nicaragua as "the Pact," to exploit the legislative powers of the National Assembly to undermine the Nicaraguan Constitution, the Presidency of Enrique Bolaños Geyer, and key institutions of representative democratic governance;

Whereas polls indicate that an overwhelming percentage of Nicaraguans oppose the Aleman-Ortega Pact, and tens of thousands of Nicaraguans have taken to the streets in the past year to call for an end to the Pact;

Whereas in September 2005, the Secretary General of the Organization of American States warned that the attempt by the Nicaraguan national legislature to strip President Enrique Bolaños Geyer's ministers and other senior government officials of their official immunity had created circumstances that would have made the country ungovernable and generated endless conflict;

Whereas with regard to the attempt by the National Assembly through the operation of the Aleman-Ortega Pact to undermine the privileges of the Nicaraguan executive branch, the Organization of American States urged, in the strongest possible terms, that "the parties concerned enter into a broad and constructive dialogue, free of pressures and threats" and that the parties "respect the mandate freely conferred upon President Enrique Bolaños Geyer and the other elected officials by the Nicaraguan people";

Whereas the National Assembly, in reaction to pressure from the international community, in October 2005, voted unanimously to delay until after the term of President Enrique Bolaños Geyer expires in January 2007, the enactment of these constitutional amendments by approving the Framework Law for the Stability and Governability of the Country (Framework Law);

Whereas, although the enactment and implementation of the Framework Law has reduced the political tensions in Nicaragua, the practical effect of the Pact remains largely intact as Arnaldo Aleman and Daniel Ortega continue to wield near total control over the National Assembly, the Supreme Court, the Electoral Council, and the Comptroller's Office, and the Human Rights ombudsman's office;

Whereas free, fair, transparent, and inclusive electoral processes, in conjunction with strong adherence to the constitution and democratic institutions, are the bulwark against anti-democratic forces;

Whereas presidential and legislative elections in Nicaragua are scheduled to be held in October 2006; and

Whereas the prerequisites for free, fair, transparent, and inclusive elections have not yet been met, including securing a sufficient number of credible national and international observers, completing the distribution of voter identification cards, and ensuring that all qualified and willing candidates

are permitted to contest the elections: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That—

(1) Congress—

(A) condemns the continued operation of the Aleman-Ortega Pact as detrimental to democracy in the Republic of Nicaragua, the future of democracy in Nicaragua, and the stability of the entire region;

(B) denounces the previous attempts by the National Assembly to encroach unconstitutionally upon the powers of the executive branch, undermine the governability of the country, and advance the personal ambitions of some of its current and former members;

(C) applauds the diplomatic efforts of the Organization of American States (OAS) and the Secretary-General of the OAS for demonstrating the viability of the Inter-American Charter as an increasingly effective instrument in the Western Hemisphere for overcoming obstacles that impede institutions, whether such institutions are executive, legislative, or judicial in nature, from governing democratically;

(D) concurs with the convening of a broad National Dialogue to address the challenges that confront the Nicaraguan people as they attempt to build a more effective democracy; and

(E) supports the efforts of the Government of Nicaragua and civil society to create the necessary conditions for free, fair, transparent, and inclusive elections in 2006, including by having effective and robust monitoring missions by the Organization of American States and other international observers, supporting the training of domestic election observers, assisting in the auditing of voter rolls to ensure accuracy, promoting the complete distribution without discrimination of proper voter identification documents, and encouraging the lawful inclusion of all qualified candidates in the electoral contests; and

(2) it is the sense of Congress that—

(A) it should be the policy of the United States to support democracy, the rule of law, and human rights in Nicaragua and work cooperatively with regional and international organizations to bolster Nicaraguan efforts to establish the requisite conditions for free, fair, transparent, and inclusive presidential and legislative elections in 2006;

(B) it should be the policy of the United States to work through the Organization of American States and other regional and international organizations to encourage political elements within Nicaragua to preserve, protect, and defend the letter and spirit of that country's constitution; and

(C) to the extent that electoral or democracy and governance assistance is provided, the President of the United States should ensure that such assistance is provided only for the purposes of training election observers and ensuring the integrity of the electoral process as requested by the President of Nicaragua, that such assistance be provided through nongovernmental organizations on a non-partisan basis in the United States and Nicaragua, and that the details of such assistance be made public on a timely basis to promote transparency and accountability in both countries.

The SPEAKER pro tempore, Mr. CONAWAY, recognized Mr. BURTON of Indiana and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said concurrent resolution, as amended?

The SPEAKER pro tempore, Mr. CONAWAY, announced that two-thirds

of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said concurrent resolution, as amended, was agreed to.

By unanimous consent, the title was amended so as to read: "A concurrent resolution expressing the sense of Congress that the Government of the United States should support democracy, the rule of law, and human rights in the Republic of Nicaragua and work cooperatively with regional and international organizations to bolster Nicaraguan efforts to establish the requisite conditions for free, fair, transparent, and inclusive presidential and legislative elections in 2006."

A motion to reconsider the votes whereby the rules were suspended and said concurrent resolution, as amended, was agreed to and the title was amended was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said concurrent resolution.

¶135.36 LIVES AND WORK OF MARYKNOLL SISTERS

Mr. BURTON of Indiana moved to suspend the rules and agree to the following resolution (H. Res. 458); as amended:

Whereas on December 2, 1980, four United States churchwomen, Maryknoll Sisters Maura Clarke and Ita Ford, Ursuline Sister Dorothy Kazel, and Cleveland Lay Mission Team Member Jean Donovan, were violated and executed by members of the National Guard of El Salvador;

Whereas in 1980 Maryknoll Sisters Maura Clarke and Ita Ford were working in the parish of the Church of San Juan Bautista in Chalatenango, El Salvador, providing food, transportation, and other assistance to refugees and Ursuline Sister Dorothy Kazel and Cleveland Lay Mission Team Member Jean Donovan were working in the parish of the Church of the Immaculate Conception in La Libertad, El Salvador, providing assistance and support to refugees and other victims of violence;

Whereas these four United States churchwomen dedicated their lives to working with the poor of El Salvador, especially women and children left homeless, displaced and destitute by the Salvadoran war;

Whereas these four United States churchwomen joined the more than 70,000 civilians who were murdered during the course of the Salvadoran war;

Whereas on May 23 and May 24, 1984, five members of the National Guard of El Salvador—Subsergeant Luis Antonio Colindres Aleman, Daniel Canales Ramirez, Carlos Joaquin Contreras Palacios, Francisco Orlando Contreras Recinos, and Jose Roberto Moreno Canjura—were found guilty by the Salvadoran courts of the executions of the churchwomen and were sentenced to thirty years in prison, marking the first case in the history of El Salvador where a member of the Salvadoran Armed Forces was convicted of murder by a Salvadoran judge;

Whereas the United Nations Commission on the Truth for El Salvador was established under the terms of the historic January 1992 Peace Accords that ended El Salvador's twelve years of war and was charged to investigate and report to the Salvadoran people on human rights crimes committed by all sides during the course of the war;

Whereas in March 1993 the United Nations Commission on the Truth for El Salvador found that the execution of the four United States churchwomen was planned and that Subsergeant Luis Antonio Colindres Aleman carried out orders from a superior to execute them, and that then Colonel Carlos Eugenio Vides Casanova, then Director-General of the National Guard and his cousin Lieutenant Colonel Oscar Edgardo Casanova Vejar, then Commander of the Zacatecoluca military detachment where the murders were committed, and other military personnel knew that members of the National Guard had committed the murders pursuant to orders of a superior and that the subsequent cover-up of the facts adversely affected the judicial investigation into the murders of the four United States churchwomen;

Whereas the United Nations Commission on the Truth for El Salvador determined that General Jose Guillermo Garcia, then Minister of Defense, made no serious effort to conduct a thorough investigation of responsibility for the murders of the churchwomen;

Whereas the families of the four United States churchwomen continue their efforts to determine the full truth surrounding the murders of their loved ones, appreciate the cooperation of United States Government agencies in disclosing and providing documents relevant to the churchwomen's murders, and pursue requests to release to the family members the few remaining undisclosed documents and reports pertaining to this case;

Whereas the families of the four United States churchwomen appreciate the ability of those harmed by violence to bring suit against Salvadoran military officers in United States courts under the Torture Victim Protection Act of 1991 (28 U.S.C. 1350 note);

Whereas the lives of these four United States churchwomen have, for the past 25 years, served as inspiration and continue to inspire Salvadorans, Americans, and people throughout the world to answer the call to service and to pursue lives dedicated to addressing the needs and aspirations of the poor, the vulnerable, and the disadvantaged, especially among women and children;

Whereas the lives of the four United States churchwomen have also inspired numerous books, plays, films, music, religious, and cultural events;

Whereas schools, libraries, research centers, spiritual centers, health clinics, women's and children's programs in the United States and in El Salvador have been named after or dedicated to Sisters Maura Clarke, Ita Ford and Dorothy Kazel and lay missionary Jean Donovan;

Whereas the Maryknoll Sisters, headquartered in Ossining, New York, the Ursuline Sisters, headquartered in Cleveland, Ohio, numerous Religious Task Forces in the United States, and the Salvadoran and international religious communities based in El Salvador annually commemorate the lives and martyrdom of the four United States churchwomen;

Whereas the historic January 1992 Peace Accords allowed the Government and the people of El Salvador to achieve significant progress in creating and strengthening democratic political, economic, and social institutions; and

Whereas December 2, 2005, marks the 25th anniversary of the deaths of these four spiritual, courageous, and generous United States churchwomen: Now, therefore, be it

Resolved, That the House of Representatives—

(1) remembers and commemorates the lives and work of Sisters Maura Clarke, Ita Ford, and Dorothy Kazel and lay missionary Jean Donovan;

(2) extends sympathy and support for the families, friends, and religious communities of the four United States churchwomen;

(3) continues to find inspiration in the lives and work of these four United States churchwomen;

(4) calls upon the people of the United States and religious congregations to participate in local, national, and international events commemorating the 25th anniversary of the martyrdom of the four United States churchwomen;

(5) recognizes that while progress has been made during the post-war period, the work begun by the four United States churchwomen remains unfinished and social and economic hardships persist among many sectors of Salvadoran society; and

(6) calls upon the President, the Secretary of State, the Administrator of the United States Agency for International Development, and the heads of other United States Government departments and agencies to continue to support and collaborate with the Government of El Salvador and with private sector, nongovernmental, and religious organizations in their efforts to reduce poverty and hunger and to promote educational opportunity, health care, and social equity for the people of El Salvador.

The SPEAKER pro tempore, Mr. CONAWAY, recognized Mr. BURTON of Indiana and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said resolution, as amended, was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

Whereas the United States recognized the Republic of Croatia on April 7, 1992, acknowledging the decision of the people of Croatia to live in an independent, democratic, and sovereign country;

Whereas since achieving their independence, the people of Croatia have built a democratic society, based on the rule of law, respect for human rights, and a free market economy;

Whereas Croatia is a functioning democracy, with stable institutions guaranteeing the rule of law, human rights, and market economy;

Whereas Croatia has previously cooperated with the North Atlantic Treaty Organization (NATO) by allowing NATO free access to its air space during NATO's 1999 military action against Serbia;

Whereas the United States has shown support for Croatia in many ways since its independence, including by providing Croatia with economic and military assistance that has contributed significantly to the continued success;

Whereas Croatia is a reliable partner of the United States, actively contributing to the stabilization of South Central Europe;

Whereas NATO's Membership Action Plan, which was launched in April 1999, is a pro-

gram of assistance that provides both goals and a roadmap for countries aspiring to NATO membership;

Whereas Croatia was invited into the Membership Action Plan in May 2002 and has made substantial progress in attaining the necessary level of reforms required for receiving an invitation to start accession talks with NATO;

Whereas the United States, Croatia, Albania, and Macedonia are signatories to the United States-Adriatic Charter, which promotes Euro-Atlantic integration and commits the signatory nations to the values and principles of NATO and to joining the Alliance at the earliest possible time;

Whereas Croatia significantly improved its cooperation with the International Criminal Tribunal for the former Yugoslavia (ICTY);

Whereas on October 3, 2005, the European Union decided to open accession negotiations with Croatia based on the assessment of its Council of Ministers that Croatia met the political and economic criteria for candidacy in the European Union, including that Croatia was fully cooperating with the ICTY;

Whereas Croatia has sent troops to Afghanistan as part of the NATO-led International Security Assistance Force (ISAF) in support of the war against terrorism and has endorsed and is participating in the Proliferation Security Initiative with like-minded nations across the world to prevent the flow of weapons of mass destruction, missile systems, and related material; and

Whereas Croatia shares the common interests and values of the free and democratic world: Now, therefore, be it

Resolved, That it is the sense of the House of Representatives that—

(1) the Republic of Croatia has made significant progress since its independence in strengthening its democratic institutions and respect for human rights and the rule of law;

¶135.38 RUSSIAN FEDERATION

NONGOVERNMENTAL ORGANIZATIONS

Mr. SMITH of New Jersey moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 312); as amended:

Whereas Russian Federation President Putin has stated that "modern Russia's greatest achievement is the democratic process (and) the achievements of our civil society";

Whereas the unobstructed establishment and free and autonomous operations and activities of nongovernmental organizations and a robust civil society free from excessive government control are central and indispensable elements of a democratic society;

Whereas the free and autonomous operations of nongovernmental organizations in any society necessarily encompass activities, including political activities, that may be contrary to government policies;

Whereas domestic, international, and foreign nongovernmental organizations are crucial in assisting the Russian Federation and the Russian people in tackling the many challenges they face, including in such areas as education, infectious diseases, and the establishment of a flourishing democracy;

Whereas the Government of the Russian Federation has proposed legislation that would have the effect of severely restricting the establishment, operations, and activities of domestic, international, and foreign nongovernmental organizations in the Russian Federation, including erecting unprecedented barriers to foreign assistance;

Whereas the State Duma of the Russian Federation is considering the first draft of such legislation;

Whereas the restrictions in the first draft of this legislation would impose disabling restraints on the establishment, operations, and activities of nongovernmental organizations and on civil society throughout the Russian Federation, regardless of the stated intent of the Government of the Russian Federation;

Whereas the stated concerns of the Government of the Russian Federation regarding the use of nongovernmental organizations by foreign interests and intelligence agencies to undermine the Government of the Russian Federation and the security of the Russian Federation as a whole can be fully addressed without imposing disabling restraints on nongovernmental organizations and on civil society;

Whereas there is active debate underway in the Russian Federation over concerns regarding such restrictions on nongovernmental organizations;

Whereas the State Duma and the Federation Council of the Federal Assembly play a central role in the system of checks and balances that are prerequisites for a democracy;

Whereas the first draft of the proposed legislation has already passed its first reading in the State Duma;

Whereas President Putin has indicated his desire for changes in the first draft that would "correspond more closely to the principles according to which civil society functions"; and

Whereas Russia's destiny and the interests of her people lie in her assumption of her rightful place as a full and equal member of the international community of democracies: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress—

(1) urges the Government of the Russian Federation to withdraw the first draft of the proposed legislation that would have the effect of severely restricting the establishment, operations, and activities of domestic, international, and foreign nongovernmental

organizations in the Russian Federation, or to modify the proposed legislation to entirely remove these restrictions; and

(2) in the event that the first draft of the proposed legislation is not withdrawn, urges the State Duma and the Federation Council of the Federal Assembly to modify the legislation to ensure the unobstructed establishment and free and autonomous operations and activities of such nongovernmental organizations in accordance with the practices universally adopted by democracies, including the provisions regarding foreign assistance.

The SPEAKER pro tempore, Mr. REICHERT, recognized Mr. SMITH of New Jersey and Mr. LANTOS, each for 20 minutes.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed, until Thursday, December 15, 2005.

¶135.39 FORCED LABOR PRISON CAMPS

Mr. SMITH of New Jersey moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 294); as amended:

Whereas the Laogai is a vast prison labor system in the People's Republic of China and consists of a network of more than 1,000 prisons, camps, and mental institutions in which detainees must work at factories, farms, mines, and other facilities;

Whereas the two major aims of the Laogai are to generate economic resources for the state through free labor and to "reform criminals" through hard labor and political indoctrination;

Whereas the Government of the People's Republic of China relies on the Laogai as a tool for political suppression of pro-democracy activists, Internet dissidents, labor activists, and religious and spiritual believers, including Han Chinese, Tibetans, Uyghurs, Mongolians, and "house church" Christians;

Whereas, while the Soviet Gulags no longer exist, the Chinese Laogai is still fully operational, subjecting most of its three million prisoners to forced labor by threatening torture;

Whereas fifty million people have suffered as prisoners in the Laogai since its inception;

Whereas Laogai prisoners are deprived of religious freedom and forced to give up their political views in order to become a "new socialist person" and uphold communism and the Chinese Communist Party;

Whereas in recent years, more than 100,000 religious believers have been unjustly and illegally imprisoned in one Laogai camp alone, where they have been beaten, tortured, and often killed;

Whereas Laogai prisoners are forced to work long hours in appalling conditions, including mining asbestos and other toxic chemicals with no protective clothing, tan-

ning hides while standing naked in vats filled with chemicals used for softening of animal skins, and working in mining facilities where explosions and other accidents are a common occurrence;

Whereas it is documented that China's national policy since 1984 has been to extract organs from executed prisoners without prior consent of the prisoners or their family members, setting China apart from every other country in the world;

Whereas there are more than 1,000 instances in which organs are harvested from executed Chinese prisoners every year;

Whereas both Chinese and foreign patients from around the world receive organs transplanted from executed Chinese prisoners;

Whereas Laogai prisoners are required to make confessions of their wrongdoings, which include political and religious views that the Chinese Communist Party wishes to suppress;

Whereas Chinese citizens are not guaranteed due process of law nor even a right to trial;

Whereas many individuals are often convicted and sentenced with no trial at all, or they are convicted with "evidence" extracted through torture;

Whereas in one part of the Laogai system known as the Laojiao, or reeducation-through-labor, Chinese citizens can be detained for up to three years without any judicial review or formal appearance in the judicial system;

Whereas goods produced by forced labor in the Laogai system continue to be exported to the United States and the world;

Whereas the Chinese Government has continuously encouraged the export of goods produced through the Laogai prison system and relies on forced labor as an integral part of its economy;

Whereas forced labor and torture practices carried out in the Laogai violate international laws, standards, and treaties to which China is party, including the United Nations Charter, the Universal Declaration of Human Rights, and the Convention against Torture and Other Cruel, Inhuman or Degrading Treatment or Punishment; and

Whereas China, a member State of the International Labor Organization, also violates many agreements regarding labor conditions and the rights of workers: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress—

(1) calls on the international community to condemn the Laogai, the system of forced labor prison camps in the People's Republic of China, as a tool for suppression maintained by the Chinese Government;

(2) calls on the Government of the United States to fully implement United States laws that prohibit the importation of forced labor products made in the Laogai;

(3) calls on the Government of the United States to take actions to review the implementation of the Memorandum of Understanding on Prison Labor in 1992 and the Statement of Cooperation in 1994 with respect to the Laogai;

(4) will undertake efforts to join with the European Parliament to urge the introduction of a resolution at the United Nations Human Rights Commission condemning the Laogai and the human rights situation in China;

(5) calls on the Government of the People's Republic of China to release information about the Laogai, including the total number of Laogai camps and prisoners throughout China, the exact locations of the camps, and the business production activities taking place at the camps;

(6) calls on the Government of the People's Republic of China to release information about the number of executions of prisoners

at the camps that are carried out every year, and the extent of the harvesting and transplantation of organs of executed prisoners;

(7) urges the Government of the People's Republic of China to allow unrestricted visits by international human rights inspectors, including United Nations inspectors, to Laogai camps throughout China; and

(8) urges the Congressional-Executive Commission on China to continue to investigate the Laogai system in China and to make recommendations for United States policy that will help protect human rights for Chinese citizens.

The SPEAKER pro tempore, Mr. REICHERT, recognized Mr. SMITH of New Jersey and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and agree to said concurrent resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

Mr. SMITH of New Jersey demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed, until Thursday, December 15, 2005.

¶135.40 PROVIDING FOR THE CONSIDERATION OF H.R. 2830

Mr. HASTINGS of Washington, by direction of the Committee on Rules, reported (Rept. No. 109-346) the resolution (H. Res. 602) providing for the consideration of the bill (H.R. 2830) to amend the Employee Retirement Income Security Act of 1974 and the Internal Revenue Code of 1986 to reform the pension funding rules, and for other purposes.

When said resolution and report were referred to the House Calendar and ordered printed.

¶135.41 CAMBODIAN GENOCIDE

Mr. SMITH of New Jersey moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 238); as amended:

Whereas beginning in April 1975, Pol Pot led the Communist guerilla group, the Khmer Rouge, in a large-scale insurgency in Cambodia that forcibly removed Cambodians from their homes and into labor camps in an attempt to restructure Khmer society;

Whereas traditional Khmer culture and society were systematically destroyed, including the destruction of temples, schools, hospitals, homes, and historic buildings;

Whereas the Khmer Rouge separated and destroyed families and punished and killed innocent civilians, including women, children, doctors, nurses, clergy, teachers, business owners, intellectuals and artisans;

Whereas more than 1.7 million Cambodians, or approximately 21 percent of the population, were killed in one of the worst atrocities of the last century;

Whereas many people were executed simply for being educated, wealthy, or even for wearing glasses as they were seen as bourgeois or contaminated with Western influence;

Whereas after the Khmer Rouge regime was overthrown in 1979, thousands of Cambodians fled on foot to refugee camps in Thailand and many refugees were processed again in other camps in the Philippines and Indonesia;

Whereas from these refugee camps approximately 145,149 Cambodians made their way to the United States, with the majority arriving in the early 1980s and settling in communities across the United States;

Whereas despite the tremendous loss of family members, homes, and even parts of their heritage during the Khmer Rouge regime, Cambodians have shown courage and enormous resiliency;

Whereas, according to United States Census Bureau figures, there are approximately 206,053 Cambodians currently living in the United States;

Whereas the new generation of Cambodian-Americans continues to contribute to all aspects of American society as writers, doctors, professors, and community leaders; and

Whereas the United Nations has taken affirmative steps to establish an international criminal tribunal to bring to justice the perpetrators of the Cambodian genocide: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress—

(1) honors the victims of the genocide in Cambodia that took place beginning in April 1975 and ending in January 1979; and

(2) welcomes the establishment of an international criminal tribunal to bring to justice the perpetrators of the Cambodian genocide, with the hope that proceedings of the tribunal will meet international standards of justice.

The SPEAKER pro tempore, Mr. REICHERT, recognized Mr. SMITH of New Jersey and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said concurrent resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said concurrent resolution, as amended, was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said concurrent resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said concurrent resolution.

¶135.42 OPERATION MURAMBATSVINA

Mr. SMITH of New Jersey moved to suspend the rules and agree to the following resolution (H. Res. 409); as amended:

Whereas on May 19, 2005, the Government of Zimbabwe launched "Operation Murambatsvina", translated from the Shona language as "Operation Drive Out the Trash", in major cities and suburbs throughout Zimbabwe in an effort that it characterized as an operation to "restore order" to the country;

Whereas hours after the Governor of the Reserve Bank of Zimbabwe called for an end to the parallel market, Operation Murambatsvina began in the city of Harare

and subsequently in other urban areas, such as the city of Bulawayo, ostensibly to oust illegal vendors and eliminate illegal structures;

Whereas Operation Murambatsvina was carried out as an indiscriminate demolition of the homes and livelihood of thousands of Zimbabwean citizens already suffering from a protracted economic and political crisis brought on by poor policy directives by the Government of Zimbabwe that forced masses of rural dwellers to urban areas of the country for survival;

Whereas in some communities that were victimized by the forced demolitions, including Cheru Farm and Killarney Farm where more than 20,000 people lived, Zimbabweans had lived in residences for over 20 years and had well-functioning schools, health and HIV/AIDS clinics, orphanages for AIDS-affected children, viable businesses, places of worship, and other amenities;

Whereas in 1993, the Government of Zimbabwe moved families from Cheru Farms to a new location, Porto Farm, which during Operation Murambatsvina was demolished by Zimbabwean Government forces;

Whereas government security forces carried out Operation Murambatsvina, and in doing so, beat residents and forced them to destroy their own homes and places of business, though many residents provided permits from municipal authorities granting permission to build their structures;

Whereas Operation Murambatsvina resulted in the demolition throughout the country of homes, businesses, and religious structures, including a mosque, and an AIDS orphanage and in the intimidation, harassment, and arrest of tens of thousands of people;

Whereas Operation Murambatsvina cut off many AIDS patients from anti-retroviral medicines which will likely lead to a reversal of their health, resistance to the drugs, and a more virulent form of AIDS in Zimbabwe with potential for spreading throughout the region and worldwide;

Whereas churches and private citizens sheltering the victims of Operation Murambatsvina were also intimidated, harassed, and arrested for their efforts to provide a safe haven for the victims during Zimbabwe's harsh winter;

Whereas armed soldiers and police forcibly removed hundreds of homeless people from churches in the city of Bulawayo and banned religious groups from providing humanitarian assistance to those seeking shelter at Hellensvale, a transit camp north of Zimbabwe's second city, and where police arrested and detained religious leaders;

Whereas a strongly worded statement issued by the Bulawayo clergy stated: "The removal of the poor, innocent, weak, voiceless and vulnerable members of society by riot police in the middle of the night was uncalled for and unnecessary. It is inhumane, brutal and insensitive, and in total disregard of human rights and dignity. These people are not criminals but bona fide citizens of this nation. It seems the crime they committed is that they are poor.";

Whereas the African Commission for Peoples' and Human Rights dispatched an African Union envoy, Bahame Tom Nyanduga, Special Rapporteur on Refugees, Internally Displaced Persons, and Asylum Seekers in Africa to investigate the ongoing demolitions;

Whereas the Government of Zimbabwe refused to allow the African Union envoy an opportunity to conduct his mission after being accused by the Government of Zimbabwe through its government-controlled media of "following the agenda of western countries";

Whereas the decision to block access to the African Union envoy is representative of a

larger pattern of behavior, whereby the Government of Zimbabwe uses violence, intimidation, and demagoguery to subjugate its people, relies on scapegoats to justify the economic, political, and social crises in Zimbabwe, and detains and slanders United States diplomats who challenge the ruinous policies of that government;

Whereas in response to the crisis, the Secretary-General of the United Nations dispatched a special envoy, Ms. Anna Kajumulo Tibaijuka, Deputy Secretary General, United Nations Human Settlements Program (UN-HABITAT), on a factfinding mission to assess the scope and impact of Operation Murambatsvina on the people of Zimbabwe and its consequences for the Zimbabwean Government;

Whereas the mission of the United Nations special envoy was undertaken between June 26 and July 8, 2005, where she visited the cities of Harare, Headlands, Rusape, Mutare, Gweru, Bulawayo, Hwange, and Victoria Falls and met with victims of Operation Murambatsvina, heard personal testimony from victims, and met with members of the diplomatic community, the Government of Zimbabwe, and international nongovernmental organizations;

Whereas the United Nations special envoy estimated that approximately 700,000 people in cities across the country have lost either their homes, their source of livelihood, or both, and that a total of 2.4 million people or 18 percent of the population was directly or indirectly affected by Operation Murambatsvina and that the operation would have considerable short-term and long-term impact on social and economic conditions in the country;

Whereas 40,800 families directly affected by Operation Murambatsvina were headed by women, and 83,530 children under the age of four and 26,600 people age 60 and older were directly affected;

Whereas President Robert Mugabe described this sudden and extensive operation against thousands of families and business persons in the dead of winter as necessary "to eliminate hideouts of crime and grime";

Whereas the United Nations special envoy is quoted as saying "the poor are not criminals . . . [t]hey work hard to obtain the little which they have and they should not thus be treated like criminals";

Whereas the United Nations special envoy assessed the negative impact of Operation Murambatsvina on shelter, water and sanitation, food and nutrition, basic health services, HIV/AIDS, education, women and girls, refugees and other vulnerable groups;

Whereas the special envoy concluded that Operation Murambatsvina "has rendered people homeless and economically destitute on an unprecedented scale; most of the victims were already among the most economically disadvantaged groups in society; and they have now been pushed deeper into poverty and have become even more vulnerable; and the scale of suffering is immense, particularly among widows, single mothers, children, orphans, the elderly and the disabled persons";

Whereas at the time of independence, President Robert Mugabe was hailed as a liberator and Zimbabwe showed bright prospects for democracy, economic development, domestic reconciliation, and prosperity;

Whereas President Mugabe and his ZANU-PF party in recent years have turned away from the promises of liberation and become a party that uses state power to deny the people of Zimbabwe the freedoms and prosperity for which they fought and deserve;

Whereas the rise of urbanization and the informal sector in Zimbabwe has been the direct result of failed economic policies, a bitterly disputed fast track land reform program, unplanned cash handouts to appease

war veterans, the costly military intervention in Congo, and persistent drought;

Whereas before Operation Murambatsvina, unemployment in Zimbabwe was between 70 and 80 percent, the HIV/AIDS prevalence rate was 24 percent, and the inflation rate was 164.4 percent (but was as high as 522.8 percent), and currently Zimbabwe has the world's fastest shrinking economy, there is an ongoing fuel crisis in the country, and the Zimbabwean economy had contracted 7 percent; and

Whereas the staggering suffering brought on by Operation Murambatsvina has been added to the already large-scale humanitarian crisis in Zimbabwe: Now, therefore, be it

Resolved, That—

(1) it is the sense of the House of Representatives that—

(A) through Operation Murambatsvina, the Government of Zimbabwe has created a humanitarian disaster that has compounded the already existing humanitarian food and economic crises in the country, and the Government of Zimbabwe has insufficient resources to address such crises;

(B) the Government of Zimbabwe has a duty to protect the economic, social, and political rights of its citizens as guaranteed by the Constitution of Zimbabwe and the African Charter on Human and Peoples' Rights; and

(C) the Government of Zimbabwe also is subject to the International Covenant on Economic, Social and Cultural Rights, to which Zimbabwe is a party, which states in part that "forced evictions are prima facie incompatible with the provisions of the Covenant and can only be carried out under specific circumstances"; and

(2) the House of Representatives—

(A) condemns Operation Murambatsvina as a major humanitarian catastrophe caused by the Government of Zimbabwe's callousness toward its own people, disregard for the rule of law, and lack of planning to move families and businesses to more desirable locations;

(B) calls on the United Nations, the African Commission for Peoples' and Human Rights, and the African Union to continue efforts to investigate the impact of the demolitions of housing structures and premises from which informal businesses operated and to provide the international community with a viable strategy to address the problems;

(C) calls on the Government of Zimbabwe to allow international humanitarian organizations access to those affected by the operation who are in need of food, medicine, shelter, sanitation, and water;

(D) calls on the Government of Zimbabwe to hold accountable those responsible for this egregious injury to the Zimbabwean people, both the decisionmakers of the operation and those who carried out the operation;

(E) calls on the Government of Zimbabwe to immediately and aggressively implement policies to promote the private sector and create jobs and build housing to accommodate those displaced by the operation;

(F) calls on the United Nations and the international community to stand by the people of Zimbabwe who have been victimized by their government in this operation and to help them with relief and reconstruction of their lives;

(G) calls on the Secretary of the Treasury to instruct the United States Executive Director at the International Monetary Fund (IMF) to use the voice, vote, and influence of the United States to continue to advocate for further action at the IMF should the Government of Zimbabwe continue to fail to meet its obligations to the IMF;

(H) condemns President Mugabe's harassment of the United States Ambassador to

Zimbabwe, including by threatening the Ambassador's expulsion from the country and asserting that he could "go to Hell"; and

(I) calls on President Mugabe to recognize that absent meaningful corrective actions on his part, President Mugabe's legacy will be defined by his responsibility for the ruinous policies and draconian laws that brought untold suffering of his people and the near collapse of Zimbabwe as a nation.

The SPEAKER pro tempore, Mr. REICHERT, recognized Mr. SMITH of New Jersey and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

Mr. LANTOS, demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed until Thursday, December 15, 2005.

¶135.43 PALESTINIAN AUTHORITY ELECTIONS

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 575); as amended:

Whereas the foundation for the Israeli-Palestinian peace process was Palestinian recognition of Israel's right to exist and a solemn obligation to end terrorism and violence;

Whereas the removal of all Israeli presence in Gaza signifies an end to Israeli responsibility there and a shift in security responsibility of Gaza to the Palestinian Authority;

Whereas Israel's evacuation of Gaza affords the Palestinian Authority, now the responsible governing authority in Gaza, the opportunity to demonstrate its ability to govern, to establish the rule of law, to end corruption, and thereby to demonstrate that it is a partner for peace;

Whereas Palestinian Authority President Mahmoud Abbas has repeatedly called for the establishment of "One Authority, One Law, and One Gun";

Whereas since the withdrawal of Israeli military forces, the Palestinian Authority has taken few steps to establish rule of law in Gaza;

Whereas Hamas, Islamic Jihad, the al-Aqsa Martyrs' Brigade, and other terrorist organizations have vowed to continue terrorism against Israeli civilians, seek the destruction of the State of Israel, and employ violence and terror in fulfillment of that aim;

Whereas the inclusion of Hamas, or any other terrorist group on the State Department list of foreign terrorist organizations, into the Palestinian structure could be construed as an implicit endorsement of their anti-American and anti-Israeli terrorist ideology;

Whereas the first provision of the Road Map to Middle East Peace calls for the Palestinians to dismantle the terrorist infrastructure;

Whereas these terrorist organizations, including Hamas and Islamic Jihad, operate virtually without interference from the Palestinian Authority;

Whereas Hamas has announced its intention to run in Palestinian legislative elections scheduled for January 2006;

Whereas Abbas has indicated his willingness to see Hamas participate in the elections without first calling for it to disband its militia or for it to renounce its goal of destroying the State of Israel;

Whereas the United States has clearly stated that armed militias attached to political parties are incompatible with democratic societies;

Whereas President Bush has stated that Hamas "seeks to end dissent in every form, to control every aspect of life . . . the terrorists are preparing a future of oppression and misery";

Whereas the forces of freedom must continue to keep an untiring vigil against the enemies of rising democracies; and

Whereas the United States has a long-standing policy of not dealing or negotiating with terrorists: Now, therefore, be it

Resolved, That the House of Representatives—

(1) reaffirms its commitment to the safety and security of the democratic State of Israel;

(2) asserts that terrorist organizations, such as Hamas, should not be permitted to participate in Palestinian elections until such organizations recognize Israel's right to exist as a Jewish state, cease incitement, condemn terrorism, and permanently disarm and dismantle their terrorist infrastructure;

(3) calls on the Palestinian Authority President Abbas before the election to declare openly his intention to take action to dismantle the terrorist organizations;

(4) asserts that the inclusion of Hamas, or any other terrorist group on the Department of State's list of foreign terrorist organizations, in the Palestinian Authority's government will inevitably raise serious questions for the United States about the commitment of the Palestinian Authority and its leadership to making peace with Israel and will potentially undermine the ability of the United States to have a constructive relationship with, or provide further assistance to, the Palestinian Authority; and

(5) states its strong belief that, as underlined in every recent Israeli-Palestinian peace agreement, progress in the peace process requires sustained Palestinian effort to dismantle the terrorist infrastructure, and that delay in confronting that principal obligation only emboldens the opponents of peace and threatens its realization.

The SPEAKER pro tempore, Mr. REICHERT, recognized Ms. ROS-LEHTINEN and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

Mr. MCCAUL of Texas demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed until Thursday, December 15, 2005.

¶135.44 INDEPENDENT IRAQI JUDICIARY

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 534):

Whereas the United States is supportive of a sovereign governing body in Iraq, including the current government as well as future duly elected governments and appointed officials;

Whereas Iraq, as do all sovereign nations, has the duty and responsibility to indict, prosecute, and punish criminals within its jurisdiction;

Whereas the Iraqi Special Tribunal holds the sovereign power to prosecute criminals;

Whereas certain accused individuals have allegedly committed egregious crimes against humanity, genocide, and war crimes;

Whereas the people of a free and democratic Iraq deserve justice for the horrific crimes inflicted upon them; and

Whereas the Iraqi Special Tribunal is empaneled to bring swift and impartial justice for the people, victims, and the nation of Iraq: Now, therefore, be it

Resolved, That the House of Representatives fully supports an independent Iraqi judiciary and its efforts to serve the cause of justice in a free and democratic Iraq.

The SPEAKER pro tempore, Mr. REICHERT, recognized Ms. ROS-LEHTINEN and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

Mr. KING of Iowa, demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed, until Thursday, December 15, 2005.

¶135.45 CONDEMNING SYRIAN ACTIONS

Ms. ROS-LEHTINEN moved to suspend the rules and agree to the following resolution (H. Res. 598); as amended:

Whereas on September 2, 2004, United Nations Security Council Resolution 1559 was adopted by the Security Council to address Syria's continued interference in Lebanese politics, reaffirming strict respect for Lebanon's sovereignty, and stipulating the withdrawal of all non-Lebanese forces from Lebanon and the disbanding and disarmament of all Lebanese and non-Lebanese militias;

Whereas on February 14, 2005, former Prime Minister of Lebanon Rafik Hariri and 22 others were killed in a terrorist bombing orchestrated by unidentified assailants;

Whereas on April 7, 2005, the United Nations Security Council adopted Resolution 1595, under which the Security Council decided to "establish an international independent investigation Commission [the UNIIC] based in Lebanon to assist the Lebanese authorities in their investigation of all aspects of this terrorist act, including to help identify its perpetrators, sponsors, organizers and accomplices";

Whereas on October 19, 2005, the first report of the United Nations International

Independent Investigation Commission (UNIIC), headed by former German prosecutor Detlev Mehlis, found "there is converging evidence pointing at both Lebanese and Syrian involvement in this terrorist act";

Whereas the October 19, 2005, report also asserted that "[g]iven the infiltration of Lebanese institutions and society by the Syrian and Lebanese intelligence services working in tandem, it would be difficult to envisage a scenario whereby such a complex assassination plot could have been carried out without their knowledge";

Whereas on October 31, 2005, the United Nations Security Council adopted Resolution 1636, which expressed extreme concern that "Syrian authorities have cooperated in form but not in substance" with the UNIIC, that "several Syrian officials tried to mislead the investigation by giving false or inaccurate statements" and that "Syria's continued lack of cooperation with the inquiry would constitute a serious violation of its obligations";

Whereas on December 12, 2005, the second report of the UNIIC noted that "steady progress" has been made in the Lebanese portion of the investigation that "remains to be matched" in the Syrian portion of the investigation and recommended an extension of the UNIIC's investigative mandate by a "minimum period of six months" since substantive lines of enquiry are far from being completed and "given the slow pace with which the Syrian authorities are beginning to discharge their commitments to the [Security] Council";

Whereas Syria's actions to hinder the UNIIC's investigative efforts include credible reports of the arrest and threatening of close relatives of at least one crucial witness, delay caused by procedural maneuvering, and the report of two witnesses that all Syrian intelligence documents concerning Lebanon have been burned;

Whereas since the assassination of Rafik Hariri, intimidation of the press in Lebanon has increased and a series of attacks and explosions in Lebanon have occurred, targeting political leaders and journalists who have advocated Lebanese sovereignty, including Samir Qassir, May Chidiac, and most recently on December 12, 2005, the assassination of Gebran Tuéni, a Member of the Lebanese Parliament and the general manager of the Lebanese daily *an-Nahar*, which has been a vital editorial voice opposing Syrian political control and influence in Lebanon; and

Whereas Secretary of State Condoleezza Rice on December 12, 2005, expressed outrage at the assassination of Gebran Tuéni and stated: "Syrian interference in Lebanon continues, and it must end completely. The United States will work with its partners on the Security Council and in the region to see that Security Council Resolutions 1595 and 1636 are fully implemented." Now, therefore, be it

Resolved, That the House of Representatives—

(1) condemns the Government of Syria for hindering and failing to cooperate fully in a timely and substantive manner with the investigation of the assassination of former Prime Minister of Lebanon Rafik Hariri conducted by the United Nations International Independent Investigation Commission (UNIIC);

(2) expresses support for extending the investigative mandate of the UNIIC for at a minimum an additional six-month period as recommended by the UNIIC in order to fully ascertain the responsibility for the assassination of former Prime Minister of Lebanon Rafik Hariri;

(3) states its concern that insecurity in Lebanon could have a destabilizing effect on the region and harm the ability of the people

of Lebanon to strengthen democracy and economic prosperity in their country;

(4) expresses its gratitude to—

(A) chief investigator Detlev Mehlis and the UNIIC for their continuing efforts to uncover evidence related to the assassination of Rafik Hariri; and

(B) those who have freely assisted the UNIIC in its investigation;

(5) demands that Syria commit itself to expeditiously fulfill all obligations to cooperate with the UNIIC and to meet all obligations of United Nations Security Council Resolutions 1559, 1595, and 1636;

(6) encourages the United States Permanent Representative to the United Nations to use the voice, vote, and influence of the United States in the United Nations Security Council to advocate for the application of punitive measures against Syria that target its leadership—including the enactment of punitive sanctions against Syria under Chapter VII of the Charter of the United Nations—if Syria further fails to cooperate fully with the ongoing UNIIC investigation and continues to violate Security Council Resolutions 1559, 1595, and 1636;

(7) urges the Government of the United States to support the extension of the jurisdiction of the UNIIC to cover assassinations and assassination attempts in Lebanon since October 1, 2004; and

(8) urges the President to implement further measures against the Syrian leadership in accordance with the requirements in the Syria Accountability and Lebanese Sovereignty Restoration Act of 2003 (Public Law 108-175), particularly if Syria further fails to cooperate fully with the ongoing UNIIC investigation and continues to violate Security Council Resolutions 1559, 1595, and 1636.

The SPEAKER pro tempore, Mr. REICHERT, recognized Ms. ROS-LEHTINEN and Mr. LANTOS, each for 20 minutes.

After debate,

The question being put, *viva voce*,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. REICHERT, announced that two-thirds of the Members present had voted in the affirmative.

Mr. LANTOS demanded that the vote be taken by the yeas and nays, which demand was supported by one-fifth of the Members present, so the yeas and nays were ordered.

The SPEAKER pro tempore, Mr. REICHERT, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed, until Thursday, December 15, 2005.

“(1) IN GENERAL.—Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 303(j)) shall be paid by the employer responsible for making contributions to or under the plan.

“(2) JOINT AND SEVERAL LIABILITY WHERE EMPLOYER MEMBER OF CONTROLLED GROUP.—In the case of a single-employer plan, if the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

“(c) VARIANCE FROM MINIMUM FUNDING STANDARDS.—

“(1) WAIVER IN CASE OF BUSINESS HARDSHIP.—

“(A) IN GENERAL.—If—

“(i) an employer is (or in the case of a multiemployer plan, 10 percent or more of the number of employers contributing to or under the plan is) unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

“(ii) application of the standard would be adverse to the interests of plan participants in the aggregate,

the Secretary of the Treasury may, subject to subparagraph (C), waive the requirements of subsection (a) for such year with respect to all or any portion of the minimum funding standard. The Secretary of the Treasury shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years.

“(B) EFFECTS OF WAIVER.—If a waiver is granted under subparagraph (A) for any plan year—

“(i) in the case of a single-employer plan, the minimum required contribution under section 303 for the plan year shall be reduced by the amount of the waived funding deficiency and such amount shall be amortized as required under section 303(e), and

“(ii) in the case of a multiemployer plan, the funding standard account shall be credited under section 304(b)(3)(C) with the amount of the waived funding deficiency and such amount shall be amortized as required under section 304(b)(2)(C).

“(C) WAIVER OF AMORTIZED PORTION NOT ALLOWED.—The Secretary of the Treasury may not waive under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

“(2) DETERMINATION OF BUSINESS HARDSHIP.—For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

“(A) the employer is operating at an economic loss,

“(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

“(C) the sales and profits of the industry concerned are depressed or declining, and

“(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

“(3) WAIVED FUNDING DEFICIENCY.—For purposes of this part, the term ‘waived funding deficiency’ means the portion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary of the Treasury and not satisfied by employer contributions.

“(4) SECURITY FOR WAIVERS FOR SINGLE-EMPLOYER PLANS, CONSULTATIONS.—

“(A) SECURITY MAY BE REQUIRED.—

“(i) IN GENERAL.—Except as provided in subparagraph (C), the Secretary of the Treasury may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 4001(a)(15)) to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1).

“(ii) SPECIAL RULES.—Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 4001(a)(13)), or a member of such sponsor’s controlled group (within the meaning of section 4001(a)(14)).

“(B) CONSULTATION WITH THE PENSION BENEFIT GUARANTY CORPORATION.—Except as provided in subparagraph (C), the Secretary of the Treasury shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

“(i) provide the Pension Benefit Guaranty Corporation with—

“(I) notice of the completed application for any waiver or modification, and

“(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

“(ii) consider—

“(I) any comments of the Corporation under clause (i)(II), and

“(II) any views of any employee organization (within the meaning of section 3(4)) representing participants in the plan which are submitted in writing to the Secretary of the Treasury in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p) of the Internal Revenue Code of 1986.

“(C) EXCEPTION FOR CERTAIN WAIVERS.—

“(i) IN GENERAL.—The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

“(I) the aggregate unpaid minimum required contribution for the plan year and all preceding plan years, and

“(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 303(e)(2),

is less than \$1,000,000.

“(ii) TREATMENT OF WAIVERS FOR WHICH APPLICATIONS ARE PENDING.—The amount described in clause (i)(I) shall include any increase in such amount which would result if all applications for waivers of the minimum funding standard under this subsection which are pending with respect to such plan were denied.

“(iii) UNPAID MINIMUM REQUIRED CONTRIBUTION.—For purposes of this subparagraph—

“(I) IN GENERAL.—The term ‘unpaid minimum required contribution’ means, with respect to any plan year, any minimum required contribution under section 303 for the plan year which is not paid on or before the due date (as determined under section 303(j)(1)) for the plan year.

“(II) ORDERING RULE.—For purposes of subclause (I), any payment to or under a plan for any plan year shall be allocated first to unpaid minimum required contributions for

all preceding plan years on a first-in, first-out basis and then to the minimum required contribution under section 303 for the plan year.

“(5) SPECIAL RULES FOR SINGLE-EMPLOYER PLANS.—

“(A) APPLICATION MUST BE SUBMITTED BEFORE DATE 2½ MONTHS AFTER CLOSE OF YEAR.—In the case of a single-employer plan, no waiver may be granted under this subsection with respect to any plan for any plan year unless an application therefor is submitted to the Secretary of the Treasury not later than the 15th day of the 3rd month beginning after the close of such plan year.

“(B) SPECIAL RULE IF EMPLOYER IS MEMBER OF CONTROLLED GROUP.—In the case of a single-employer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of paragraph (1) shall be treated as met only if such requirements are met—

“(i) with respect to such employer, and

“(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary of the Treasury may provide that an analysis of a trade or business or industry of a member need not be conducted if such Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

“(6) ADVANCE NOTICE.—

“(A) IN GENERAL.—The Secretary of the Treasury shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such waiver to each affected party (as defined in section 4001(a)(21)). Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV and for benefit liabilities.

“(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under subparagraph (A).

“(7) RESTRICTION ON PLAN AMENDMENTS.—

“(A) IN GENERAL.—No amendment of a plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under this subsection or an extension of time under section 304(d) is in effect with respect to the plan, or if a plan amendment described in subsection (d)(2) has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

“(B) EXCEPTION.—Paragraph (1) shall not apply to any plan amendment which—

“(i) the Secretary of the Treasury determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

“(ii) only repeals an amendment described in subsection (d)(2), or

“(iii) is required as a condition of qualification under part I of subchapter D of chapter 1 of the Internal Revenue Code of 1986.

“(8) CROSS REFERENCE.—For corresponding duties of the Secretary of the Treasury with regard to implementation of the Internal Revenue Code of 1986, see section 412(c) of such Code.

“(d) MISCELLANEOUS RULES.—

“(1) CHANGE IN METHOD OR YEAR.—If the funding method, the valuation date, or a

plan year for a plan is changed, the change shall take effect only if approved by the Secretary of the Treasury.

“(2) CERTAIN RETROACTIVE PLAN AMENDMENTS.—For purposes of this section, any amendment applying to a plan year which—

“(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

“(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

“(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary of the Treasury notifying him of such amendment and such Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary of the Treasury unless such Secretary determines that such amendment is necessary because of a substantial business hardship (as determined under subsection (c)(2)) and that a waiver under subsection (c) (or, in the case of a multiemployer plan, any extension of the amortization period under section 304(d)) is unavailable or inadequate.

“(3) CONTROLLED GROUP.—For purposes of this section, the term ‘controlled group’ means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986.”

(c) CLERICAL AMENDMENT.—The table of contents in section 1 of such Act is amended by striking the items relating to sections 302 through 308 and inserting the following new item:

“Sec. 302. Minimum funding standards.”

(d) EFFECTIVE DATE.—The amendments made by this section shall apply to plan years beginning after 2006.

SEC. 102. FUNDING RULES FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS.

(a) IN GENERAL.—Part 3 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (as amended by section 101 of this Act) is amended further by inserting after section 302 the following new section:

“MINIMUM FUNDING STANDARDS FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS

“SEC. 303. (a) MINIMUM REQUIRED CONTRIBUTION.—For purposes of this section and section 302(a)(2)(A), except as provided in subsection (f), the term ‘minimum required contribution’ means, with respect to any plan year of a single-employer plan—

“(1) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

“(A) the target normal cost of the plan for the plan year,

“(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

“(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e);

“(2) in any case in which the value of plan assets of the plan (as reduced under sub-

section (f)(4)(B)) exceeds the funding target of the plan for the plan year, the target normal cost of the plan for the plan year reduced by such excess; or

“(3) in any other case, the target normal cost of the plan for the plan year.

“(b) TARGET NORMAL COST.—For purposes of this section, except as provided in subsection (i)(2) with respect to plans in at-risk status, the term ‘target normal cost’ means, for any plan year, the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year. For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.

“(c) SHORTFALL AMORTIZATION CHARGE.—

“(1) IN GENERAL.—For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total of the shortfall amortization installments for such plan year with respect to the shortfall amortization bases for such plan year and each of the 6 preceding plan years.

“(2) SHORTFALL AMORTIZATION INSTALLMENT.—The plan sponsor shall determine, with respect to the shortfall amortization base of the plan for any plan year, the amounts necessary to amortize such shortfall amortization base, in level annual installments over a period of 7 plan years beginning with such plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 7-plan-year period is the shortfall amortization installment for such plan year with respect to such shortfall amortization base. In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(3) SHORTFALL AMORTIZATION BASE.—For purposes of this section, the shortfall amortization base of a plan for a plan year is the excess (if any) of—

“(A) the funding shortfall of such plan for such plan year, over

“(B) the sum of—

“(i) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments, for such plan year and the 5 succeeding plan years, which have been determined with respect to the shortfall amortization bases of the plan for each of the 6 plan years preceding such plan year, and

“(ii) the present value (as so determined) of the aggregate total of the waiver amortization installments for such plan year and the 5 succeeding plan years, which have been determined with respect to the waiver amortization bases of the plan for each of the 5 plan years preceding such plan year.

“(4) FUNDING SHORTFALL.—For purposes of this section, the funding shortfall of a plan for any plan year is the excess (if any) of—

“(A) the funding target of the plan for the plan year, over

“(B) the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) for the plan year which are held by the plan on the valuation date.

“(5) EXEMPTION FROM NEW SHORTFALL AMORTIZATION BASE.—

“(A) IN GENERAL.—In any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(A)) is equal to or greater than the funding target of the plan for the plan year, the shortfall amortization

base of the plan for such plan year shall be zero.

“(B) TRANSITION RULE.—

“(i) IN GENERAL.—In the case of a non-deficit reduction plan, subparagraph (A) shall be applied to plan years beginning after 2006 and before 2011 by substituting, for the funding target of the plan for the plan year, the applicable percentage of such funding target determined under the following table:

“In the case of a plan year beginning in calendar year:	The applicable percentage is:
2007	92 percent
2008	94 percent
2009	96 percent
2010	98 percent.

“(ii) LIMITATION.—Clause (i) shall not apply with respect to any plan year after 2007 unless the ratio (expressed as a percentage) which—

“(I) the value of plan assets for each preceding plan year after 2006 (as reduced under subsection (f)(4)(A)), bears to

“(II) the funding target of the plan for such preceding plan year (determined without regard to subsection (i)(1)), is not less than the applicable percentage with respect to such preceding plan determined under clause (i).

“(iii) NON-DEFICIT REDUCTION PLAN.—For purposes of clause (i), the term ‘non-deficit reduction plan’ means any plan—

“(I) to which this part (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) applied for the plan year beginning in 2006, and

“(II) to which section 302(d) (as so in effect) did not apply for such plan year.

“(6) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

“(d) RULES RELATING TO FUNDING TARGET.—For purposes of this section—

“(1) FUNDING TARGET.—Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all liabilities to participants and their beneficiaries under the plan for the plan year.

“(2) FUNDING TARGET ATTAINMENT PERCENTAGE.—The ‘funding target attainment percentage’ of a plan for a plan year is the ratio (expressed as a percentage) which—

“(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to

“(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

“(e) WAIVER AMORTIZATION CHARGE.—

“(1) DETERMINATION OF WAIVER AMORTIZATION CHARGE.—The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

“(2) WAIVER AMORTIZATION INSTALLMENT.—The plan sponsor shall determine, with respect to the waiver amortization base of the plan for any plan year, the amounts necessary to amortize such waiver amortization base, in level annual installments over a period of 5 plan years beginning with the succeeding plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 5-plan year

period is the waiver amortization installment for such plan year with respect to such waiver amortization base.

“(3) INTEREST RATE.—In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(4) WAIVER AMORTIZATION BASE.—The waiver amortization base of a plan for a plan year is the amount of the waived funding deficiency (if any) for such plan year under section 302(c).

“(5) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization base for all preceding plan years shall be reduced to zero.

“(f) REDUCTION OF MINIMUM REQUIRED CONTRIBUTION BY PRE-FUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—

“(1) ELECTION TO MAINTAIN BALANCES.—

“(A) PRE-FUNDING BALANCE.—The plan sponsor of a single-employer plan may elect to maintain a pre-funding balance.

“(B) FUNDING STANDARD CARRYOVER BALANCE.—

“(i) IN GENERAL.—In the case of a single-employer plan described in clause (ii), the plan sponsor may elect to maintain a funding standard carryover balance, until such balance is reduced to zero.

“(ii) PLANS MAINTAINING FUNDING STANDARD ACCOUNT IN 2006.—A plan is described in this clause if the plan—

“(I) was in effect for a plan year beginning in 2006, and

“(II) had a positive balance in the funding standard account under section 302(b) as in effect for such plan year and determined as of the end of such plan year.

“(2) APPLICATION OF BALANCES.—A pre-funding balance and a funding standard carryover balance maintained pursuant to this paragraph—

“(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3),

“(B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and

“(C) may be reduced at any time, pursuant to an election under paragraph (5).

“(3) ELECTION TO APPLY BALANCES AGAINST MINIMUM REQUIRED CONTRIBUTION.—

“(A) IN GENERAL.—Except as provided in subparagraphs (B) and (C), in the case of any plan year in which the plan sponsor elects to credit against the minimum required contribution for the current plan year all or a portion of the pre-funding balance or the funding standard carryover balance for the current plan year (not in excess of such minimum required contribution), the minimum required contribution for the plan year shall be reduced by the amount so credited by the plan sponsor. For purposes of the preceding sentence, the minimum required contribution shall be determined after taking into account any waiver under section 302(c).

“(B) COORDINATION WITH FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no amount of the pre-funding balance of such plan may be credited under this paragraph in reducing the minimum required contribution.

“(C) LIMITATION FOR UNDERFUNDED PLANS.—The preceding provisions of this paragraph shall not apply for any plan year if the ratio (expressed as a percentage) which—

“(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

“(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)), is less than 80 percent.

“(4) EFFECT OF BALANCES ON AMOUNTS TREATED AS VALUE OF PLAN ASSETS.—In the case of any plan maintaining a pre-funding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

“(A) APPLICABILITY OF SHORTFALL AMORTIZATION BASE.—For purposes of subsection (c)(5), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance, but only if an election under paragraph (2) applying any portion of the pre-funding balance in reducing the minimum required contribution is in effect for the plan year.

“(B) DETERMINATION OF EXCESS ASSETS, FUNDING SHORTFALL, AND FUNDING TARGET ATTAINMENT PERCENTAGE.—

“(i) IN GENERAL.—For purposes of subsections (a), (c)(4)(B), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance and the funding standard carryover balance.

“(ii) SPECIAL RULE FOR CERTAIN BINDING AGREEMENTS WITH PBGC.—For purposes of subsection (c)(4)(B), the value of plan assets shall not be deemed to be reduced for a plan year by the amount of the specified balance if, with respect to such balance, there is in effect for a plan year a binding written agreement with the Pension Benefit Guaranty Corporation which provides that such balance is not available to reduce the minimum required contribution for the plan year. For purposes of the preceding sentence, the term ‘specified balance’ means the pre-funding balance or the funding standard carryover balance, as the case may be.

“(C) AVAILABILITY OF BALANCES IN PLAN YEAR FOR CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance.

“(5) ELECTION TO REDUCE BALANCE PRIOR TO DETERMINATIONS OF VALUE OF PLAN ASSETS AND CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—

“(A) IN GENERAL.—The plan sponsor may elect to reduce by any amount the balance of the pre-funding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

“(B) COORDINATION BETWEEN PRE-FUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the pre-funding balance.

“(6) PRE-FUNDING BALANCE.—

“(A) IN GENERAL.—A pre-funding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

“(B) INCREASES.—As of the valuation date for each plan year beginning after 2007, the pre-funding balance of a plan shall be increased by the amount elected by the plan

sponsor for the plan year. Such amount shall not exceed the excess (if any) of—

“(i) the aggregate total of employer contributions to the plan for the preceding plan year, over

“(ii) the minimum required contribution for such preceding plan year (increased by interest on any portion of such minimum required contribution remaining unpaid as of the valuation date for the current plan year, at the effective interest rate for the plan for the preceding plan year, for the period beginning with the first day of such preceding plan year and ending on the date that payment of such portion is made).

“(C) DECREASES.—As of the valuation date for each plan year after 2007, the pre-funding balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).

“(7) FUNDING STANDARD CARRYOVER BALANCE.—

“(A) IN GENERAL.—A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

“(B) BEGINNING BALANCE.—The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(I).

“(C) DECREASES.—As of the valuation date for each plan year after 2007, the funding standard carryover balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).

“(8) ADJUSTMENTS TO BALANCES.—In determining the pre-funding balance or the funding standard carryover balance of a plan as of the valuation date (before applying any increase or decrease under paragraph (6) or (7)), the plan sponsor shall, in accordance with regulations which shall be prescribed by the Secretary of the Treasury, adjust such balance so as to reflect the rate of net gain or loss (determined, notwithstanding subsection (g)(3), on the basis of fair market value) experienced by all plan assets for the period beginning with the valuation date for the preceding plan year and ending with the date preceding the valuation date for the current plan year, properly taking into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

“(9) ELECTIONS.—Elections under this subsection shall be made at such times, and in such form and manner, as shall be prescribed in regulations of the Secretary of the Treasury.

“(g) VALUATION OF PLAN ASSETS AND LIABILITIES.—

“(1) TIMING OF DETERMINATIONS.—Except as otherwise provided under this subsection, all determinations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.

“(2) VALUATION DATE.—For purposes of this section—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

“(B) EXCEPTION FOR SMALL PLANS.—If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan may designate any day during the plan year

as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans which are single-employer plans and are maintained by the same employer (or any member of such employer's controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

“(C) APPLICATION OF CERTAIN RULES IN DETERMINATION OF PLAN SIZE.—For purposes of this paragraph—

“(i) PLANS NOT IN EXISTENCE IN PRECEDING YEAR.—In the case of the first plan year of any plan, subparagraph (B) shall apply to such plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

“(ii) PREDECESSORS.—Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

“(3) AUTHORIZATION OF USE OF ACTUARIAL VALUE.—For purposes of this section, the value of plan assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury, except that—

“(A) any such method providing for averaging of fair market values may not provide for averaging of such values over more than the 36-month period ending with the month which includes the valuation date, and

“(B) any such method may not result in a determination of the value of plan assets which, at any time, is lower than 90 percent or greater than 110 percent of the fair market value of such assets at such time.

“(4) ACCOUNTING FOR CONTRIBUTION RECEIPTS.—For purposes of this section—

“(A) CONTRIBUTIONS FOR PRIOR PLAN YEARS TAKEN INTO ACCOUNT.—For purposes of determining the value of plan assets for any current plan year, in any case in which a contribution properly allocable to amounts owed for a preceding plan year is made on or after the valuation date of the plan for such current plan year, such contribution shall be taken into account, except that any such contribution made during any such current plan year beginning after 2007 shall be taken into account only in an amount equal to its present value (determined using the effective rate of interest for the plan for the preceding plan year) as of the valuation date of the plan for such current plan year.

“(B) CONTRIBUTIONS FOR CURRENT PLAN YEAR DISREGARDED.—For purposes of determining the value of plan assets for any current plan year, contributions which are properly allocable to amounts owed for such plan year shall not be taken into account, and, in the case of any such contribution made before the valuation date of the plan for such plan year, such value of plan assets shall be reduced for interest on such amount determined using the effective rate of interest of the plan for the current plan year for the period beginning when such payment was made and ending on the valuation date of the plan.

“(5) ACCOUNTING FOR PLAN LIABILITIES.—For purposes of this section—

“(A) LIABILITIES TAKEN INTO ACCOUNT FOR CURRENT PLAN YEAR.—In determining the value of liabilities under a plan for a plan year, liabilities shall be taken into account to the extent attributable to benefits (including any early retirement or similar benefit) accrued or earned as of the beginning of the plan year.

“(B) ACCRUALS DURING CURRENT PLAN YEAR DISREGARDED.—For purposes of subparagraph (A), benefits accrued or earned during such plan year shall not be taken into account, irrespective of whether the valuation date of

the plan for such plan year is later than the first day of such plan year.

“(h) ACTUARIAL ASSUMPTIONS AND METHODS.—

“(1) IN GENERAL.—Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

“(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

“(2) INTEREST RATES.—

“(A) EFFECTIVE INTEREST RATE.—For purposes of this section, the term ‘effective interest rate’ means, with respect to any plan for any plan year, the single rate of interest which, if used to determine the present value of the plan's liabilities referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

“(B) INTEREST RATES FOR DETERMINING FUNDING TARGET.—For purposes of determining the funding target of a plan for any plan year, the interest rate used in determining the present value of the liabilities of the plan shall be—

“(i) in the case of liabilities reasonably determined to be payable during the 5-year period beginning on the first day of the plan year, the first segment rate with respect to the applicable month,

“(ii) in the case of liabilities reasonably determined to be payable during the 15-year period beginning at the end of the period described in clause (i), the second segment rate with respect to the applicable month, and

“(iii) in the case of liabilities reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

“(C) SEGMENT RATES.—For purposes of this paragraph—

“(i) FIRST SEGMENT RATE.—The term ‘first segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

“(ii) SECOND SEGMENT RATE.—The term ‘second segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

“(iii) THIRD SEGMENT RATE.—The term ‘third segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary of the Treasury for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during periods beginning after the period described in clause (ii).

“(D) CORPORATE BOND YIELD CURVE.—For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘corporate bond yield curve’ means, with respect to any month, a yield curve which is prescribed by the Secretary of the Treasury for such month and which reflects a 3-year weighted average of yields on investment grade corporate bonds with varying maturities.

“(ii) 3-YEAR WEIGHTED AVERAGE.—The term ‘3-year weighted average’ means an average determined by using a methodology under

which the most recent year is weighted 50 percent, the year preceding such year is weighted 35 percent, and the second year preceding such year is weighted 15 percent.

“(E) APPLICABLE MONTH.—For purposes of this paragraph, the term ‘applicable month’ means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary of the Treasury.

“(F) PUBLICATION REQUIREMENTS.—The Secretary of the Treasury shall publish for each month the corporate bond yield curve (and the corporate bond yield curve reflecting the modification described in section 205(g)(3)(B)(iii)(I)) for such month and each of the rates determined under subparagraph (B) for such month. The Secretary of the Treasury shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan's projection of future interest rates.

“(G) TRANSITION RULE.—

“(i) IN GENERAL.—Notwithstanding the preceding provisions of this paragraph, for plan years beginning in 2007 or 2008, the first, second, or third segment rate for a plan with respect to any month shall be equal to the sum of—

“(I) the product of such rate for such month determined without regard to this subparagraph, multiplied by the applicable percentage, and

“(II) the product of the rate determined under the rules of section 302(b)(5)(B)(ii)(II) (as in effect for plan years beginning in 2006), multiplied by a percentage equal to 100 percent minus the applicable percentage.

“(ii) APPLICABLE PERCENTAGE.—For purposes of clause (i), the applicable percentage is 33½ percent for plan years beginning in 2007 and 66½ percent for plan years beginning in 2008.

“(iii) NEW PLANS INELIGIBLE.—Clause (i) shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(3) MORTALITY TABLE.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the mortality table used in determining any present value or making any computation under this section shall be the RP-2000 Combined Mortality Table using Scale AA published by the Society of Actuaries (as in effect on the date of the enactment of the Pension Protection Act of 2005), projected as of the plan's valuation date.

“(B) SUBSTITUTE MORTALITY TABLE.—

“(i) IN GENERAL.—Upon request by the plan sponsor and approval by the Secretary of the Treasury for a period not to exceed 10 years, a mortality table which meets the requirements of clause (ii) shall be used in determining any present value or making any computation under this section. A mortality table described in this clause shall cease to be in effect if the plan actuary determines at any time that such table does not meet the requirements of subclauses (I) and (II) of clause (ii).

“(ii) REQUIREMENTS.—A mortality table meets the requirements of this clause if the Secretary of the Treasury determines that—

“(I) such table reflects the actual experience of the pension plan and projected trends in such experience, and

“(II) such table is significantly different from the table described in subparagraph (A).

“(iii) DEADLINE FOR DISPOSITION OF APPLICATION.—Any mortality table submitted to

the Secretary of the Treasury for approval under this subparagraph shall be treated as in effect for the succeeding plan year unless such Secretary, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (i).

“(C) TRANSITION RULE.—Under regulations of the Secretary of the Treasury, any difference in present value resulting from the difference in the assumptions as set forth in the mortality table specified in subparagraph (A) and the assumptions as set forth in the mortality table described in section 302(d)(7)(C)(ii) (as in effect for plan years beginning in 2006) shall be phased in ratably over the first period of 5 plan years beginning in or after 2007 so as to be fully effective for the fifth plan year. The preceding sentence shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(4) PROBABILITY OF BENEFIT PAYMENTS IN THE FORM OF LUMP SUMS OR OTHER OPTIONAL FORMS.—For purposes of determining any present value or making any computation under this section, there shall be taken into account—

“(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan’s experience and other related assumptions), and

“(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such optional form of benefits, which are different from those specified in this subsection.

“(5) APPROVAL OF LARGE CHANGES IN ACTUARIAL ASSUMPTIONS.—

“(A) IN GENERAL.—No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary of the Treasury.

“(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan only if—

“(i) the plan is a single-employer plan to which title IV applies,

“(ii) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii)) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13)) and members of such sponsors’ controlled groups (as defined in section 4001(a)(14)) which are covered by title IV (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

“(iii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

“(i) SPECIAL RULES FOR AT-RISK PLANS.—

“(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

“(A) IN GENERAL.—In any case in which a plan is in at-risk status for a plan year, the funding target of the plan for the plan year is the sum of—

“(i) the present value of all liabilities to participants and their beneficiaries under the plan for the plan year, as determined by using, in addition to the actuarial assumptions described in subsection (h), the supplemental actuarial assumptions described in subparagraph (B), plus

“(ii) a loading factor determined under subparagraph (C).

“(B) SUPPLEMENTAL ACTUARIAL ASSUMPTIONS.—The actuarial assumptions used in determining the valuation of the funding target shall include, in addition to the actuarial assumptions described in subsection (h), an assumption that all participants will elect benefits at such times and in such forms as will result in the highest present value of liabilities under subparagraph (A)(i).

“(C) LOADING FACTOR.—The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

“(i) \$700, times the number of participants in the plan, plus

“(ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

“(2) TARGET NORMAL COST OF AT-RISK PLANS.—In any case in which a plan is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be the sum of—

“(A) the present value of all benefits which are expected to accrue or be earned under the plan during the plan year, determined under the actuarial assumptions used under paragraph (1), plus

“(B) the loading factor under paragraph (1)(C), excluding the portion of the loading factor described in paragraph (1)(C)(i).

“(3) DETERMINATION OF AT-RISK STATUS.—For purposes of this subsection, a plan is in ‘at-risk status’ for a plan year if the funding target attainment percentage of the plan for the preceding plan year was less than 60 percent.

“(4) TRANSITION BETWEEN APPLICABLE FUNDING TARGETS AND BETWEEN APPLICABLE TARGET NORMAL COSTS.—

“(A) IN GENERAL.—In any case in which a plan which is in at-risk status for a plan year has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—

“(i) the amount determined under this section without regard to this subsection, plus

“(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

“(B) TRANSITION PERCENTAGE.—For purposes of this paragraph, the ‘transition percentage’ for a plan year is the product derived by multiplying—

“(i) 20 percent, by

“(ii) the number of plan years during the period described in subparagraph (A).

“(j) PAYMENT OF MINIMUM REQUIRED CONTRIBUTIONS.—

“(1) IN GENERAL.—For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 8½ months after the close of the plan year.

“(2) INTEREST.—Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at the effective rate of interest for the plan for such plan year.

“(3) ACCELERATED QUARTERLY CONTRIBUTION SCHEDULE FOR UNDERFUNDED PLANS.—

“(A) INTEREST PENALTY FOR FAILURE TO MEET ACCELERATED QUARTERLY PAYMENT SCHEDULE.—In any case in which the plan has a funding shortfall for the preceding plan year, if the required installment is not paid in full, then the minimum required contribution for the plan year (as increased under paragraph (2)) shall be further increased by an amount equal to the interest on the amount of the underpayment for the period

of the underpayment, using an interest rate equal to the excess of—

“(i) 175 percent of the Federal mid-term rate (as in effect under section 1274 for the 1st month of such plan year), over

“(ii) the effective rate of interest for the plan for the plan year.

“(B) AMOUNT OF UNDERPAYMENT, PERIOD OF UNDERPAYMENT.—For purposes of subparagraph (A)—

“(i) AMOUNT.—The amount of the underpayment shall be the excess of—

“(I) the required installment, over

“(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

“(ii) PERIOD OF UNDERPAYMENT.—The period for which any interest is charged under this paragraph with respect to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

“(iii) ORDER OF CREDITING CONTRIBUTIONS.—For purposes of clause (i)(II), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

“(C) NUMBER OF REQUIRED INSTALLMENTS; DUE DATES.—For purposes of this paragraph—

“(i) PAYABLE IN 4 INSTALLMENTS.—There shall be 4 required installments for each plan year.

“(ii) TIME FOR PAYMENT OF INSTALLMENTS.—The due dates for required installments are set forth in the following table:

In the case of the following required installment:	The due date is:
1st	April 15
2nd	July 15
3rd	October 15
4th	January 15 of the following year

“(D) AMOUNT OF REQUIRED INSTALLMENT.—For purposes of this paragraph—

“(i) IN GENERAL.—The amount of any required installment shall be 25 percent of the required annual payment.

“(ii) REQUIRED ANNUAL PAYMENT.—For purposes of clause (i), the term ‘required annual payment’ means the lesser of—

“(I) 90 percent of the minimum required contribution (without regard to any waiver under section 302(c)) to the plan for the plan year under this section, or

“(II) in the case of a plan year beginning after 2007, 100 percent of the minimum required contribution (without regard to any waiver under section 302(c)) to the plan for the preceding plan year.

Subclause (II) shall not apply if the preceding plan year referred to in such clause was not a year of 12 months.

“(E) FISCAL YEARS AND SHORT YEARS.—

“(i) FISCAL YEARS.—In applying this paragraph to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this paragraph, the months which correspond thereto.

“(ii) SHORT PLAN YEAR.—This subparagraph shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary of the Treasury.

“(4) LIQUIDITY REQUIREMENT IN CONNECTION WITH QUARTERLY CONTRIBUTIONS.—

“(A) IN GENERAL.—A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment under paragraph (3) to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

“(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan (other than a plan that would be described in subsection (f)(2)(B) if ‘100’ were substituted for ‘500’ therein) which—

“(i) is required to pay installments under paragraph (3) for a plan year, and

“(ii) has a liquidity shortfall for any quarter during such plan year.

“(C) PERIOD OF UNDERPAYMENT.—For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

“(D) LIMITATION ON INCREASE.—If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

“(E) DEFINITIONS.—For purposes of this subparagraph:

“(i) LIQUIDITY SHORTFALL.—The term ‘liquidity shortfall’ means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

“(I) the base amount with respect to such quarter, over

“(II) the value (as of such last day) of the plan’s liquid assets.

“(ii) BASE AMOUNT.—

“(I) IN GENERAL.—The term ‘base amount’ means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.

“(II) SPECIAL RULE.—If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary of the Treasury that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

“(iii) DISBURSEMENTS FROM THE PLAN.—The term ‘disbursements from the plan’ means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

“(iv) ADJUSTED DISBURSEMENTS.—The term ‘adjusted disbursements’ means disbursements from the plan reduced by the product of—

“(I) the plan’s funding target attainment percentage for the plan year, and

“(II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary of the Treasury shall provide in regulations.

“(v) LIQUID ASSETS.—The term ‘liquid assets’ means cash, marketable securities, and such other assets as specified by the Secretary of the Treasury in regulations.

“(vi) QUARTER.—The term ‘quarter’ means, with respect to any required installment, the 3-month period preceding the month in which the due date for such installment occurs.

“(F) REGULATIONS.—The Secretary of the Treasury may prescribe such regulations as are necessary to carry out this paragraph.

“(k) IMPOSITION OF LIEN WHERE FAILURE TO MAKE REQUIRED CONTRIBUTIONS.—

“(1) IN GENERAL.—In the case of a plan to which this subsection applies (as provided under paragraph (2)), if—

“(A) any person fails to make a contribution payment required by section 302 and this section before the due date for such payment, and

“(B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

“(2) PLANS TO WHICH SUBSECTION APPLIES.—This subsection shall apply to a single-employer plan for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent. This subsection shall not apply to any plan to which section 4021 does not apply (as such section is in effect on the date of the enactment of the Pension Protection Act of 2005).

“(3) AMOUNT OF LIEN.—For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 302 for which payment has not been made before the due date.

“(4) NOTICE OF FAILURE; LIEN.—

“(A) NOTICE OF FAILURE.—A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

“(B) PERIOD OF LIEN.—The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

“(C) CERTAIN RULES TO APPLY.—Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 4068 shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

“(5) ENFORCEMENT.—Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

“(6) DEFINITIONS.—For purposes of this subsection—

“(A) CONTRIBUTION PAYMENT.—The term ‘contribution payment’ means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (i).

“(B) DUE DATE; REQUIRED INSTALLMENT.—The terms ‘due date’ and ‘required installment’ have the meanings given such terms by subsection (j), except that in the case of a payment other than a required installment, the due date shall be the date such payment is required to be made under section 303.

“(C) CONTROLLED GROUP.—The term ‘controlled group’ means any group treated as a single employer under subsections (b), (c),

(m), and (o) of section 414 of the Internal Revenue Code of 1986.

“(1) QUALIFIED TRANSFERS TO HEALTH BENEFIT ACCOUNTS.—In the case of a qualified transfer (as defined in section 420 of the Internal Revenue Code of 1986), any assets so transferred shall not, for purposes of this section, be treated as assets in the plan.”

(b) CLERICAL AMENDMENT.—The table of sections in section 1 of such Act (as amended by section 101) is amended by inserting after the item relating to section 302 the following new item:

“Sec. 303. Minimum funding standards for single-employer defined benefit pension plans.”

(c) EFFECTIVE DATE.—The amendments made by this section shall apply with respect to plan years beginning after 2006.

SEC. 103. BENEFIT LIMITATIONS UNDER SINGLE-EMPLOYER PLANS.

(a) PROHIBITION OF SHUTDOWN BENEFITS AND OTHER UNPREDICTABLE CONTINGENT EVENT BENEFITS UNDER SINGLE-EMPLOYER PLANS.—Section 206 of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1056) is amended by adding at the end the following new subsection:

“(g) FUNDING-BASED LIMITATION ON SHUTDOWN BENEFITS AND OTHER UNPREDICTABLE CONTINGENT EVENT BENEFITS UNDER SINGLE-EMPLOYER PLANS.—

“(1) IN GENERAL.—No defined benefit plan which is a single-employer plan may provide benefits to which participants are entitled solely by reason of the occurrence of a plant shutdown or any other unpredictable contingent event occurring during any plan year if the funding target attainment percentage as of the valuation date of the plan for such plan year—

“(A) is less than 80 percent, or

“(B) would be less than 80 percent taking into account such occurrence.

“(2) EXEMPTION.—Paragraph (1) shall cease to apply with respect to any plan year, effective as of the first date of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 303) equal to—

“(A) in the case of paragraph (1)(A), the amount of the increase in the funding target of the plan (under section 303) for the plan year attributable to the occurrence referred to in paragraph (1), and

“(B) in the case of paragraph (1)(B), the amount sufficient to result in a funding target attainment percentage of 80 percent. Rules similar to the rules of subsection (h)(6) shall apply for purposes of this paragraph.

“(3) UNPREDICTABLE CONTINGENT EVENT.—For purposes of this subsection, the term ‘unpredictable contingent event’ means an event other than—

“(A) attainment of any age, performance of any service, receipt or derivation of any compensation, or the occurrence of death or disability, or

“(B) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury).

“(4) NEW PLANS.—Paragraph (1) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this subsection, the reference in this subsection to a plan shall include a reference to any predecessor plan.

“(5) DEEMED REDUCTION OF FUNDING BALANCES.—A rule similar to the rule of subsection (h)(8) shall apply for purposes of this subsection.”

(b) OTHER LIMITS ON BENEFITS AND BENEFIT ACCRUALS.—

(1) IN GENERAL.—Section 206 of such Act (as amended by subsection (a)) is amended further by adding at the end the following new subsection:

“(h) FUNDING-BASED LIMITS ON BENEFITS AND BENEFIT ACCRUALS UNDER SINGLE-EMPLOYER PLANS.—

“(1) LIMITATIONS ON PLAN AMENDMENTS INCREASING LIABILITY FOR BENEFITS.—

“(A) IN GENERAL.—No amendment to a defined benefit plan which is a single-employer plan which has the effect of increasing liabilities of the plan by reason of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits become nonforfeitable to the plan may take effect during any plan year if the funding target attainment percentage as of the valuation date of the plan for such plan year is—

“(i) less than 80 percent, or

“(ii) would be less than 80 percent taking into account such amendment.

For purposes of this subparagraph, any increase in benefits under the plan by reason of an increase in the benefit rate provided under the plan or on the basis of an increase in compensation shall be treated as effected by plan amendment.

“(B) EXEMPTION.—Subparagraph (A) shall cease to apply with respect to any plan year, effective as of the first date of the plan year (or if later, the effective date of the amendment), upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 303) equal to—

“(i) in the case of subparagraph (A)(i), the amount of the increase in the funding target of the plan (under section 303) for the plan year attributable to the amendment, and

“(ii) in the case of subparagraph (A)(ii), the amount sufficient to result in a funding target attainment percentage of 80 percent.

“(2) FUNDING-BASED LIMITATION ON CERTAIN FORMS OF DISTRIBUTION.—

“(A) IN GENERAL.—A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's funding target attainment percentage as of the valuation date of the plan for a plan year is less than 80 percent, the plan may not after such date pay any prohibited payment (as defined in section 206(e)).

“(B) EXCEPTION.—Subparagraph (A) shall not apply to any plan for any plan year if the terms of such plan (as in effect for the period beginning on June 29, 2005, and ending with such plan year) provide for no benefit accruals with respect to any participant during such period.

“(3) LIMITATIONS ON BENEFIT ACCRUALS FOR PLANS WITH SEVERE FUNDING SHORTFALLS.—A defined benefit plan which is a single-employer plan shall provide that, in any case in which the plan's funding target attainment percentage as of the valuation date of the plan for a plan year is less than 60 percent, all future benefit accruals under the plan shall cease as of such date.

“(4) NEW PLANS.—Paragraphs (1) and (3) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this subsection, the reference in this subsection to a plan shall include a reference to any predecessor plan.

“(5) PRESUMED UNDERFUNDING FOR PURPOSES OF BENEFIT LIMITATIONS BASED ON PRIOR YEAR'S FUNDING STATUS.—

“(A) PRESUMPTION OF CONTINUED UNDERFUNDING.—In any case in which a benefit limitation under paragraph (1), (2), or (3) has been applied to a plan with respect to the plan year preceding the current plan year, the funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year shall be presumed to be equal to the funding target attainment percentage of the plan as of the valuation date of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual funding target attainment

percentage of the plan as of the valuation date of the plan for the current plan year.

“(B) PRESUMPTION OF UNDERFUNDING AFTER 10TH MONTH.—In any case in which no such certification is made with respect to the plan before the first day of the 10th month of the current plan year, for purposes of paragraphs (1), (2), and (3), the plan's funding target attainment percentage shall be conclusively presumed to be less than 60 percent as of the first day of such 10th month, and such day shall be deemed, for purposes of such subsections, to be the valuation date of the plan for the current plan year.

“(C) PRESUMPTION OF UNDERFUNDING AFTER 4TH MONTH FOR NEARLY UNDERFUNDED PLANS.—In any case in which—

“(i) a benefit limitation under paragraph (1), (2), or (3) did not apply to a plan with respect to the plan year preceding the current plan year, but the funding target attainment percentage of the plan for such preceding plan year was not more than 10 percentage points greater than the percentage which would have caused such subsection to apply to the plan with respect to such preceding plan year, and

“(ii) as of the first day of the 4th month of the current plan year, the enrolled actuary of the plan has not certified the actual funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year,

until the enrolled actuary so certifies, such first day shall be deemed, for purposes of such subsection, to be the valuation date of the plan for the current plan year and the funding target attainment percentage of the plan as of such first day shall, for purposes of such paragraph, be presumed to be equal to 10 percentage points less than the funding target attainment percentage of the plan as of the valuation date of the plan for such preceding plan year.

“(6) RESTORATION BY PLAN AMENDMENT OF BENEFITS OR BENEFIT ACCRUAL.—In any case in which a prohibition under paragraph (2) of a payment described in paragraph (2)(A) or a cessation of benefit accruals under paragraph (3) is applied to a plan with respect to any plan year and such prohibition or cessation, as the case may be, ceases to apply to any subsequent plan year, the plan may provide for the resumption of such benefit payment or such benefit accrual only by means of the adoption of a plan amendment after the valuation date of the plan for such subsequent plan year. The preceding sentence shall not apply to a prohibition or cessation required by reason of paragraph (5).

“(7) FUNDING TARGET ATTAINMENT PERCENTAGE.—

“(A) IN GENERAL.—For purposes of this subsection, the term ‘funding target attainment percentage’ means, with respect to any plan for any plan year, the ratio (expressed as a percentage) which—

“(i) the value of plan assets for the plan year (as determined under section 303(g)) reduced by the pre-funding balance and the funding standard carryover balance (within the meaning of section 303(f)), bears to

“(ii) the funding target of the plan for the plan year (as determined under section 303(d)(1), but without regard to section 303(i)(1)).

“(B) APPLICATION TO PLANS WHICH ARE FULLY FUNDED WITHOUT REGARD TO REDUCTIONS FOR FUNDING BALANCES.—

“(i) IN GENERAL.—In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to this subparagraph and without regard to the reduction under subparagraph (A)(i) for the pre-funding balance and the funding standard carryover balance), subparagraph (A) shall be applied without regard to such reduction.

“(ii) TRANSITION RULE.—Clause (i) shall be applied to plan years beginning after 2006 and before 2011 by substituting for ‘100 percent’ the applicable percentage determined in accordance with the following table:

In the case of a plan year beginning in calendar year:	The applicable percentage is:
2007	92 percent
2008	94 percent
2009	96 percent
2010	98 percent.

“(iii) LIMITATION.—Clause (ii) shall not apply with respect to any plan year after 2007 unless the funding target attainment percentage (determined without regard to this subparagraph and without regard to the reduction under subparagraph (A)(i) for the pre-funding balance and the funding standard carryover balance) of the plan for each preceding plan year after 2006 was not less than the applicable percentage with respect to such preceding plan year determined under clause (ii).

“(8) DEEMED REDUCTION OF FUNDING BALANCES.—In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers—

“(A) IN GENERAL.—In any case in which a benefit limitation under paragraph (1), (2), or (3) would (but for this paragraph and determined without regard to paragraph (1)(B)) apply to such plan for the plan year, the plan sponsor of such plan shall be treated for purposes of this Act as having made an election under section 303(f)(5) to reduce the balance of the pre-funding balance and the funding standard carryover balance for the plan year (in a manner consistent with the requirements of section 303(f)(5)(B)) by such amount as is necessary for such benefit limitation to not apply to the plan for such plan year.

“(B) EXCEPTION FOR INSUFFICIENT FUNDING BALANCES.—Subparagraph (A) shall not apply with respect to a benefit limitation for any plan year if the application of subparagraph (A) would not result in the benefit limitation not applying for such plan year.”

(2) NOTICE REQUIREMENT.—

(A) IN GENERAL.—Section 101 of such Act (29 U.S.C. 1021) is amended—

Subtitle B—Amendments to Internal Revenue Code of 1986

SEC. 111. MINIMUM FUNDING STANDARDS.

(a) NEW MINIMUM FUNDING STANDARDS.—Section 412 of the Internal Revenue Code of 1986 (relating to minimum funding standards) is amended to read as follows:

“SEC. 412. MINIMUM FUNDING STANDARDS.

“(a) REQUIREMENT TO MEET MINIMUM FUNDING STANDARD.—

“(1) IN GENERAL.—A plan to which this section applies shall satisfy the minimum funding standard applicable to the plan for any plan year.

“(2) MINIMUM FUNDING STANDARD.—For purposes of paragraph (1), a plan shall be treated as satisfying the minimum funding standard for a plan year if—

“(A) in the case of a defined benefit plan which is not a multiemployer plan, the employer makes contributions to or under the plan for the plan year which, in the aggregate, are not less than the minimum required contribution determined under section 430 for the plan for the plan year,

“(B) in the case of a money purchase plan which is not a multiemployer plan, the employer makes contributions to or under the plan for the plan year which are required under the terms of the plan, and

“(C) in the case of a multiemployer plan, the employers make contributions to or

under the plan for any plan year which, in the aggregate, are sufficient to ensure that the plan does not have an accumulated funding deficiency under section 431 as of the end of the plan year.

“(b) LIABILITY FOR CONTRIBUTIONS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), the amount of any contribution required by this section (including any required installments under paragraphs (3) and (4) of section 430(j)) shall be paid by the employer responsible for making contributions to or under the plan.

“(2) JOINT AND SEVERAL LIABILITY WHERE EMPLOYER MEMBER OF CONTROLLED GROUP.—In the case of a defined benefit plan which is not a multiemployer plan, if the employer referred to in paragraph (1) is a member of a controlled group, each member of such group shall be jointly and severally liable for payment of such contributions.

“(c) VARIANCE FROM MINIMUM FUNDING STANDARDS.—

“(1) WAIVER IN CASE OF BUSINESS HARD-
SHIP.—

“(A) IN GENERAL.—If—

“(i) an employer is (or in the case of a multiemployer plan, 10 percent or more of the number of employers contributing to or under the plan is) unable to satisfy the minimum funding standard for a plan year without temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan), and

“(ii) application of the standard would be adverse to the interests of plan participants in the aggregate,

the Secretary may, subject to subparagraph (C), waive the requirements of subsection (a) for such year with respect to all or any portion of the minimum funding standard. The Secretary shall not waive the minimum funding standard with respect to a plan for more than 3 of any 15 (5 of any 15 in the case of a multiemployer plan) consecutive plan years.

“(B) EFFECTS OF WAIVER.—If a waiver is granted under subparagraph (A) for any plan year—

“(i) in the case of a defined benefit plan which is not a multiemployer plan, the minimum required contribution under section 430 for the plan year shall be reduced by the amount of the waived funding deficiency and such amount shall be amortized as required under section 430(e), and

“(ii) in the case of a multiemployer plan, the funding standard account shall be credited under section 431(b)(3)(C) with the amount of the waived funding deficiency and such amount shall be amortized as required under section 431(b)(2)(C).

“(C) WAIVER OF AMORTIZED PORTION NOT ALLOWED.—The Secretary may not waive under subparagraph (A) any portion of the minimum funding standard under subsection (a) for a plan year which is attributable to any waived funding deficiency for any preceding plan year.

“(2) DETERMINATION OF BUSINESS HARD-
SHIP.—For purposes of this subsection, the factors taken into account in determining temporary substantial business hardship (substantial business hardship in the case of a multiemployer plan) shall include (but shall not be limited to) whether or not—

“(A) the employer is operating at an economic loss,

“(B) there is substantial unemployment or underemployment in the trade or business and in the industry concerned,

“(C) the sales and profits of the industry concerned are depressed or declining, and

“(D) it is reasonable to expect that the plan will be continued only if the waiver is granted.

“(3) WAIVED FUNDING DEFICIENCY.—For purposes of this section and part III of this sub-

chapter, the term ‘waived funding deficiency’ means the portion of the minimum funding standard under subsection (a) (determined without regard to the waiver) for a plan year waived by the Secretary and not satisfied by employer contributions.

“(4) SECURITY FOR WAIVERS FOR SINGLE-EMPLOYER PLANS, CONSULTATIONS.—

“(A) SECURITY MAY BE REQUIRED.—

“(i) IN GENERAL.—Except as provided in subparagraph (C), the Secretary may require an employer maintaining a defined benefit plan which is a single-employer plan (within the meaning of section 4001(a)(15) of the Employee Retirement Income Security Act of 1974) to provide security to such plan as a condition for granting or modifying a waiver under paragraph (1).

“(ii) SPECIAL RULES.—Any security provided under clause (i) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Corporation, by a contributing sponsor (within the meaning of section 4001(a)(13) of the Employee Retirement Income Security Act of 1974), or a member of such sponsor’s controlled group (within the meaning of section 4001(a)(14) of such Act).

“(B) CONSULTATION WITH THE PENSION BENEFIT GUARANTY CORPORATION.—Except as provided in subparagraph (C), the Secretary shall, before granting or modifying a waiver under this subsection with respect to a plan described in subparagraph (A)(i)—

“(i) provide the Pension Benefit Guaranty Corporation with—

“(I) notice of the completed application for any waiver or modification, and

“(II) an opportunity to comment on such application within 30 days after receipt of such notice, and

“(ii) consider—

“(I) any comments of the Corporation under clause (i)(II), and

“(II) any views of any employee organization (within the meaning of section 3(4) of the Employee Retirement Income Security Act of 1974) representing participants in the plan which are submitted in writing to the Secretary in connection with such application.

Information provided to the Corporation under this subparagraph shall be considered tax return information and subject to the safeguarding and reporting requirements of section 6103(p).

“(C) EXCEPTION FOR CERTAIN WAIVERS.—

“(i) IN GENERAL.—The preceding provisions of this paragraph shall not apply to any plan with respect to which the sum of—

“(I) the aggregate unpaid minimum required contribution (within the meaning of section 4971(c)(4)) for the plan year and all preceding plan years, and

“(II) the present value of all waiver amortization installments determined for the plan year and succeeding plan years under section 430(e)(2),

is less than \$1,000,000.

“(ii) TREATMENT OF WAIVERS FOR WHICH APPLICATIONS ARE PENDING.—The amount described in clause (i)(I) shall include any increase in such amount which would result if all applications for waivers of the minimum funding standard under this subsection which are pending with respect to such plan were denied.

“(5) SPECIAL RULES FOR SINGLE-EMPLOYER PLANS.—

“(A) APPLICATION MUST BE SUBMITTED BEFORE DATE 2½ MONTHS AFTER CLOSE OF YEAR.—In the case of a defined benefit plan which is not a multiemployer plan, no waiver may be granted under this subsection with respect to any plan for any plan year unless an application therefor is submitted to the Secretary not later than the 15th day of the

3rd month beginning after the close of such plan year.

“(B) SPECIAL RULE IF EMPLOYER IS MEMBER OF CONTROLLED GROUP.—In the case of a defined benefit plan which is not a multiemployer plan, if an employer is a member of a controlled group, the temporary substantial business hardship requirements of paragraph (1) shall be treated as met only if such requirements are met—

“(i) with respect to such employer, and

“(ii) with respect to the controlled group of which such employer is a member (determined by treating all members of such group as a single employer).

The Secretary may provide that an analysis of a trade or business or industry of a member need not be conducted if the Secretary determines such analysis is not necessary because the taking into account of such member would not significantly affect the determination under this paragraph.

“(6) ADVANCE NOTICE.—

“(A) IN GENERAL.—The Secretary shall, before granting a waiver under this subsection, require each applicant to provide evidence satisfactory to the Secretary that the applicant has provided notice of the filing of the application for such waiver to each affected party (as defined in section 4001(a)(21) of the Employee Retirement Income Security Act of 1974). Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV of the Employee Retirement Income Security Act of 1974 and for benefit liabilities.

“(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary shall consider any relevant information provided by a person to whom notice was given under subparagraph (A).

“(7) RESTRICTION ON PLAN AMENDMENTS.—

“(A) IN GENERAL.—No amendment of a plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan shall be adopted if a waiver under this subsection or an extension of time under section 431(d) is in effect with respect to the plan, or if a plan amendment described in subsection (d)(2) has been made at any time in the preceding 12 months (24 months in the case of a multiemployer plan). If a plan is amended in violation of the preceding sentence, any such waiver, or extension of time, shall not apply to any plan year ending on or after the date on which such amendment is adopted.

“(B) EXCEPTION.—Paragraph (1) shall not apply to any plan amendment which—

“(i) the Secretary determines to be reasonable and which provides for only de minimis increases in the liabilities of the plan,

“(ii) only repeals an amendment described in subsection (d)(2), or

“(iii) is required as a condition of qualification under part I of subchapter D, of chapter 1.

“(d) MISCELLANEOUS RULES.—

“(1) CHANGE IN METHOD OR YEAR.—If the funding method, the valuation date, or a plan year for a plan is changed, the change shall take effect only if approved by the Secretary.

“(2) CERTAIN RETROACTIVE PLAN AMENDMENTS.—For purposes of this section, any amendment applying to a plan year which—

“(A) is adopted after the close of such plan year but no later than 2½ months after the close of the plan year (or, in the case of a multiemployer plan, no later than 2 years after the close of such plan year),

“(B) does not reduce the accrued benefit of any participant determined as of the beginning of the first plan year to which the amendment applies, and

“(C) does not reduce the accrued benefit of any participant determined as of the time of adoption except to the extent required by the circumstances,

shall, at the election of the plan administrator, be deemed to have been made on the first day of such plan year. No amendment described in this paragraph which reduces the accrued benefits of any participant shall take effect unless the plan administrator files a notice with the Secretary notifying him of such amendment and the Secretary has approved such amendment, or within 90 days after the date on which such notice was filed, failed to disapprove such amendment. No amendment described in this subsection shall be approved by the Secretary unless the Secretary determines that such amendment is necessary because of a substantial business hardship (as determined under subsection (c)(2)) and that a waiver under subsection (c) (or, in the case of a multiemployer plan, any extension of the amortization period under section 431(d)) is unavailable or inadequate.

“(3) CONTROLLED GROUP.—For purposes of this section, the term ‘controlled group’ means any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414.

“(e) PLANS TO WHICH SECTION APPLIES.—“(1) IN GENERAL.—Except as provided in paragraph (2), this section applies to a plan if, for any plan year beginning after December 31, 2006—

“(A) such plan included a trust which qualified (or was determined by the Secretary to have qualified) under section 401(a), or

“(B) such plan satisfied (or was determined by the Secretary to have satisfied) the requirements of section 403(a).

“(2) EXCEPTIONS.—This section shall not apply to—“(A) any profit-sharing or stock bonus plan,

“(B) any insurance contract plan described in paragraph (3),

“(C) any governmental plan (within the meaning of section 414(d)),

“(D) any church plan (within the meaning of section 414(e)) with respect to which the election provided by section 410(d) has not been made,

“(E) any plan which has not, at any time after September 2, 1974, provided for employer contributions, or

“(F) any plan established and maintained by a society, order, or association described in section 501(c)(8) or (9), if no part of the contributions to or under such plan are made by employers of participants in such plan.

No plan described in subparagraph (C), (D), or (F) shall be treated as a qualified plan for purposes of section 401(a) unless such plan meets the requirements of section 401(a)(7) as in effect on September 1, 1974.

“(3) CERTAIN INSURANCE CONTRACT PLANS.—A plan is described in this paragraph if—

“(A) the plan is funded exclusively by the purchase of individual insurance contracts,

“(B) such contracts provide for level annual premium payments to be paid extending not later than the retirement age for each individual participating in the plan, and commencing with the date the individual became a participant in the plan (or, in the case of an increase in benefits, commencing at the time such increase becomes effective),

“(C) benefits provided by the plan are equal to the benefits provided under each contract at normal retirement age under the plan and are guaranteed by an insurance carrier (licensed under the laws of a State to do business with the plan) to the extent premiums have been paid,

“(D) premiums payable for the plan year, and all prior plan years, under such con-

tracts have been paid before lapse or there is reinstatement of the policy,

“(E) no rights under such contracts have been subject to a security interest at any time during the plan year, and

“(F) no policy loans are outstanding at any time during the plan year.

A plan funded exclusively by the purchase of group insurance contracts which is determined under regulations prescribed by the Secretary to have the same characteristics as contracts described in the preceding sentence shall be treated as a plan described in this paragraph.”.

(b) EFFECTIVE DATE.—The amendments made by this section shall apply to plan years beginning after December 31, 2006.

SEC. 112. FUNDING RULES FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS.

(a) IN GENERAL.—Subchapter D of chapter 1 of the Internal Revenue Code of 1986 (relating to deferred compensation, etc.) is amended by adding at the end the following new part:

“PART III—MINIMUM FUNDING STANDARDS FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS

“SEC. 430. MINIMUM FUNDING STANDARDS FOR SINGLE-EMPLOYER DEFINED BENEFIT PENSION PLANS.

“(a) MINIMUM REQUIRED CONTRIBUTION.—For purposes of this section and section 412(a)(2)(A), except as provided in subsection (f), the term ‘minimum required contribution’ means, with respect to any plan year of a defined benefit plan which is not a multi-employer plan—

“(1) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) is less than the funding target of the plan for the plan year, the sum of—

“(A) the target normal cost of the plan for the plan year,

“(B) the shortfall amortization charge (if any) for the plan for the plan year determined under subsection (c), and

“(C) the waiver amortization charge (if any) for the plan for the plan year as determined under subsection (e);

“(2) in any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) exceeds the funding target of the plan for the plan year, the target normal cost of the plan for the plan year reduced by such excess; or

“(3) in any other case, the target normal cost of the plan for the plan year.

“(b) TARGET NORMAL COST.—For purposes of this section, except as provided in subsection (i)(2) with respect to plans in at-risk status, the term ‘target normal cost’ means, for any plan year, the present value of all benefits which are expected to accrue or to be earned under the plan during the plan year. For purposes of this subsection, if any benefit attributable to services performed in a preceding plan year is increased by reason of any increase in compensation during the current plan year, the increase in such benefit shall be treated as having accrued during the current plan year.

“(c) SHORTFALL AMORTIZATION CHARGE.—

“(1) IN GENERAL.—For purposes of this section, the shortfall amortization charge for a plan for any plan year is the aggregate total of the shortfall amortization installments for such plan year with respect to the shortfall amortization bases for such plan year and each of the 6 preceding plan years.

“(2) SHORTFALL AMORTIZATION INSTALLMENT.—The plan sponsor shall determine, with respect to the shortfall amortization base of the plan for any plan year, the amounts necessary to amortize such shortfall amortization base, in level annual installments over a period of 7 plan years be-

ginning with such plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 7-plan-year period is the shortfall amortization installment for such plan year with respect to such shortfall amortization base. In determining any shortfall amortization installment under this paragraph, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(3) SHORTFALL AMORTIZATION BASE.—For purposes of this section, the shortfall amortization base of a plan for a plan year is the excess (if any) of—

“(A) the funding shortfall of such plan for such plan year, over

“(B) the sum of—

“(i) the present value (determined using the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2)) of the aggregate total of the shortfall amortization installments, for such plan year and the 5 succeeding plan years, which have been determined with respect to the shortfall amortization bases of the plan for each of the 6 plan years preceding such plan year, and

“(ii) the present value (as so determined) of the aggregate total of the waiver amortization installments for such plan year and the 5 succeeding plan years, which have been determined with respect to the waiver amortization bases of the plan for each of the 5 plan years preceding such plan year.

“(4) FUNDING SHORTFALL.—For purposes of this section, the funding shortfall of a plan for any plan year is the excess (if any) of—

“(A) the funding target of the plan for the plan year, over

“(B) the value of plan assets of the plan (as reduced under subsection (f)(4)(B)) for the plan year which are held by the plan on the valuation date.

“(5) EXEMPTION FROM NEW SHORTFALL AMORTIZATION BASE.—

“(A) IN GENERAL.—In any case in which the value of plan assets of the plan (as reduced under subsection (f)(4)(A)) is equal to or greater than the funding target of the plan for the plan year, the shortfall amortization base of the plan for such plan year shall be zero.

“(B) TRANSITION RULE.—

“(i) IN GENERAL.—In the case of a non-deficit reduction plan, subparagraph (A) shall be applied to plan years beginning after 2006 and before 2011 by substituting, for the funding target of the plan for the plan year, the applicable percentage of such funding target determined under the following table:

“In the case of a plan year beginning in calendar year:	The applicable percentage is:
2007	92 percent
2008	94 percent
2009	96 percent
2010	98 percent.

“(ii) LIMITATION.—Clause (i) shall not apply with respect to any plan year after 2007 unless the ratio (expressed as a percentage) which—

“(I) the value of plan assets for each preceding plan year after 2006 (as reduced under subsection (f)(4)(A)), bears to

“(II) the funding target of the plan for such preceding plan year (determined without regard to subsection (i)(1)), is not less than the applicable percentage with respect to such preceding plan determined under clause (i).

“(iii) NON-DEFICIT REDUCTION PLAN.—For purposes of clause (i), the term ‘non-deficit reduction plan’ means any plan—

“(I) to which this part (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) applied for the plan year beginning in 2006, and

“(II) to which section 412(d) (as so in effect) did not apply for such plan year.

“(6) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the shortfall amortization charge for such plan year and succeeding plan years, the shortfall amortization bases for all preceding plan years (and all shortfall amortization installments determined with respect to such bases) shall be reduced to zero.

“(d) RULES RELATING TO FUNDING TARGET.—For purposes of this section—

“(1) FUNDING TARGET.—Except as provided in subsection (i)(1) with respect to plans in at-risk status, the funding target of a plan for a plan year is the present value of all liabilities to participants and their beneficiaries under the plan for the plan year.

“(2) FUNDING TARGET ATTAINMENT PERCENTAGE.—The ‘funding target attainment percentage’ of a plan for a plan year is the ratio (expressed as a percentage) which—

“(A) the value of plan assets for the plan year (as reduced under subsection (f)(4)(B)), bears to

“(B) the funding target of the plan for the plan year (determined without regard to subsection (i)(1)).

“(e) WAIVER AMORTIZATION CHARGE.—

“(1) DETERMINATION OF WAIVER AMORTIZATION CHARGE.—The waiver amortization charge (if any) for a plan for any plan year is the aggregate total of the waiver amortization installments for such plan year with respect to the waiver amortization bases for each of the 5 preceding plan years.

“(2) WAIVER AMORTIZATION INSTALLMENT.—The plan sponsor shall determine, with respect to the waiver amortization base of the plan for any plan year, the amounts necessary to amortize such waiver amortization base, in level annual installments over a period of 5 plan years beginning with the succeeding plan year. For purposes of paragraph (1), the annual installment of such amortization for each plan year in such 5-plan year period is the waiver amortization installment for such plan year with respect to such waiver amortization base.

“(3) INTEREST RATE.—In determining any waiver amortization installment under this subsection, the plan sponsor shall use the segment rates determined under subparagraph (C) of subsection (h)(2), applied under rules similar to the rules of subparagraph (B) of subsection (h)(2).

“(4) WAIVER AMORTIZATION BASE.—The waiver amortization base of a plan for a plan year is the amount of the waived funding deficiency (if any) for such plan year under section 412(c).

“(5) EARLY DEEMED AMORTIZATION UPON ATTAINMENT OF FUNDING TARGET.—In any case in which the funding shortfall of a plan for a plan year is zero, for purposes of determining the waiver amortization charge for such plan year and succeeding plan years, the waiver amortization base for all preceding plan years shall be reduced to zero.

“(f) REDUCTION OF MINIMUM REQUIRED CONTRIBUTION BY PRE-FUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—

“(1) ELECTION TO MAINTAIN BALANCES.—

“(A) PRE-FUNDING BALANCE.—The plan sponsor of a defined benefit plan which is not a multiemployer plan may elect to maintain a pre-funding balance.

“(B) FUNDING STANDARD CARRYOVER BALANCE.—

“(i) IN GENERAL.—In the case of a defined benefit plan (other than a multiemployer plan) described in clause (ii), the plan sponsor may elect to maintain a funding stand-

ard carryover balance, until such balance is reduced to zero.

“(ii) PLANS MAINTAINING FUNDING STANDARD ACCOUNT IN 2006.—A plan is described in this clause if the plan—

“(I) was in effect for a plan year beginning in 2006, and

“(II) had a positive balance in the funding standard account under section 412(b) as in effect for such plan year and determined as of the end of such plan year.

“(2) APPLICATION OF BALANCES.—A pre-funding balance and a funding standard carryover balance maintained pursuant to this paragraph—

“(A) shall be available for crediting against the minimum required contribution, pursuant to an election under paragraph (3),

“(B) shall be applied as a reduction in the amount treated as the value of plan assets for purposes of this section, to the extent provided in paragraph (4), and

“(C) may be reduced at any time, pursuant to an election under paragraph (5).

“(3) ELECTION TO APPLY BALANCES AGAINST MINIMUM REQUIRED CONTRIBUTION.—

“(A) IN GENERAL.—Except as provided in subparagraphs (B) and (C), in the case of any plan year in which the plan sponsor elects to credit against the minimum required contribution for the current plan year all or a portion of the pre-funding balance or the funding standard carryover balance for the current plan year (not in excess of such minimum required contribution), the minimum required contribution for the plan year shall be reduced by the amount so credited by the plan sponsor. For purposes of the preceding sentence, the minimum required contribution shall be determined after taking into account any waiver under section 412(c).

“(B) COORDINATION WITH FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no amount of the pre-funding balance of such plan may be credited under this paragraph in reducing the minimum required contribution.

“(C) LIMITATION FOR UNDERFUNDED PLANS.—The preceding provisions of this paragraph shall not apply for any plan year if the ratio (expressed as a percentage) which—

“(i) the value of plan assets for the preceding plan year (as reduced under paragraph (4)(C)), bears to

“(ii) the funding target of the plan for the preceding plan year (determined without regard to subsection (i)(1)),

is less than 80 percent.

“(4) EFFECT OF BALANCES ON AMOUNTS TREATED AS VALUE OF PLAN ASSETS.—In the case of any plan maintaining a pre-funding balance or a funding standard carryover balance pursuant to this subsection, the amount treated as the value of plan assets shall be deemed to be such amount, reduced as provided in the following subparagraphs:

“(A) APPLICABILITY OF SHORTFALL AMORTIZATION BASE.—For purposes of subsection (c)(5), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance, but only if an election under paragraph (2) applying any portion of the pre-funding balance in reducing the minimum required contribution is in effect for the plan year.

“(B) DETERMINATION OF EXCESS ASSETS, FUNDING SHORTFALL, AND FUNDING TARGET ATTAINMENT PERCENTAGE.—

“(i) IN GENERAL.—For purposes of subsections (a), (c)(4)(B), and (d)(2)(A), the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance and the funding standard carryover balance.

“(ii) SPECIAL RULE FOR CERTAIN BINDING AGREEMENTS WITH PBGC.—For purposes of subsection (c)(4)(B), the value of plan assets shall not be deemed to be reduced for a plan

year by the amount of the specified balance if, with respect to such balance, there is in effect for a plan year a binding written agreement with the Pension Benefit Guaranty Corporation which provides that such balance is not available to reduce the minimum required contribution for the plan year. For purposes of the preceding sentence, the term ‘specified balance’ means the pre-funding balance or the funding standard carryover balance, as the case may be.

“(C) AVAILABILITY OF BALANCES IN PLAN YEAR FOR CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—For purposes of paragraph (3)(C)(i) of this subsection, the value of plan assets is deemed to be such amount, reduced by the amount of the pre-funding balance.

“(5) ELECTION TO REDUCE BALANCE PRIOR TO DETERMINATIONS OF VALUE OF PLAN ASSETS AND CREDITING AGAINST MINIMUM REQUIRED CONTRIBUTION.—

“(A) IN GENERAL.—The plan sponsor may elect to reduce by any amount the balance of the pre-funding balance and the funding standard carryover balance for any plan year (but not below zero). Such reduction shall be effective prior to any determination of the value of plan assets for such plan year under this section and application of the balance in reducing the minimum required contribution for such plan for such plan year pursuant to an election under paragraph (2).

“(B) COORDINATION BETWEEN PRE-FUNDING BALANCE AND FUNDING STANDARD CARRYOVER BALANCE.—To the extent that any plan has a funding standard carryover balance greater than zero, no election may be made under subparagraph (A) with respect to the pre-funding balance.

“(6) PRE-FUNDING BALANCE.—

“(A) IN GENERAL.—A pre-funding balance maintained by a plan shall consist of a beginning balance of zero, increased and decreased to the extent provided in subparagraphs (B) and (C), and adjusted further as provided in paragraph (8).

“(B) INCREASES.—As of the valuation date for each plan year beginning after 2007, the pre-funding balance of a plan shall be increased by the amount elected by the plan sponsor for the plan year. Such amount shall not exceed the excess (if any) of—

“(i) the aggregate total of employer contributions to the plan for the preceding plan year, over

“(ii) the minimum required contribution for such preceding plan year (increased by interest on any portion of such minimum required contribution remaining unpaid as of the valuation date for the current plan year, at the effective interest rate for the plan for the preceding plan year, for the period beginning with the first day of such preceding plan year and ending on the date that payment of such portion is made).

“(C) DECREASES.—As of the valuation date for each plan year after 2007, the pre-funding balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).

“(7) FUNDING STANDARD CARRYOVER BALANCE.—

“(A) IN GENERAL.—A funding standard carryover balance maintained by a plan shall consist of a beginning balance determined under subparagraph (B), decreased to the extent provided in subparagraph (C), and adjusted further as provided in paragraph (8).

“(B) BEGINNING BALANCE.—The beginning balance of the funding standard carryover balance shall be the positive balance described in paragraph (1)(B)(ii)(II).

“(C) DECREASES.—As of the valuation date for each plan year after 2007, the funding standard carryover balance of a plan shall be decreased (but not below zero) by the sum of—

“(i) the amount of such balance credited under paragraph (2) (if any) in reducing the minimum required contribution of the plan for the preceding plan year, and

“(ii) any reduction in such balance elected under paragraph (5).

“(8) ADJUSTMENTS TO BALANCES.—In determining the pre-funding balance or the funding standard carryover balance of a plan as of the valuation date (before applying any increase or decrease under paragraph (6) or (7)), the plan sponsor shall, in accordance with regulations which shall be prescribed by the Secretary, adjust such balance so as to reflect the rate of net gain or loss (determined, notwithstanding subsection (g)(3), on the basis of fair market value) experienced by all plan assets for the period beginning with the valuation date for the preceding plan year and ending with the date preceding the valuation date for the current plan year, properly taking into account, in accordance with such regulations, all contributions, distributions, and other plan payments made during such period.

“(9) ELECTIONS.—Elections under this subsection shall be made at such times, and in such form and manner, as shall be prescribed in regulations of the Secretary.

“(g) VALUATION OF PLAN ASSETS AND LIABILITIES.—

“(1) TIMING OF DETERMINATIONS.—Except as otherwise provided under this subsection, all determinations under this section for a plan year shall be made as of the valuation date of the plan for such plan year.

“(2) VALUATION DATE.—For purposes of this section—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the valuation date of a plan for any plan year shall be the first day of the plan year.

“(B) EXCEPTION FOR SMALL PLANS.—If, on each day during the preceding plan year, a plan had 500 or fewer participants, the plan may designate any day during the plan year as its valuation date for such plan year and succeeding plan years. For purposes of this subparagraph, all defined benefit plans (other than multiemployer plans) maintained by the same employer (or any member of such employer’s controlled group) shall be treated as 1 plan, but only participants with respect to such employer or member shall be taken into account.

“(C) APPLICATION OF CERTAIN RULES IN DETERMINATION OF PLAN SIZE.—For purposes of this paragraph—

“(i) PLANS NOT IN EXISTENCE IN PRECEDING YEAR.—In the case of the first plan year of any plan, subparagraph (B) shall apply to such plan by taking into account the number of participants that the plan is reasonably expected to have on days during such first plan year.

“(ii) PREDECESSORS.—Any reference in subparagraph (B) to an employer shall include a reference to any predecessor of such employer.

“(3) AUTHORIZATION OF USE OF ACTUARIAL VALUE.—For purposes of this section, the value of plan assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary, except that—

“(A) any such method providing for averaging of fair market values may not provide for averaging of such values over more than the 36-month period ending with the month which includes the valuation date, and

“(B) any such method may not result in a determination of the value of plan assets

which, at any time, is lower than 90 percent or greater than 110 percent of the fair market value of such assets at such time.

“(4) ACCOUNTING FOR CONTRIBUTION RECEIPTS.—For purposes of this section—

“(A) CONTRIBUTIONS FOR PRIOR PLAN YEARS TAKEN INTO ACCOUNT.—For purposes of determining the value of plan assets for any current plan year, in any case in which a contribution properly allocable to amounts owed for a preceding plan year is made on or after the valuation date of the plan for such current plan year, such contribution shall be taken into account, except that any such contribution made during any such current plan year beginning after 2007 shall be taken into account only in an amount equal to its present value (determined using the effective rate of interest for the plan for the preceding plan year) as of the valuation date of the plan for such current plan year.

“(B) CONTRIBUTIONS FOR CURRENT PLAN YEAR DISREGARDED.—For purposes of determining the value of plan assets for any current plan year, contributions which are properly allocable to amounts owed for such plan year shall not be taken into account, and, in the case of any such contribution made before the valuation date of the plan for such plan year, such value of plan assets shall be reduced for interest on such amount determined using the effective rate of interest of the plan for the current plan year for the period beginning when such payment was made and ending on the valuation date of the plan.

“(5) ACCOUNTING FOR PLAN LIABILITIES.—For purposes of this section—

“(A) LIABILITIES TAKEN INTO ACCOUNT FOR CURRENT PLAN YEAR.—In determining the value of liabilities under a plan for a plan year, liabilities shall be taken into account to the extent attributable to benefits (including any early retirement or similar benefit) accrued or earned as of the beginning of the plan year.

“(B) ACCRUALS DURING CURRENT PLAN YEAR DISREGARDED.—For purposes of subparagraph (A), benefits accrued or earned during such plan year shall not be taken into account, irrespective of whether the valuation date of the plan for such plan year is later than the first day of such plan year.

“(h) ACTUARIAL ASSUMPTIONS AND METHODS.—

“(1) IN GENERAL.—Subject to this subsection, the determination of any present value or other computation under this section shall be made on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

“(B) which, in combination, offer the actuary’s best estimate of anticipated experience under the plan.

“(2) INTEREST RATES.—

“(A) EFFECTIVE INTEREST RATE.—For purposes of this section, the term ‘effective interest rate’ means, with respect to any plan for any plan year, the single rate of interest which, if used to determine the present value of the plan’s liabilities referred to in subsection (d)(1), would result in an amount equal to the funding target of the plan for such plan year.

“(B) INTEREST RATES FOR DETERMINING FUNDING TARGET.—For purposes of determining the funding target of a plan for any plan year, the interest rate used in determining the present value of the liabilities of the plan shall be—

“(i) in the case of liabilities reasonably determined to be payable during the 5-year period beginning on the first day of the plan year, the first segment rate with respect to the applicable month,

“(ii) in the case of liabilities reasonably determined to be payable during the 15-year period beginning at the end of the period de-

scribed in clause (i), the second segment rate with respect to the applicable month, and

“(iii) in the case of liabilities reasonably determined to be payable after the period described in clause (ii), the third segment rate with respect to the applicable month.

“(C) SEGMENT RATES.—For purposes of this paragraph—

“(i) FIRST SEGMENT RATE.—The term ‘first segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 5-year period commencing with such month.

“(ii) SECOND SEGMENT RATE.—The term ‘second segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during the 15-year period beginning at the end of the period described in clause (i).

“(iii) THIRD SEGMENT RATE.—The term ‘third segment rate’ means, with respect to any month, the single rate of interest which shall be determined by the Secretary for such month on the basis of the corporate bond yield curve for such month, taking into account only that portion of such yield curve which is based on bonds maturing during periods beginning after the period described in clause (ii).

“(D) CORPORATE BOND YIELD CURVE.—For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘corporate bond yield curve’ means, with respect to any month, a yield curve which is prescribed by the Secretary for such month and which reflects a 3-year weighted average of yields on investment grade corporate bonds with varying maturities.

“(ii) 3-YEAR WEIGHTED AVERAGE.—The term ‘3-year weighted average’ means an average determined by using a methodology under which the most recent year is weighted 50 percent, the year preceding such year is weighted 35 percent, and the second year preceding such year is weighted 15 percent.

“(E) APPLICABLE MONTH.—For purposes of this paragraph, the term ‘applicable month’ means, with respect to any plan for any plan year, the month which includes the valuation date of such plan for such plan year or, at the election of the plan sponsor, any of the 4 months which precede such month. Any election made under this subparagraph shall apply to the plan year for which the election is made and all succeeding plan years, unless the election is revoked with the consent of the Secretary.

“(F) PUBLICATION REQUIREMENTS.—The Secretary shall publish for each month the corporate bond yield curve (and the corporate bond yield curve reflecting the modification described in section 417(e)(3)(D)(i) for such month and each of the rates determined under subparagraph (B) for such month. The Secretary shall also publish a description of the methodology used to determine such yield curve and such rates which is sufficiently detailed to enable plans to make reasonable projections regarding the yield curve and such rates for future months based on the plan’s projection of future interest rates.

“(G) TRANSITION RULE.—

“(i) IN GENERAL.—Notwithstanding the preceding provisions of this paragraph, for plan years beginning in 2007 or 2008, the first, second, or third segment rate for a plan with respect to any month shall be equal to the sum of—

“(I) the product of such rate for such month determined without regard to this

subparagraph, multiplied by the applicable percentage, and

“(II) the product of the rate determined under the rules of section 412(b)(5)(B)(ii)(II) (as in effect for plan years beginning in 2006), multiplied by a percentage equal to 100 percent minus the applicable percentage.

“(ii) APPLICABLE PERCENTAGE.—For purposes of clause (i), the applicable percentage is 33½ percent for plan years beginning in 2007 and 66½ percent for plan years beginning in 2008.

“(iii) NEW PLANS INELIGIBLE.—Clause (i) shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(3) MORTALITY TABLE.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the mortality table used in determining any present value or making any computation under this section shall be the R-P-2000 Combined Mortality Table using Scale AA published by the Society of Actuaries (as in effect on the date of the enactment of the Pension Protection Act of 2005), projected as of the plan’s valuation date.

“(B) SUBSTITUTE MORTALITY TABLE.—

“(i) IN GENERAL.—Upon request by the plan sponsor and approval by the Secretary for a period not to exceed 10 years, a mortality table which meets the requirements of clause (ii) shall be used in determining any present value or making any computation under this section. A mortality table described in this clause shall cease to be in effect if the plan actuary determines at any time that such table does not meet the requirements of subclauses (I) and (II) of clause (ii).

“(ii) REQUIREMENTS.—A mortality table meets the requirements of this clause if the Secretary determines that—

“(I) such table reflects the actual experience of the pension plan and projected trends in such experience, and

“(II) such table is significantly different from the table described in subparagraph (A).

“(iii) DEADLINE FOR DISPOSITION OF APPLICATION.—Any mortality table submitted to the Secretary for approval under this subparagraph shall be treated as in effect for the succeeding plan year unless the Secretary, during the 180-day period beginning on the date of such submission, disapproves of such table and provides the reasons that such table fails to meet the requirements of clause (ii).

“(C) TRANSITION RULE.—Under regulations of the Secretary, any difference in present value resulting from the difference in the assumptions as set forth in the mortality table specified in subparagraph (A) and the assumptions as set forth in the mortality table described in section 412(l)(7)(C)(ii) (as in effect for plan years beginning in 2006) shall be phased in ratably over the first period of 5 plan years beginning in or after 2007 so as to be fully effective for the fifth plan year. The preceding sentence shall not apply to any plan if the first plan year of the plan begins after December 31, 2006.

“(4) PROBABILITY OF BENEFIT PAYMENTS IN THE FORM OF LUMP SUMS OR OTHER OPTIONAL FORMS.—For purposes of determining any present value or making any computation under this section, there shall be taken into account—

“(A) the probability that future benefit payments under the plan will be made in the form of optional forms of benefits provided under the plan (including lump sum distributions, determined on the basis of the plan’s experience and other related assumptions), and

“(B) any difference in the present value of such future benefit payments resulting from the use of actuarial assumptions, in determining benefit payments in any such op-

tional form of benefits, which are different from those specified in this subsection.

“(5) APPROVAL OF LARGE CHANGES IN ACTUARIAL ASSUMPTIONS.—

“(A) IN GENERAL.—No actuarial assumption used to determine the funding target for a plan to which this paragraph applies may be changed without the approval of the Secretary.

“(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan only if—

“(i) the plan is a defined benefit plan (other than a multiemployer plan) to which title IV of the Employee Retirement Income Security Act of 1974 applies,

“(ii) the aggregate unfunded vested benefits as of the close of the preceding plan year (as determined under section 4006(a)(3)(E)(iii) of the Employee Retirement Income Security Act of 1974) of such plan and all other plans maintained by the contributing sponsors (as defined in section 4001(a)(13) of such Act) and members of such sponsors’ controlled groups (as defined in section 4001(a)(14) of such Act) which are covered by title IV (disregarding plans with no unfunded vested benefits) exceed \$50,000,000, and

“(iii) the change in assumptions (determined after taking into account any changes in interest rate and mortality table) results in a decrease in the funding shortfall of the plan for the current plan year that exceeds \$50,000,000, or that exceeds \$5,000,000 and that is 5 percent or more of the funding target of the plan before such change.

“(i) SPECIAL RULES FOR AT-RISK PLANS.—

“(1) FUNDING TARGET FOR PLANS IN AT-RISK STATUS.—

“(A) IN GENERAL.—In any case in which a plan is in at-risk status for a plan year, the funding target of the plan for the plan year is the sum of—

“(i) the present value of all liabilities to participants and their beneficiaries under the plan for the plan year, as determined by using, in addition to the actuarial assumptions described in subsection (h), the supplemental actuarial assumptions described in subparagraph (B), plus

“(ii) a loading factor determined under subparagraph (C).

“(B) SUPPLEMENTAL ACTUARIAL ASSUMPTIONS.—The actuarial assumptions used in determining the valuation of the funding target shall include, in addition to the actuarial assumptions described in subsection (h), an assumption that all participants will elect benefits at such times and in such forms as will result in the highest present value of liabilities under subparagraph (A)(i).

“(C) LOADING FACTOR.—The loading factor applied with respect to a plan under this paragraph for any plan year is the sum of—

“(i) \$700, times the number of participants in the plan, plus

“(ii) 4 percent of the funding target (determined without regard to this paragraph) of the plan for the plan year.

“(2) TARGET NORMAL COST OF AT-RISK PLANS.—In any case in which a plan is in at-risk status for a plan year, the target normal cost of the plan for such plan year shall be the sum of—

“(A) the present value of all benefits which are expected to accrue or be earned under the plan during the plan year, determined under the actuarial assumptions used under paragraph (1), plus

“(B) the loading factor under paragraph (1)(C), excluding the portion of the loading factor described in paragraph (1)(C)(i).

“(3) DETERMINATION OF AT-RISK STATUS.—For purposes of this subsection, a plan is in ‘at-risk status’ for a plan year if the funding target attainment percentage of the plan for the preceding plan year was less than 60 percent.

“(4) TRANSITION BETWEEN APPLICABLE FUNDING TARGETS AND BETWEEN APPLICABLE TARGET NORMAL COSTS.—

“(A) IN GENERAL.—In any case in which a plan which is in at-risk status for a plan year has been in such status for a consecutive period of fewer than 5 plan years, the applicable amount of the funding target and of the target normal cost shall be, in lieu of the amount determined without regard to this paragraph, the sum of—

“(i) the amount determined under this section without regard to this subsection, plus

“(ii) the transition percentage for such plan year of the excess of the amount determined under this subsection (without regard to this paragraph) over the amount determined under this section without regard to this subsection.

“(B) TRANSITION PERCENTAGE.—For purposes of this paragraph, the ‘transition percentage’ for a plan year is the product derived by multiplying—

“(i) 20 percent, by

“(ii) the number of plan years during the period described in subparagraph (A).

“(j) PAYMENT OF MINIMUM REQUIRED CONTRIBUTIONS.—

“(1) IN GENERAL.—For purposes of this section, the due date for any payment of any minimum required contribution for any plan year shall be 8½ months after the close of the plan year.

“(2) INTEREST.—Any payment required under paragraph (1) for a plan year that is made on a date other than the valuation date for such plan year shall be adjusted for interest accruing for the period between the valuation date and the payment date, at the effective rate of interest for the plan for such plan year.

“(3) ACCELERATED QUARTERLY CONTRIBUTION SCHEDULE FOR UNDERFUNDED PLANS.—

“(A) INTEREST PENALTY FOR FAILURE TO MEET ACCELERATED QUARTERLY PAYMENT SCHEDULE.—In any case in which the plan has a funding shortfall for the preceding plan year, if the required installment is not paid in full, then the minimum required contribution for the plan year (as increased under paragraph (2)) shall be further increased by an amount equal to the interest on the amount of the underpayment for the period of the underpayment, using an interest rate equal to the excess of—

“(i) 175 percent of the Federal mid-term rate (as in effect under section 1274 for the 1st month of such plan year), over

“(ii) the effective rate of interest for the plan for the plan year.

“(B) AMOUNT OF UNDERPAYMENT, PERIOD OF UNDERPAYMENT.—For purposes of subparagraph (A)—

“(i) AMOUNT.—The amount of the underpayment shall be the excess of—

“(I) the required installment, over

“(II) the amount (if any) of the installment contributed to or under the plan on or before the due date for the installment.

“(ii) PERIOD OF UNDERPAYMENT.—The period for which any interest is charged under this paragraph with respect to any portion of the underpayment shall run from the due date for the installment to the date on which such portion is contributed to or under the plan.

“(iii) ORDER OF CREDITING CONTRIBUTIONS.—For purposes of clause (i)(II), contributions shall be credited against unpaid required installments in the order in which such installments are required to be paid.

“(C) NUMBER OF REQUIRED INSTALLMENTS; DUE DATES.—For purposes of this paragraph—

“(i) PAYABLE IN 4 INSTALLMENTS.—There shall be 4 required installments for each plan year.

“(ii) TIME FOR PAYMENT OF INSTALLMENTS.—The due dates for required installments are set forth in the following table:

"In the case of the following required installment:

The due date is:

1st	April 15
2nd	July 15
3rd	October 15
4th	January 15 of the following year

"(D) AMOUNT OF REQUIRED INSTALLMENT.—For purposes of this paragraph—

"(i) IN GENERAL.—The amount of any required installment shall be 25 percent of the required annual payment.

"(ii) REQUIRED ANNUAL PAYMENT.—For purposes of clause (i), the term 'required annual payment' means the lesser of—

"(I) 90 percent of the minimum required contribution (without regard to any waiver under section 412(c)) to the plan for the plan year under this section, or

"(II) in the case of a plan year beginning after 2007, 100 percent of the minimum required contribution (without regard to any waiver under section 412(c)) to the plan for the preceding plan year.

Subclause (II) shall not apply if the preceding plan year referred to in such clause was not a year of 12 months.

"(E) FISCAL YEARS AND SHORT YEARS.—

"(i) FISCAL YEARS.—In applying this paragraph to a plan year beginning on any date other than January 1, there shall be substituted for the months specified in this paragraph, the months which correspond thereto.

"(ii) SHORT PLAN YEAR.—This subparagraph shall be applied to plan years of less than 12 months in accordance with regulations prescribed by the Secretary.

"(4) LIQUIDITY REQUIREMENT IN CONNECTION WITH QUARTERLY CONTRIBUTIONS.—

"(A) IN GENERAL.—A plan to which this paragraph applies shall be treated as failing to pay the full amount of any required installment under paragraph (3) to the extent that the value of the liquid assets paid in such installment is less than the liquidity shortfall (whether or not such liquidity shortfall exceeds the amount of such installment required to be paid but for this paragraph).

"(B) PLANS TO WHICH PARAGRAPH APPLIES.—This paragraph shall apply to a plan (other than a plan that would be described in subsection (f)(2)(B) if '100' were substituted for '500' therein) which—

"(i) is required to pay installments under paragraph (3) for a plan year, and

"(ii) has a liquidity shortfall for any quarter during such plan year.

"(C) PERIOD OF UNDERPAYMENT.—For purposes of paragraph (3)(A), any portion of an installment that is treated as not paid under subparagraph (A) shall continue to be treated as unpaid until the close of the quarter in which the due date for such installment occurs.

"(D) LIMITATION ON INCREASE.—If the amount of any required installment is increased by reason of subparagraph (A), in no event shall such increase exceed the amount which, when added to prior installments for the plan year, is necessary to increase the funding target attainment percentage of the plan for the plan year (taking into account the expected increase in funding target due to benefits accruing or earned during the plan year) to 100 percent.

"(E) DEFINITIONS.—For purposes of this subparagraph:

"(i) LIQUIDITY SHORTFALL.—The term 'liquidity shortfall' means, with respect to any required installment, an amount equal to the excess (as of the last day of the quarter for which such installment is made) of—

"(ii) BASE AMOUNT.—

"(I) IN GENERAL.—The term 'base amount' means, with respect to any quarter, an amount equal to 3 times the sum of the adjusted disbursements from the plan for the 12 months ending on the last day of such quarter.

"(II) SPECIAL RULE.—If the amount determined under subclause (I) exceeds an amount equal to 2 times the sum of the adjusted disbursements from the plan for the 36 months ending on the last day of the quarter and an enrolled actuary certifies to the satisfaction of the Secretary that such excess is the result of nonrecurring circumstances, the base amount with respect to such quarter shall be determined without regard to amounts related to those nonrecurring circumstances.

"(iii) DISBURSEMENTS FROM THE PLAN.—The term 'disbursements from the plan' means all disbursements from the trust, including purchases of annuities, payments of single sums and other benefits, and administrative expenses.

"(iv) ADJUSTED DISBURSEMENTS.—The term 'adjusted disbursements' means disbursements from the plan reduced by the product of—

"(I) the plan's funding target attainment percentage for the plan year, and

"(II) the sum of the purchases of annuities, payments of single sums, and such other disbursements as the Secretary shall provide in regulations.

"(1) IN GENERAL.—In the case of a plan to which this subsection applies, if—

"(A) any person fails to make a contribution payment required by section 412 and this section before the due date for such payment, and

"(B) the unpaid balance of such payment (including interest), when added to the aggregate unpaid balance of all preceding such payments for which payment was not made before the due date (including interest), exceeds \$1,000,000,

then there shall be a lien in favor of the plan in the amount determined under paragraph (3) upon all property and rights to property, whether real or personal, belonging to such person and any other person who is a member of the same controlled group of which such person is a member.

"(2) PLANS TO WHICH SUBSECTION APPLIES.—This subsection shall apply to a defined benefit plan (other than a multiemployer plan) for any plan year for which the funding target attainment percentage (as defined in subsection (d)(2)) of such plan is less than 100 percent. This subsection shall not apply to any plan to which section 4021 of the Employee Retirement Income Security Act of 1974 does not apply (as such section is in effect on the date of the enactment of the Pension Protection Act of 2005).

"(3) AMOUNT OF LIEN.—For purposes of paragraph (1), the amount of the lien shall be equal to the aggregate unpaid balance of contribution payments required under this section and section 412 for which payment has not been made before the due date.

"(4) NOTICE OF FAILURE; LIEN.—

"(A) NOTICE OF FAILURE.—A person committing a failure described in paragraph (1) shall notify the Pension Benefit Guaranty Corporation of such failure within 10 days of the due date for the required contribution payment.

"(B) PERIOD OF LIEN.—The lien imposed by paragraph (1) shall arise on the due date for the required contribution payment and shall continue until the last day of the first plan year in which the plan ceases to be described in paragraph (1)(B). Such lien shall continue to run without regard to whether such plan continues to be described in paragraph (2) during the period referred to in the preceding sentence.

"(C) CERTAIN RULES TO APPLY.—Any amount with respect to which a lien is imposed under paragraph (1) shall be treated as taxes due and owing the United States and rules similar to the rules of subsections (c), (d), and (e) of section 4068 of the Employee Retirement Income Security Act of 1974 shall apply with respect to a lien imposed by subsection (a) and the amount with respect to such lien.

"(5) ENFORCEMENT.—Any lien created under paragraph (1) may be perfected and enforced only by the Pension Benefit Guaranty Corporation, or at the direction of the Pension Benefit Guaranty Corporation, by the contributing sponsor (or any member of the controlled group of the contributing sponsor).

"(6) DEFINITIONS.—For purposes of this subsection—

"(A) CONTRIBUTION PAYMENT.—The term 'contribution payment' means, in connection with a plan, a contribution payment required to be made to the plan, including any required installment under paragraphs (3) and (4) of subsection (i).

“SEC. 436. FUNDING-BASED LIMITATION ON SHUTDOWN BENEFITS AND OTHER UNPREDICTABLE CONTINGENT EVENT BENEFITS UNDER SINGLE-EMPLOYER PLANS.

“(a) IN GENERAL.—No defined benefit plan (other than a multiemployer plan) may provide benefits to which participants are entitled solely by reason of the occurrence of a plant shutdown or any other unpredictable contingent event occurring during any plan year if the funding target attainment percentage as of the valuation date of the plan for such plan year—

- “(1) is less than 80 percent, or
- “(2) would be less than 80 percent taking into account such occurrence.

“(b) EXEMPTION.—Subsection (a) shall cease to apply with respect to any plan year, effective as of the first date of the plan year, upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 430) equal to—

“(1) in the case of subsection (a)(1), the amount of the increase in the funding target of the plan (under section 430) for the plan year attributable to the occurrence referred to in subsection (a), and

“(2) in the case of subsection (a)(2), the amount sufficient to result in a funding target attainment percentage of 80 percent. Rules similar to the rules of section 437(f) shall apply for purposes of this subsection.

“(c) UNPREDICTABLE CONTINGENT EVENT.—For purposes of this section, the term ‘unpredictable contingent event’ means an event other than—

“(e) DEEMED REDUCTION OF FUNDING BALANCES.—A rule similar to the rule of section 437(h) shall apply for purposes of this section.”.

(2) CLERICAL AMENDMENT.—The table of parts for subchapter D of chapter 1 of the Internal Revenue Code of 1986 is amended by adding at the end the following new item:

“PART III RULES RELATING TO MINIMUM FUNDING STANDARDS AND BENEFIT LIMITATIONS”.

(b) OTHER LIMITS ON BENEFITS AND BENEFIT ACCRUALS.—

(1) IN GENERAL.—Subpart B of part III of subchapter D of chapter 1 of such Code is amended by adding at the end the following:

“SEC. 437. FUNDING-BASED LIMITS ON BENEFITS AND BENEFIT ACCRUALS UNDER SINGLE-EMPLOYER PLANS.

“(a) LIMITATIONS ON PLAN AMENDMENTS INCREASING LIABILITY FOR BENEFITS.—

“(1) IN GENERAL.—No amendment to a defined benefit plan (other than a multiemployer plan) which has the effect of increasing liabilities of the plan by reason of increases in benefits, establishment of new benefits, changing the rate of benefit accrual, or changing the rate at which benefits

become nonforfeitable to the plan may take effect during any plan year if the funding target attainment percentage as of the valuation date of the plan for such plan year is—

- “(A) less than 80 percent, or
- “(B) would be less than 80 percent taking into account such amendment.

For purposes of this paragraph, any increase in benefits under the plan by reason of an increase in the benefit rate provided under the plan or on the basis of an increase in compensation shall be treated as effected by plan amendment.

“(2) EXEMPTION.—Paragraph (1) shall cease to apply with respect to any plan year, effective as of the first date of the plan year (or if later, the effective date of the amendment), upon payment by the plan sponsor of a contribution (in addition to any minimum required contribution under section 430) equal to—

“(A) in the case of paragraph (1)(A), the amount of the increase in the funding target of the plan (under section 430) for the plan year attributable to the amendment, and

“(B) in the case of paragraph (1)(B), the amount sufficient to result in a funding target attainment percentage of 80 percent.

“(b) FUNDING-BASED LIMITATION ON CERTAIN FORMS OF DISTRIBUTION.—

“(1) IN GENERAL.—A defined benefit plan (other than a multiemployer plan) shall provide that, in any case in which the plan’s funding target attainment percentage as of the valuation date of the plan for a plan year is less than 80 percent, the plan may not after such date pay any payment described in section 401(a)(32)(B).

“(2) EXCEPTION.—Paragraph (1) shall not apply to any plan for any plan year if the terms of such plan (as in effect for the period beginning on June 29, 2005, and ending with such plan year) provide for no benefit accruals with respect to any participant during such period.

“(c) LIMITATIONS ON BENEFIT ACCRUALS FOR PLANS WITH SEVERE FUNDING SHORTFALLS.—A defined benefit plan (other than a multiemployer plan) shall provide that, in any case in which the plan’s funding target attainment percentage as of the valuation date of the plan for a plan year is less than 60 percent, all future benefit accruals under the plan shall cease as of such date.

“(d) NEW PLANS.—Subsections (a) and (c) shall not apply to a plan for the first 5 plan years of the plan. For purposes of this subsection, the reference in this subsection to a plan shall include a reference to any predecessor plan.

“(e) PRESUMED UNDERFUNDING FOR PURPOSES OF BENEFIT LIMITATIONS BASED ON PRIOR YEAR’S FUNDING STATUS.—

“(1) PRESUMPTION OF CONTINUED UNDERFUNDING.—In any case in which a benefit limitation under subsection (a), (b), or (c) has been applied to a plan with respect to the plan year preceding the current plan year, the funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year shall be presumed to be equal to the funding target attainment percentage of the plan as of the valuation date of the plan for the preceding plan year until the enrolled actuary of the plan certifies the actual funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year.

“(2) PRESUMPTION OF UNDERFUNDING AFTER 10TH MONTH.—In any case in which no such certification is made with respect to the plan before the first day of the 10th month of the current plan year, for purposes of subsections (a), (b), and (c), the plan’s funding target attainment percentage shall be conclusively presumed to be less than 60 percent as of the first day of such 10th month, and such day shall be deemed, for purposes of

such subsections, to be the valuation date of the plan for the current plan year.

“(3) PRESUMPTION OF UNDERFUNDING AFTER 4TH MONTH FOR NEARLY UNDERFUNDED PLANS.—In any case in which—

“(A) a benefit limitation under subsection (a), (b), or (c) did not apply to a plan with respect to the plan year preceding the current plan year, but the funding target attainment percentage of the plan for such preceding plan year was not more than 10 percentage points greater than the percentage which would have caused such subsection to apply to the plan with respect to such preceding plan year, and

“(B) as of the first day of the 4th month of the current plan year, the enrolled actuary of the plan has not certified the actual funding target attainment percentage of the plan as of the valuation date of the plan for the current plan year,

until the enrolled actuary so certifies, such first day shall be deemed, for purposes of such subsection, to be the valuation date of the plan for the current plan year and the funding target attainment percentage of the plan as of such first day shall, for purposes of such subsection, be presumed to be equal to 10 percentage points less than the funding target attainment percentage of the plan as of the valuation date of the plan for such preceding plan year.

“(f) RESTORATION BY PLAN AMENDMENT OF BENEFITS OR BENEFIT ACCRUAL.—In any case in which a prohibition under subsection (b) of a payment described in subsection (b)(1) or a cessation of benefit accruals under subsection (c) is applied to a plan with respect to any plan year and such prohibition or cessation, as the case may be, ceases to apply to any subsequent plan year, the plan may provide for the resumption of such benefit payment or such benefit accrual only by means of the adoption of a plan amendment after the valuation date of the plan for such subsequent plan year. The preceding sentence shall not apply to a prohibition or cessation required by reason of subsection (e).

“(g) FUNDING TARGET ATTAINMENT PERCENTAGE.—

“(1) IN GENERAL.—For purposes of this section, the term ‘funding target attainment percentage’ means, with respect to any plan for any plan year, the ratio (expressed as a percentage) which—

“(A) the value of plan assets for the plan year (as determined under section 430(g)) reduced by the pre-funding balance and the funding standard carryover balance (within the meaning of section 430(f)), bears to

“(B) the funding target of the plan for the plan year (as determined under section 430(d)(1), but without regard to section 430(i)(1)).

“(2) APPLICATION TO PLANS WHICH ARE FULLY FUNDED WITHOUT REGARD TO REDUCTIONS FOR FUNDING BALANCES.—

“(A) IN GENERAL.—In the case of a plan for any plan year, if the funding target attainment percentage is 100 percent or more (determined without regard to this subparagraph and without regard to the reduction under paragraph (1)(A) for the pre-funding balance and the funding standard carryover balance), paragraph (1) shall be applied without regard to such reduction.

“(B) TRANSITION RULE.—Subparagraph (A) shall be applied to plan years beginning after 2006 and before 2011 by substituting for ‘100 percent’ the applicable percentage determined in accordance with the following table:

“In the case of a plan year beginning in calendar year:	The applicable percentage is:
2007	92 percent
2008	94 percent

"In the case of a plan year beginning in calendar year:	The applicable percentage is:
2009	96 percent
2010	98 percent.

"(C) LIMITATION.—Subparagraph (B) shall not apply with respect to any plan year after 2007 unless the funding target attainment percentage (determined without regard to this paragraph and without regard to the reduction under paragraph (1)(A) for the pre-funding balance and the funding standard carryover balance) of the plan for each preceding plan year after 2006 was not less than the applicable percentage with respect to such preceding plan year determined under subparagraph (B).

"(h) DEEMED REDUCTION OF FUNDING BALANCES.—In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers—

"(1) IN GENERAL.—In any case in which a benefit limitation under subsection (a), (b), or (c) would (but for this subsection and determined without regard to subsection (a)(2)) apply to such plan for the plan year, the plan sponsor of such plan shall be treated for purposes of this title as having made an election under section 430(f)(5) to reduce the balance of the pre-funding balance and the funding standard carryover balance for the plan year (in a manner consistent with the requirements of section 430(f)(5)(B)) by such amount as is necessary for such benefit limitation to not apply to the plan for such plan year.

"(2) EXCEPTION FOR INSUFFICIENT FUNDING BALANCES.—Paragraph (1) shall not apply with respect to a benefit limitation for any plan year if the application of paragraph (1) would not result in the benefit limitation not applying for such plan year."

(2) CLERICAL AMENDMENT.—The table of sections for such subpart is amended by adding at the end the following new item:

"Sec. 437. Funding-based limits on benefits and benefit accruals under single-employer plans."

(c) EFFECTIVE DATE.—

(1) SHUTDOWN BENEFITS.—Except as provided in paragraph (3), the amendments made by subsection (a) shall apply with respect to plant shutdowns, or other unpredictable contingent events, occurring after December 31, 2006.

(2) OTHER BENEFITS.—Except as provided in paragraph (3), the amendments made by subsection (b) shall apply with respect to plan years beginning after December 31, 2006.

(3) COLLECTIVE BARGAINING EXCEPTION.—In the case of a plan maintained pursuant to 1 or more collective bargaining agreements between employee representatives and 1 or more employers ratified before the date of the enactment of this Act, the amendments made by this subsection shall not apply to plan years beginning before the earlier of—

(A) the later of—

(i) the date on which the last collective bargaining agreement relating to the plan terminates (determined without regard to any extension thereof agreed to after the date of the enactment of this Act), or

(ii) the first day of the first plan year to which the amendments made by this subsection would (but for this subparagraph) apply, or

(B) January 1, 2009.

For purposes of clause (i), any plan amendment made pursuant to a collective bargaining agreement relating to the plan which amends the plan solely to conform to any requirement added by this subsection shall not be treated as a termination of such collective bargaining agreement.

(d) SPECIAL RULE FOR 2007.—For purposes of applying subsection (e) of section 437 of

such Code (as added by this section) to current plan years (within the meaning of such subsection) beginning in 2007, the modified funded current liability percentage of the plan for the preceding year shall be substituted for the funding target attainment percentage of the plan for the preceding year. For purposes of the preceding sentence, the term "modified funded current liability percentage" means the funded current liability percentage (as defined in section 412(1)(8) of such Code), reduced as described in subparagraph (E) thereof in the case of a plan with a funded current liability percentage (as so defined and before such reduction) which is less than 100 percent.

such assets shall for purposes of section 83 be treated as property transferred in connection with the performance of services whether or not such assets are available to satisfy claims of general creditors. Subparagraph (A) shall not apply with respect to any assets which are so set aside before the defined benefit plan is in at-risk status.”

(b) CONFORMING AMENDMENTS.—Paragraphs (4) and (5) of section 409A(b) of such Code, as redesignated by subsection (a) of this subsection, are each amended by striking “paragraph (1) or (2)” each place it appears and inserting “paragraph (1), (2), or (3)”.

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to transfers or reservations of assets after December 31, 2005.

(d) SPECIAL RULE FOR 2006.—For purposes of determining if a plan is in at-risk status (within the meaning of section 409A of such Code, as added by this section) for any plan year beginning in 2006, such section shall be applied by substituting the plan’s modified funded current liability percentage for the plan’s funding target attainment percentage. For purposes of the preceding sentence, the term “modified funded current liability percentage” means the funded current liability percentage (as defined in section 412(l)(8) of such Code), reduced as described in subparagraph (E) thereof.

TITLE II—FUNDING RULES FOR MULTIEMPLOYER DEFINED BENEFIT PLANS

Subtitle A—Amendments to Employee Retirement Income Security Act of 1974

(a) IN GENERAL.—Part 3 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (as amended by section 102) is amended further by inserting after section 303 the following new section:

“MINIMUM FUNDING STANDARDS FOR MULTIEMPLOYER PLANS

“SEC. 304. (a) IN GENERAL.—For purposes of section 302, the accumulated funding deficiency of a multiemployer plan for any plan year is—

“(1) except as provided in paragraph (2), the amount, determined as of the end of the plan year, equal to the excess (if any) of the total charges to the funding standard account of the plan for all plan years (beginning with the first plan year for which this part applies to the plan) over the total credits to such account for such years, and

“(2) if the multiemployer plan is in reorganization for any plan year, the accumulated funding deficiency of the plan determined under section 4243.

“(b) FUNDING STANDARD ACCOUNT.—

“(1) ACCOUNT REQUIRED.—Each multiemployer plan to which this part applies shall establish and maintain a funding standard account. Such account shall be credited and charged solely as provided in this section.

“(2) CHARGES TO ACCOUNT.—For a plan year, the funding standard account shall be charged with the sum of—

“(A) the normal cost of the plan for the plan year,

“(B) the amounts necessary to amortize in equal annual installments (until fully amortized)—

“(ii) in the case of a plan which comes into existence after January 1, 1974, the unfunded past service liability under the plan on the first day of the first plan year to which this part applies, over a period of 15 plan years,

“(iii) separately, with respect to each plan year, the net increase (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

“(iv) separately, with respect to each plan year, the net experience loss (if any) under the plan, over a period of 15 plan years, and

“(v) separately, with respect to each plan year, the net loss (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 15 plan years,

“(C) the amount necessary to amortize each waived funding deficiency (within the meaning of section 302(c)(3)) for each prior plan year in equal annual installments (until fully amortized) over a period of 15 plan years,

“(D) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 5 plan years any amount credited to the funding standard account under section 302(b)(3)(D) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005), and

“(E) the amount necessary to amortize in equal annual installments (until fully amortized) over a period of 20 years the contributions which would be required to be made under the plan but for the provisions of section 302(c)(7)(A)(i)(I) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005).

“(3) CREDITS TO ACCOUNT.—For a plan year, the funding standard account shall be credited with the sum of—

“(A) the amount considered contributed by the employer to or under the plan for the plan year,

“(B) the amount necessary to amortize in equal annual installments (until fully amortized)—

“(i) separately, with respect to each plan year, the net decrease (if any) in unfunded past service liability under the plan arising from plan amendments adopted in such year, over a period of 15 plan years,

“(ii) separately, with respect to each plan year, the net experience gain (if any) under the plan, over a period of 15 plan years, and

“(iii) separately, with respect to each plan year, the net gain (if any) resulting from changes in actuarial assumptions used under the plan, over a period of 15 plan years,

“(C) the amount of the waived funding deficiency (within the meaning of section 302(c)(3)) for the plan year, and

“(D) in the case of a plan year for which the accumulated funding deficiency is determined under the funding standard account if such plan year follows a plan year for which such deficiency was determined under the alternative minimum funding standard under section 305 (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005), the excess (if any) of any debit balance in the funding standard account (determined without regard to this subparagraph) over any debit balance in the alternative minimum funding standard account.

“(4) SPECIAL RULES FOR CERTAIN PRE-2007 AMORTIZATIONS.—

“(A) IN GENERAL.—In the case of any amount amortized under section 302(b) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) over any period beginning with a plan year beginning before 2007, in lieu of the amortization described in paragraphs (2)(B) and (3)(B), such amount shall continue to be amortized under such section as so in effect.

“(B) INTEREST RATE.—For purposes of amortizations under section 302(b) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005), in the case of any waiver under section 303 (as so in effect) or extension under section 304 (as so in effect) with respect to which application has been made before June 30, 2005, the interest rate under section 303(a)(2) (as so in effect) or section 304(a) (as so in effect), as the case may be, shall apply.

“(5) COMBINING AND OFFSETTING AMOUNTS TO BE AMORTIZED.—Under regulations prescribed by the Secretary of the Treasury, amounts required to be amortized under paragraph (2) or paragraph (3), as the case may be—

“(A) may be combined into one amount under such paragraph to be amortized over a period determined on the basis of the remaining amortization period for all items entering into such combined amount, and

“(B) may be offset against amounts required to be amortized under the other such paragraph, with the resulting amount to be amortized over a period determined on the basis of the remaining amortization periods for all items entering into whichever of the two amounts being offset is the greater.

“(6) INTEREST.—Except as provided in subsection (c)(9), the funding standard account (and items therein) shall be charged or credited (as determined under regulations prescribed by the Secretary of the Treasury) with interest at the appropriate rate consistent with the rate or rates of interest used under the plan to determine costs.

“(7) CERTAIN AMORTIZATION CHARGES AND CREDITS.—In the case of a plan which, immediately before the date of the enactment of

the Multiemployer Pension Plan Amendments Act of 1980, was a multiemployer plan (within the meaning of section 3(37) as in effect immediately before such date)—

“(A) any amount described in paragraph (2)(B)(ii), (2)(B)(iii), or (3)(B)(i) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the amount arose,

“(B) any amount described in paragraph (2)(B)(iv) or (3)(B)(ii) of this subsection which arose in a plan year beginning before such date shall be amortized in equal annual installments (until fully amortized) over 20 plan years, beginning with the plan year in which the amount arose,

“(C) any change in past service liability which arises during the period of 3 plan years beginning on or after such date, and results from a plan amendment adopted before such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises, and

“(D) any change in past service liability which arises during the period of 2 plan years beginning on or after such date, and results from the changing of a group of participants from one benefit level to another benefit level under a schedule of plan benefits which—

“(i) was adopted before such date, and

“(ii) was effective for any plan participant before the beginning of the first plan year beginning on or after such date, shall be amortized in equal annual installments (until fully amortized) over 40 plan years, beginning with the plan year in which the change arises.

“(8) SPECIAL RULES RELATING TO CHARGES AND CREDITS TO FUNDING STANDARD ACCOUNT.—For purposes of this section—

“(A) WITHDRAWAL LIABILITY.—Any amount received by a multiemployer plan in payment of all or part of an employer's withdrawal liability under part 1 of subtitle E of title IV shall be considered an amount contributed by the employer to or under the plan. The Secretary of the Treasury may prescribe by regulation additional charges and credits to a multiemployer plan's funding standard account to the extent necessary to prevent withdrawal liability payments from being unduly reflected as advance funding for plan liabilities.

“(B) ADJUSTMENTS WHEN A MULTIEMPLOYER PLAN LEAVES REORGANIZATION.—If a multiemployer plan is not in reorganization in the plan year but was in reorganization in the immediately preceding plan year, any balance in the funding standard account at the close of such immediately preceding plan year—

“(i) shall be eliminated by an offsetting credit or charge (as the case may be), but

“(ii) shall be taken into account in subsequent plan years by being amortized in equal annual installments (until fully amortized) over 30 plan years.

The preceding sentence shall not apply to the extent of any accumulated funding deficiency under section 4243(a) as of the end of the last plan year that the plan was in reorganization.

“(C) PLAN PAYMENTS TO SUPPLEMENTAL PROGRAM OR WITHDRAWAL LIABILITY PAYMENT FUND.—Any amount paid by a plan during a plan year to the Pension Benefit Guaranty Corporation pursuant to section 4222 of this Act or to a fund exempt under section 501(c)(22) of the Internal Revenue Code of 1986 pursuant to section 4223 of this Act shall reduce the amount of contributions considered received by the plan for the plan year.

“(D) INTERIM WITHDRAWAL LIABILITY PAYMENTS.—Any amount paid by an employer pending a final determination of the employ-

er's withdrawal liability under part 1 of subtitle E of title IV and subsequently refunded to the employer by the plan shall be charged to the funding standard account in accordance with regulations prescribed by the Secretary of the Treasury.

“(E) ELECTION FOR DEFERRAL OF CHARGE FOR PORTION OF NET EXPERIENCE LOSS.—If an election is in effect under section 302(b)(7)(F) (as in effect on the day before the date of the enactment of the Pension Protection Act of 2005) for any plan year, the funding standard account shall be charged in the plan year to which the portion of the net experience loss deferred by such election was deferred with the amount so deferred (and paragraph (2)(B)(iv) shall not apply to the amount so charged).

“(F) FINANCIAL ASSISTANCE.—Any amount of any financial assistance from the Pension Benefit Guaranty Corporation to any plan, and any repayment of such amount, shall be taken into account under this section and section 302 in such manner as is determined by the Secretary of the Treasury.

“(G) SHORT-TERM BENEFITS.—To the extent that any plan amendment increases the unfunded past service liability under the plan by reason of an increase in benefits which are payable under the plan during a period that does not exceed 14 years, paragraph (2)(B)(iii) shall be applied separately with respect to such increase in unfunded past service liability by substituting the number of years of the period during which such benefits are payable for ‘15’.

“(c) ADDITIONAL RULES.—

“(1) DETERMINATIONS TO BE MADE UNDER FUNDING METHOD.—For purposes of this section, normal costs, accrued liability, past service liabilities, and experience gains and losses shall be determined under the funding method used to determine costs under the plan.

“(2) VALUATION OF ASSETS.—

“(A) IN GENERAL.—For purposes of this section, the value of the plan's assets shall be determined on the basis of any reasonable actuarial method of valuation which takes into account fair market value and which is permitted under regulations prescribed by the Secretary of the Treasury.

“(B) ELECTION WITH RESPECT TO BONDS.—The value of a bond or other evidence of indebtedness which is not in default as to principal or interest may, at the election of the plan administrator, be determined on an amortized basis running from initial cost at purchase to par value at maturity or earliest call date. Any election under this subparagraph shall be made at such time and in such manner as the Secretary of the Treasury shall by regulations provide, shall apply to all such evidences of indebtedness, and may be revoked only with the consent of such Secretary.

“(3) ACTUARIAL ASSUMPTIONS MUST BE REASONABLE.—For purposes of this section, all costs, liabilities, rates of interest, and other factors under the plan shall be determined on the basis of actuarial assumptions and methods—

“(A) each of which is reasonable (taking into account the experience of the plan and reasonable expectations), and

“(B) which, in combination, offer the actuary's best estimate of anticipated experience under the plan.

“(4) TREATMENT OF CERTAIN CHANGES AS EXPERIENCE GAIN OR LOSS.—For purposes of this section, if—

“(A) a change in benefits under the Social Security Act or in other retirement benefits created under Federal or State law, or

“(B) a change in the definition of the term ‘wages’ under section 3121 of the Internal Revenue Code of 1986, or a change in the amount of such wages taken into account

under regulations prescribed for purposes of section 401(a)(5) of such Code.

results in an increase or decrease in accrued liability under a plan, such increase or decrease shall be treated as an experience loss or gain.

“(5) FULL FUNDING.—If, as of the close of a plan year, a plan would (without regard to this paragraph) have an accumulated funding deficiency in excess of the full funding limitation—

“(A) the funding standard account shall be credited with the amount of such excess, and

“(B) all amounts described in subparagraphs (B), (C), and (D) of subsection (b)(2) and subparagraph (B) of subsection (b)(3) which are required to be amortized shall be considered fully amortized for purposes of such subparagraphs.

“(6) FULL-FUNDING LIMITATION.—

“(A) IN GENERAL.—For purposes of paragraph (5), the term ‘full-funding limitation’ means the excess (if any) of—

“(i) the accrued liability (including normal cost) under the plan (determined under the entry age normal funding method if such accrued liability cannot be directly calculated under the funding method used for the plan), over

“(ii) the lesser of—

“(I) the fair market value of the plan’s assets, or

“(II) the value of such assets determined under paragraph (2).

“(B) MINIMUM AMOUNT.—

“(i) IN GENERAL.—In no event shall the full-funding limitation determined under subparagraph (A) be less than the excess (if any) of—

“(I) 90 percent of the current liability of the plan (including the expected increase in current liability due to benefits accruing during the plan year), over

“(II) the value of the plan’s assets determined under paragraph (2).

“(ii) ASSETS.—For purposes of clause (i), assets shall not be reduced by any credit balance in the funding standard account.

“(C) FULL FUNDING LIMITATION.—For purposes of this paragraph, unless otherwise provided by the plan, the accrued liability under a multiemployer plan shall not include benefits which are not nonforfeitable under the plan after the termination of the plan (taking into consideration section 411(d)(3) of the Internal Revenue Code of 1986).

“(D) CURRENT LIABILITY.—For purposes of this paragraph—

“(i) IN GENERAL.—The term ‘current liability’ means all liabilities to employees and their beneficiaries under the plan.

“(ii) TREATMENT OF UNPREDICTABLE CONTINGENT EVENT BENEFITS.—For purposes of clause (i), any benefit contingent on an event other than—

“(I) age, service, compensation, death, or disability, or

“(II) an event which is reasonably and reliably predictable (as determined by the Secretary of the Treasury),

shall not be taken into account until the event on which the benefit is contingent occurs.

“(iii) INTEREST RATE USED.—The rate of interest used to determine current liability under this paragraph shall be the rate of interest determined under subparagraph (E).

“(iv) MORTALITY TABLES.—

“(I) COMMISSIONERS’ STANDARD TABLE.—In the case of plan years beginning before the first plan year to which the first tables prescribed under subclause (II) apply, the mortality table used in determining current liability under this paragraph shall be the table prescribed by the Secretary of the Treasury which is based on the prevailing commissioners’ standard table (described in

section 807(d)(5)(A) of the Internal Revenue Code of 1986) used to determine reserves for group annuity contracts issued on January 1, 1993.

“(II) SECRETARIAL AUTHORITY.—The Secretary of the Treasury may by regulation prescribe for plan years beginning after December 31, 1999, mortality tables to be used in determining current liability under this subsection. Such tables shall be based upon the actual experience of pension plans and projected trends in such experience. In prescribing such tables, such Secretary shall take into account results of available independent studies of mortality of individuals covered by pension plans.

“(v) SEPARATE MORTALITY TABLES FOR THE DISABLED.—Notwithstanding clause (iv)—

“(I) IN GENERAL.—In the case of plan years beginning after December 31, 1995, the Secretary of the Treasury shall establish mortality tables which may be used (in lieu of the tables under clause (iv)) to determine current liability under this subsection for individuals who are entitled to benefits under the plan on account of disability. Such Secretary shall establish separate tables for individuals whose disabilities occur in plan years beginning before January 1, 1995, and for individuals whose disabilities occur in plan years beginning on or after such date.

“(II) SPECIAL RULE FOR DISABILITIES OCCURRING AFTER 1994.—In the case of disabilities occurring in plan years beginning after December 31, 1994, the tables under subclause (I) shall apply only with respect to individuals described in such subclause who are disabled within the meaning of title II of the Social Security Act and the regulations thereunder.

“(vi) PERIODIC REVIEW.—The Secretary of the Treasury shall periodically (at least every 5 years) review any tables in effect under this subparagraph and shall, to the extent such Secretary determines necessary, by regulation update the tables to reflect the actual experience of pension plans and projected trends in such experience.

“(E) REQUIRED CHANGE OF INTEREST RATE.—For purposes of determining a plan’s current liability for purposes of this paragraph—

“(i) IN GENERAL.—If any rate of interest used under the plan under subsection (b)(6) to determine cost is not within the permissible range, the plan shall establish a new rate of interest within the permissible range.

“(ii) PERMISSIBLE RANGE.—For purposes of this subparagraph—

“(I) IN GENERAL.—Except as provided in subclause (II), the term ‘permissible range’ means a rate of interest which is not more than 5 percent above, and not more than 10 percent below, the weighted average of the rates of interest on 30-year Treasury securities during the 4-year period ending on the last day before the beginning of the plan year.

“(II) SECRETARIAL AUTHORITY.—If the Secretary of the Treasury finds that the lowest rate of interest permissible under subclause (I) is unreasonably high, such Secretary may prescribe a lower rate of interest, except that such rate may not be less than 80 percent of the average rate determined under such subclause.

“(iii) ASSUMPTIONS.—Notwithstanding paragraph (3)(A), the interest rate used under the plan shall be—

“(I) determined without taking into account the experience of the plan and reasonable expectations, but

“(II) consistent with the assumptions which reflect the purchase rates which would be used by insurance companies to satisfy the liabilities under the plan.

“(7) ANNUAL VALUATION.—

“(A) IN GENERAL.—For purposes of this section, a determination of experience gains and losses and a valuation of the plan’s liability

shall be made not less frequently than once every year, except that such determination shall be made more frequently to the extent required in particular cases under regulations prescribed by the Secretary of the Treasury.

“(B) VALUATION DATE.—

“(i) CURRENT YEAR.—Except as provided in clause (ii), the valuation referred to in subparagraph (A) shall be made as of a date within the plan year to which the valuation refers or within one month prior to the beginning of such year.

“(ii) USE OF PRIOR YEAR VALUATION.—The valuation referred to in subparagraph (A) may be made as of a date within the plan year prior to the year to which the valuation refers if, as of such date, the value of the assets of the plan are not less than 100 percent of the plan’s current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

“(iii) ADJUSTMENTS.—Information under clause (ii) shall, in accordance with regulations, be actuarially adjusted to reflect significant differences in participants.

“(iv) LIMITATION.—A change in funding method to use a prior year valuation, as provided in clause (ii), may not be made unless as of the valuation date within the prior plan year, the value of the assets of the plan are not less than 125 percent of the plan’s current liability (as defined in paragraph (6)(D) without regard to clause (iv) thereof).

“(8) TIME WHEN CERTAIN CONTRIBUTIONS DEEMED MADE.—For purposes of this section, any contributions for a plan year made by an employer after the last day of such plan year, but not later than two and one-half months after such day, shall be deemed to have been made on such last day. For purposes of this subparagraph, such two and one-half month period may be extended for not more than six months under regulations prescribed by the Secretary of the Treasury.

“(9) INTEREST RULE FOR WAIVERS AND EXTENSIONS.—The interest rate applicable for any plan year for purposes of computing the amortization charge described in subsection (b)(2)(C) and in connection with an extension granted under subsection (d) shall be the greater of—

“(A) 150 percent of the Federal mid-term rate (as in effect under section 1274 of the Internal Revenue Code of 1986 for the 1st month of such plan year), or

“(B) the rate of interest used under the plan for determining costs.

“(d) EXTENSION OF AMORTIZATION PERIODS FOR MULTIEMPLOYER PLANS.—In the case of a multiemployer plan—

“(1) EXTENSION.—The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B)) of any multiemployer plan shall be extended by the Secretary of the Treasury for a period of time (not in excess of 5 years) if it is demonstrated to such Secretary that—

“(A) absent the extension, the plan would have an accumulated funding deficiency in any of the next 10 plan years,

“(B) the plan sponsor has adopted a plan to improve the plan’s funding status, and

“(C) taking into account the extension, the plan is projected to have sufficient assets to timely pay its expected benefit liabilities and other anticipated expenditures.

“(2) ADDITIONAL EXTENSION.—The period of years required to amortize any unfunded liability (described in any clause of subsection (b)(2)(B)) of any multiemployer plan may be extended (in addition to any extension under paragraph (1)) by the Secretary of the Treasury for a period of time (not in excess of 5 years) if such Secretary determines that such extension would carry out the purposes of this Act and would provide adequate protection for participants under the plan and

their beneficiaries and if such Secretary determines that the failure to permit such extension would—

“(A) result in—

“(i) a substantial risk to the voluntary continuation of the plan, or

“(ii) a substantial curtailment of pension benefit levels or employee compensation, and

“(B) be adverse to the interests of plan participants in the aggregate.

“(3) ADVANCE NOTICE.—

“(A) IN GENERAL.—The Secretary of the Treasury shall, before granting an extension under this section, require each applicant to provide evidence satisfactory to such Secretary that the applicant has provided notice of the filing of the application for such extension to each affected party (as defined in section 4001(a)(21)) with respect to the affected plan. Such notice shall include a description of the extent to which the plan is funded for benefits which are guaranteed under title IV and for benefit liabilities.

“(B) CONSIDERATION OF RELEVANT INFORMATION.—The Secretary of the Treasury shall consider any relevant information provided by a person to whom notice was given under paragraph (1).”

(b) CONFORMING AMENDMENTS.—

(1) Section 301 of such Act (29 U.S.C. 1081) is amended by striking subsection (d).

(2) The table of contents in section 1 of such Act (as amended by section 102 of this Act) is amended further by inserting after the item relating to section 303 the following new item:

“Sec. 304. Minimum funding standards for multiemployer plans.”

(c) EFFECTIVE DATE.—The amendments made by this section shall apply to plan years beginning after December 31, 2006.

SEC. 202. ADDITIONAL FUNDING RULES FOR MULTIEMPLOYER PLANS IN ENDANGERED OR CRITICAL STATUS.

(a) IN GENERAL.—Part 3 of subtitle B of title I of the Employee Retirement Income Security Act of 1974 (as amended by the preceding provisions of this Act) is amended further by inserting after section 304 the following new section:

“ADDITIONAL FUNDING RULES FOR MULTIEMPLOYER PLANS IN ENDANGERED STATUS OR CRITICAL STATUS

“SEC. 305. (a) ANNUAL CERTIFICATION BY PLAN ACTUARY.—

“(1) IN GENERAL.—During the 90-day period beginning on first day of each plan year of a multiemployer plan, the plan actuary shall certify to the Secretary of the Treasury whether or not the plan is in endangered status for such plan year and whether or not the plan is in critical status for such plan year.

“(2) ACTUARIAL PROJECTIONS OF ASSETS AND LIABILITIES.—

“(A) IN GENERAL.—In making the determinations under paragraph (1), the plan actuary shall make projections under subsections (b)(2) and (c)(2) for the current and succeeding plan years, using reasonable actuarial assumptions and methods, of the current value of the assets of the plan and the present value of all liabilities to participants and beneficiaries under the plan for the current plan year as of the beginning of such year, as based on the actuarial statement prepared for the preceding plan year under section 103(d).

“(B) DETERMINATIONS OF FUTURE CONTRIBUTIONS.—Any such actuarial projection of plan assets shall assume—

“(i) reasonably anticipated employer and employee contributions for the current and succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, or

“(ii) that employer and employee contributions for the most recent plan year will continue indefinitely, but only if the plan actuary determines there have been no significant demographic changes that would make continued application of such terms unreasonable.

“(3) PRESUMED STATUS IN ABSENCE OF TIME-LY ACTUARIAL CERTIFICATION.—If certification under this subsection is not made before the end of the 90-day period specified in paragraph (1), the plan shall be presumed to be in critical status for such plan year until such time as the plan actuary makes a contrary certification.

“(4) NOTICE.—In any case in which a multiemployer plan is certified to be in endangered status under paragraph (1) or enters into critical status, the plan sponsor shall, not later than 30 days after the date of the certification or entry, provide notification of the endangered or critical status to the participants and beneficiaries, the bargaining parties, the Pension Benefit Guaranty Corporation, the Secretary of the Treasury, and the Secretary of Labor.

“(b) FUNDING RULES FOR MULTIEMPLOYER PLANS IN ENDANGERED STATUS.—

“(1) IN GENERAL.—In any case in which a multiemployer plan is in endangered status for a plan year and no funding improvement plan under this subsection with respect to such multiemployer plan is in effect for the plan year, the plan sponsor shall, in accordance with this subsection, amend the multiemployer plan to include a funding improvement plan upon approval thereof by the bargaining parties under this subsection. The amendment shall be adopted not later than 240 days after the date on which the plan is certified to be in endangered status under subsection (a)(1).

“(2) ENDANGERED STATUS.—A multiemployer plan is in endangered status for a plan year if, as determined by the plan actuary under subsection (a)—

“(A) the plan’s funded percentage for such plan year is less than 80 percent, or

“(B) the plan has an accumulated funding deficiency for such plan year under section 304 or is projected to have such an accumulated funding deficiency for any of the 6 succeeding plan years, taking into account any extension of amortization periods under section 304(d).

“(3) FUNDING IMPROVEMENT PLAN.—

“(A) BENCHMARKS.—A funding improvement plan shall consist of amendments to the plan formulated to provide, under reasonable actuarial assumptions, for the attainment, during the funding improvement period under the funding improvement plan, of the following benchmarks:

“(i) INCREASE IN FUNDED PERCENTAGE.—An increase in the plan’s funded percentage such that—

“(I) the difference between 100 percent and the plan’s funded percentage for the last year of the funding improvement period, is not more than

“(II) $\frac{3}{4}$ of the difference between 100 percent and the plan’s funded percentage for the first year of the funding improvement period.

“(ii) AVOIDANCE OF ACCUMULATED FUNDING DEFICIENCIES.—No accumulated funding deficiency for any plan year during the funding improvement period (taking into account any extension of amortization periods under section 304(d)).

“(B) FUNDING IMPROVEMENT PERIOD.—The funding improvement period for any funding improvement plan adopted pursuant to this subsection is the 10-year period beginning on the earlier of—

“(i) the second anniversary of the date of the adoption of the funding improvement plan, or

“(ii) the first day of the first plan year of the multiemployer plan following the plan year in which occurs the first date after the day of the certification as of which collective bargaining agreements covering on the day of such certification at least 75 percent of active participants in such multiemployer plan have expired.

“(C) SPECIAL RULES FOR CERTAIN SERIOUSLY UNDERFUNDED PLANS.—

“(i) In the case of a plan in which the funded percentage of a plan for the plan year is 70 percent or less, subparagraph (A)(i)(II) shall be applied by substituting ‘ $\frac{1}{2}$ ’ for ‘ $\frac{3}{4}$ ’ and subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.

“(ii) In the case of a plan in which the funded percentage of a plan for the plan year is more than 70 percent but less than 80 percent, and—

“(I) the plan actuary certifies within 30 days after certification under subsection (a)(1) that the plan is not able to attain the increase described in subparagraph (A)(i) over the period described in subparagraph (B), and

“(II) the plan year is prior to the day described in subparagraph (B)(ii),

subparagraph (A)(i)(II) shall be applied by substituting ‘ $\frac{1}{2}$ ’ for ‘ $\frac{3}{4}$ ’ and subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.

“(iii) For any plan year following the year described in clause (ii)(II), subparagraph (A)(i)(II) and subparagraph (B) shall apply, except that for each plan year ending after such date for which the plan actuary certifies (at the time of the annual certification under subsection (a)(1) for such plan year) that the plan is not able to attain the increase described in subparagraph (A)(i) over the period described in subparagraph (B), subparagraph (B) shall be applied by substituting ‘the 15-year period’ for ‘the 10-year period’.

“(D) REPORTING.—A summary of any funding improvement plan or modification thereof adopted during any plan year, together with annual updates regarding the funding ratio of the plan, shall be included in the annual report for such plan year under section 104(a) and in the summary annual report described in section 104(b)(3).

“(4) DEVELOPMENT OF FUNDING IMPROVEMENT PLAN.—

“(A) ACTIONS BY PLAN SPONSOR PENDING APPROVAL.—Pending the approval of a funding improvement plan under this paragraph, the plan sponsor shall take all reasonable actions, consistent with the terms of the plan and applicable law, necessary to ensure—

“(i) an increase in the plan’s funded percentage, and

“(ii) postponement of an accumulated funding deficiency for at least 1 additional plan year.

Such actions include applications for extensions of amortization periods under section 304(d), use of the shortfall funding method in making funding standard account computations, amendments to the plan’s benefit structure, reductions in future benefit accruals, and other reasonable actions consistent with the terms of the plan and applicable law.

“(B) RECOMMENDATIONS BY PLAN SPONSOR.—

“(i) IN GENERAL.—During the period of 90 days following the date on which a multiemployer plan is certified to be in endangered status, the plan sponsor shall develop and provide to the bargaining parties alternative proposals for revised benefit structures, contribution structures, or both, which, if adopted as amendments to the plan, may be reasonably expected to meet the benchmarks described in paragraph (3)(A). Such proposals shall include—

“(I) at least one proposal for reductions in the amount of future benefit accruals necessary to achieve the benchmarks, assuming no amendments increasing contributions under the plan (other than amendments increasing contributions necessary to achieve the benchmarks after amendments have reduced future benefit accruals to the maximum extent permitted by law), and

“(II) at least one proposal for increases in contributions under the plan necessary to achieve the benchmarks, assuming no amendments reducing future benefit accruals under the plan.

“(i) REQUESTS BY BARGAINING PARTIES.—Upon the request of any bargaining party who—

“(I) employs at least 5 percent of the active participants, or

“(II) represents as an employee organization, for purposes of collective bargaining, at least 5 percent of the active participants, the plan sponsor shall provide all such parties information as to other combinations of increases in contributions and reductions in future benefit accruals which would result in achieving the benchmarks.

“(iii) OTHER INFORMATION.—The plan sponsor may, as it deems appropriate, prepare and provide the bargaining parties with additional information relating to contribution structures or benefit structures or other information relevant to the funding improvement plan.

“(5) MAINTENANCE OF CONTRIBUTIONS PENDING APPROVAL OF FUNDING IMPROVEMENT PLAN.—Pending approval of a funding improvement plan by the bargaining parties with respect to a multiemployer plan, the multiemployer plan may not be amended so as to provide—

“(B) a suspension of contributions with respect to any period of service, or

“(C) any new direct or indirect exclusion of younger or newly hired employees from plan participation.

“(6) BENEFIT RESTRICTIONS PENDING APPROVAL OF FUNDING IMPROVEMENT PLAN.—Pending approval of a funding improvement plan by the bargaining parties with respect to a multiemployer plan—

“(B) PROHIBITION ON BENEFIT INCREASES.—

“(i) IN GENERAL.—No amendment of the plan which increases the liabilities of the plan by reason of any increase in benefits, any change in the accrual of benefits, or any change in the rate at which benefits become nonforfeitable under the plan may be adopted.

“(ii) EXCEPTION.—Clause (i) shall not apply to any plan amendment which is required as a condition of qualification under part I of subchapter D of chapter 1 of subtitle A of the Internal Revenue Code of 1986.

“(7) DEFAULT CRITICAL STATUS IF NO FUNDING IMPROVEMENT PLAN ADOPTED.—If no plan amendment adopting a funding improvement plan has been adopted by the end of the 240-day period referred to in subsection (b)(1), the plan enters into critical status as of the first day of the succeeding plan year.

“(8) RESTRICTIONS UPON APPROVAL OF FUNDING IMPROVEMENT PLAN.—Upon adoption of a funding improvement plan with respect to a multiemployer plan, the plan may not be amended—

“(A) so as to be inconsistent with the funding improvement plan, or

“(C) FUNDING RULES FOR MULTIEMPLOYER PLANS IN CRITICAL STATUS.—

“(1) IN GENERAL.—In any case in which a multiemployer plan is in critical status for a plan year as described in paragraph (2) (or otherwise enters into critical status under this section) and no rehabilitation plan under this subsection with respect to such multiemployer plan is in effect for the plan year, the plan sponsor shall, in accordance with this subsection, amend the multiemployer plan to include a rehabilitation plan under this subsection. The amendment shall be adopted not later than 240 days after the date on which the plan enters into critical status.

“(2) CRITICAL STATUS.—A multiemployer plan is in critical status for a plan year if—

“(A) the plan is in endangered status for the preceding plan year and the requirements of subsection (b)(1) were not met with respect to the plan for such preceding plan year, or

“(B) as determined by the plan actuary under subsection (a), the plan is described in paragraph (3).

“(3) CRITICALITY DESCRIPTION.—For purposes of paragraph (2)(B), a plan is described in this paragraph if the plan is described in at least one of the following subparagraphs:

“(A) A plan is described in this subparagraph if, as of the beginning of the current plan year—

“(i) the funded percentage of the plan is less than 65 percent, and

“(ii) the sum of—

“(I) the market value of plan assets, plus

“(II) the present value of the reasonably anticipated employer and employee contributions for the current plan year and each of the 6 succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year continue in effect for succeeding plan years, is less than the present value of all nonforfeitable benefits for all participants and beneficiaries projected to be payable under the plan during the current plan year and each of the 6 succeeding plan years (plus administrative expenses for such plan years).

“(B) A plan is described in this subparagraph if, as of the beginning of the current plan year, the sum of—

“(i) the market value of plan assets, plus

“(ii) the present value of the reasonably anticipated employer and employee contributions for the current plan year and each of the 4 succeeding plan years, assuming that the terms of the one or more collective bargaining agreements pursuant to which the plan is maintained for the current plan year remain in effect for succeeding plan years, is less than the present value of all nonforfeitable benefits for all participants and beneficiaries projected to be payable under the plan during the current plan year and each of the 4 succeeding plan years (plus administrative expenses for such plan years).

“(C) A plan is described in this subparagraph if—

“(i) as of the beginning of the current plan year, the funded percentage of the plan is less than 65 percent, and

“(ii) the plan has an accumulated funding deficiency for the current plan year or is projected to have an accumulated funding deficiency for any of the 4 succeeding plan years, not taking into account any extension of amortization periods under section 304(d).

“(D) A plan is described in this subparagraph if—

“(i)(I) the plan's normal cost for the current plan year, plus interest (determined at the rate used for determining cost under the plan) for the current plan year on the amount of unfunded benefit liabilities under the plan as of the last date of the preceding plan year, exceeds

“(II) the present value, as of the beginning of the current plan year, of the reasonably anticipated employer and employee contributions for the current plan year,

“(ii) the present value, as of the beginning of the current plan year, of nonforfeitable benefits of inactive participants is greater than the present value, as of the beginning of the current plan year, of nonforfeitable benefits of active participants, and

“(iii) the plan is projected to have an accumulated funding deficiency for the current plan year or any of the 4 succeeding plan years, not taking into account any extension of amortization periods under section 304(d).

“(E) A plan is described in this subparagraph if—

“(i) the funded percentage of the plan is greater than 65 percent for the current plan year, and

“(ii) the plan is projected to have an accumulated funding deficiency during any of the succeeding 3 plan years, not taking into account any extension of amortization periods under section 304(d).

“(4) REHABILITATION PLAN.—

“(A) IN GENERAL.—A rehabilitation plan shall consist of—

“(i) amendments to the plan providing (under reasonable actuarial assumptions) for measures, agreed to by the bargaining parties, to increase contributions, reduce plan expenditures (including plan mergers and consolidations), or reduce future benefit accruals, or to take any combination of such actions, determined necessary to cause the plan to cease, during the rehabilitation period, to be in critical status, or

“(ii) reasonable measures to forestall possible insolvency (within the meaning of section 4245) if the plan sponsor determines that, upon exhaustion of all reasonable measures, the plan would not cease during the rehabilitation period to be in critical status.

A rehabilitation must provide annual standards for meeting the requirements of such rehabilitation plan.

“(B) REHABILITATION PERIOD.—The rehabilitation period for any rehabilitation plan adopted pursuant to this subsection is the 10-year period beginning on the earlier of—

“(i) the second anniversary of the date of the adoption of the rehabilitation plan, or

“(ii) the first day of the first plan year of the multiemployer plan following the plan year in which occurs the first date, after the date of the plan's entry into critical status, as of which collective bargaining agreements covering at least 75 percent of active participants in such multiemployer plan (determined as of such date of entry) have expired.

“(C) REPORTING.—A summary of any rehabilitation plan or modification thereto adopted during any plan year, together with annual updates regarding the funding ratio of the plan, shall be included in the annual report for such plan year under section 104(a) and in the summary annual report described in section 104(b)(3).

“(5) DEVELOPMENT OF REHABILITATION PLAN.—

“(A) PROPOSALS BY PLAN SPONSOR.—

“(i) IN GENERAL.—Within 90 days after the date of entry into critical status (or the date as of which the requirements of subsection (b)(1) are not met with respect to the plan), the plan sponsor shall propose to all bargaining parties a range of alternative schedules of increases in contributions and reductions in future benefit accruals that would

serve to carry out a rehabilitation plan under this subsection.

“(ii) PROPOSAL ASSUMING NO CONTRIBUTION INCREASES.—Such proposals shall include, as one of the proposed schedules, a schedule of those reductions in future benefit accruals that would be necessary to cause the plan to cease to be in critical status if there were no further increases in rates of contribution to the plan.

“(iii) PROPOSAL WHERE CONTRIBUTIONS ARE NECESSARY.—If the plan sponsor determines that the plan will not cease to be in critical status during the rehabilitation period unless the plan is amended to provide for an increase in contributions, the plan sponsor’s proposals shall include a schedule of those increases in contribution rates that would be necessary to cause the plan to cease to be in critical status if future benefit accruals were reduced to the maximum extent permitted by law.

“(B) REQUESTS FOR ADDITIONAL SCHEDULES.—Upon the request of any bargaining party who—

“(i) employs at least 5 percent of the active participants, or

“(ii) represents as an employee organization, for purposes of collective bargaining, at least 5 percent of active participants, the plan sponsor shall include among the proposed schedules such schedules of increases in contributions and reductions in future benefit accruals as may be specified by the bargaining parties.

“(C) SUBSEQUENT AMENDMENTS.—Upon the adoption of a schedule of increases in contributions or reductions in future benefit accruals as part of the rehabilitation plan, the plan sponsor may amend the plan thereafter to update the schedule to adjust for any experience of the plan contrary to past actuarial assumptions, except that such an amendment may be made not more than once in any 3-year period.

“(D) ALLOCATION OF REDUCTIONS IN FUTURE BENEFIT ACCRUALS.—Any schedule containing reductions in future benefit accruals forming a part of a rehabilitation plan shall be applicable with respect to any group of active participants who are employed by any bargaining party (as an employer obligated to contribute under the plan) in proportion to the extent to which increases in contributions under such schedule apply to such bargaining party.

“(E) LIMITATION ON REDUCTION IN RATES OF FUTURE ACCRUALS.—Any schedule proposed under this paragraph shall not reduce the rate of future accruals below the lower of—

“(i) a monthly benefit equal to 1 percent of the contributions required to be made with respect to a participant or the equivalent standard accrual rate for a participant or group of participants under the collective bargaining agreements in effect as of the first day of the plan year in which the plan enters critical status, or

“(ii) if lower, the accrual rate under the plan on such date.

The equivalent standard accrual rate shall be determined by the trustees based on the standard or average contribution base units that they determine to be representative for active participants and such other factors as they determine to be relevant.

“(F) PROTECTION OF RESTORED RATES OF ACCRUAL.—

“(i) IN GENERAL.—Any schedule proposed under this paragraph shall not reduce the rate of future accruals below any restored accrual rate.

“(ii) RESTORED ACCRUAL RATE.—For purposes of clause (i), the term ‘restored accrual rate’ means a rate of benefit accruals which was reduced and subsequently restored before entry of the plan into critical status.

“(6) MAINTENANCE OF CONTRIBUTIONS AND RESTRICTIONS ON BENEFITS PENDING ADOPTION

OF REHABILITATION PLAN.—The rules of paragraphs (5) and (6) of subsection (b) shall apply for purposes of this subsection by substituting the term ‘rehabilitation plan’ for ‘funding improvement plan’.

“(7) SPECIAL RULES.—

“(A) AUTOMATIC EMPLOYER SURCHARGE.—

“(i) 5 PERCENT AND 10 PERCENT SURCHARGE.—For the first plan year in which the plan is in critical status, each employer otherwise obligated to make a contribution for that plan year shall be obligated to pay to the plan a surcharge equal to 5 percent of the contribution otherwise required under the respective collective bargaining agreement (or other agreement pursuant to which the employer contributes). For each consecutive plan year thereafter in which the plan is in critical status, the surcharge shall be 10 percent of the contribution otherwise required under the respective collective bargaining agreement (or other agreement pursuant to which the employer contributes).

“(ii) ENFORCEMENT OF SURCHARGE.—The surcharges under clause (i) shall be due and payable on the same schedule as the contributions on which they are based. Any failure to make a surcharge payment shall be treated as a delinquent contribution under section 515 and shall be enforceable as such.

“(iii) SURCHARGE TO TERMINATE UPON CBA RENEGOTIATION.—The surcharge under this paragraph shall cease to be effective with respect to employees covered by a collective bargaining agreement, beginning on the date on which that agreement is renegotiated to include—

“(I) a schedule of benefits and contributions published by the trustees pursuant to the plan’s rehabilitation plan, or

“(II) otherwise collectively bargained benefit changes.

“(iv) SURCHARGE NOT TO APPLY UNTIL EMPLOYER RECEIVES 30-DAY NOTICE.—The surcharge under this subparagraph shall not apply to an employer until 30 days after the employer has been notified by the trustees that the plan is in critical status and that the surcharge is in effect.

“(v) SURCHARGE NOT TO GENERATE INCREASED BENEFIT ACCRUALS.—Notwithstanding any provision of a plan to the contrary, the amount of any surcharge shall not be the basis for any benefit accruals under the plan.

“(B) BENEFIT ADJUSTMENTS.—

“(i) IN GENERAL.—The trustees shall make appropriate reductions, if any, to adjustable benefits based upon the outcome of collective bargaining over the schedules provided under paragraph (5).

“(ii) RETIREE PROTECTION.—Except as provided in subparagraph (C), the trustees of a plan in critical status may not reduce adjustable benefits of any participant or beneficiary who was in pay status at least one year before the first day of the first plan year in which the plan enters into critical status.

“(iii) TRUSTEE FLEXIBILITY.—The trustees shall include in the schedules provided to the bargaining parties an allowance for funding the benefits of participants with respect to whom contributions are not currently required to be made, and shall reduce their benefits to the extent permitted under this title and considered appropriate based on the plan’s then current overall funding status and its future prospects in light of the results of the parties’ negotiations.

“(C) ADJUSTABLE BENEFIT DEFINED.—For purposes of this paragraph, the term ‘adjustable benefit’ means—

“(i) benefits, rights, and features, such as post-retirement death benefits, 60-month guarantees, disability benefits not yet in pay status, and similar benefits,

“(ii) retirement-type subsidies, early retirement benefits, and benefit payment op-

tions (other than the 50 percent qualified joint-and-survivor benefit and single life annuity), and

“(iii) benefit increases that would not be eligible for a guarantee under section 4022A on the first day of the plan year in which the plan enters into critical status because they were adopted, or if later, took effect less than 60 months before reorganization.

“(D) NORMAL RETIREMENT BENEFITS PROTECTED.—Nothing in this paragraph shall be construed to permit a plan to reduce the level of a participant’s accrued benefit payable at normal retirement age which is not an adjustable benefit.

“(E) ADJUSTMENTS DISREGARDED IN WITHDRAWAL LIABILITY DETERMINATION.—

“(i) BENEFIT REDUCTIONS.—Any benefit reductions under this paragraph shall be disregarded in determining a plan’s unfunded vested benefits for purposes of determining an employer’s withdrawal liability under section 4201.

“(ii) SURCHARGES.—Any surcharges under this paragraph shall be disregarded in determining an employer’s withdrawal liability under section 4211, except for purposes of determining the unfunded vested benefits attributable to an employer or under a modified attributable method adopted with the approval of the Pension Benefit Guaranty Corporation under subsection (c)(5) of that section.

“(8) RESTRICTIONS UPON APPROVAL OF REHABILITATION PLAN.—Upon adoption of a rehabilitation plan with respect to a multiemployer plan, the plan may not be amended—

“(A) so as to be inconsistent with the rehabilitation plan, or

“(B) so as to increase future benefit accruals, unless the plan actuary certifies in advance that, after taking into account the proposed increase, the plan is reasonably expected to cease to be in critical status.

“(9) IMPLEMENTATION OF DEFAULT SCHEDULE UPON FAILURE TO ADOPT REHABILITATION PLAN.—If the plan is not amended by the end of the 240-day period after entry into critical status to include a rehabilitation plan, the plan sponsor shall amend the plan to implement the schedule required by paragraph (5)(A)(ii).

“(10) DEEMED WITHDRAWAL.—Upon the failure of any employer who has an obligation to contribute under the plan to make contributions in compliance with the schedule adopted under paragraph (4) as part of the rehabilitation plan, the failure of the employer may, at the discretion of the plan sponsor, be treated as a withdrawal by the employer from the plan under section 4203 or a partial withdrawal by the employer under section 4205.

“(11) SPECIAL RULE FOR PLAN AMENDMENTS.—A multiemployer plan in critical status shall not fail to meet the requirements of section 204(g) or section 411(d)(6) of the Internal Revenue Code of 1986 solely by reason of the adoption by the plan of an amendment necessary to meet the requirements of this subsection.

“(1) BARGAINING PARTY.—The term ‘bargaining party’ means, in connection with a multiemployer plan—
