Whereas personal financial management skills and lifelong habits begin to develop during childhood;

Whereas a study completed in 2006 by the Jump$tart Coalition for Personal Financial Literacy found that high school seniors know less about principles of basic personal finance than did high school seniors 7 years earlier, and the average scores in both years were failing grades;

Whereas the 2007 Survey of the States by the National Council on Economic Education found that 49 States include the subject of economics and 40 States include the subject of personal finance in their elementary and secondary education standards, up from 48 and 31 States, respectively, in 2002;

Whereas 55 percent of college students acquire their first credit card during their first year in college, and 92 percent of college students acquire at least 1 credit card by their second year in college, yet only 26 percent of people between the ages of 13 and 21 reported that their parents actively taught them how to manage money;

¶50.10 NATIONAL AVIATION MAINTENANCE TECHNICIAN DAY

Mr. FILNER moved to suspend the rules and agree to the following resolution (H. Res. 444):

Whereas the safety of the flying public is ensured and the integrity of the aircraft airworthiness is personally guaranteed by individuals who comprise the professional aviation maintenance technician workforce;

Whereas the professional aviation maintenance technician is a key member of the United States military in protecting America through a strong armed forces aviation infrastructure;

Whereas the duties of aviation maintenance technicians are critical to United States homeland security and an integral component of the Nation's aerospace industry;

Whereas the professional aviation maintenance technician provides the strong infrastructure on which public confidence in our airborne transportation safety and military aviation strength is ensured;

Whereas the professional philosophy of the certificated aviation maintenance technician is embodied in the Aviation Mechanic's Creed:

UPON MY HONOR I swear that I shall hold in sacred trust the rights and privileges conferred upon me as a certified mechanic. Knowing full well that the safety and lives of others are dependent upon my skill and judgment, I shall never knowingly subject others to risks which I would not be willing to assume for myself, or for those dear to me.

IN DISCHARGING this trust, I pledge myself never to undertake work or approve work which I feel to be beyond the limits of my knowledge nor shall I allow any non-certified superior to persuade me to approve aircraft or equipment as airworthy against my better judgment, nor shall I permit my judgment to be influenced by money or other personal gain, nor shall I pass as airworthy aircraft or equipment about which I am in doubt either as a result of direct inspection or uncertainty regarding the ability of others who have worked on it to accomplish their work satisfactorily.

I REALIZE the grave responsibility which is mine as a certified airman, to exercise my judgment on the airworthiness of aircraft or equipment. I, therefore, pledge my unyielding adherence to these precepts for the advancement of aviation and for the dignity of my vocation.

Whereas in 1902 Charles Edward Taylor began working as a machinist for Orville and Wilbur Wright at the Wright Cycle Company in Dayton, Ohio;

Whereas using only a metal lathe, drill press, and hand tools, Charles Edward Taylor built, in 6 weeks, the 12-horsepower engine that was used to power the Wright brothers' first flying machine;

Whereas Charles Edward Taylor's ingenuity earned him a place in aviation history when the Wright brothers successfully flew their airplane in controlled flight on December 17, 1903;

Whereas Charles Edward Taylor had a successful career in aviation maintenance for more than 60 years;

Whereas Charles Edward Taylor was honored by the Federal Aviation Administration with the establishment of the Charles Edward Taylor Master Mechanic Award, which recognizes individuals with 50 years or more of aviation maintenance experience;

Whereas Charles Edward Taylor has become a hero to aircraft maintenance technicians worldwide; and

Whereas 45 of the States together with the Commonwealths, Territories, Republics, and Federations of the United States have already declared May 24 to be Aviation Maintenance Technician Day within their jurisdictions: Now, therefore, be it

Resolved, That the House of Representatives—

(1) supports National Aviation Maintenance Technician Day to honor the professional men and women who ensure the safety and security of our airborne aviation infrastructure; and

(2) recognizes the life and memory of Charles Edward Taylor, the aviation maintenance technician who built and maintained the engine that was used to power the Wright brothers' first controlled flying machine on December 17, 1903.

¶50.11 SAFE OPERATION OF 15-PASSENGER VANS

Mr. DEFAZIO moved to suspend the rules and agree to the following resolution (H. Res. 964); as amended:

Whereas an organization that owns or operates a 15-passenger van should not allow an

inexperienced driver of such a van to drive the van because design and handling characteristics of a 15-passenger van make it drive differently than other passenger vehicles;

Whereas the safety records of drivers experienced in driving a 15-passenger van are significantly better than drivers not experienced in driving such a van;

Whereas according to the National Highway Traffic Safety Administration, from 1997 through 2006, there were 1,090 fatalities of van occupants resulting from crashes involving 15-passenger vans of which 534 fatalities resulted from largely preventable single-vehicle rollover crashes of such vans;

Whereas according to the Insurance Institute for Highway Safety, in 2005, 59 percent of the fatalities in 15-passenger van crashes occurred in single-vehicle rollover crashes, which is higher than the rollover fatality rates for any other passenger vehicle type;

Whereas 15-passenger vans require special driving skills because they are larger, with higher centers of gravity, which makes them less stable than vehicles such as cars, especially if the van is heavily loaded;

Whereas adding passengers in a 15-passenger van increases the center of gravity, causing the van to be increasingly difficult to handle and less stable;

Whereas the death rate for all occupants was higher for 15-passenger vans than for other passenger vehicle types combined;

Whereas during the period 2001 through 2005, the death rate for occupants of 15-passenger vans was 250 fatalities per million registered vehicles compared to 151 fatalities per million of all other registered vehicles;

Whereas impressing upon 15-passenger van drivers the inherent dangers of operating these vehicles, particularly when fully loaded, and educating them about proper handling and control, particularly during emergency situations, can reduce the risk of rollover, and such training can also help dispel the expectation that these vans operate like large passenger cars;

Whereas wearing safety belts dramatically increases the chances of survival during a rollover crash;

Whereas nearly 80 percent of those who died in 15-passenger van rollovers nationwide between 1990 and 2003 were not buckled up;

Whereas in fatal, single-vehicle rollover crashes involving 15-passenger vans over the past decade, 91 percent of occupants wearing safety belts survived; and

Whereas driver education and training, and general awareness of the dangers of these vans are effective means of reducing the death rates of occupants of 15-passenger vans: Now, therefore, be it

Resolved, that the House of Representatives recognizes the need for awareness regarding the increased risks of driving 15-passenger vans and encourages any operator of such a vehicle or person who provides transportation in such a vehicle to provide adequate training for drivers and safety information, including the necessity for wearing safety belts, to passengers.

The SPEAKER pro tempore, Mr. PASTOR, recognized Mr. DEFAZIO and Mr. DUNCAN, each for 20 minutes.

Ms. BALDWIN moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 330):

Whereas on average, a person is sexually assaulted in the United States every two-and-a-half minutes;

Whereas the Department of Justice reports that 191,670 people in the United States were sexually assaulted in 2005;

Whereas 1 in 6 women and 1 in 33 men have been victims of rape or attempted rape;

Whereas the Department of Defense received 2,688 reports of sexual assault involving members of the Armed Forces in fiscal year 2007;

Whereas children and young adults are most at risk of sexual assault, as 44 percent of sexual assault victims are under the age of 18, and 80 percent are under the age of 30;

Whereas sexual assault affects women, men, and children of all racial, social, religious, age, ethnic, and economic groups in the United States;

Whereas only 41 percent of sexual assault victims pursue prosecution by reporting their attack to law enforcement agencies;

Whereas two-thirds of sexual crimes are committed by persons who are not strangers to the victims;

Whereas sexual assault survivors suffer emotional scars long after the physical scars have healed;

Whereas prevention education programs carried out by rape crisis and women's health centers have the potential to reduce the prevalence of sexual assault in their communities;

Whereas because of recent advances in DNA technology, law enforcement agencies

have the potential to identify the rapists in tens of thousands of unsolved rape cases;

Whereas aggressive prosecution can incarcerate rapists and therefore prevent them from committing further crimes;

Whereas free, confidential help is available to all survivors of sexual assault through the National Sexual Assault Hotline, more than 1,000 rape crisis centers across the United States, and other organizations that provide services to assist survivors of sexual assault; and

Whereas April is recognized as ''National Sexual Assault Awareness and Prevention Month'': Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That—

(1) it is the sense of Congress that—

(A) National Sexual Assault Awareness and Prevention Month provides a special opportunity to educate the people of the United States about sexual violence and to encourage the prevention of sexual assault, the improved treatment of its survivors, and the prosecution of its perpetrators;

(B) it is appropriate to properly acknowledge the more than 20,000,000 men and women who have survived sexual assault in the United States and salute the efforts of survivors, volunteers, and professionals who combat sexual assault;

(C) national and community organizations and private sector supporters should be recognized and applauded for their work in promoting awareness about sexual assault, providing information and treatment to its survivors, and increasing the number of successful prosecutions of its perpetrators; and

(D) public safety, law enforcement, and health professionals should be recognized and applauded for their hard work and innovative strategies to increase the percentage of sexual assault cases that result in the prosecution and incarceration of the offenders;

(2) Congress strongly recommends national and community organizations, businesses in the private sector, colleges and universities, and the media to promote, through National Sexual Assault Awareness and Prevention Month, awareness of sexual violence and strategies to decrease the incidence of sexual assault; and

(3) Congress supports the goals and ideals of National Sexual Assault Awareness and Prevention Month.

Whereas education and knowledge are the foundation of America's current and future strength;

Whereas teachers and other education staff have earned and deserve the respect of their students and communities for their selfless dedication to community service and the future of our Nation's children;

Whereas the purpose of National Teacher Appreciation Week, May 4, 2008, through May 10, 2008, is to raise public awareness of the unquantifiable contributions of teachers and to promote greater respect and understanding for the teaching profession; and

¶50.18 NATIONAL VOLUNTEER WEEK

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 1119):

Whereas National Volunteer Week will be observed during the week of April 27, 2008 through May 3, 2008;

Whereas the National Volunteer Week will give Americans the opportunity to thank some of our Nation's most valuable assets, our volunteers, and to recognize the myriad of ways they improve our communities;

Whereas the theme of this year's National Volunteer Week is ''Volunteer to Change the World'', and is about engaging individuals in service, inspiring a Nation to join a movement for change, and recognizing the deserving volunteers, including those that have received the President's Volunteer Service Award, for their work in their local communities;

Whereas National Volunteer Week began in 1974 when President Nixon signed an Executive Order establishing the week as an annual celebration of volunteering, and since then, every United States President, along with many governors, mayors, and other elected officials has signed a proclamation promoting National Volunteer Week;

Whereas about 61,000,000 people volunteered through or for an organization at least once between September 2006 and September 2007, according to a recent survey by the United States Bureau of Labor Statistics, which represents more than a quarter of the total United States population;

Whereas an analysis of data from the Longitudinal Study of Aging found that those individuals who volunteer have lower mortality rates than those who do not volunteer and research shows that communities with high levels of social networks have higher levels of parental engagement in schools, stronger local economies, less crime, and lower incidence of illnesses;

Whereas volunteers have contributed to the enhancement and improvement of communities across the United States, especially with respect to the aftermath of the hurricanes on the Gulf Coast; and

Whereas National Volunteer Week will continue to build awareness of the role that volunteers play in local, national, and international communities, and their commitment and dedication to improving lives, strengthening communities, and fostering civic engagement through service and volunteering: Now, therefore, be it

Resolved, That the United States House of Representatives—

(1) supports the goals and ideals highlighted through National Volunteer Week;

(2) acknowledges the diligent efforts of our major federally funded community service and volunteer programs;

¶50.19 NATIONAL SARCOIDOSIS AWARENESS WEEK

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 1149); as amended:

Whereas sarcoidosis is a noncontagious systemic disease of unknown origin and is commonly diagnosed with the detection of inflamed, microscopic growths called granulomas that grow and often affect the lungs, skin, eyes, and nervous system;

Whereas sarcoidosis can affect any organ of the body and more than one organ at any given time;

Whereas the inflammation of such vital organs may cause seizures, blindness, disfiguring lesions, and heart failure;

Whereas many individuals stricken with sarcoidosis eventually develop a serious disabling or potentially fatal condition;

Whereas sarcoidosis was once thought to be an uncommon condition, but is now known to affect tens of thousands of people throughout the United States;

Whereas sarcoidosis afflicts African-Americans up to 8 times more frequently than other races;

Whereas as many people with sarcoidosis have no symptoms, it is difficult to measure how many people have the condition;

Whereas sarcoidosis is a disease that affects Americans nationwide and people around the world, and yet its causes and potential treatments remain a mystery;

Whereas skin-related symptoms of this chronic, multisystemic disease were first recognized more than 100 years ago, but the effects of the disease on other organs were not observed until the first quarter of this century;

Whereas sarcoidosis was the chief diagnosis of the death of fluorescent light bulb workers in Salem, Massachusetts in the 1940s;

Whereas sarcoidosis was the first diagnosis for an overwhelming majority of rescue workers' health conditions on September 11, 2001;

Whereas sarcoidosis has been documented to be disproportionately found among factory workers and Navy deckgrinders;

Whereas today, researchers are still trying to learn more about the causes, cures, and overall nature of this affliction;

Whereas the American Lung Association has actively advocated for more research to better understand how environmental and occupational exposures may increase the risk of sarcoidosis;

Whereas the National Sarcoidosis Society strives to serve those afflicted by the disease by focusing its efforts on public policy, research funding, patient services, public awareness and education, and finding a cure; and

Whereas April 2008 would be appropriate to designate as National Sarcoidosis Awareness Month to increase public awareness of the need to support individuals with sarcoidosis, to raise awareness of the environmental and occupational issues associated with sarcoidosis, and to educate medical professionals who care for individuals with sarcoidosis: Now, therefore, be it

Resolved, That the House of Representatives—

(1) supports the goals and ideals of National Sarcoidosis Awareness Month;

(2) recognizes that sarcoidosis has played a prominent yet hidden role in America's workforce history;

(3) acknowledges the diligent efforts of individuals and organizations who observe National Sarcoidosis Awareness Month with appropriate activities to further promote awareness of the disease; and

¶50.20 WORKERS MEMORIAL DAY

Mr. DAVIS of Illinois, moved to suspend the rules and agree to the following resolution (H. Res. 1154):

Whereas each year, more than 5,500 workers are killed due to workplace-related injuries in the United States, and more than 2,000,000 workers across the world die of workplace-related accidents and diseases;

Whereas each day, an average of 16 workers are killed due to workplace injuries in the United States;

Whereas there are more than 4,000,000 occupational injuries and illnesses in the United States annually;

Whereas tens of thousands of Americans with workplace injuries or illness become permanently disabled;

Whereas worldwide, more people are killed each year at work than in wars;

Whereas observing Workers Memorial Day allows us to honor and remember victims of workplace injuries and disease; and

Whereas observing Workers Memorial Day reminds us of the need to strive for better worker safety and health protections: Now, therefore, be it

Resolved, That the House of Representatives—

(1) recognizes Workers Memorial Day to honor and remember workers who have been killed or injured in the workplace;

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment numbered 2, printed in House Report 110-613, submitted by Mr. WILSON of South Carolina:

Strike all after the enacting clause and insert the following:

SECTION 1. INVESTIGATION ON COMBUSTIBLE DUST AND DETERMINATION OF ADDITIONAL ACTION.

(a) DETERMINATION BY THE SECRETARY.—Upon completion of the Department of Labor's investigation of the accident that occurred at Imperial Sugar in Port Wentworth, Georgia on February 7, 2008, and based on the data gathered from the Combustible Dust National Emphasis Program, the Secretary of Labor shall determine—

(1) if the safety standards that are in effect as of the date of enactment of this Act do not adequately address the issue of combustible dust; and

(2) whether an occupational safety and health standard regarding combustible dust is necessary.

(b) RULEMAKING OR REPORT TO CONGRESS.—If the Secretary determines that an occupational safety and health standard regarding combustible dust is necessary, the Secretary shall promulgate a rule pursuant to section 6(b) of the Occupational Safety and Health Act (29 U.S.C. 655(b)) not later than 36 months after the completion of the investigation described in subsection (a). If the Secretary determines that such a standard is not necessary, the Secretary, not later than 6 months after making such a determination, shall transmit a report to Congress that specifically addresses the Secretary's reasons for determining that a combustible dust standard is unnecessary.

So the amendment was not agreed to.

The SPEAKER pro tempore, Ms. BALDWIN, assumed the Chair.

When Mrs. CHRISTENSEN, Chairman, pursuant to House Resolution 1157, reported the bill back to the House with an amendment adopted by the Committee.

The previous question having been ordered by said resolution.

The following amendment, reported from the Committee of the Whole House on the state of the Union, was agreed to:

Strike out all after the enacting clause and insert:

SECTION 1. SHORT TITLE.

This Act may be cited as the ''Worker Protection Against Combustible Dust Explosions and Fires Act of 2008''.

SEC. 2. FINDINGS.

Congress finds the following:

(1) An emergency exists concerning worker exposure to combustible dust explosions and fires.

(2) 13 workers were killed and more than 60 seriously injured in a catastrophic combustible dust explosion at Imperial Sugar in Port Wentworth, Georgia on February 7, 2008.

(3) Following 3 catastrophic dust explosions that killed 14 workers in 2003, the Chemical Safety and Hazard Investigation Board (CSB) issued a report in November 2006, which identified 281 combustible dust incidents between 1980 and 2005 that killed 119 workers and injured 718. The CSB concluded that ''combustible dust explosions are a serious hazard in American industry''.

(4) A quarter of the explosions occurred at food industry facilities, including sugar plants. Seventy additional combustible dust explosions have occurred since 2005.

(5) Material Safety Data Sheets (MSDSs) often do not adequately address the hazards of combustible dusts, and the OSHA Hazard Communication Standard (HCS) inadequately addresses dust explosion hazards and fails to ensure that safe work practices and guidance documents are included in MSDSs.

(6) The CSB recommended that OSHA issue a standard designed to prevent combustible dust fires and explosions in general industry, based on current National Fire Protection Association (NFPA) dust explosion standards.

(7) The CSB also recommended that OSHA revise the Hazard Communication Standard (HCS) (1910.1200) to clarify that combustible dusts are covered and that Material Safety Data Sheets contain information about the hazards and physical properties of combustible dusts.

(8) OSHA has not initiated rulemaking in response to the CSB's recommendation.

(9) OSHA issued a grain handling facilities standard (29 C.F.R. 1910.272), in 1987 that has proven highly effective in reducing the risk of combustible grain dust explosions, according to an OSHA evaluation.

(10) No Occupational Safety and Health Administration standard comprehensively addresses combustible dust explosion hazards in general industry.

(11) Voluntary National Fire Protection Association standards exist which, when implemented, effectively reduce the likelihood and impact of combustible dust explosions.

SEC. 3. ISSUANCE OF STANDARD ON COMBUSTIBLE DUST.

(a) INTERIM STANDARD.—

(1) APPLICATION AND RULEMAKING.—Notwithstanding any other provision of law, not later than 90 days after the date of enactment of this Act, the Secretary of Labor shall promulgate an interim final standard regulating combustible dusts. The interim final standard shall, at a minimum, apply to manufacturing, processing, blending, conveying, repackaging, and handling of combustible particulate solids and their dusts, including organic dusts (such as sugar, candy, paper, soap, and dried blood), plastics, sulfur, wood, rubber, furniture, textiles, pesticides, pharmaceuticals, fibers, dyes, coal, metals (such as aluminum, chromium, iron, magnesium, and zinc), fossil fuels, and others determined by the Secretary, but shall not apply to processes already covered by OSHA's standard on grain facilities (29 C.F.R. 1910.272).

(2) REQUIREMENTS.—The interim final standard required under this subsection shall include the following:

(A) Requirements for hazard assessment to identify, evaluate, and control combustible dust hazards.

(B) Requirements for a written program that includes provisions for hazardous dust inspection, testing, hot work, ignition control, and housekeeping, including the frequency and method or methods used to minimize accumulations of combustible dust on ledges, floors, equipment, and other exposed surfaces.

(C) Requirements for engineering controls (which requirements shall be effective 6 months after the date on which the interim standard is issued), administrative controls, and operating procedures, such as means to control fugitive dust emissions and ignition sources, the safe use and maintenance of dust producing and dust collection systems and filters, minimizing horizontal surfaces where dust can accumulate, and sealing of areas inaccessible to housekeeping.

(D) Requirements for housekeeping to prevent accumulation of combustible dust in places of employment in such depths that it can present explosion, deflagration, or other fire hazards, including safe methods of dust removal.

(E) Requirements for employee participation in hazard assessment, development of and compliance with the written program, and other elements of hazard management.

(F) Requirements to provide written safety and health information and annual training to employees, including housekeeping procedures, hot work procedures, preventive maintenance procedures, common ignition sources, and lock-out, tag-out procedures.

(3) PROCEDURE.—The requirements in this subsection shall take effect without regard to the procedural requirements applicable to regulations promulgated under section 6(b) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 655(b)) or the procedural requirements of chapter 5 of title 5, United States Code.

(4) EFFECTIVE DATE OF INTERIM STANDARD.—Except as specified in paragraph (2)(C) with regards to engineering controls, the interim final standard shall take effect 30 days after issuance. The interim final standard shall have the legal effect of an occupational safety and health standard, and shall apply until a final standard becomes effective under section 6 of the Occupational Safety and Health Act (29 U.S.C. 655).

(b) FINAL STANDARD.—

(1) RULEMAKING.—Not later than 18 months after the date of enactment of this Act, the Secretary of Labor shall, pursuant to section 6 of the Occupational Safety and Health Act (29 U.S.C. 655), promulgate a final standard regulating combustible dust explosions.

(2) REQUIREMENTS.—The final standard required under this subsection shall include the following:

(A) The scope described in subsection (a)(1).

(B) The worker protection provisions in subsection (a)(2).

(C) Requirements for managing change of dust producing materials, technology, equipment, staffing, and procedures.

(D) Requirements for building design such as explosion venting, ducting, and sprinklers.

(E) Requirements for explosion protection, including separation and segregation of the hazard.

(F) Relevant and appropriate provisions of National Fire Protection Association combustible dust standards.

(3) PROCEDURE.—The final standard required by this subsection shall be promulgated in accordance with the procedural requirements for rulemaking under section 6(b) of the Occupational Safety and Health Act of 1970 (29 U.S.C. 655(b)) and under title 5, United States Code, including the requirements relating to small businesses in chapter 6 of such title.

SEC. 4. REVISION OF THE HAZARD COMMUNICATION STANDARD.

(a) REVISION REQUIRED.—Notwithstanding any other provision of law, not later than 6 months after the date of enactment of this Act, the Secretary of Labor shall revise the hazard communication standard in section 1910.1200 of title 29, Code of Federal Regulations, by amending the definition of ''physical hazard'' in subsection (c) of such section to include ''a combustible dust'' as an additional example of such a hazard.

SEC. 2. FINDINGS.

Congress makes the following findings:

(1) Deciphering the sequence of the human genome and other advances in genetics open major new opportunities for medical progress. New knowledge about the genetic basis of illness will allow for earlier detection of illnesses, often before symptoms have begun. Genetic testing can allow individuals to take steps to reduce the likelihood that they will contract a particular disorder. New knowledge about genetics may allow for the development of better therapies that are more effective against disease or have fewer side effects than current treatments. These advances give rise to the potential misuse of genetic information to discriminate in health insurance and employment.

(2) The early science of genetics became the basis of State laws that provided for the sterilization of persons having presumed genetic

''defects'' such as mental retardation, mental disease, epilepsy, blindness, and hearing loss, among other conditions. The first sterilization law was enacted in the State of Indiana in 1907. By 1981, a majority of States adopted sterilization laws to ''correct'' apparent genetic traits or tendencies. Many of these State laws have since been repealed, and many have been modified to include essential constitutional requirements of due process and equal protection. However, the current explosion in the science of genetics, and the history of sterilization laws by the States based on early genetic science, compels Congressional action in this area.

(3) Although genes are facially neutral markers, many genetic conditions and disorders are associated with particular racial and ethnic groups and gender. Because some genetic traits are most prevalent in particular groups, members of a particular group may be stigmatized or discriminated against as a result of that genetic information. This form of discrimination was evident in the 1970s, which saw the advent of programs to screen and identify carriers of sickle cell anemia, a disease which afflicts African-Americans. Once again, State legislatures began to enact discriminatory laws in the area, and in the early 1970s began mandating genetic screening of all African Americans for sickle cell anemia, leading to discrimination and unnecessary fear. To alleviate some of this stigma, Congress in 1972 passed the National Sickle Cell Anemia Control Act, which withholds Federal funding from States unless sickle cell testing is voluntary.

(4) Congress has been informed of examples of genetic discrimination in the workplace. These include the use of pre-employment genetic screening at Lawrence Berkeley Laboratory, which led to a court decision in favor of the employees in that case Norman-Bloodsaw v. Lawrence Berkeley Laboratory (135 F.3d 1260, 1269 (9th Cir. 1998)). Congress clearly has a compelling public interest in relieving the fear of discrimination and in prohibiting its actual practice in employment and health insurance.

(5) Federal law addressing genetic discrimination in health insurance and employment is incomplete in both the scope and depth of its protections. Moreover, while many States have enacted some type of genetic non-discrimination law, these laws vary widely with respect to their approach, application, and level of protection. Congress has collected substantial evidence that the American public and the medical community find the existing patchwork of State and Federal laws to be confusing and inadequate to protect them from discrimination. Therefore Federal legislation establishing a national and uniform basic standard is necessary to fully protect the public from discrimination and allay their concerns about the potential for discrimination, thereby allowing individuals to take advantage of genetic testing, technologies, research, and new therapies.

SEC. 302. CHILD LABOR PROTECTIONS.

(a) IN GENERAL.—Section 16(e) of the Fair Labor Standards Act of 1938 (29 U.S.C. 216(e)) is amended to read as follows:

''(e)(1)(A) Any person who violates the provisions of sections 12 or 13(c), relating to child labor, or any regulation issued pursuant to such sections, shall be subject to a civil penalty not to exceed—

''(i) $11,000 for each employee who was the subject of such a violation; or

''(ii) $50,000 with regard to each such violation that causes the death or serious injury of any employee under the age of 18 years, which penalty may be doubled where the violation is a repeated or willful violation.

''(B) For purposes of subparagraph (A), the term 'serious injury' means—

''(i) permanent loss or substantial impairment of one of the senses (sight, hearing, taste, smell, tactile sensation);

''(ii) permanent loss or substantial impairment of the function of a bodily member, organ, or mental faculty, including the loss of all or part of an arm, leg, foot, hand or other body part; or

''(2) Any person who repeatedly or willfully violates section 6 or 7, relating to wages, shall be subject to a civil penalty not to exceed $1,100 for each such violation.

''(3) In determining the amount of any penalty under this subsection, the appropriateness of such penalty to the size of the business of the person charged and the gravity of the violation

''(4) Any administrative determination by the Secretary of the amount of any penalty under this subsection shall be final, unless within 15 days after receipt of notice thereof by certified mail the person charged with the violation takes exception to the determination that the violations for which the penalty is imposed occurred, in which event final determination of the penalty shall be made in an administrative proceeding after opportunity for hearing in accordance with section 554 of title 5, United States Code, and regulations to be promulgated by the Secretary.

''(5) Except for civil penalties collected for violations of section 12, sums collected as penalties pursuant to this section shall be applied toward reimbursement of the costs of determining the violations and assessing and collecting such penalties, in accordance with the provision of section 2 of the Act entitled 'An Act to authorize the Department of Labor to make special statistical studies upon payment of the cost thereof and for other purposes' (29 U.S.C. 9a). ¶51.26 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO BURMA

The SPEAKER pro tempore, Mr. SERRANO, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.) (IEEPA), I hereby report that I have issued an Executive Order (the ''order'') that takes additional steps with respect to the national emergency declared in Executive Order 13047 of May 20, 1997, and expanded in Executive Order 13448 of October 18, 2007.

In 1997, the United States put in place a prohibition on new investment in Burma in response to the Government of Burma's large scale repression of the democratic opposition in that country. On July 28, 2003, those sanctions were expanded by steps taken in Executive Order 13310, which contained prohibitions implementing sections 3 and 4 of the Burmese Freedom and Democracy Act of 2003 (Public Law 108–61) (the ''Act'') and supplemented that Act with additional restrictions. On October 18, 2007, I determined that the Government of Burma's continued repression of the democratic opposition in Burma, manifested at the time in the violent response to peaceful demonstrations, the commission of human rights abuses related to political repression, and engagement in public corruption, including by diverting or misusing Burmese public assets or by misusing public authority, warranted an expansion of the then-existing sanctions. Executive Order 13448, issued on that date, incorporated existing designation criteria set forth in Executive Order 13310, blocked the property and interests in property of persons listed in the Annex to that Executive Order, and provided additional criteria for designations of certain other persons.

The order supplements the existing designation criteria set forth in Executive Order 13310, as incorporated in and expanded by Executive Order 13448. The order blocks the property and interests in property in the United States of persons listed in the Annex to the order and provides additional criteria for designations of persons determined by the Secretary of the Treasury, after consultation with the Secretary of State, to be owned or controlled by, directly or indirectly, the Government of Burma or an official or officials of the Government of Burma; to have materially assisted, sponsored, or provided financial, material, logistical, or technical support for, or goods or services in support of, the Government of Burma, the State Peace and Development Council of Burma, the Union Solidarity and Development Association of Burma, any successor entity to any of the foregoing, any senior official of any of the foregoing, or any person whose property and interests in property are blocked pursuant to Executive Order 13310, Executive Order 13448, or the order; or to be owned or controlled by, or to have acted or purported to act for or on behalf of, directly or indirectly, any person whose property and interests in property are blocked pursuant to Executive Order 13310, Executive Order 13448, or the order.

The order leaves in place the existing prohibitions on new investment, the exportation or reexportation to Burma of financial services, and the importation of any article that is a product of Burma, which were put into effect in Executive Order 13047 and Executive Order 13310.

The order authorizes the Secretary of the Treasury, after consultation with the Secretary of State, to take such actions, including the promulgation of rules and regulations, and to employ all powers granted to the President by IEEPA and section 4 of the Burmese Freedom and Democracy Act of 2003 as may be necessary to carry out the purposes of the order.

I am enclosing a copy of the Executive Order I have issued.

GEORGE W. BUSH.

THE WHITE HOUSE, *April 30, 2008*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 110–107).

The SPEAKER pro tempore, Mr. JACKSON of Illinois, recognized Ms. WATSON and Mr. POE, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and pass said bill?

The SPEAKER pro tempore, Mr. JACKSON of Illinois, announced that two-thirds of the Members present had voted in the affirmative.

Mr. LEWIS of California, objected to the vote on the ground that a quorum was not present and not voting.

The SPEAKER pro tempore, Mr. JACKSON of Illinois, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed until Tuesday, May 6, 2008.

The point of no quorum was considered as withdrawn.

¶52.9 CHAD AND DARFUR

Ms. WATSON moved to suspend the rules and agree to the following resolution (H. Res. 1011); as amended:

Whereas since independence in 1960, Chad's political life has been afflicted by a series of internal conflicts and civil wars as well as conflicts with its neighbors;

Whereas Chad has held several legislative and presidential multiparty elections since 1996, although the Department of State reported that the elections were ''orderly, but seriously flawed'';

Whereas human rights groups and the most recent Department of State Country Reports on Human Rights Practices stated that ''the [Chadian] government's poor human rights record deteriorated further'';

Whereas the genocide in Darfur, Sudan, continues to affect neighboring countries, especially Chad;

Whereas the United Nations estimates there are more than 240,000 refugees from Darfur and 52,000 refugees from the Central African Republic in Chad, and more than 180,000 Chadians have been displaced from their homes;

Whereas more than 12,000 new refugees from Darfur arrived in Chad in February 2008 due to increasing attacks against civilians by Sudanese Government forces, even as 30,000 Chadians were forced to flee the N'Djamena area to seek refuge in Cameroon;

Whereas the Government of Chad has provided important support to the many refugees from Darfur and the Central African Republic in Chad, despite serious economic and political difficulties;

Whereas the United States considers the Government of Chad an important ally in the war against terrorism;

Whereas a December 2007 report by the United Nations Secretary General stated that ''the security situation in eastern Chad has remained volatile and unpredictable [and t]he renewed violence has put the civilian population living in the area at increased risk and will further impede the work of the humanitarian community'';

Whereas an armed rebellion in Chad, supported by the Government of Sudan, has led to a serious humanitarian crisis and political instability in Chad;

Whereas on September 25, 2007, the United Nations Security Council passed Security Council Resolution 1778, authorizing a multidimensional presence intended to help create the security conditions conducive to a voluntary, secure, and sustainable return of internally displaced persons and refugees by contributing to their protection, both by facilitating the provision of humanitarian assistance in eastern Chad and the northern region of the Central African Republic and by creating favorable conditions for the reconstruction and economic and social development of those areas;

Whereas on October 15 and 16, 2007, the Council of the European Union agreed to deploy the military component of the multidimensional presence in the Central African Republic and Chad for a period of 1 year from the date that its initial operational capability is declared;

Whereas in late 2007, the Government of Sudan reportedly gathered several Chadian armed groups in Khartoum in order to bring the armed factions under one coalition for the February 2008 offensive;

Whereas in early February 2008, Chadian rebels armed and supported by the Sudanese Government's armed forces launched a major offensive in Chad's capital, N'Djamena, to overthrow the government of President Idriss Deby Itno;

Whereas in late February, the United Nations reported that the European Union Force began deployment to Chad and that an estimated 400 personnel have been deployed as of late February 2008;

Whereas the United States, the European Union, and the African Union condemn the fighting in Chad and the foreign support for the rebellion; and

Whereas the Department of State issued a press release condemning ''the attempt by armed rebels entering from outside the country to seize power extra-constitutionally in Chad'': Now, therefore, be it

Resolved, That the House of Representatives—

(1) expresses concern about the safety and well-being of innocent civilians in Chad, Chadian refugees and Internally Displaced Persons (IDPs), and refugees from Darfur and the Central African Republic that have taken refuge in Chad;

(2) strongly condemns Sudanese President Omar al-Bashir and the National Congress Party for their support of the armed rebellion and aggressive behavior in Chad and throughout the region;

(3) calls on parties to seek a negotiated settlement;

(4) urges the Government of Chad to—

(A) engage in an inclusive national dialogue with all stakeholders of the current conflict to reach a comprehensive agreement that would address the root causes of the Chadian crisis and strengthen democratic institutions;

(B) protect its civilians from violence and respect and enforce the rule of law in accordance with international norms and standards; and

(C) honor its May 9, 2007, agreement with the United Nations Children's Fund, ensuring its commitment to end all recruitment of persons under the age of 18 and demobilize all children under the age of 18 from its security forces;

(5) urges the Government of the Central African Republic to—

(A) fulfill its obligation under international law to protect civilians; and

(B) engage in constructive and inclusive dialogue with opposition and armed groups;

(6) calls on armed opposition groups to—

(A) renounce violence and respect the rule of law;

(B) engage in political dialogue to resolve the current crisis in their respective countries; and

(C) immediately end cooperation with the Government of Sudan and others that encourage and support armed rebellion;

(7) urges the United Nations Security Council to remain focused on the crises in Chad and the Central African Republic, and to ensure the effective and impartial protection of civilians, including internally displaced persons and refugees, particularly local populations, by preempting, preventing, and deterring attacks on civilians; and

(8) calls on the President to—

(A) continue United States humanitarian assistance to the refugees and internally displaced persons in Chad and the Central African Republic;

(B) provide support to strengthen democratic institutions and respect for human rights and rule of law; and

(C) seek punitive measures against the Government of Sudan by the United Nations Security Council for its aggression and destructive activities in Chad and the region.

The SPEAKER pro tempore, Mr. JACKSON of Illinois, recognized Ms.

WATSON and Mr. POE, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. JACKSON of Illinois, announced that two-thirds of the Members present had voted in the affirmative.

Mr. LEWIS of California, objected to the vote on the ground that a quorum was not present and not voting.

The SPEAKER pro tempore, Mr. JACKSON of Illinois, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed.

The point of no quorum was considered as withdrawn.

¶52.10 RUSSIAN FEDERATION

Ms. WATSON moved to suspend the rules and agree to the following resolution (H. Res. 1166):

Whereas, since 1993, the territorial integrity of the Republic of Georgia has been reaffirmed by the international community, international law, and 32 United Nations Security Council resolutions;

Whereas the Government of the Republic of Georgia has pursued in good faith a peaceful resolution of territorial conflicts in the regions of Abkhazia and South Ossetia since the end of hostilities in 1993;

Whereas, on March 28, 2008, and on April 12, 2008, Georgian President Mikheil Saakashvili introduced new and far-reaching peace proposals to resolve the territorial conflict in Abkhazia, including international guarantees of Abkhaz autonomy, broad political representation for the Abkhaz, the right to veto legislation related to the constitutional status of Abkhazia as well as its language and culture, the establishment of a joint Free Economic Zone in the Gali region, and an offer for more active involvement by the international community and Russian Federation to help forge a peaceful resolution to the conflict;

Whereas, for several years, the Government of the Russian Federation has carried out policies that seek to undermine the sovereignty of the Republic of Georgia in Abkhazia and South Ossetia by awarding individuals in these regions with Russian citizenship, Russian passports, economic subsidies, and the right to vote in Russian elections;

Whereas the Government of the Russian Federation has also detailed Russian officials to take up positions in the separatist governments, provided military equipment and support to separatists in the regions, and encouraged Russian volunteers to serve in militias in Abkhazia and South Ossetia;

Whereas the announcement from the Government of the Russian Federation on April 16, 2008, that it will establish ''official ties'' with the regions of Abkhazia and South Ossetia, recognize their official documents and legal entities, and further involve itself in aspects of their governments appears to be a thinly veiled attempt at annexation;

Whereas, on April 20, 2008, tensions between the Russian Federation and the Republic of Georgia further escalated when an unarmed and unmanned Georgian reconnaissance aircraft was shot down over Georgian territory, reportedly by a Russian MIG–29 fighter jet;

Whereas Russian officials have denied any involvement in the downing of the reconnaissance plane, claiming that Abkhazian rebels were responsible for the incident, although neither Georgia nor Abkhazian defense forces have MIG–29 fighter jets;

Whereas the statements and counter-productive actions of the Government of the Russian Federation in these regions has undermined the peace and security in Abkhazia and South Ossetia, the Republic of Georgia, and the Caucasus region as a whole;

Whereas the consistent effort to undermine the sovereignty of a neighbor is incompatible with the role of the Russian Federation as one of the world's leading powers and with its commitments to international peacekeeping made to the United Nations Security Council and the Organization for Security and Cooperation in Europe; and

Whereas, on April 23, 2008, Secretary of State Condoleezza Rice stated that ''the United States is firmly committed to the territorial integrity and sovereignty of Georgia, that we support Georgia's efforts to make certain that the people of Abkhazia and South Ossetia feel fully a part of Georgia, and that we are very concerned at the recent move by the Russian Federation, the presidential decree that was issued'': Now, therefore, be it

Resolved, That the House of Representatives—

(1) condemns recent decisions made by the Government of the Russian Federation to establish ''official ties'' with the regions of Abkhazia and South Ossetia, a process that further impedes reconciliation between those regions and the Government of the Republic of Georgia and that violates the sovereignty of the Republic of Georgia and the commitments of the Government of the Russian Federation to international peacekeeping;

(2) calls upon the Government of the Russian Federation to immediately revoke its decision to establish ''official ties'' with the regions of Abkhazia and South Ossetia;

(3) strongly supports the restoration of the territorial integrity of the Republic of Georgia and a peaceful resolution of the conflicts within Georgia's internationally recognized borders;

(4) encourages the Government of the Russian Federation to work with the Government of Georgia, the peoples of Abkhazia and South Ossetia, and the international community to find a peaceful solution to the conflict;

(5) welcomes the measured reaction of the Government of the Republic of Georgia to recent developments and commends President Saakashvili's latest initiatives to resolve territorial conflicts through peaceful means;

(6) calls on United Nations Secretary-General Ban Ki-moon to conduct an investigation of the April 20, 2008, incident in which an unarmed Georgian reconnaissance aircraft was shot down by what reports indicate was a missile launched from a Russian MIG–29 fighter jet;

(7) urges all parties to the conflicts in the Republic of Georgia and governments around the world to eschew rhetoric and actions that escalate tensions and undermine efforts to negotiate a peaceful settlement to the conflicts; and

(8) supports the declaration of the North Atlantic Treaty Organization's (NATO) Bucharest Summit in Romania, which stated that the Republic of Georgia will become a member of NATO, reiterates its support for the commitment to further enlargement of NATO to include democratic governments that are able and willing to meet the responsibilities of membership, and urges the foreign ministers of NATO member states at their meeting in December 2008 to consider favorably the application of the Government of the Republic of Georgia's Membership Action Plan.

The SPEAKER pro tempore, Mr. JACKSON of Illinois, recognized Ms. WATSON and Mr. POE, each for 20 minutes.

After debate,

The question being put, viva voce,

Will the House suspend the rules and agree to said resolution?

The SPEAKER pro tempore, Mr. JACKSON of Illinois, announced that two-thirds of the Members present had voted in the affirmative.

Mr. LEWIS of California, objected to the vote on the ground that a quorum was not present and not voting.

The SPEAKER pro tempore, Mr. JACKSON of Illinois, pursuant to clause 8, rule XX, announced that further proceedings on the question were postponed until Tuesday, May 6, 2008.

The point of no quorum was considered as withdrawn.

¶52.11 UNDEMOCRATIC CONSTITUTION OF BURMESE

Ms. WATSON moved to suspend the rules and agree to the following concurrent resolution (H. Con. Res. 317); as amended:

Whereas in 1974, then-dictator General Ne Win and his regime redrew the 1947 State Constitution and held a referendum for a military-backed constitution, endorsing a civilian front for military rule, known as the Burmese Socialist Program Party;

Whereas in 1988, the people of Burma came to the streets in a massive popular democracy uprising to call for democracy, human rights, and an end to military rule and a single party system;

Whereas the current military regime violently crushed the mass democracy uprising in 1988, killing more than 3,000 peaceful protesters and taking over power from the previous regime;

Whereas the current military regime, officially known as the State Peace and Development Council (SPDC), known previously as the State Law and Order Restoration Council (SLORC), held multi-party elections in 1990;

Whereas despite the threat and pressure by the military regime to vote for the candidates of the military-backed National Unity Party (NUP), the people of Burma voted 82 percent of Parliament seats for the candidates of the National League for Democracy (NLD) party, led by detained leader Daw Aung San Suu Kyi and allied ethnic political parties;

Whereas the military regime refused to honor the election results and arrested and imprisoned both democracy activists and elected members of parliament;

Whereas the SPDC over a period of 14 years held a National Convention to draft a new constitution in which the process was tightly controlled, repressive and undemocratic;

Whereas the NLD walked out of the convention in 1995 because participants were not allowed to table alternative proposals or voice disagreement with the military regime;

Whereas in 2005, the leaders of the Shan Nationalities League of Democracy (SNLD) were all arrested on false charges and sentenced to more than 90 years in prison each;

Whereas the people of Burma, led by democracy activists and Buddhist monks in August and September 2007, took to the streets in nationwide peaceful protests demanding the military regime participate in a meaningful tri-partite dialogue with Daw Aung San Suu Kyi, the elected political parties from the 1990 elections and representatives of the ethnic nationalities for national reconciliation and a transition to democracy;

Whereas according to the United Nations Special Rapporteur on the Human Rights Situation in Burma, Professor Paulo Sergio Pinheiro, leading human rights groups and foreign diplomats based in Burma estimate the death toll from the August and September 2007 peaceful protests is much higher than reported by the regime;

Whereas the military regime brutally crushed the peaceful protests, killing at least 31 people, leaving nearly 100 missing, and arresting 700 additional political prisoners bringing the number of Burma's political prisoners to approximately 1,800;

Whereas the United Nations Security Council Presidential Statement, issued by unanimous consent of all members of the Council on October 11, 2007, stated that ''the Security Council strongly deplores the use of violence against peaceful demonstrators in Myanmar, emphasizes the importance of the early release of all political prisoners and remaining detainees''.

Whereas the United Nations Security Council Presidential Statement also stressed ''the need for the Government of Myanmar to create the necessary conditions for a genuine dialogue with Daw Aung San Suu Kyi and all concerned parties and ethnic groups, in order to achieve an inclusive national reconciliation with the direct support of the United Nations'';

Whereas the United Nations and governments around the world also repeatedly called for the SPDC to hold a political dialogue with Daw Aung San Suu Kyi, her party, the NLD, and representatives of ethnic nationalities to achieve national reconciliation and democratization and reverse the decades-long misrule by the regime which has resulted in a downward spiral of Burma's economic, educational, social, public health and infrastructure sectors;

Whereas the SPDC has ignored the repeated requests of the United Nations and the international community to release all political prisoners, end attacks against civilians, and engage in a meaningful dialogue with Daw Aung San Suu Kyi, her party, the NLD, and representatives of ethnic nationalities;

Whereas at the same time, the SPDC assigned a commission to draft a constitution on October 18, 2007, with 54 hand-picked participants, in an attempt to ignore past election results, to lock in a process that excludes representatives of ethnic nationalities and the NLD from political participation, and to legitimize continued military rule;

Whereas the latest version of the draft constitution seeks to codify military rule by reserving 25 percent of parliamentary seats for military appointees, permits the head of the military to intervene in national politics, and ensures that key government ministries are held by military officers;

Whereas in October 2007, the SPDC appointed Labor Minister U Aung Kyi as liaison minister to engage with Daw Aung San Suu Kyi for possible talks with Senior General Than Shwe, leader of the SPDC, but there has been no true exchange or tangible result from the few talks that were held;

Whereas recently, Daw Aung San Suu Kyi expressed through her party leaders that she is unhappy with the SPDC's unwillingness to establish political dialogue and she even urged the people of Burma to be prepared for the worst;

Whereas on February 9, 2008, the military regime announced that it will hold a constitutional referendum in May 2008 and a general election in 2010;

Whereas on February 12, 2008, the SPDC extended for another year the house arrest of U Tin Oo, Deputy Chairman of the NLD; and

Whereas early reports concerning the referendum voting indicate that Burmese voters were instructed how to vote under supervision of officials, sometimes under threat of physical violence and without an opportunity to read the ballot they were forced to cast: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That Congress—

(1) denounces the one-sided, undemocratic, and illegitimate actions of the State Peace and Development Council (SPDC) that seek to legitimize military rule through a flawed referendum process to adopt a new, undemocratic constitution;

(3) demands the immediate and unconditional release of Daw Aung San Suu Kyi, detained Buddhist monks, and all other political prisoners and prisoners of conscience;

(4) denounces the SPDC for its failure to comply with the United Nations' recommendations and engage in a meaningful time-bound tri-partite dialogue with Daw Aung San Suu Kyi, the 1990 election winning parties and representatives of ethnic nationalities;

(5) calls for the SPDC to comply fully and immediately with the recommendations made by the United Nations Security Council Presidential Statement issued on October 11, 2007;

(6) urges the President to call for the United Nations Security Council to condemn the undemocratic referendum process and the SPDC's flawed constitution which will be the outcome of the referendum;

(7) urges the President to call for the United Nations Security Council to pass a binding resolution, which will instruct the regime to fully comply with the recommendations made by United Nations Special Envoy Ibrahim Gambari and the United Nations Security Council Presidential Statement, and strengthen the mandate of Secretary-General Ban Ki-moon to engage in a meaningful and time-bound dialogue with Daw Aung San Suu Kyi, the 1990 election winning parties and ethnic nationality representatives towards an inclusive democratic national reconciliation;

(8) urges the President to push for a comprehensive arms embargo against the Burmese military regime at the United Nations Security Council so that weapons produced by foreign countries, including Ukraine, China, and Russia, that currently sell weapons to Burma's military regime, can no longer be used by Burma's military regime against civilians; and

So the motion to lay on the table the motion to reconsider the vote was agreed to.

¶53.16 NOTICE REQUIREMENT—CONSIDERATION OF MOTION TO INSTRUCT CONFEREES—H.R. 2419

Mr. CANTOR, pursuant to clause 7(c) of rule XXII, announced his intention to submit a motion to instruct the managers on the part of the House at the conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2419) to provide for the continuation of agricultural programs through fiscal year 2012, and for other purposes; not to agree to the provisions contained in section 12808 of the Senate amendment (relating to qualified forestry conservation bonds).

¶53.17 NATIONAL NURSES WEEK

Mr. Gene GREEN of Texas, moved to suspend the rules and agree to the following resolution (H. Res. 1086):

Whereas, since 2003, National Nurses Week is celebrated annually from May 6, also known as National Nurses Day, through May 12, the birthday of Florence Nightingale, the founder of modern nursing;

Whereas National Nurses Week is the time each year when nurses are recognized for the critical role they play in providing safe, high-quality, and preventative health care;

Whereas nurses are the cornerstone of the Nation's complex health care system, representing the largest single component of the health care profession, with an estimated over 2,500,000 registered nurses in the United States;

Whereas, according to a study published in the New England Journal of Medicine in May 2002, a higher proportion of nursing care provided by registered nurses and a greater number of hours of care by registered nurses per day are associated with better outcomes for hospitalized patients;

Whereas nurses are experienced researchers and their work encompasses a wide scope of scientific inquiry including clinical research, health systems and outcomes research, and nursing education research;

Whereas nurses are currently serving the Nation admirably in the conflicts in Iraq and Afghanistan;

Whereas nurses help inform and educate the public to improve the practice of all nurses and, more importantly, the health and safety of the patients they care for;

Whereas the Nation continues to face a nursing shortage unprecedented in its depth and duration, with a projection of over 1,000,000 new and replacement nurses needed by 2016;

Whereas the nationwide nursing shortage has caused dedicated nurses to work longer hours and care for more acutely ill patients;

Whereas nurses are strong allies to Congress as they help inform, educate, and work closely with legislators to improve the education, retention, recruitment, and practice of all nurses and, more importantly, the health and safety of the patients they care for; and

Whereas nurses are an integral part of the health care delivery team and provide quality care, support, and education to patients and their families, conduct essential research, and serve as strong patient advocates: Now, therefore, be it

Resolved, That the House of Representatives—

(1) recognizes the significant contributions of nurses to the health care system of the United States;

(2) supports the goals and ideals of National Nurses Week, as founded by the American Nurses Association; and

(3) encourages the people of the United States to observe National Nurses Week with appropriate recognition, ceremonies, activities, and programs to demonstrate the importance of nurses to the everyday lives of patients.

The committees were called and the call now rests with the Committee on Agriculture.

¶54.19 PROVIDING FOR CONSIDERATION OF H.R. 5818

Ms. CASTOR, by direction of the Committee on Rules, called up the following resolution (H. Res. 1174):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 5818) to authorize the Secretary of Housing and Urban Development to make loans to States to acquire foreclosed housing and to make grants to States for related costs. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived except those arising under clause 9 or 10 of rule XXI. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Financial Services. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Financial Services now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. All points of order against the committee amendment in the nature of a substitute are waived except those arising under clause 10 of rule XXI. Notwithstanding clause 11 of rule XVIII, no amendment to the committee amendment in the nature of a substitute shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived except those arising under clause 9 or 10 of rule XXI. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. After a motion that the Committee rise has been rejected on a legislative day, the Chair may entertain another such motion on that day only if offered by the chairman of the Committee on Financial Services or the Majority Leader or a designee. After a motion to strike out the enacting words of the bill (as described in clause 9 of rule XVIII) has been rejected, the Chair may not entertain another such motion during further consideration of the bill.

SEC. 3. During consideration in the House of H.R. 5818 pursuant to this resolution, notwithstanding the operation of the previous question, the Chair may postpone further consideration of the bill to such time as may be designated by the Speaker.

¶54.64 H. RES. 1091—UNFINISHED BUSINESS

The SPEAKER pro tempore, Mr. ALTMIRE, pursuant to clause 8, rule XX, announced the unfinished business to be the motion to suspend the rules and agree to the resolution (H. Res. 1091) honoring the life, achievements, and contributions of Charlton Heston and extending its deepest sympathies to the family of Charlton Heston for the loss of such a great man, husband, and father; as amended.

The question being put, viva voce,

Will the House suspend the rules and agree to said resolution, as amended?

The SPEAKER pro tempore, Mr. ALTMIRE, announced that two-thirds of those present had voted in the affirmative.

So, two-thirds of the Members present having voted in favor thereof, the rules were suspended and said resolution, as amended, was agreed to.

A motion to reconsider the vote whereby the rules were suspended and said resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

Mr. CANTOR, submitted the privileged motion to instruct the managers on the part of the House at the conference with the Senate on the disagreeing votes of the two Houses on the amendment of the Senate to the

bill (H.R. 2419) to provide for the continuation of agricultural programs through fiscal year 2012, and for other purposes, be instructed, not to agree to the provisions contained in section 12808 of the amendment of the Senate (relating to qualified forestry conservation bonds).

After debate,

By unanimous consent, the previous question was ordered on the motion to instruct the managers on the part of the House.

¶54.66 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO SYRIA

The SPEAKER pro tempore, Mr. ALTMIRE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice, stating that the national emergency declared in Executive Order 13338 of May 11, 2004, and expanded in scope in Executive Order 13399 of April 25, 2006, and Executive Order 13460 of February 13, 2008, authorizing the blocking of property of certain persons and prohibiting the exportation and re-exportation of certain goods to Syria, is to continue in effect beyond May 11, 2008.

The actions of the Government of Syria in supporting terrorism, interfering in Lebanon, pursuing weapons of mass destruction and missile programs including the recent revelation of illicit nuclear cooperation with North Korea, and undermining U.S. and international efforts with respect to the stabilization and reconstruction of Iraq pose a continuing unusual and extraordinary threat to the national security, foreign policy, and economy of the United States. For these reasons, I have determined that it is necessary to continue in effect the national emergency declared with respect to this threat and to maintain in force the sanctions I have ordered to address this national emergency.

GEORGE W. BUSH.

THE WHITE HOUSE, *May 7, 2008*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 110–109).

¶54.67 MESSAGE FROM THE PRESIDENT—UNITED STATES-CZECH REPUBLIC AGREEMENT

The SPEAKER pro tempore, Mr. ALTMIRE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Pursuant to section 233(e)(1) of the Social Security Act, as amended by the Social Security Amendments of 1977 (Public Law 95–216, 42 U.S.C. 433(e)(1)), I transmit herewith the Agreement Between the United States of America and the Czech Republic on Social Security, which consists of two separate instruments: a principal agreement and an administrative arrangement. The Agreement was signed in Prague on September 7, 2007.

The United States-Czech Republic Agreement is similar in objective to the social security agreements already in force with Australia, Austria, Belgium, Canada, Chile, Finland, France, Germany, Greece, Ireland, Italy, Japan, Korea, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom. Such bilateral agreements provide for limited coordination between the United States and foreign social security systems to eliminate dual social security coverage and taxation, and to help prevent the lost benefit protection that can occur when workers divide their careers between two countries. The United States-Czech Republic Agreement contains all provisions mandated by section 233 and other provisions that I deem appropriate to carry out the purposes of section 233, pursuant to section 233(c)(4).

I also transmit for the information of the Congress a report prepared by the Social Security Administration explaining the key points of the Agreement, along with a paragraph-by-paragraph explanation of the provisions of the principal agreement and the related administrative arrangement. Annexed to this report is the report required by section 233(e)(1) of the Social Security Act, which describes the effect of the Agreement on income and expenditures of the U.S. Social Security program and the number of individuals affected by the Agreement. The Department of State and the Social Security Administration have recommended the Agreement and related documents to me.

I commend to the Congress the United States-Czech Republic Social Security Agreement and related documents.

GEORGE W. BUSH.

THE WHITE HOUSE, *May 7, 2008*.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 110–110).

SEC. 3. LOANS AND GRANTS TO STATES, METROPOLITAN CITIES, AND URBAN COUNTIES.

The Secretary of Housing and Urban Development shall, subject to the availability of amounts under section 14, make grants under section 5(a) to qualified States and under subsections (f) and (g) of section 5 to qualified metropolitan cities and qualified urban counties, respectively, and make loans under section 6 in accordance with the approved plans of qualified States, qualified metropolitan cities, and qualified urban counties, for use to carry out eligible housing stimulus activities under section 8. The program under this Act shall be administered through the Office of Community Planning and Development of the Department of Housing and Urban Development or any successor office responsible for administering the community development block grant program under title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 et seq.).

SEC. 4. QUALIFIED PLANS.

(a) IN GENERAL.—The Secretary may make a grant under this Act only to a State, metropolitan city, or urban county, and may allocate a loan authority amount under this Act only for a State, metropolitan city, or urban county, that has submitted to the Secretary a plan that meets the requirements under this section and has been approved under this section.

(3) prioritize the allocation of funds to low- and moderate-income neighborhoods with high concentrations of vacancies, according to the number of census tracts, as determined by the Secretary, to have large increases in the rate of vacancy during the past eight quarters and significant levels of loans determined to be at risk of foreclosure, and describe how such activities will help restore or improve the viability of such neighborhoods by providing for purchase or occupancy of qualified foreclosed properties as soon as practicable and in a manner that will facilitate repayment of the loans provided under this Act for carrying out such activities;

(4) set forth the procedures that the allocation recipient will use to allocate grant and loan amounts and monitor for compliance with the requirements of section 8;

(5) provide that grant and loan amounts provided under this Act for the allocation recipient will be used only for eligible housing stimulus activities under section 8 that are eligible under such section for assistance with grant or loan amounts, as applicable;

(9) provide preference for activities that serve the lowest income families, who otherwise meet the income requirements under section 8, for the longest period and homeowners, who otherwise meet such income requirements, whose mortgages have been foreclosed;

(2) STANDARD FOR DISAPPROVAL.—The Secretary may disapprove a plan only if the plan fails to comply with the requirements of this Act.

(c) GRANT AMOUNTS AND LOAN AUTHORITY AMOUNTS.—

(1) IN GENERAL.—The grant amount or loan authority amount for a qualified State shall be the foreclosure grant share or foreclosure loan share, respectively, for the State determined under subsection (d), as such share is adjusted in accordance with an index established or selected by the Secretary to account for differences between qualified States in the median price of single family housing in such States.

(2) LOAN SHARE.—The foreclosure loan share for a qualified State shall be the amount that bears the same ratio to the aggregate amount of the principal balance of loans that may be outstanding at any time under this Act pursuant to section 14(b)(1) as the number of foreclosures on mortgages for single family housing and subprime mortgage loans for single family housing that are over 90 days delinquent, occurring in such State during the most recently completed four calendar quarters for which such information is available, as determined by the Secretary, bears to the aggregate number of such foreclosures and such delinquent subprime mortgage loans occurring in all qualified States during such calendar quarters.

(2) the aggregate of the loan authority amounts for all qualified States is equal to the aggregate amount of authority for the outstanding principal balance of all loans made under this Act pursuant to section 14(b)(1).

(f) REQUIREMENT TO ALLOCATE TO QUALIFIED METROPOLITAN CITIES.—Of any grant amounts and loan authority amounts allocated pursuant to this section for a State, the Secretary shall allocate for each qualified metropolitan city located in such State a portion of such grant amounts and such loan authority amounts that bears the same ratio to such grant amounts and loan authority amounts, respectively, allocated for the State as the number of foreclosures on mortgages for single family housing and subprime mortgage loans for single family housing that are over 90 days delinquent, occurring in such qualified metropolitan city during the most recently completed four calendar quarters for which such information is available, as determined by the Secretary, bears to the aggregate number of such foreclosures and such delinquent subprime mortgage loans occurring in the State during such calendar quarters. The Secretary shall adjust such allocation to account for differences between median single family housing prices in the State and in qualified metropolitan cities in the State.

(b) REVOLVING AVAILABILITY OF LOAN AUTHORITY AMOUNT.—The loan authority amount allocated for each allocation recipient shall—

(1) upon the Secretary entering into a binding commitment to make a loan under this Act for use in the area of such allocation recipient, be decreased by the amount of the principal obligation of such loan; and

Vacating the property prior to sale shall not constitute good cause for termination of the tenancy unless the property is unmarketable while occupied or unless the owner or subsequent purchaser desires the unit for personal or family use. This paragraph shall not preempt any State or local law that provides more protection for tenants.

(A) the mortgagor under the contract is not the tenant;

(B) the lease or tenancy was the result of an arms-length transaction; or

(C) the lease or tenancy requires the receipt of rent that is not substantially less than fair market rent for the property.

(j) PROHIBITION OF DEMOLITION OF PUBLIC HOUSING.—Notwithstanding any other provision of this Act, amounts from a grant or loan under this Act may not be used to demolish any public housing (as such term is defined in section 3 of the United States Housing Act of 1937 (42 U.S.C. 1437a)).

SEC. 9. SHARED APPRECIATION AGREEMENT.

Notwithstanding any other provision of this Act, no amounts from a loan or grant under this Act may be used under section 8 for any qualified foreclosed housing unless such binding agreements are entered into, in accordance with such requirements as the Secretary shall establish, that ensure that the Federal Government shall, upon any sale or disposition of the qualified foreclosed housing by the owner who acquires the housing pursuant to assistance under this Act, receive an amount equal to 20 percent of the difference between the net proceeds from such sale or disposition and the cost of such acquisition of the housing pursuant to assistance under this Act, after deductions for expenditures paid or incurred after the date of such acquisition that are properly chargeable to capital account (within the meaning of section 1016 of the Internal Revenue Code of 1986) with respect to such housing. In the case of a for-profit owner, this section shall

be applied by substituting ''50 percent'' for ''20 percent''.

This subsection shall not apply to loan authority amounts of an allocation recipient attributable, pursuant to section 6(b)(2), to repayment of principal amounts of loans under this Act.

(b) EXCEPTION TO SPENDING REQUIREMENT.—If an allocation recipient in good faith makes a request, in the plan submitted to the Secretary pursuant to section 4 or otherwise after approval of such plan, for extension of the period referred to in paragraph (1), (2), or (3) of subsection (a) of this section, the Secretary may extend the period for not more than 5 months.

(b) MISUSE OF AMOUNTS.—If the Secretary determines that any amounts from a grant or loan under this Act for an allocation recipient or other recipient of grant or loans funds has been used in a manner that is in violation of this Act, any regulations issued under this Act, or any requirements or conditions under which such amounts were provided, the Secretary shall require the allocation recipient or other recipient of grant or loans funds to reimburse the Treasury of the United States in the amount of any such misused funds.

(c) HOLD HARMLESS.—Notwithstanding subsection (b), a State shall not be required to reimburse the Treasury of the United States for any misused funds such State is required to allocate to a qualified metropolitan city or qualified urban county under subsection (f) or (g) of section 5, respectively.

SEC. 13. DEFINITIONS.

TITLE I—FHA HOUSING STABILIZATION AND HOMEOWNERSHIP RETENTION

SEC. 101. SHORT TITLE.

This title may be cited as the ''FHA Housing Stabilization and Homeownership Retention Act of 2008''.

Subtitle A—Homeownership Retention

SEC. 111. PURPOSES.

The purposes of this subtitle are—

(1) to create an FHA program, which is voluntary on the part of borrowers and existing mortgage loan holders, including both existing senior mortgage loan holders and existing subordinate mortgage loan holders, to insure refinance loans for substantial numbers of borrowers at risk of foreclosure, at levels which are reasonably likely to be sustainable through enhanced affordability of debt service;

(2) to provide flexible underwriting for FHA-insured loans under such a program to provide refinancing opportunities under fiscally responsible terms, including higher fees commensurate with higher risk levels, a seasoning requirement for higher debt to income loans, and additional program controls to limit and control risk;

(3) to bar speculators and second home owners from participation in such program;

(4) to require existing mortgage loan holders to take substantial loan writedowns in exchange for having the Federal Government and the borrower assume the ongoing risk of the refinanced loan;

(5) to set a loan-to-value limit on such loans that provides the FHA with an equity buffer against potential loan losses, provides protections against the risk of future home price declines, and creates incentives for borrowers to maintain payments on the loan;

(6) to protect the FHA against losses which may exceed normal FHA loss levels by establishing higher fee levels, including an exit fee and profit sharing during the first five years of the loan, with such higher fee levels effectively being funded through the required lender writedown;

(7) to provide a fair level of incentives for junior lien holders to provide the necessary releases of their lien interests, in order to meet program requirements that all outstanding liens must be extinguished, and thereby permit the refinancing to be completed;

(8) to enhance the administrative capacity of the FHA to carry out its expanded role under the program through establishment of an Oversight Board which adds expertise from the Federal Reserve and the Department of the Treasury, through additional funding to contract out for the provision of any needed expertise in designing program requirements and oversight, and through additional funding to increase FHA personnel resources as needed to handle the increased loan volume resulting from the program;

(9) to sunset the program when it is no longer needed; and

(10) to study the need for and efficacy of an auction or bulk refinancing mechanism to facilitate more expeditious refinancing of larger volumes of existing mortgages that are at risk for foreclosure into FHA-insured mortgages.

SEC. 112. INSURANCE OF HOMEOWNERSHIP RETENTION MORTGAGES.

(a) MORTGAGE INSURANCE PROGRAM.—Title II of the National Housing Act (12 U.S.C. 1707 et seq.) is amended by adding at the end the following new section:

''(b) AUTHORITY.—

''(1) IN GENERAL.—The Secretary shall, subject only to the absence of qualified requests for insurance under this section and to the limitations under subsection (h) of this section and section 531(a), make commitments to insure and insure any mortgage covering a 1- to 4-family residence that is made for the purpose of paying or prepaying outstanding obligations under an existing mortgage or mortgages on the residence if the mortgage being insured under this section meets the requirements of this section, as established by the Oversight Board, and of section 203, except as modified by this section.

''(2) ESTABLISHMENT AND IMPLEMENTATION OF PROGRAM REQUIREMENTS.—The Oversight Board shall establish program requirements and standards under this section and the Secretary shall implement such requirements and standards. The Oversight Board and the Secretary may establish and implement any requirements or standards through interim guidance and mortgagee letters.

''(c) REQUIREMENTS.—To be eligible for insurance under this section, a mortgage shall comply with all of the following requirements:

''(1) OWNER-OCCUPIED PRINCIPAL RESIDENCE REQUIREMENT.—The residence securing the mortgage insured under this section shall be occupied by the mortgagor as the principal residence of the mortgagor and the mortgagor shall provide a certification to the originator of the mortgage that such residence securing the mortgage insured under this section is the only residence in which the mortgagor has any present ownership interest. With regard to such certification, the Oversight Board may create exceptions for mortgagors who have only a partial ownership interest in a residence other than the residence securing the mortgage insured under this section.

''(2) LACK OF CAPACITY TO PAY EXISTING MORTGAGE OR MORTGAGES.—

''(A) BORROWER CERTIFICATION.—

''(i) The mortgagor shall provide a certification to the originator of the mortgage that the mortgagor—

''(I) has not intentionally defaulted on the existing mortgage or mortgages; and

''(II) has not knowingly, or willfully and with actual knowledge furnished material information known to be false for the purpose of obtaining the existing mortgage or mortgages.

''(ii) The mortgagor shall agree in writing that the mortgagor shall be liable to repay the FHA any direct financial benefit achieved from the reduction of indebtedness on the existing mortgage or mortgages on the residence refinanced under this section derived from misrepresentations made in the

certifications and documentation required under this subparagraph, subject to the discretion of the Oversight Board.

''(B) CURRENT BORROWER DEBT-TO-INCOME RATIO.—As of March 1, 2008, the mortgagor shall have had a ratio of mortgage debt to income, taking into consideration all existing mortgages at such time, greater than 35 percent.

''(C) LOSS MITIGATION RESPONSIBILITIES.—This section may not be construed to alter or in any way affect the responsibilities of any party (including the mortgage servicer) to engage in any or all loan modification or other loss mitigation strategies to maximize value to investors as established by any applicable contract.

''(3) ELIGIBILITY OF MORTGAGES BY DATE OF ORIGINATION.—The existing senior mortgage shall have been originated on or before December 31, 2007.

''(4) MAXIMUM LOAN-TO-VALUE RATIO FOR NEW LOANS.—The mortgage being insured under this section shall involve a principal obligation (including such initial service charges, appraisal, inspection, and other fees as the Secretary shall approve and including the mortgage insurance premium paid pursuant to subsection (e)(1)) in an amount not to exceed 90 percent of the current appraised value of the property. Section 203(d) shall not apply to mortgages insured under this section.

''(5) REQUIRED WAIVER OF PREPAYMENT PENALTIES AND FEES.—All penalties for prepayment of the existing mortgage or mortgages, and all fees and penalties related to default or delinquency on all existing mortgages or mortgages, shall be waived or forgiven.

''(6) REQUIRED LOAN REDUCTION.—

''(A) REDUCTION OF INDEBTEDNESS UNDER EXISTING SENIOR MORTGAGE.—The amount of indebtedness on the existing mortgage or mortgages on the residence shall have been substantially reduced by such percentage as the Oversight Board may require, and such reduction shall be at least sufficient to—

''(i) provide for the refinancing of such existing mortgage or mortgages in an amount not greater than 90 percent of the current appraised value of the property involved;

''(ii) pay the full amount of the single premium to be collected pursuant to subsection (e)(1) (which shall be an amount equal to 3.0 percent of the amount of the original insured principal obligation of the mortgage insured under this section and which shall serve as an additional reserve to cover possible loan losses); and

''(iii) pay the full amount of the loan origination fee and any other closing costs, not to exceed 2.0 percent of the amount of the original insured principal obligation of the mortgage insured under this section.

''(B) EXTINGUISHMENT OF DEBT BY REFINANCING.—

''(i) REQUIRED AGREEMENT.—All existing holders of mortgage liens on the property securing the mortgage to be insured under this section shall agree to accept the proceeds of the insured loan as payment in full of all indebtedness under all existing mortgages, and all encumbrances related to such mortgages shall be removed. The Oversight Board may take such actions as the Oversight Board considers necessary or appropriate to facilitate coordination and agreement between the holders of the existing senior mortgage and any existing subordinate mortgages, taking into consideration the subordinate lien status of such subordinate mortgages, to comply with the requirement under this subparagraph.

''(ii) TREATMENT OF MULTIPLE MORTGAGE LIENS.—In addition to clause (i), the Oversight Board shall adopt one of the following approaches for all mortgages or such classes of mortgages as the Oversight Board may determine and may, from time to time, reconsider:

''(I) FIXED PRICE.—As a requirement for participating in this program, all existing lien holders will agree to not provide any payment to subordinate lien holders other than such payment in accordance with a formula established by the Oversight Board as set forth in clause (iii); except that the Oversight Board may establish a short period within which first and subordinate lien holders may negotiate to extinguish all subordinate liens for compensation that may be different from the amount determined under such formula set forth in clause (iii).

''(II) SHARED EQUITY.—The Oversight Board may require the mortgagor under a mortgage insured under this section to agree to share a portion of any future equity in the mortgaged property with holders of existing subordinate mortgages, in accordance with a formula for such shared equity established by the Oversight Board as set forth in clause (iii), except that payments of such shared equity may be made only after the Secretary recovers all amounts owed to the Secretary with respect to such mortgage pursuant to the program under this section (including amounts owed pursuant to paragraph (8)).

''(iii) FORMULA.—In determining a formula for determining any payments to subordinate lien holders pursuant to subclauses (I) and (II) of clause (ii), and in any reconsideration of such formula as the Oversight Board may from time to time undertake, the Oversight Board shall take into consideration the current market value of such liens. In no case may a formula provide for the payment of more than 1 percent of the current appraised value of the mortgaged property to a subordinate lien holder if the outstanding balance owed to more senior lien holders is equal to or exceeds such current appraised value.

''(iv) VOLUNTARY PROGRAM.—This section may not be construed to require any holder of any existing mortgage to participate in the program under this section generally, or with respect to any particular loan.

''(v) SOURCE OF PAYMENTS FOR SUBORDINATE LOANS.—Any amounts paid to holders of any existing subordinate mortgages in connection with the origination and insurance of a mortgage under this section shall derive only from—

''(I) the holder of the existing senior mortgage; or

''(II) in the case only of the shared equity approach under clause (ii)(II), the mortgagor under the mortgage insured under this section

''(7) REQUIRED REDUCTION OF DEBT SERVICE.—The debt service payments due under the mortgage insured under this section shall be in an amount that is substantially reduced from the debt service payments due under the existing mortgage or mortgages, which reduction may be achieved through a reduction of indebtedness, a reduction in the interest rate being paid, or an extension of the term of the mortgage, or any combination thereof.

''(8) FINANCIAL RECOVERY TO FEDERAL GOVERNMENT THROUGH EXIT PREMIUM.—

''(A) SUBORDINATE LIEN.—The mortgage shall provide that the Secretary shall retain a lien on the residence involved, which shall be subordinate to the mortgage insured under this section but senior to all other mortgages on the residence that may exist at any time, and which shall secure the repayment of the amount due under subparagraph (D).

''(B) NO INTEREST OR PAYMENT DURING MORTGAGE.—The amount secured by the lien retained by the Secretary pursuant to subparagraph (A) shall not bear interest and shall not be repayable to the Secretary except as provided in subparagraph (D) of this paragraph.

''(C) NET PROCEEDS AVAILABLE FOR EXIT PREMIUM.—Upon the sale, refinancing, or other disposition of the residence securing a mortgage insured under this section, any proceeds resulting from such disposition that remain after deducting the remaining insured principal balance of the mortgage insured under this section shall be available to meet the obligation under subparagraph (D). In the case of a refinance, non-arms length transaction, or such other transaction as the Oversight Board shall determine, the proceeds shall be based on the current appraised value at the time of the refinance or transaction.

''(D) EXIT PREMIUM.—Upon any refinancing of the mortgage insured under this section or any sale or disposition of the residence securing the mortgage, the Secretary shall, subject to the availability of sufficient net proceeds described in subparagraph (C), receive the greater of—

''(i) 3 percent of the amount of the original insured principal obligation of the mortgage (or the entire amount of the net proceeds described in subparagraph (C) if such net proceeds are less than 3 percent of the amount of the original insured principal obligation of the mortgage); or

''(ii) a percentage of the portion of the net proceeds available for profit-sharing, as described in subparagraph (E), which shall be—

''(I) in the case of any refinancing, sale, or disposition occurring during the first year of the term of the mortgage, 100 percent of such net proceeds;

''(II) in the case of any refinancing, sale, or disposition occurring during the second year of the term of the mortgage, 80 percent;

''(III) in the case of any refinancing, sale, or disposition occurring during the third year of the term of the mortgage, 60 percent; and

''(IV) in the case of any refinancing, sale, or disposition occurring during the fourth year of the term of the mortgage or at any time thereafter, 50 percent;

except that such percentage of proceeds shall be reduced by all fees the Secretary has collected for the mortgage prior to such refinancing, sale, or disposition.

''(E) NET PROCEEDS AVAILABLE FOR PROFIT-SHARING.—With respect to any mortgage insured under this section, the net proceeds available for purposes of subparagraph (D)(ii) shall be any proceeds resulting from the sale, refinancing, or other disposition of the residence securing the mortgage that remain after deducting the original insured principal obligation of the mortgage. (b) REPORT REQUIRED.—The Securities and Exchange Commission shall submit a report to the Congress before the end of the 90-day period beginning on the date of the enactment of this Act containing the findings and determinations of the Commission with respect to the study conducted under subsection (a) and such administrative and legislative recommendations as the Commission may determine to be appropriate.

TITLE II—FHA REFORM AND MANUFACTURED HOUSING LOAN INSURANCE MODERNIZATION

Subtitle A—FHA Reform

SEC. 201. SHORT TITLE.

This subtitle may be cited as the ''Expanding American Homeownership Act of 2008''.

SEC. 202. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—

(1) one of the primary missions of the Federal Housing Administration (FHA) single family mortgage insurance program is to reach borrowers who are underserved, or not served, by the existing conventional mortgage marketplace;

(2) the FHA program has a long history of innovation, which includes pioneering the 30-year self-amortizing mortgage and a safe-to-seniors reverse mortgage product, both of which were once thought too risky to private lenders;

(3) the FHA single family mortgage insurance program traditionally has been a major provider of mortgage insurance for home purchases;

(4) the FHA mortgage insurance premium structure, as well as FHA's product offerings, should be revised to reflect FHA's enhanced ability to determine risk at the loan level and to allow FHA to better respond to changes in the mortgage market;

(5) during past recessions, including the oil-patch downturns in the mid-1980s, FHA remained a viable credit enhancer and was therefore instrumental in preventing a more catastrophic collapse in housing markets and a greater loss of homeowner equity; and

(6) as housing price appreciation slows and interest rates rise, many homeowners and prospective homebuyers will need the less-expensive, safer financing alternative that FHA mortgage insurance provides.

(b) PURPOSES.—The purposes of this subtitle are—

(1) to provide flexibility to FHA to allow for the insurance of housing loans for low- and moderate-income homebuyers during all economic cycles in the mortgage market;

(2) to modernize the FHA single family mortgage insurance program by making it more reflective of enhancements to loan-level risk assessments and changes to the mortgage market; and

(3) to adjust the loan limits for the single family mortgage insurance program to reflect rising house prices and the increased costs associated with new construction.

SEC. 203. MAXIMUM PRINCIPAL LOAN OBLIGATION.

(a) IN GENERAL.—Section 203(b)(2) of the National Housing Act (12 U.S.C. 1709(b)(2)(A)) is amended by striking subparagraph (A) and inserting the following new subparagraph:

''(A) not to exceed the lesser of—

''(i) in the case of a 1-family residence, 125 percent of the median 1-family house price in the area, as determined by the Secretary; and in the case of a 2-, 3-, or 4-family residence, the percentage of such median price that bears the same ratio to such median price as the dollar amount limitation determined under section 305(a)(2) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1454(a)(2)) for a 2-, 3-, or 4-family residence, respectively, bears to the dollar amount limitation determined under such section for a 1-family residence; or

''(ii) 175 percent of the dollar amount limitation determined under such section 305(a)(2)(A) for a residence of the applicable size (without regard to any authority to increase such limitations with respect to properties located in Alaska, Guam, Hawaii, or the Virgin Islands and without regard to the high-cost area limitation under such section 305(a)(2)(B));

except that the dollar amount limitation in effect under this subparagraph for any size residence for any area may not be less than the greater of: (I) the dollar amount limitation in effect under this section for the area on October 21, 1998; or (II) 65 percent of the dollar amount limitation determined under such section 305(a)(2) for a residence of the applicable size; and except that, if the Secretary determines that market conditions warrant such an increase, the Secretary may, for such period as the Secretary considers appropriate, increase the maximum dollar amount limitation determined pursuant to the preceding provisions of this subparagraph with respect to any particular size or sizes of residences, or with respect to residences located in any particular area or areas, to an amount that does not exceed the maximum dollar amount then otherwise in effect pursuant to the preceding provisions of this subparagraph for such size residence, or for such area (if applicable), by not more than $100,000; and''.

(b) TREATMENT OF TEMPORARY LOAN LIMIT INCREASE.—Subsection (a) and the amendment made by such subsection may not be construed to in any way affect the effectiveness of section 202 of the Economic Stimulus Act of 2008 (Public Law 110-185; 122 Stat. 620).

SEC. 207. RISK-BASED MORTGAGE INSURANCE PREMIUMS.

Section 203(c) of the National Housing Act (12 U.S.C. 1709(c)), as amended by the preceding provisions of this subtitle, is further amended by adding at the end the following new paragraphs:

''(4) FLEXIBLE RISK-BASED PREMIUMS.—In the case of a mortgage referred to in paragraph (2)(C) or a mortgage described in the third sentence of subparagraph (A) of paragraph (2) (relating to mortgages for which amounts are gifted by a nonprofit qualified homeownership assistance entity), for which the loan application is received by the mortgagee on or after the date of the enactment of the Expanding American Homeownership Act of 2008:

''(A) IN GENERAL.—The Secretary may establish a mortgage insurance premium structure involving a single premium payment collected prior to the insurance of the mortgage or annual payments (which may be collected on a periodic basis), or both, subject to the requirements of subparagraph (B) and paragraph (5). Under such structure, the rate of premiums for such a mortgage may vary according to the credit risk associated with the mortgage and the rate of any annual premium for such a mortgage may vary during the mortgage term as long as the basis for determining the variable rate is established before the execution of the mortgage. SEC. 225. SENSE OF CONGRESS REGARDING TECHNOLOGY FOR FINANCIAL SYSTEMS.

(a) CONGRESSIONAL FINDINGS.—The Congress finds the following:

(1) The Government Accountability Office has cited the FHA single family housing mortgage insurance program as a ''high-risk'' program, with a primary reason being non-integrated and out-dated financial management systems.

(2) The ''Audit of the Federal Housing Administration's Financial Statements for Fiscal Years 2004 and 2003'', conducted by the Inspector General of the Department of Housing and Urban Development reported as a material weakness that ''HUD/FHA's automated data processing [ADP] system environment must be enhanced to more effectively support FHA's business and budget processes''.

(3) Existing technology systems for the FHA program have not been updated to meet the latest standards of the Mortgage Industry Standards Maintenance Organization and have numerous deficiencies that lenders have outlined.

(4) Improvements to technology used in the FHA program will—

(A) allow the FHA program to improve the management of the FHA portfolio, garner greater efficiencies in its operations, and lower costs across the program;

(B) result in efficiencies and lower costs for lenders participating in the program, allowing them to better use the FHA products in extending homeownership opportunities to higher credit risk or lower-income families, in a sound manner.

(5) The Mutual Mortgage Insurance Fund operates without cost to the taxpayers and generates revenues for the Federal Government.

(b) SENSE OF CONGRESS.—It is the sense of the Congress that—

(1) the Secretary of Housing and Urban Development should use a portion of the funds received from premiums paid for FHA single family housing mortgage insurance that are in excess of the amounts paid out in claims to substantially increase the funding for technology used in such FHA program;

(2) the goal of this investment should be to bring the technology used in such FHA program to the level and sophistication of the technology used in the conventional mortgage lending market, or to exceed such level; and

(3) the Secretary of Housing and Urban Development should report to the Congress not later than 180 days after the date of the enactment of this Act regarding the progress the Department is making toward such goal and if progress is not sufficient, the resources needed to make greater progress.

(1) the Secretary of Housing and Urban Development has received, before the date of the enactment of such Act, written expressions of interest in purchasing the property from both a city government and the housing commission of such city;

(1) the premiums charged for mortgage insurance under any program under the National Housing Act may not be increased above the premium amounts in effect under such program on October 1, 2006, unless the Secretary of Housing and Urban Development determines that, absent such increase, insurance of additional mortgages under such program would, under the Federal Credit Reform Act of 1990, require the appropriation of new budget authority to cover the costs (as such term is defined in section 502 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661a) of such insurance; and

Subtitle B—FHA Manufactured Housing Loan Insurance Modernization

SECTION 251. SHORT TITLE.

This subtitle may be cited as the ''FHA Manufactured Housing Loan Modernization Act of 2008''.

SEC. 252. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—

(1) manufactured housing plays a vital role in providing housing for low- and moderate-income families in the United States;

(2) the FHA title I insurance program for manufactured home loans traditionally has been a major provider of mortgage insurance for home-only transactions;

(3) the manufactured housing market is in the midst of a prolonged downturn which has resulted in a severe contraction of traditional sources of private lending for manufactured home purchases;

(4) during past downturns the FHA title I insurance program for manufactured homes has filled the lending void by providing stability until the private markets could recover;

(5) in 1992, during the manufactured housing industry's last major recession, over 30,000 manufactured home loans were insured under title I;

(6) in 2006, fewer than 1,500 manufactured housing loans were insured under title I;

(7) the loan limits for title I manufactured housing loans have not been adjusted for inflation since 1992; and

(8) these problems with the title I program have resulted in an atrophied market for manufactured housing loans, leaving American families who have the most difficulty achieving homeownership without adequate financing options for home-only manufactured home purchases.

(b) PURPOSES.—The purposes of this subtitle are—

(1) to provide adequate funding for FHA-insured manufactured housing loans for low- and moderate-income homebuyers during all economic cycles in the manufactured housing industry;

(2) to modernize the FHA title I insurance program for manufactured housing loans to enhance participation by Ginnie Mae and the private lending markets; and

(3) to adjust the low loan limits for title I manufactured home loan insurance to reflect the increase in costs since such limits were last increased in 1992 and to index the limits to inflation.

''(b) REFINANCE SUBGOAL.—

''(1) IN GENERAL.—The Director shall establish a separate subgoal within each goal under subsection (a)(1) for the purchase by each enterprise of mortgages for low-income families on single family housing given to pay off or prepay an existing loan secured by the same property. The Director shall, for each year, determine whether each enterprise has complied with the subgoal under this subsection in the same manner provided under this section for determining compliance with the housing goals.

''(2) ENFORCEMENT.—For purposes of section 1336, the subgoal established under paragraph (1) of this subsection shall be considered to be a housing goal established under this section. Such subgoal shall not be enforceable under any other provision of this title (including subpart C of this part) other than section 1336 or under any provision of the Federal National Mortgage Association Charter Act or the Federal Home Loan Mortgage Corporation Act.

''(c) DETERMINATION OF COMPLIANCE.—The Director shall determine, for each year that the housing goals under this section are in effect pursuant to section 1331(a), whether each enterprise has complied with the single-family housing goals established under this section for such year. An enterprise shall be considered to be in compliance with such a goal for a year only if, for each of the types of families described in subsection (a), the percentage of the number of conventional, conforming, single-family, owner-occupied or rental, as applicable, purchase money mortgages purchased by each enterprise in such year that serve such families, meets or exceeds the target for the year for such type of family that is established under subsection (d).

''(d) ANNUAL TARGETS.—

''(1) IN GENERAL.—Except as provided in paragraph (2), for each of the types of families described in subsection (a), the target under this subsection for a year shall be the average percentage, for the three years that most recently precede such year and for which information under the Home Mortgage Disclosure Act of 1975 is publicly available, of the number of conventional, conforming, single-family, owner-occupied or rental, as applicable, purchase money mortgages originated in such year that serves such type of family, as determined by the Director using the information obtained and determined pursuant to paragraphs (3) and (4).

''(2) AUTHORITY TO INCREASE TARGETS.—

''(A) IN GENERAL.—The Director may, for any year, establish by regulation, for any or all of the types of families described in subsection (a), percentage targets that are higher than the percentages for such year determined pursuant to paragraph (1), to reflect expected changes in market performance related to such information under the Home Mortgage Disclosure Act of 1975.

''(B) FACTORS.—In establishing any targets pursuant to subparagraph (A), the Director shall consider the following factors:

''(i) National housing needs.

''(ii) Economic, housing, and demographic conditions.

''(iii) The performance and effort of the enterprises toward achieving the housing goals under this section in previous years.

''(iv) The size of the conventional mortgage market serving each of the types of families described in subsection (a) relative to the size of the overall conventional mortgage market.

''(v) The ability of the enterprise to lead the industry in making mortgage credit available.

''(vi) The need to maintain the sound financial condition of the enterprises.

''(3) HMDA INFORMATION.—The Director shall annually obtain information submitted in compliance with the Home Mortgage Disclosure Act of 1975 regarding conventional, conforming, single-family, owner-occupied or rental, as applicable, purchase money mortgages originated and purchased for the previous year.

''(4) CONFORMING MORTGAGES.—In determining whether a mortgage is a conforming mortgage for purposes of this paragraph, the Director shall consider the original principal balance of the mortgage loan to be the principal balance as reported in the information referred to in paragraph (3), as rounded to the nearest thousand dollars.

''(e) NOTICE OF DETERMINATION AND ENTERPRISE COMMENT.—

''(1) NOTICE.—Within 30 days of making a determination under subsection (c) regarding a compliance of an enterprise for a year with a housing goal established under this section and before any public disclosure thereof, the Director shall provide notice of the determination to the enterprise, which shall include an analysis and comparison, by the Director, of the performance of the enterprise for the year and the targets for the year under subsection (d).

''(2) COMMENT PERIOD.—The Director shall provide each enterprise an opportunity to comment on the determination during the 30-day period beginning upon receipt by the enterprise of the notice.

''(f) USE OF BORROWER INCOME.—In monitoring the performance of each enterprise pursuant to the housing goals under this section and evaluating such performance (for purposes of section 1336), the Director shall consider a mortgagor's income to be such income at the time of origination of the mortgage.

''(g) CONSIDERATION OF UNITS IN SINGLE-FAMILY RENTAL HOUSING.—In establishing any goal under this subpart, the Director may take into consideration the number of housing units financed by any mortgage on single-family rental housing purchased by an enterprise.

''SEC. 1333. MULTIFAMILY SPECIAL AFFORDABLE HOUSING GOAL.

''(a) ESTABLISHMENT.—

''(1) IN GENERAL.—The Director shall establish, by regulation, an annual goal for the purchase by each enterprise of each of the following types of mortgages on multifamily housing:

''(A) Mortgages that finance dwelling units for low-income families.

''(B) Mortgages that finance dwelling units for very low-income families.

''(C) Mortgages that finance dwelling units assisted by the low-income housing tax credit under section 42 of the Internal Revenue Code of 1986.

''(2) ADDITIONAL REQUIREMENTS FOR SMALLER PROJECTS.—The Director shall establish, within the goal under this section, additional requirements for the purchase by each enterprise of mortgages described in paragraph (1) for multifamily housing projects of a smaller or limited size, which may be based on the number of dwelling units in the project or the amount of the mortgage, or both, and shall include multifamily housing projects of such smaller sizes as are typical among such projects that serve rural areas.

''(3) FACTORS.—In establishing the goal under this section relating to mortgages on multifamily housing for an enterprise for a year, the Director shall consider—

''(A) national multifamily mortgage credit needs;

''(B) the performance and effort of the enterprise in making mortgage credit available for multifamily housing in previous years;

''(C) the size of the multifamily mortgage market;

''(D) the ability of the enterprise to lead the industry in making mortgage credit available, especially for underserved markets, such as for small multifamily projects of 5 to 50 units, multifamily properties in need of rehabilitation, and multifamily properties located in rural areas; and

''(E) the need to maintain the sound financial condition of the enterprise.

''(b) UNITS FINANCED BY HOUSING FINANCE AGENCY BONDS.—The Director shall give credit toward the achievement of the multifamily special affordable housing goal under this section (for purposes of section 1336) to dwelling units in multifamily housing that otherwise qualifies under such goal and that is financed by tax-exempt or taxable bonds issued by a State or local housing finance agency, but only if such bonds—

''(1) are secured by a guarantee of the enterprise; or

''(2) are not investment grade and are purchased by the enterprise.

''(c) USE OF TENANT INCOME OR RENT.—The Director shall monitor the performance of each enterprise in meeting the goals established under this section and shall evaluate such performance (for purposes of section 1336) based on—

''(1) the income of the prospective or actual tenants of the property, where such data are available; or

''(2) where the data referred to in paragraph (1) are not available, rent levels affordable to low-income and very low-income families.

A rent level shall be considered to be affordable for purposes of this subsection for an income category referred to in this subsection if it does not exceed 30 percent of the maximum income level of such income category, with appropriate adjustments for unit size as measured by the number of bedrooms.

''(d) DETERMINATION OF COMPLIANCE.—The Director shall, for each year that the housing goal under this section is in effect pursuant to section 1331(a), determine whether each enterprise has complied with such goal and the additional requirements under subsection (a)(2).

''SEC. 1334. DISCRETIONARY ADJUSTMENT OF HOUSING GOALS.

''(a) AUTHORITY.—An enterprise may petition the Director in writing at any time during a year to reduce the level of any goal for such year established pursuant to this subpart.

''(b) STANDARD FOR REDUCTION.—The Director may reduce the level for a goal pursuant to such a petition only if—

''(1) market and economic conditions or the financial condition of the enterprise require such action; or

''(2) efforts to meet the goal would result in the constraint of liquidity, over-investment in certain market segments, or other consequences contrary to the intent of this subpart, or section 301(3) of the Federal National Mortgage Association Charter Act (12 U.S.C. 1716(3)) or section 301(3) of the Federal Home Loan Mortgage Corporation Act (12 U.S.C. 1451 note), as applicable.

''(c) DETERMINATION.—The Director shall make a determination regarding any proposed reduction within 30 days of receipt of the petition regarding the reduction. The Director may extend such period for a single additional 15-day period, but only if the Director requests additional information from the enterprise. A denial by the Director to reduce the level of any goal under this section may be appealed to the United States District Court for the District of Columbia or the United States district court in the jurisdiction in which the headquarters of an enterprise is located.''.

''(2) SUSPENSION OF CONTRIBUTIONS.—The Director shall temporarily suspend the allocation under paragraph (1) by an enterprise to the affordable housing fund upon a finding by the Director that such allocations—

''(A) are contributing, or would contribute, to the financial instability of the enterprise;

''(B) are causing, or would cause, the enterprise to be classified as undercapitalized; or

''(C) are preventing, or would prevent, the enterprise from successfully completing a capital restoration plan under section 1369C.

''(3) 5-YEAR SUNSET AND REPORT.—

''(A) SUNSET.—The enterprises shall not be required to make allocations to the affordable housing fund in 2012 or in any year thereafter.

''(1) FORMULA AMOUNT.—For each year referred to in subsection (b)(1), the Director shall determine the formula amount under this section for each grantee, which shall be the amount determined for such grantee—

''(A) for 2008, by applying the allocation percentages under subparagraph (A) of subsection (c)(1) to the sum of the total amounts allocated by the enterprises to the affordable housing fund for such year, less any amounts used pursuant to subsection (i)(1); and

''(2) NOTICE.—In each year referred to in subsection (b)(1), not later than 60 days after the date that the Director determines the amounts described in paragraph (1) to be available for affordable housing fund grants to grantees in such year, the Director shall cause to be published in the Federal Register a notice that such amounts shall be so available.

''(3) GRANT AMOUNT.—

''(A) IN GENERAL.—For each year referred to in subsection (b)(1), the Director shall make a grant from amounts in the affordable housing fund to each grantee in an amount that is, except as provided in subparagraph (B), equal to the formula amount under this section for the grantee. A grantee may designate a State housing finance agency, housing and community development entity, tribally designated housing entity (as such term is defined in section 4 of the Native American Housing Assistance and Self-Determination Act of 1997 (25 U.S.C. 4103)) or other qualified instrumentality of the grantee to receive such grant amounts.

''(B) REDUCTION FOR FAILURE TO OBTAIN RETURN OF MISUSED FUNDS.—If in any year a grantee fails to obtain reimbursement or return of the full amount required under subsection (j)(1)(B) to be reimbursed or returned to the grantee during such year—

''(i) except as provided in clause (ii)—

''(I) the amount of the grant for the grantee for the succeeding year, as determined pursuant to subparagraph (A), shall be reduced by the amount by which such amounts required to be reimbursed or returned exceed the amount actually reimbursed or returned; and

''(II) the amount of the grant for the succeeding year for each other grantee whose grant is not reduced pursuant to subclause (I) shall be increased by the amount determined by applying the formula established pursuant to subsection (c)(2) to the total amount of all reductions for all grantees for such year pursuant to subclause (I); or

''(ii) in any case in which such failure to obtain reimbursement or return occurs during a year immediately preceding a year in which grants under this subsection will not be made, the grantee shall pay to the Director for reallocation among the other grantees an amount equal to the amount of the reduction for the grantee that would otherwise apply under clause (i)(I).

''(e) GRANTEE ALLOCATION PLANS.—

If the Director grants such a written consent, it shall publicly disclose such consent.

''(i) suspend such party from office or prohibit such party from further participation in any manner in the conduct of the affairs of any regulated entity; and

''(ii) prohibit the regulated entity from releasing to or on behalf of the regulated entity-affiliated party any compensation or other payment of money or other thing of current or potential value in connection with the period of any such suspension or with any resignation, removal, retirement, or other termination of employment or office of the party.

''(B) PROVISIONS APPLICABLE TO ORDER.—

''(i) COPY.—A copy of any order under paragraph (2)(A) shall also be served upon the regulated entity, whereupon the regulated entity-affiliated party who is subject to the order (if a director or an officer) shall cease to be a director or officer of such regulated entity.

''(ii) EFFECT OF ACQUITTAL.—A finding of not guilty or other disposition of the charge shall not preclude the Director from instituting proceedings after such finding or disposition to remove such party from office or to prohibit further participation in regulated entity affairs, and to prohibit compensation or other payment of money or other thing of current or potential value in connection with any resignation, removal, retirement, or other termination of employment or office of the party, pursuant to subsections (a), (d), or (e) of this section.

''(iii) EFFECTIVE PERIOD.—Any notice of suspension or order of removal issued under this subsection shall remain effective and outstanding until the completion of any hearing or appeal authorized under paragraph (4) unless terminated by the Director.

In the event all of the directors of a regulated entity are suspended pursuant to this section, the Director shall appoint persons to serve temporarily as directors in their place and stead pending the termination of such suspensions, or until such time as those who have been suspended cease to be directors of the regulated entity and their respective successors take office.

Upon receipt of any such request, the Director shall fix a time (not more than 30 days after receipt of such request, unless extended at the request of such party) and place at which such party may appear, personally or through counsel, before one or more members of the Director or designated employees of the Director to submit written materials (or, at the discretion of the Director, oral testimony) and oral argument. Within 60 days of such hearing, the Director shall notify such party whether the suspension or prohibition from participation in any manner in the conduct of the affairs of the regulated entity will be continued, terminated, or otherwise modified, or whether the order removing such party from office or prohibiting such party from further participation in any manner in the conduct of the affairs of the regulated entity, and prohibiting compensation in connection with termination will be rescinded or otherwise modified. Such notification shall contain a statement of the basis for the Director's decision, if adverse to such party. The Director is authorized to prescribe such rules as may be necessary to effectuate the purposes of this subsection.

''(i) HEARINGS AND JUDICIAL REVIEW.—

''(1) VENUE AND PROCEDURE.—Any hearing provided for in this section shall be held in the District of Columbia or in the Federal judicial district in which the headquarters of the regulated entity is located, unless the party afforded the hearing consents to another place, and shall be conducted in accordance with the provisions of chapter 5 of title 5, United States Code. Upon the filing of such petition, such court shall have jurisdiction, which upon the filing of the record shall (except as provided in the last sentence of paragraph (1)) be exclusive, to affirm, modify, terminate, or set aside, in whole or in part, the order of the Director. Review of such proceedings shall be had as provided in chapter 7 of title 5, United States Code. TITLE I—FHA HOUSING STABILIZATION AND HOMEOWNERSHIP RETENTION

SEC. 101. SHORT TITLE.

This title may be cited as the ''FHA Housing Stabilization and Homeownership Retention Act of 2008''.

Subtitle A—Homeownership Retention

SEC. 111. PURPOSES.

The purposes of this subtitle are—

(1) to create an FHA program, which is voluntary on the part of borrowers and existing mortgage loan holders, including both existing senior mortgage loan holders and existing subordinate mortgage loan holders, to insure refinance loans for substantial numbers of borrowers at risk of foreclosure, at levels which are reasonably likely to be sustainable through enhanced affordability of debt service;

(2) to provide flexible underwriting for FHA-insured loans under such a program to provide refinancing opportunities under fiscally responsible terms, including higher fees commensurate with higher risk levels, a seasoning requirement for higher debt to income loans, and additional program controls to limit and control risk;

(3) to bar speculators and second home owners from participation in such program;

(4) to require existing mortgage loan holders to take substantial loan writedowns in exchange for having the Federal Government and the borrower assume the ongoing risk of the refinanced loan;

(5) to set a loan-to-value limit on such loans that provides the FHA with an equity buffer against potential loan losses, provides protections against the risk of future home price declines, and creates incentives for borrowers to maintain payments on the loan;

(6) to protect the FHA against losses which may exceed normal FHA loss levels by establishing higher fee levels, including an exit fee and profit sharing during the first five years of the loan, with such higher fee levels effectively being funded through the required lender writedown;

(7) to provide a fair level of incentives for junior lien holders to provide the necessary releases of their lien interests, in order to meet program requirements that all outstanding liens must be extinguished, and thereby permit the refinancing to be completed;

(8) to enhance the administrative capacity of the FHA to carry out its expanded role under the program through establishment of an Oversight Board which adds expertise from the Federal Reserve and the Department of the Treasury, through additional funding to contract out for the provision of any needed expertise in designing program requirements and oversight, and through additional funding to increase FHA personnel resources as needed to handle the increased loan volume resulting from the program;

(9) to sunset the program when it is no longer needed; and

(10) to study the need for and efficacy of an auction or bulk refinancing mechanism to facilitate more expeditious refinancing of larger volumes of existing mortgages that are at risk for foreclosure into FHA-insured mortgages.
