

INDEX TO ENTRIES THAT AGENCIES HAVE DESIGNATED FOR SECTION 610 REVIEW

Section 610(c) of the Regulatory Flexibility Act (5 U.S.C. 601) requires each agency to have a plan for the periodic review of its rules that have significant economic impact on a substantial number of small entities. Each agency must publish annually in the **Federal Register** a list of the rules that it plans to review in the next year. Some agencies use The Regulatory Plan and the Unified Agenda to fulfill this requirement. Those agencies indicate such entries by appending “(Section 610 Review)” to the titles.

The following index lists the regulatory actions in this joint publication for which agencies included this designation. The Sequence Number (Seq. No.) of the entry identifies the location of the entry in this edition. For further information, see the Regulatory Information Service Center’s Introduction to The Regulatory Plan and the Unified Agenda in Part II of this issue.
