Proposed Rule Stage

2049. FOREIGN PROHIBITIONS ON LONGSHORE WORK BY U.S. NATIONALS

Priority: Substantive, Nonsignificant

Legal Authority: 8 USC 1288(d)

CFR Citation: 22 CFR 89 (Revision)

Legal Deadline: Final, Statutory, December 31, 1998.
Legal deadline reflects the statutory requirement that the list be updated on an annual basis.

Abstract: The above-mentioned statute requires the Secretary of State to compile, and update annually through notice-and-comment rulemaking procedures, a list, by particular longshore activity, of countries where performance of such activity is

prohibited by law, regulation, or in practice in the country concerned. According to the statute cited above, the Attorney General will use this list for enforcing restrictions on work performed by crewmembers of vessels from such countries. Compilation of the list itself does not involve any significant costs and is based upon information being provided to the Department of State by U.S. diplomatic missions overseas as well as by the public. Questions regarding the policy justification for the list and its use are best directed to the Departments of Labor, Transportation, and Justice.

Abstract: By resolution of the international diplomatic conference that adopted the final text of the 1973 convention on the forms of international wills, there was a recommendation that States establish an internal system to permit the optional registration of information to facilitate the discovery of international wills. The President transmitted the convention to the Senate on July 2, 1986, with the recommendation that the Senate give its advice and consent to U.S. ratification of the convention, and information about the intention to establish the Registry in the Department of State (Senate Treaty Doc. 99-29). The Senate gave advice and consent on August 2, 1991. Implementing legislation (the International Wills Act) is required before the United States can take further action to ratify the convention.
