According to the statute cited above, the Attorney General will use this list for enforcing restrictions on work performed by crewmembers of vessels from such countries. Abstract: These regulations govern Agency-designated au pair programs under which foreign nationals are afforded the opportunity to live with an American host family and participate directly in the home life of the host family while providing child care services and attending a U.S. postsecondary educational institution. The Agency's goal in proposing amendment to these existing regulations is to strengthen the oversight and reduce potential risks of injury to program participants. These amendments will provide greater specificity regarding the selection and orientation of both host family and au pair participants, thereby enhancing the prospect for more informed participation by both parties. Further proposed program enhancements would require disclosure of prior experience for au pair participants providing child care for special needs children. An amendment to provide for uniform program audits is also proposed.
