Semiannual Regulatory Agenda

**Federal Emergency Management Agency (FEMA)**

**FEDERAL EMERGENCY MANAGEMENT AGENCY**

**44 CFR Ch. I**

**Semiannual Regulatory Agenda**

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Semiannual regulatory agenda.

**SUMMARY:** The Federal Emergency Management Agency publishes its semiannual regulatory agenda in April and October to inform interested parties of progress on FEMA regulations. The agenda lists regulations that will be under development or review during the period October 1, 1999 to April 30, 2000.

**ADDRESSES:** For information about specific regulations, please contact the person listed as the agency contact in the agenda.

**FOR FURTHER INFORMATION CONTACT:** For general information of FEMA's regulatory agenda, contact H. Crane Miller, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., Washington,

DC 20472, (202) 646-3340, (FAX) (202) 646-4536 or e-mail Crane.Miller@fema.gov.

**SUPPLEMENTARY INFORMATION:** Executive Order 12866 "Regulatory Planning and Review" directs each executive agency to publish only such regulations as the law requires, are necessary to interpret the law, or are necessary by compelling public need. We and other Federal departments and agencies publish an agenda of regulations semiannually in order to give you adequate notice of agency rulemaking activities. We also publish a regulatory agenda of rules likely to be significant regulatory actions when that is appropriate.

To fulfill the requirements of Executive Order 12866, this agenda describes current and projected regulatory actions and rules that will be under review or development from October 1, 1999 to April 30, 2000. This agenda also contains information of regulations on which we completed action since the last FEMA semiannual agenda was published Monday, April 26, 1999 at 64 FR 22068 to 22074.

We invite your comments on the agenda, including comments by State

and local governments. Comments should be submitted to the Rules Docket Clerk, Office of the General Counsel, Federal Emergency Management Agency, 500 C Street SW., Washington, DC 20472, (FAX) (202) 646-4536 or e-mail rules@fema.gov. Please refer to the title of the rule that you are inquiring about, or commenting on and to the rule's Regulation Identifier Number (RIN) found at the end of each agenda entry.

The agenda is not limited to significant regulatory actions and it contains information about FEMA regulations to be developed, reviewed, or published in the next 12 months, except for routine flood elevation determinations, listings of eligible communities under the National Flood Insurance Program, listings of suspended communities and similar designations under the National Flood Insurance Program, and FEMA organizational and management matters.

**Dated:** September 15, 1999.
