3806. • REAL PROPERTY POLICIES UPDATE**Priority:** Other Significant**Legal Authority:** 40 USC 486(c)**CFR Citation:** 41 CFR 102-71 to 41 CFR 102-82**Legal Deadline:** None

Abstract: Final Rule FMR parts 102-71 to 102-82 was published in the Federal Register on January 18, 2001, and was effective on January 18, 2001. The completion of that regulatory action initiates the start of a new initiative entitled "Real Property Policies Update." The goal of this new initiative is to amend FMR parts 102-71 to 102-82 to reflect updated policies, such as location policy, outleasing policy, historic preservation/E.O. 13006 policy, and security policy.

3807. • FEDERAL TRAVEL REGULATION (FTR); MAXIMUM PER DIEM RATES**Priority:** Substantive, Nonsignificant**Legal Authority:** 5 USC 5707**CFR Citation:** 41 CFR 300; 41 CFR 301**Legal Deadline:** None

Abstract: Section 5702 of title 5, United States Code, provides for the Administrator of General Services to prescribe a maximum per diem allowance for travel within the continental United States. Analysis of data from the most recent subsistence cost surveys reveals that the current listing of specific per diem rates contained in a final rule appearing in part II of the Federal Register of Friday, August 31, 2001 (66 FR 46070), should be updated to add new entries and revise previous entries.

This amendment is not subject to the rulemaking requirements contained in section 553 of the Administrative Procedures Act (5 U.S.C. 551 to 559), since it involves matters related solely to agency management or personnel. GSA, therefore, did not request public comments on this rule. GSA will, however, send a copy of the amendment to Federal employee unions for review and will reconcile any comments received before issuing the final rule.

Legal Authority: Sec 210(j), Fed Prop and Admin Services Act of 1949, as amended (40 USC 490(j))

CFR Citation: 41 CFR 102-85**Legal Deadline:** None

Abstract: The General Services Administration (GSA) is revising the Federal Property Management Regulations (FPMR) by moving coverage of GSA's Rent Program into the Federal Management Regulation (FMR). A cross-reference is added to the FPMR to direct readers to the coverage in the FMR. The FMR is written in plain language to provide agencies with updated regulatory material that is easy to read and understand. This interim rule establishes the pricing policy guidance for Occupancy Agreements between GSA and the customer agencies. It also governs intra-governmental pricing of space and services.

Legal Deadline: None

Abstract: Under the current regulation at 5 CFR 6701.103, GSA employees (and their spouses and minor children) are prohibited from purchasing for themselves or others any personal or real property being sold by GSA. This regulation supplemented the prohibition on the use of public office for private gain at 5 CFR 2635.702 and the prohibition on the use of nonpublic information at 5 CFR 2635.703. GSA believes that the current prohibition at section 6701.103 for all GSA employees, their spouses, and minor children is unnecessarily broad and that the prohibition should be extended only to those employees where the possibility of using public office or nonpublic information for private gain exists or where the possibility of the appearance of a conflict of interest occurs. For that reason, GSA is retaining but liberalizing this provision, so as to allow the purchase by GSA employees of property sold by GSA, except for those GSA employees who personally and substantially participate in, or have official responsibility for, the sale of real and personal property.

Abstract: The General Services Administration (GSA) is extending the retirement date of Optional Forms 1103, U.S. Government Bill of Lading (GBL), and 1203, U.S. Government Bill of Lading-Privately Owned Personal Property (PPGBL), until March 31, 2002. A GSA review indicated that instead of transitioning to standard business practices, agencies were creating a new form to replace the GBL. Extending the retirement date for 6 months will give agencies more time to enhance electronic transportation systems currently in place and transition to the use of commercial practices.
