On motion of Mr. ROSTENKOWSKI, by unanimous consent, the bill (H.R. 4210) to amend the Internal Revenue Code of 1986 to provide incentives for increased economic growth and to provide tax relief for families; together with the amendments of the Senate thereto, was taken from the Speaker's table.

Resolved, That the House disagree to the amendments of the Senate and agree to the conference asked by the Senate on the disagreeing votes of the two Houses thereon.

Ordered, That the Clerk notify the Senate thereof.

Mr. ARCHER moved that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on H.R. 4210, be instructed not to agree to either those provisions in section 3001 of the Senate amendment which would impose a new tax rate of 36% on individuals, or those provisions in sections 3001 and 3002 of the House bill which would impose a new tax rate of 35% on individuals and increase the alternative minimum tax rate for individuals, as those provisions are committed to conference.

After debate, Mr. WALKER submitted a preferential motion that the House lay on the table the motion to instruct conferees.

The question being put, *viva voce*, Will the House agree to the motion to lay on the table the motion to instruct?

Mr. WALKER objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present, The roll was called under clause 4, rule XV, and the call was taken by electronic device.
