SEC. 3102. DAMS IN NATIONAL PARKS.

(a) PROHIBITION.—(1) Except as provided in paragraph (2), no individual corporation, partnership, Federal or State agency, political subdivision, or any other legal entity may commence construction of—

(A) any new dam or other new impoundment within the external boundaries of any unit of the National Park System; or

(B) any new dam or other new impoundment which, after the date of enactment of this Act, will inundate any land within the external boundaries of any unit of the National Park System.

(2) The provisions of this subsection shall not apply to a project developed by the National Park Service that the Secretary of the Interior determines necessary to meet the purposes for which the affected unit of the National Park System was established if such project would not degrade the resources or values of such unit.

(b) DEFINITIONS.—For purposes of this section, the following terms shall have the following meanings:

(1) The term "new dam or other new impoundment" means any facility for impoundment or obstruction of the flow of water, construction of which commences after the enactment of this Act.

(2) The term "impoundment" means the formation of a body of water upstream from a dam or other structure caused by the construction or operation of the dam or other structure.

(3) The term "inundate" means to permanently or intermittently cover land with water.

(c) CONCURRENCE.—Notwithstanding any other provision of law, no department or agency of the United States shall renew or reissue any license, or issue a new license, for any dam or other facility for impoundment or obstruction of the flow of water that is located on or that inundates any land within the National Park System, if such action would result in new or increased effects on the resources and values of such land, unless the Secretary of the Interior concurs in such action.

(d) SCOPE.—The prohibition of this section shall be in addition to, and not in lieu of, any other prohibition or restriction on activities within any unit of the National Park System.

(e) OTHER PROJECTS.—Nothing in this section prohibits the Secretary of the Army or any other Federal department or agency from undertaking a study of any project or from submitting a recommendation to Congress for the authorization or licensing of such project.

SEC. 3103. STATE OR LOCAL GOVERNMENT LANDS.

Section 21 of the Federal Power Act is amended as follows:

(1) In the first sentence after the word "right" the first place it appears insert "temporarily during project construction."

(2) In the first sentence after the word "damage" insert "(and to restore and repair)".

(3) After the first sentence insert: "The term 'unimproved dam site' shall not include any site or area that was acquired by a State or local government or agency thereof solely for the purposes of a public park, recreation, or wildlife refuge before the date such license is issued a license by the Commission and is owned and operated for such purposes, except that nothing in this sentence shall preclude a State or local government from consenting to the acquisition of such site or area with the licensee."

The amendments made by this section to section 21 of the Federal Power Act shall

apply to the exercise of eminent domain by any licensee under such section after the date of enactment of this Act.

SEC. 3104. COORDINATION WITH FEDERAL AGENCIES.

Section 6(g) of the Land and Water Conservation Fund Act of 1965 is amended by inserting the following at the end thereof: "If a State has enacted statutory provisions providing for the permanent protection of the natural, ecological, cultural, scenic, or recreational resources of designated river segments within that State, if such protection is part of a comprehensive Statewide plan approved by the Secretary of the Interior under section 6, and if such provisions prohibit the development of new hydroelectric power projects on such designated segments, neither the Secretary nor any other officer or agent of the United States (other than the Secretary of the Army or the Chief of the United States Soil Conservation Service) shall assist or issue an original license or an exemption for the construction of any new hydroelectric power project if the project is located wholly within that State and if such assistance, license, or exemption would be inconsistent with such prohibition. The preceding sentence shall not apply to any project authorized for construction by the Secretary of the Army before, on, or after the date of the enactment of this sentence and not subsequently deauthorized pursuant to the provisions of title X of Public Law 99-662 or any other provision of law."

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.
