On motion of Mr. MURTHA, by unanimous consent,

Ordered, That in the engrossment of the foregoing bill, the Clerk be authorized to correct section numbers, punctuation, cross references, and to make other technical corrections.

88.17 MESSAGE FROM THE SENATE

A message from the Senate by Mr. Hallen, one of its clerks, announced that the Senate had passed a bill of the following title, in which the concurrence of the House is requested:

S. 3007. An Act to authorize financial assistance for the construction and maintenance of the Mary McLeod Bethune Memorial Fine Arts Center.

88.18 PRIVILEGES OF THE HOUSE

Mr. OLVER rose to a question of the privileges of the House and submitted the following resolution (H. Res. 525):

Whereas on July 22, 1992 the Republican Members and staff of the Committee on House Administration and the Committee's Task Force to Investigate the Operation and Management of the Office of the Postmaster disseminated to the media and the public a document which although entitled "Report of the Committee on House Administration Task Force to Investigate the Operation and Management of the Office of the Postmaster" was in fact not the report of the Task Force but rather a report of the Republican Members of the Task Force; and,

Whereas at page 52 of that document the Republican Members of the Task Force indicate that a post office box was retained at the Brentwood Post Office on behalf of Representative John Olver and that the retention of such a post office box might raise certain concerns; and,

Whereas in fact the post office box referred to in the Report of the Republican Members of the Task Force was retained not by or on behalf of Representative Olver, a Member of the Democratic Party but instead on behalf of Representative Olver's predecessor, a Member of the Republican Party; and,

Whereas the inclusion of this false, incorrect, and improper reference to Representative Olver, and the widespread dissemination of the false, incorrect and improper information has caused unwarranted injury to the reputation and good name of Representative Olver, it is therefore,

Resolved, That the Committee on House Administration is hereby directed to issue a formal apology to Representative Olver and such apology shall be personally signed by all Members of the Task Force, and it is further,

Resolved, That any and all printing, distribution or other dissemination of the Republican Members Report shall cease and desist until such time as the text of the Repub-

lican Members Report is corrected to accurately reflect that Representative Olver did not have a post office box retained on his behalf, and it is further,

Resolved, That the Chairman of the Committee on House Administration is hereby directed to determine the cause of the incorrect attribution of a post office box retained on behalf of a Member of the Republican Party to a Member of the Democratic Party in the Report of the Republican Members of the Task Force, who was responsible for the publication and dissemination of this false information and whether further inquiry is warranted to determine whether the publication and dissemination of this falsehood constitute the violation of any Rule of the House or applicable legal standard.

The SPEAKER pro tempore, Mr. GEPHARDT, ruled that the resolution submitted did present a question of the privileges of the House under rule IX.

After debate, Mr. OLVER, withdrew said resolution.

88.19 PRIVILEGES OF THE HOUSE

Mr. WALKER rose to a question of the privileges of the House and submitted the following resolution (H. Res. 526):

Whereas on July 22, 1992, the House of Representatives voted to transmit to the Committee on Standards of Official Conduct the Committee Report and all records obtained by the Task Force to Investigate the Operation and Management of the House Post Office;

Whereas the Majority has selectively included portions of the transcript of the proceedings of the Task Force in the Appendix to their Report; and

Whereas matters have been raised which impugn the integrity of the proceedings of the House of Representatives: Now, therefore, be it

Resolved, That the Committee on House Administration is directed to make public complete transcripts of all proceedings of the Task Force, including depositions and statements of witnesses.

The SPEAKER ruled that the resolution submitted did present a question of the privileges of the House under rule IX.

After debate, Mr. KLECZKA moved to lay the resolution on the table.

The question being put, viva voce, Will the House lay the resolution on the table?

The SPEAKER pro tempore, Mr. DERRICK, announced that the yeas had it.

On a division demanded by Mr. WALKER, there appeared, yeas—18, nays—17.

Mr. WALKER objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present, The roll was called under clause 4, rule XV, and the call was taken by electronic device.

¶88.21 PROVIDING FOR THE CONSIDERATION OF H.R. 4850

Mr. MOAKLEY, by direction of the Committee on Rules, called up the following resolution (H. Res. 523):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for the consideration of the bill (H.R. 4850) to amend the Communications Act of 1934 to provide increased consumer protection and to promote increased competition in the cable television and related markets, and for other purposes, and the first reading of the bill shall be dispensed with. After general debate, which shall be confined to the bill and which shall not exceed one hour, to be equally divided and controlled by the chairman and ranking minority member of the Committee on Energy and Commerce, the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider the amendment in the nature of a substitute recommended by the Committee on Energy and Commerce now printed in the bill as an original bill for the purpose of amendment under the five-minute rule and said substitute shall be considered as having been read. No amendment to said substitute shall be in order except those made in order by section 2 of this resolution or the amendments printed in the report of the Committee on Rules accompanying this resolution. Said amendments shall be considered in the order and manner specified in the report and shall be considered as having been read. Said amendments shall be debatable for the pe-

riod specified in the report, equally divided and controlled by the proponent and a Member opposed thereto. Said amendments shall not be subject to amendment except as specified in the report. All points of order against the amendments printed in the report are hereby waived.

SEC. 2. It shall be in order at any time for the chairman of the Committee on Energy and Commerce, or his designee, to offer amendments en bloc, consisting of amendments and modifications in the text of any amendment which are germane thereto, printed in the report of the Committee on Rules. Said amendments en bloc shall be considered as having been read, shall not be subject to amendment, or to a demand for a division of the question in the House or in the Committee of the Whole. Such amendments en bloc shall be debatable for not to exceed twenty minutes, equally divided and controlled by the chairman and ranking minority member of the Committee on Energy and Commerce. The original proponents of the amendments offered en bloc shall have permission to insert statements in the Congressional Record immediately before the disposition of the amendments en bloc.

SEC. 3. At the conclusion of the consideration of the bill for amendment, the Committee shall rise and report the bill to the House with such amendments as may have been adopted, and any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 4. After passage of H.R. 4850, it shall be in order to move to take from the Speaker's table the bill S. 12 and ask for its immediate consideration in the House. It shall then be in order to move to strike out all after the enacting clause of S. 12 and insert in lieu thereof the provisions of H.R. 4850 as passed by the House. It shall then be in order to move to insist on the House amendment to S. 12 and request a conference with the Senate thereon.

When said resolution was considered.

After debate,

On motion of Mr. MOAKLEY, the previous question was ordered on the resolution to its adoption or rejection and under the operation thereof, the resolution was agreed to.

A motion to reconsider the vote whereby said resolution was agreed to was, by unanimous consent, laid on the table.
