¶101.4 PROVIDING FOR THE CONSIDERATION OF H.R. 4323

Mr. WHEAT, by direction of the Committee on Rules, called up the following resolution (H. Res. 551):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1 (b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 4323) to improve education for all students by restructuring the education system in the States. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 8 of rule XXI are waived. General debate shall be confined to the bill and the amendments made in order by this resolution and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Education and Labor. After general debate the bill shall be considered for amend-

ment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Education and Labor now printed in the bill, modified by the amendments printed in section 2 of this resolution. The committee amendment in the nature of a substitute, as modified, shall be considered as read. Points of order against the committee amendment in the nature of a substitute, as modified, for failure to comply with clause 7 of rule XVI are waived. No amendment to the committee amendment in the nature of a substitute, as modified, shall be in order except the amendments printed in the report of the Committee on Rules accompanying this resolution and amendments en bloc described in this resolution. Amendments printed in the report may be offered only in the order printed and only by the named proponent or a designee, shall be considered as read when offered, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. Any time specified in the report for debate on an amendment shall be equally divided and controlled by the proponent and an opponent. All points of order against amendments printed in the report are waived. It shall be in order at any time for the chairman of the Committee on Education and Labor or his designee to offer amendments en bloc consisting of amendments printed in the report of the Committee on Rules or germane modifications thereof. Such amendments en bloc shall be considered as read, except that modifications shall be reported; shall be debatable for forty minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Education and Labor or their respective designees; shall not be subject to amendment; and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments en bloc are waived. The original proponent of an amendment included in amendments en bloc may insert a statement in the Congressional Record immediately before the disposition of the amendments en bloc. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute, as modified. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions. After passage of H.R. 4323, it shall be in order to take from the Speaker's table the bill S. 2 and to consider the Senate bill in the House. All points of order against the Senate bill and its consideration are waived. It shall then be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 4323 as passed by the House. All points of order against that motion are waived. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move to insist on the House amendment to S. 2 and to request a conference with the Senate thereon.
