¶114.9 COMMUNICATION FROM THE CLERK—MESSAGE FROM THE PRESIDENT

The SPEAKER pro tempore, Mr. HUBBARD, laid before the House a communication, which was read as follows:

WASHINGTON, DC,
September 28, 1992.

Hon. THOMAS S. FOLEY
The Speaker, U.S. House of Representatives, Washington, DC.

DEAR MR. SPEAKER: Pursuant to the permission granted in Clause 5 of Rule III of the Rules of the U.S. House of Representatives, I have the honor to transmit a sealed envelope received from the White House on Friday, September 25, 1992 at 7:05 p.m. and said to contain a message from the President whereby he transmits proposed legislation entitled the "Federal Pay Reduction Act of 1992" and a section-by-section analysis of the legislation.

With great respect, I am
Sincerely yours,

DONNALD K. ANDERSON,
Clerk, House of Representatives.

¶114.10 FEDERAL PAY REDUCTION ACT

The Clerk then read the message from the President, as follows:

To the Congress of the United States:

I am pleased to transmit today for your immediate consideration and enactment the "Federal Pay Reduction Act of 1992." This legislation is part of my Agenda for American Renewal. The proposal is an important step toward "rightsizing" our Government—making it more fiscally responsible and reducing its size and structure. Also transmitted is a section-by-section analysis.

There are many in America who are out of work or uncertain of their prospects. The Federal deficit constrains the capacity to rejuvenate the economy. It is therefore appropriate that those who lead the Government make a personal contribution—toward reducing the deficit and as a symbol of our

understanding of the concerns of so many Americans. Accordingly, this proposal would reduce the salary of the President, the Vice President, and the Speaker of the House of Representatives by a full 10 percent. For other leaders in our Government—Members of Congress, senior officials paid more than \$75,000 in all three branches of the Government, and high-ranking military officers—the pay reductions would be 5 percent. An otherwise scheduled pay increase in January 1993 for these officials would not take place.

Under our Constitution, the President's salary can only be changed at the beginning of a new term of office. Pay reductions for all others affected will take place with the first pay period beginning on or after January 20, 1993. It is therefore essential that this legislation be enacted immediately, before the adjournment of the current Congress.

GEORGE BUSH.

The White House, *September 25, 1992.*

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Post Office and Civil Service, the Committee on House Administration, and the Committee on Armed Services and ordered to be printed (H. Doc. 102-397).

¶114.11 PUBLIC WORKS PROJECTS
