## 11.16 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO IRAQ

The SPEAKER pro tempore, Mr. THORNTON, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

I hereby report to the Congress on the developments since the last report of August 3, 1992, concerning the national emergency with respect to Iraq that was declared in Executive Order No. 12772 of August 2, 1990. This report is submitted pursuant to sections 401(c) of the National Emergencies Act ("NEA"), 50 U.S.C. 1641(c), and section

204(c) of the International Emergency Economic Powers Act ("IEEPA"), 50 U.S.C. 1703(c).

Executive Order No. 12722 ordered the immediate blocking of all property and interests in property of the Government of Iraq (including the Central Bank of Iraq) then or thereafter located in the United States or within the possession or control of a U.S. person. That order also prohibited the importation into the United States of goods and services of Iraqi origin, as well as the exportation of goods, services, and technology from the United States to Iraq. The order prohibited travel-related transactions to or from Iraq and the performance of any contract in support of any industrial, commercial, or governmental project in Iraq. U.S. persons were also prohibited from granting or extending credit or loans to the Government of Iraq.

The foregoing prohibitions (as well as the blocking of Government of Iraq property) were continued and augmented on August 9, 1990, by Executive Order 12724, which was issued in order to align the sanctions imposed by the United States with United Nations Security Council Resolution 661 of August 6, 1990.

This report discusses only matters concerning the national emergency with respect to Iraq that was declared in Executive Order No. 12722 and matters relating to Executive Orders Nos. 12724 and 12817 (the "Executive Orders"). The report covers events from August 2, 1992, through February 1, 1993.

1. On October 21, 1992, President Bush issued Executive Order No. 12817, implementing the United States measures adopted in United Nations Security Council Resolution ("UNSCR") No. 778 of October 2, 1992. UNSCR No. 778 requires U.N. member states temporarily to transfer to a U.N. escrow account up to \$200 million apiece in Iraqi oil proceeds paid by the purchaser after the imposition of U.N. sanctions on Iraq. These funds finance Iraq's obligations for U.N. activities with respect to Iraq, including expenses to verify Iraqi weapons destruction and to provide humanitarian assistance in Iraq on a non-partisan basis. A portion of the escrowed funds will also fund the activities of the U.N. Compensation Commission in Geneva, which will handle claims from victims of the Iraqi invasion of Kuwait. The funds placed in the escrow account are to be returned, with interest, to the member states that transferred them to the U.N., as funds are received from future sales of Iraqi oil authorized by the United Nations Security Council. No member state is required to fund more than half of the total contributions to the escrow account.

Executive Order No. 12817 authorized the Secretary of the Treasury (the "Secretary") to identify the proceeds of the sale of Iraqi petroleum or petroleum products paid for by or on behalf of the purchaser on or after August 6, 1990, and directed United States finan-

cial institutions holding such funds to transfer them to the Federal Reserve Bank of New York ("FRBNY") in the manner required by the Secretary. Executive Order No. 12817 further directs the FRBNY to receive, hold, and transfer funds in which the Government of Iraq has an interest at the direction of the Secretary to fulfill U.S. rights and obligations pursuant to UNSCR No. 778.

2. The economic sanctions imposed on Iraq by the Executive order are administered by the Treasury Department's Office of Foreign Assets Control ("FAC") pursuant to the Iraqi Sanctions Regulations, 31 CFR Part 575 ("ISR"). The ISR were amended on September 1, 1992, to revoke section 575.603, which had required U.S. financial institutions to file monthly reports regarding certain bank accounts in which the Government of Iraq has an interest. While this information was needed during the early implementation of the regulations and for a period thereafter, it is no longer required on a monthly basis and can be obtained by FAC on a case-by-case basis as required. The amendment is in harmony with President Bush's Regulatory Initiative.

3. Investigations of possible violations of the Iraqi sanctions continue to be pursued and appropriate enforcement actions taken. These are intended to deter future activities in violation of the sanctions. Additional civil penalty notices were prepared during the reporting period for violations of the IEEPA and ISR with respect to transactions involving Iraq. Penalties were collected, principally from financial institutions which engaged in unauthorized, albeit apparently inadvertent, transactions with respect to Iraq.

4. Investigation also continues into the roles played by various individuals and firms outside Iraq in Saddam Hussein's procurement network. These investigations may lead to additions to the FAC listing of individuals and organizations determined to be Specially Designated Nations ("SDNs") of the Government of Iraq.

5. Pursuant to Executive Order No. 12817 implementing UNSCR No. 778, on October 26, 1992, FAC directed the FRBNY to establish a blocked account for receipt of certain post-August 6, 1990, Iraqi oil sales proceeds, and to hold, invest, and transfer these funds as required by the order. On the same date, FAC directed the eight United States financial institutions holding the affected oil proceeds, on allocated, pro rata basis, to transfer a total of \$200 million of these blocked Iraqi assets to the FRBNY account. On December 15, 1992, following the payment of \$20 million by the Government of Kuwait and \$30 million by the Government of Saudi Arabia to a special United Nations-controlled account, entitled UNSCR No. 778 Escrow Account, the FRBNY was directed to transfer a corresponding amount of \$50 million from the blocked account it holds to the United Nations-controlled account. Future transfers from the blocked
