So the amendment was not agreed to. After some further time,

¶99.12 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mrs. SCHROEDER:

At the end of subtitle B of title XXVIII of the bill, add the following new section:

SEC. 2819. EXPANSION OF BASE CLOSURE LAW TO INCLUDE CONSIDERATION OF MILITARY INSTALLATIONS OUTSIDE THE UNITED STATES FOR CLOSURE AND REALIGNMENT.

(a) EXPANSION OF SCOPE OF BASE CLOSURE LAW.—The Defense Base Closure and Realignment Act of 1990 (Part A of title XXIX of Public Law 101-510; 10 U.S.C. 2687 note) is amended—

(1) by redesignating sections 2910 and 2911 as sections 2911 and 2912, respectively; and

(2) by inserting after section 2909 the following new section:

“SEC. 2910. CONSIDERATION OF MILITARY INSTALLATIONS OUTSIDE THE UNITED STATES.

“(a) RECOMMENDATIONS FOR TERMINATION AND REDUCTIONS OF MILITARY OPERATIONS OUTSIDE THE UNITED STATES.—With respect to recommendations made in 1995 for the closure and realignment of military installations under this part, the Secretary and the Commission shall include recommendations for the termination and reduction of military operations carried out by the United States at military installations outside the United States.

“(b) SELECTION CRITERIA.—(1) Not later than December 31, 1993, the Secretary shall publish in the Federal Register and transmit to the congressional defense committees the criteria proposed to be used by the Department of Defense in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States. The Secretary shall provide an opportunity for public comment on the proposed criteria for a period of at least 30 days and shall include notice of that opportunity in the publication required under the preceding sentence.

“(2) Not later than February 15, 1994, the Secretary shall publish in the Federal Register and transmit to the congressional defense committees the final criteria to be used in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States.

“(3) The criteria developed under this subsection, along with the force-structure plan referred to in section 2903(a), shall be the final criteria to be used in making recommendations for terminating and reducing military operations carried out by the United States at military installations outside the United States, unless the criteria are—

“(A) disapproved by a joint resolution of Congress enacted on or before March 15, 1994; or

“(B) amended by the Secretary in the manner described in section 2903(b)(2)(B).

“(c) RECOMMENDATIONS OF THE SECRETARY.—The Secretary shall transmit recommendations to the Commission for the termination and reduction of military operations of the United States at specified military installations outside the United States. The recommendations shall be included in the recommendations transmitted to the Commission with respect to the closure and realignment of military installations inside the United States under section 2903(c).

“(d) REVIEW AND RECOMMENDATIONS BY COMMISSION.—The Commission shall review the recommendations transmitted by the Secretary under subsection (c). The Commission may make changes in the recommendations made by the Secretary only in the manner provided in subparagraphs (B), (C), and (D) of section 2903(d)(2). The Commission shall include, in its recommendations to the President under section 2903(d), its recommendations for the termination and reduction of military operations of the United States at specified military installations outside the United States.

“(e) REVIEW AND TRANSMITTAL BY THE PRESIDENT.—The recommendations transmitted by the President under section 2903(e) shall contain the recommendations of the Commission for the termination and reduction of military operations of the United States at specified military installations outside the United States.”

(b) EFFECT OF FAILURE TO INCLUDE SUFFICIENT OVERSEAS INSTALLATIONS.—Section 2903 of such Act is amended by adding at the end the following new subsection:

“(f) FAILURE TO INCLUDE SUFFICIENT OVERSEAS INSTALLATIONS.—(1) In the case of the recommendations of the Commission required to be transmitted to the Congress in 1995 pursuant to subsection (e), if the closure or realignment of military installations outside the United States does not account for at least 25 percent of the closure and realignment recommendations of the Commission, as certified by the Commission under paragraph (2), then the process by which military installations may be selected for closure or realignment under this part with respect to that year shall be terminated.

“(2) In determining whether the percentage specified in paragraph (1) is satisfied, the Commission shall calculate such percentage both in terms of—

“(A) the number of military installations outside the United States recommended for closure or realignment as a percentage of the total number of military installations recommended for closure or realignment that year; and

“(B) the number of military personnel and civilian employees of the Department of Defense stationed or employed outside the United States directly affected by the recommendations as a percentage of the total number of military personnel and civilian employees of the Department of Defense directly affected by the recommendations.”

(c) CONFORMING AMENDMENTS.—(1) Subsection (b) of section 2901 of such Act is amended to read as follows:

“(b) Purpose.—The purpose of this part is to provide a fair process that will result in the timely closure and realignment of military installations inside and outside the United States.”

(2) Section 2911 of such Act, as redesignated by subsection (a)(1), is amended—

(A) in paragraph (4), by inserting after the first sentence the following new sentence: “With respect to military operations carried out by the United States outside the United States, such term includes the sites and facilities at which such operations are carried out without regard to whether the sites and facilities are owned by the United States.”; and

(B) by adding at the end the following new paragraph:

“(8) The terms ‘closure’ and ‘realignment’ include, with respect to military operations carried out by the United States outside the United States, the termination or reduction of such operations.”

It was decided in the { Yeas 286 affirmative } Nays 137
