

(A) the number of United States military personnel stationed overseas continues to decline; and

(B) the countries in which United States military personnel are stationed and the alliances in which the United States participates assume an increased share of United States overseas basing costs.

(c) REDUCING UNITED STATES OVERSEAS BASING COSTS.—(1) In order to achieve additional savings in overseas basing costs, the President should—

(A) continue with the reductions in United States military presence overseas as required by sections 1302 and 1303 of the National Defense Authorization Act for Fiscal Year 1993; and

(B) intensify his efforts to negotiate a more favorable host-nation agreement with each foreign country to which this paragraph applies under paragraph (3)(A).

(2) For purposes of paragraph (1)(B), a more favorable host-nation agreement is an agreement under which such foreign country—

(A) assumes an increased share of the costs of United States military installations in that country, including the costs of—

- (i) labor, utilities, and services;
- (ii) military construction projects and real property maintenance;
- (iii) leasing requirements associated with the United States military presence; and
- (iv) actions necessary to meet local environmental standards;

(B) relieves the Armed Forces of the United States of all tax liability that, with respect to forces located in such country, is incurred by the Armed Forces under the laws of that country and the laws of the community where those forces are located; and

(C) ensures that goods and services furnished in that country to the Armed Forces of the United States are provided at minimum cost and without imposition of user fees.

(3)(A) Except as provided in subparagraph (B), paragraph (1)(B) applies with respect to—

- (i) each country of the North Atlantic Treaty Organization (other than the United States); and
- (ii) each other foreign country with which the United States has a bilateral or multilateral defense agreement that provides for the assignment of combat units of the Armed Forces of the United States to permanent duty in that country or the placement of combat equipment of the United States in that country.

(B) Paragraph (1) does not apply with respect to—

- (i) a foreign country that receives assistance under section 23 of the Arms Export Control Act (22 U.S.C. 2673) (relating to the foreign military financing program) or under the provisions of chapter 4 of part II of the Foreign Assistance Act of 1961 (22 U.S.C. 2346 et seq.); or
- (ii) a foreign country that has agreed to assume, not later than September 30, 1996, at least 75 percent of the nonpersonnel costs of United States military installations in the country.

(d) OBLIGATIONAL LIMITATION.—(1) The total amount appropriated to the Department of Defense for Military Personnel, for Operation and Maintenance, and for military construction (including NATO Infrastructure) that is obligated to conduct overseas basing activities during fiscal year 1994 may not exceed \$16,915,400,000 (such amount being the amount appropriated for such purposes for fiscal year 1993 reduced by \$3,300,000,000).

(2) For purposes of this subsection, the term "overseas basing activities" means the activities of the Department of Defense for which funds are provided through appropriations for Military Personnel, for Operation and Maintenance (including appropriations

for family housing operations), and for military construction (including family housing construction and NATO Infrastructure) for the payment of costs for Department of Defense overseas military units and the costs for all dependents who accompany Department of Defense personnel outside the United States.

(e) ALLOCATIONS OF SAVINGS.—Any amounts appropriated to the Department of Defense for fiscal year 1994 for the purposes covered by subsection (d)(1) that are not available to be used for those purposes by reason of the limitation in that subsection shall be allocated by the Secretary of Defense for operation and maintenance and for military construction activities of the Department of Defense at military installations and facilities located inside the United States.

- (1) in subsection (a)—
  - (A) by striking out "During fiscal years 1992 and 1993, the Secretary" and inserting in lieu thereof "The Secretary"; and
  - (B) by striking out "Japan, Kuwait, and the Republic of Korea" and inserting in lieu thereof "any country or regional organization designated for purposes of this section by the Secretary of Defense"; and

**"SEC. 1045. BURDENSARING CONTRIBUTIONS FROM DESIGNATED COUNTRIES AND REGIONAL ORGANIZATIONS."**

**SEC. 1045. MODIFICATION OF CERTAIN REPORT REQUIREMENTS.**

(a) BIENNIAL NATO REPORT.—Section 1002(d) of the Department of Defense Authorization Act, 1985 (Public Law 98-525; 22 U.S.C. 1928 note), is amended—

- (1) by striking out "(1) Not later than April 1, 1990, and biennially each year thereafter" and inserting in lieu thereof "Not later than April 1 of each even-numbered year";

At the end of title X (page 346, after line 23), insert the following section:

SEC. 1043. ENFORCEMENT OF INCREASED HOST-NATION SUPPORT UNDER DEFENSE BURDENSARING AGREEMENTS.

(a) OVERALL AUTHORIZATION REDUCTION.—The total amount authorized to be appropriated by this Act for fiscal year 1994 is the sum of the separate authorizations contained in this Act for that fiscal year reduced by \$1,000,000,000.

(b) REDUCTION OF FUNDS FOR ACTIVITIES IN EUROPE.—Reductions in amounts authorized to be appropriated to the Department of Defense to achieve the overall reduction required by subsection (a) may be made only from funds for programs, projects, and activities for the support of United States forces assigned to or stationed in Europe.

The effect on those programs, projects, and activities of such reductions in amounts authorized to be appropriated may be accounted for through either or a combination of the following:

(1) Increases in the level of host-nation support due to agreements reached pursuant to section 1301(e) of the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2544).

(2) Accelerated withdrawal of United States forces or equipment under the provisions of section 1302 and the amendment made by section 1303 of such Act (Public Law 102-484; 106 Stat. 2545).

(c) MAINTENANCE OF PRESENCE IN EUROPE.—To the extent that reductions required by subsection (a) are accounted for by accelerated withdrawal of United States forces as described in subsection (a)(2), the President is encouraged to enter into agreements with European member nations of the North Atlantic Treaty Organization for the short-term deployment of United States forces in such nations (in lieu of assignment to permanent duty in such nations) for joint training at military facilities that are paid for and maintained primarily by such nations.

(d) USE OF SAVINGS.—The savings realized as a result of the reductions for purposes of subsection (a) shall be allocated as follows:

(1) \$500,000,000 shall be used for reduction of the deficit.

(2) \$500,000,000 shall be used for defense conversion, reinvestment, and transition assistance programs under title XIII, of which—

(A) \$300,000,000 shall be used to increase funding for activities of the Department of Defense under chapter 148 of title 10, United States Code, and section 2197 of such title, as described in section 1311;

(B) \$40,000,000 shall be used to increase funding for community adjustment and economic diversification assistance under section 2391(b) of title 10, United States Code;

(C) \$60,000,000 shall be used to increase funding for the teacher and teacher's aide placement programs under section 1151 of title 10, United States Code;

(D) \$60,000,000 shall be used to increase funding for the law enforcement placement program under section 1152 of title 10, United States Code, and the health care provider placement program under section 1153 of such title, as added by section 1332;

(E) \$10,000,000 shall be used to increase funding for the program to provide demonstration grants to institutions of higher education to provide education and training in environmental restoration to dislocated defense workers and young adults, as established by section 1333;

(F) \$10,000,000 shall be used to increase funding for the demonstration program for the training of recently discharged veterans for employment in construction and in hazardous waste remediation, as established by section 1335; and

(G) \$20,000,000 shall be used to increase funding for the Service Members Occupational Conversion and Training Act of 1992 (subtitle G of title XLIV of Public Law 102-484; 106 Stat. 2768).

(e) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the President should continue efforts to enter into revised host-nation agreements as described in section 1301(e) of National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2545) for purposes of providing that foreign countries assume an increased share of the costs of United States military installations in those countries and for the other purposes set forth in paragraph (2) of that section; and

(2) each host-nation agreement entered into pursuant to such section should require the host nation to increase its payments under the agreement at an annual rate of not

less than 15 percent per year so that the host nation assumes, not later than September 30, 1998, at least 75 percent of the non-personnel costs of United States military installations in that nation.
