A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. FRANK:

At the end of title X (page 346, after line 23), insert the following section:

SEC. 1043. ENFORCEMENT OF INCREASED HOST-NATION SUPPORT UNDER DEFENSE BURDENSARING AGREEMENTS.

(a) OVERALL AUTHORIZATION REDUCTION.—The total amount authorized to be appropriated by this Act for fiscal year 1994 is the sum of the separate authorizations contained in this Act for that fiscal year reduced by \$1,000,000,000.

(b) REDUCTION OF FUNDS FOR ACTIVITIES IN EUROPE.—Reductions in amounts authorized to be appropriated to the Department of Defense to achieve the overall reduction required by subsection (a) may be made only from funds for programs, projects, and activities for the support of United States forces assigned to or stationed in Europe.

The effect on those programs, projects, and activities of such reductions in amounts authorized to be appropriated may be accounted for through either or a combination of the following:

(1) Increases in the level of host-nation support due to agreements reached pursuant to section 1301(e) of the National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2544).

(2) Accelerated withdrawal of United States forces or equipment under the provisions of section 1302 and the amendment made by section 1303 of such Act (Public Law 102-484; 106 Stat. 2545).

(c) MAINTENANCE OF PRESENCE IN EUROPE.—To the extent that reductions required by subsection (a) are accounted for by accelerated withdrawal of United States forces as described in subsection (a)(2), the President is encouraged to enter into agreements with European member nations of the North Atlantic Treaty Organization for the short-term deployment of United States forces in such nations (in lieu of assignment to permanent duty in such nations) for joint training at military facilities that are paid for and maintained primarily by such nations.

(d) USE OF SAVINGS.—The savings realized as a result of the reductions for purposes of subsection (a) shall be allocated as follows:

(1) \$500,000,000 shall be used for reduction of the deficit.

(2) \$500,000,000 shall be used for defense conversion, reinvestment, and transition assistance programs under title XIII, of which—

(A) \$300,000,000 shall be used to increase funding for activities of the Department of Defense under chapter 148 of title 10, United States Code, and section 2197 of such title, as described in section 1311;

(B) \$40,000,000 shall be used to increase funding for community adjustment and economic diversification assistance under section 2391(b) of title 10, United States Code;

(C) \$60,000,000 shall be used to increase funding for the teacher and teacher's aide placement programs under section 1151 of title 10, United States Code;

(D) \$60,000,000 shall be used to increase funding for the law enforcement placement program under section 1152 of title 10, United States Code, and the health care provider placement program under section 1153 of such title, as added by section 1332;

(E) \$10,000,000 shall be used to increase funding for the program to provide demonstration grants to institutions of higher education to provide education and training in environmental restoration to dislocated defense workers and young adults, as established by section 1333;

(F) \$10,000,000 shall be used to increase funding for the demonstration program for the training of recently discharged veterans for employment in construction and in hazardous waste remediation, as established by section 1335; and

(G) \$20,000,000 shall be used to increase funding for the Service Members Occupational Conversion and Training Act of 1992 (subtitle G of title XLIV of Public Law 102-484; 106 Stat. 2768).

(e) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the President should continue efforts to enter into revised host-nation agreements as described in section 1301(e) of National Defense Authorization Act for Fiscal Year 1993 (Public Law 102-484; 106 Stat. 2545) for purposes of providing that foreign countries assume an increased share of the costs of United States military installations in those countries and for the other purposes set forth in paragraph (2) of that section; and

(2) each host-nation agreement entered into pursuant to such section should require the host nation to increase its payments under the agreement at an annual rate of not

less than 15 percent per year so that the host nation assumes, not later than September 30, 1998, at least 75 percent of the non-personnel costs of United States military installations in that nation.
