SEC. 10. SENSE OF THE SENATE RELATING TO FEDERAL EMPLOYEE SOLICITATION OF FUNDS AND CANDIDACIES.

(1) solicit political contributions from the general public; or

(2) run for the nomination or as a candidate for a local partisan political office, except as expressly provided under current law.

SEC. 11. SENSE OF THE SENATE RELATING TO ASSISTANCE TO NICARAGUA.

(a) FINDINGS.—The Senate finds the following:

(1) On May 23, 1993, an explosion in Managua, Nicaragua exposed a cache of weapons, including 19 surface-to-air missiles, hundreds of AK-47 assault rifles, machine guns, rocket propelled grenades, tons of ammunition and explosives.

(2) Investigations of the explosions have uncovered 310 passports from 21 different countries, including seven United States passports.

(3) Documents in the possession of those apprehended in connection with the February 26, 1993, bombing of the World Trade Center have been traced to Nicaragua.

(4) The acquisition and storage of these weapons and documents could not have been accomplished without the knowledge and cooperation of the Sandinista National Liberation Front and ministries of the Government of Nicaragua under its control.

(5) The Sandinista National Liberation Front has a history of subversion and links to international terrorism.

(6) The recent discovery demonstrates the inability of the legitimate Government of Nicaragua to control all of its ministries.

(7) This lack of authority makes uncertain the ability of the Government of Nicaragua to prevent the export of terrorism by the Sandinista National Liberation Front.

(b) SENSE OF SENATE.—It is the sense of the Senate that—

(1) no further United States foreign assistance to Nicaragua should be obligated pending investigation by an appropriate international body, with the participation of United States Federal agencies, of the Sandinista National Liberation Front; and

(2) such investigation should focus on the relationship of the Sandinista National Liberation Front to acts of terrorism which threaten to undermine the security of the United States and the political stability and economic prosperity of the Western Hemisphere.

(a) The amendments made by this Act shall take effect 120 days after the date of the enactment of this Act, except that the authority to prescribe regulations granted under section 7325 of title 5, United States Code (as added by section 2 of this Act), shall take effect on the date of the enactment of this Act.

(b) Any repeal or amendment made by this Act of any provision of law shall not release or extinguish any penalty, forfeiture, or liability incurred under that provision, and that provision shall be treated as remaining in force for the purpose of sustaining any proper proceeding or action for the enforcement of that penalty, forfeiture, or liability.

(c) No provision of this Act shall affect any proceedings with respect to which the charges were filed on or before the effective date of the amendments made by this Act. Orders shall be issued in such proceedings and appeals shall be taken therefrom as if this Act had not been enacted.
