On motion of Mr. VENTO, by unanimous consent, the bill (H.R. 38) to establish the Jemez National Recreation

Area in the State of New Mexico, and for other purposes; together with the following amendment of the Senate thereto, was taken from the Speaker's table:

SECTION 1. ESTABLISHMENT.

(a) **PURPOSE AND ESTABLISHMENT.**—In order to conserve, protect, and restore the recreational, ecological, cultural, religious, and wildlife resource values of the Jemez Mountains, there is hereby established the Jemez National Recreational Area (hereinafter in this Act referred to as the "recreation area"), to be administered by the Secretary of Agriculture (hereinafter in this Act referred to as the "Secretary").

(b) **AREA INCLUDED.**—The recreation area shall be comprised of approximately 57,000 acres of lands and interests in lands within the Santa Fe National Forest as generally depicted on the map entitled "Jemez National Recreation Area—Proposed" and dated September 1992. The map shall be on file and available for public inspection in the offices of the Chief of the Forest Service, Department of Agriculture, Washington, District of Columbia. The Secretary may from time to time, in consultation with local tribal leaders, make minor revisions to the boundary of the recreation area to promote management effectiveness and efficiency in furtherance of the purposes of this Act.

(c) **MAP AND DESCRIPTION.**—As soon as practicable after enactment of this Act, the Secretary shall file a map and legal description of the recreation area with the Committee on Natural Resources of the House of Representatives and with the Committee on Energy and Natural Resources and the Select Committee on Indian Affairs of the Senate. Such map and legal description shall have the same force and effect as if included in this Act, except that correction of clerical and typographical errors in such legal description and map may be made. Such map and legal description shall be on file and available for public inspection in the Office of the Chief of the Forest Service, Department of Agriculture.

(d) **NO ADDITIONAL LANDS.**—No lands or interests therein outside of the boundaries of the recreation area may be added to the recreation area without specific authorization by Congress.

SEC. 2. ADMINISTRATION.

(a) **IN GENERAL.**—The Secretary shall administer the recreation area in accordance with this Act and the laws, rules, and regulations applicable to National Forest System lands in a manner that will further the purposes of the recreation area. Management of the natural resources within the recreation area shall be permitted only to the extent that such management is compatible with and does not impair the purposes for which the recreation area is established. Recreational activities within the recreation area shall include (but not be limited to) hiking, camping, hunting, fishing, skiing, backpacking, rock climbing, and swimming.

(b) **MANAGEMENT PLAN.**—The Secretary shall, no later than 5 years after the enactment of this Act, develop a management plan for the recreation area, as an amendment to the Santa Fe National Forest Land and Resource Management Plan, to reflect the establishment of the recreation area and to conform to the provisions of this Act. Nothing in this Act shall require the Secretary to revise the Santa Fe Forest Land and Resource Management Plan pursuant to section 6 of the Forest and Rangeland Renewable Resources Planning Act of 1974. During development of the management plan for the recreation area, the Secretary shall study newly designated land within the recreation area, and adjacent national forest land.

(c) **CULTURAL RESOURCES.**—In administering the recreation area, the Secretary shall give particular emphasis to the preservation, stabilization, and protection of cultural resources located within the recreation area in furtherance of the Archaeological Resources Protection Act of 1979, the National Historic Preservation Act, and the Act of August 11, 1978 (42 U.S.C. 1991) (commonly referred to as the "American Indian Religious Freedom Act").

Such access shall be consistent with the purpose and intent of the Act of August 11, 1978 (42 U.S.C. 1991) (commonly referred to as the "American Indian Religious Freedom Act"). [The Secretary, in accordance with such Act, upon request of an Indian tribe or pueblo, may from time to time temporarily close to general public use one or more specific portions of the recreational area in order to protect the privacy of religious activities and cultural uses in such portion by Indian peoples. Any such closure shall be made so as to affect the smallest practicable area for the minimum period necessary for such purposes.] *The Secretary, in accordance with such Act, upon request of an Indian tribe or pueblo, may from time to time temporarily close to general public use one or more specific portions of the recreational area in order to protect traditional and customary uses in such portions by Indian peoples.*

(2) In preparing and implementing management plans for the recreation area, the Secretary shall request that the Governor of the Pueblo of Jemez and the chief executive officers of other appropriate Indian tribes and pueblos make recommendations on methods of—

Except in emergencies such designation by the Secretary under this subsection shall be put into effect only after consultation with the appropriate State agencies responsible for hunting and fishing activities.]

(g) **TIMBER HARVESTING.**—The Secretary may permit timber harvesting in the recreation area for commercial purposes, including (but not limited to) vigas, latillas, the gathering of fuelwood, and for purposes of public safety, recreation, wildlife, and administration, insofar as the harvesting is compatible with the purposes of the recre-

ation area. Trees damaged or downed due to fire, disease, or insect infestation may be utilized, salvaged, or removed from the recreation area as authorized by the Secretary in furtherance of the purposes of this Act. Nothing in this Act shall be construed to affect the timber sales under contract on the date of enactment of this Act. Nothing in this Act shall be construed to effect the Los Griegos timber sale in the Los Griegos Diversity Unit number 0322 as shown on the West Half Diversity Unit map of the Santa Fe National Forest dated November 1991; except that the Secretary shall manage such sale using uneven aged management including the individual tree selection method.
