¶131.26 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO PANAMA

The SPEAKER pro tempore, Mr. GREEN, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I hereby report to the Congress on developments since the last Presidential report on April 21, 1993, concerning the continued blocking of Panamanian government assets. This report is submitted pursuant to section 207(d) of the International Emergency Economic Powers Act, 50 U.S.C. 1706(d).

On April 5, 1990, President Bush issued Executive Order No. 12710, terminating the national emergency declared on April 8, 1988, with respect to Panama. While this order terminated the sanctions imposed pursuant to that declaration, the blocking of Panamanian government assets in the United States was continued in order to permit completion of the orderly unblocking and transfer of funds that the President directed on December 20, 1989, and to foster the resolution of claims of U.S. creditors involving Panama, pursuant to 50 U.S.C. 1706(a). The termination of the national emergency did not affect the continuation of compliance audits and enforcement actions with respect to activities taking place during the sanctions period, pursuant to 50 U.S.C. 1622(a).

Since the last report, \$400,000 has been unblocked by specific license. Of the approximately \$5.9 million remaining blocked at this time, some \$5.3 million is held in escrow by the Federal Reserve Bank of New York at the request of the Government of Panama. Additionally, approximately \$600,000 is
