“Subpart 5—General Administrative Provisions

“SEC. 2451. MAINTENANCE OF EFFORT; FEDERAL FUNDS SUPPLEMENTARY.

“(a) MAINTENANCE OF EFFORT.—(1) Except as provided in paragraph (2), a State is entitled to receive its full allocation of funds under this part for any fiscal year if the Secretary finds that either the combined fiscal effort per student or the aggregate expenditures within the State with respect to the provision of free public education for the preceding fiscal year was not less than 90 percent of such combined fiscal effort or aggregate expenditures for the second preceding fiscal year.

“(2) The Secretary shall reduce the amount of the allocation of funds under this part in any fiscal year in the exact proportion to which the State fails to meet the requirements of paragraph (1) by falling below 90 percent of both the fiscal effort per student and aggregate expenditures (using the measure most favorable to the State), and no such lesser amount shall be used for computing the effort required under paragraph (1) for subsequent years.

“(3) The Secretary may waive, for 1 fiscal year only, the requirements of this subsection if the Secretary determines that

such a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the State.

“(b) FEDERAL FUNDS SUPPLEMENTARY.—A State or local educational agency may use and allocate funds received under this part only so as to supplement and, to the extent practical, increase the level of funds that would, in the absence of Federal funds made available under this part, be made available from non-Federal sources, and in no case may such funds be used so as to supplant funds from non-Federal sources.

“SEC. 2252. PARTICIPATION OF CHILDREN ENROLLED IN PRIVATE SCHOOLS.

“(a) PARTICIPATION ON EQUITABLE BASIS.—(1) To the extent consistent with the number of children in the school district of a local educational agency which is eligible to receive funds under this part or which serves the area in which a program or project assisted under this part is located who are enrolled in private nonprofit elementary and secondary schools, or with respect to instructional or personnel training programs funded by the State educational agency from funds reserved for State use, such agency, after consultation with appropriate private school officials, shall provide for the benefit of such children in such schools secular, neutral, and nonideological services, materials, and equipment, including the participation of the teachers of such children (and other educational personnel serving such children) in training programs, and the repair, minor remodeling, or construction of public facilities as may be necessary for their provision (consistent with subsection (c) of this section), or, if such services, materials, and equipment are not feasible or necessary in one or more such private schools as determined by the local educational agency after consultation with the appropriate private school officials, shall provide such other arrangements as will assure equitable participation of such children in the purposes and benefits of this part.

“(2) If no program or project is carried out under subsection (a)(1) of this section in the school district of a local educational agency, the State educational agency shall make arrangements, such as through contracts with nonprofit agencies or organizations, under which children in private schools in that district are provided with services and materials to the extent that would have occurred if the local educational agency had received funds under this part.

“(3) The requirements of this section relating to the participation of children, teachers, and other personnel serving such children shall apply to programs and projects carried out under this part by a State or local educational agency, whether directly or through grants to or contracts with other public or private agencies, institutions, or organizations.

“(b) EQUAL EXPENDITURES.—Expenditures for programs pursuant to subsection (a) shall be equal (consistent with the number of children to be served) to expenditures for programs under this part for children enrolled in the public schools of the local educational agency, taking into account the needs of the individual children and other factors which relate to such expenditures, and when funds available to a local educational agency under this part are used to concentrate programs or projects on a particular group, attendance area, or grade or age level, children enrolled in private schools who are included within the group, attendance area, or grade or age level selected for such concentration shall, after consultation with the appropriate private school officials, be assured equitable participation in the purposes and benefits of such programs or projects.

“(c) FUNDS.—(1) The control of funds provided under this part, and title to materials, equipment, and property repaired, remodeled, or constructed therewith, shall be in a public agency for the uses and purposes provided in this part, and a public agency shall administer such funds and property.

“(2) The provision of services pursuant to this section shall be provided by employees of a public agency or through contract by such public agency with a person, an association, agency, or corporation who or which, in the provision of such services, is independent of such private school and of any religious organizations, and such employment or contract shall be under the control and supervision of such public agency, and the funds provided under this part shall not be commingled with State or local funds.

“(d) STATE PROHIBITION WAIVER.—If by reason of any provision of law a State or local educational agency is prohibited from providing for the participation in programs of children enrolled in private elementary and secondary schools, as required by this section, the Secretary shall waive such requirements and shall arrange for the provision of services to such children through arrangements which shall be subject to the requirements of this section.

“(e) WAIVER AND PROVISION OF SERVICES.—(1) If the Secretary determines that a State or a local educational agency has substantially failed or is unwilling to provide for the participation on an equitable basis of children enrolled in private elementary and secondary schools as required by this section, the Secretary may waive such requirements and shall arrange for the provision of services to such children through arrangements which shall be subject to the requirements of this section.

“(2) Pending final resolution of any investigation or complaint that could result in a determination under this subsection or subsection (d), the Secretary may withhold from the allocation of the affected State or local educational agency the amount estimated by the Secretary to be necessary to pay the cost of those services.

“(f) DETERMINATION.—Any determination by the Secretary under this section shall continue in effect until the Secretary determines that there will no longer be any failure or inability on the part of the State or local educational agency to meet the requirements of subsections (a) and (b).

“(g) PAYMENT FROM STATE ALLOTMENT.—When the Secretary arranges for services pursuant to this section, the Secretary shall, after consultation with the appropriate public and private school officials, pay the cost of such services, including the administrative costs of arranging for those services, from the appropriate allotment of the State under this part.

“(h) REVIEW.—(1) The Secretary shall not take any final action under this section until the State educational agency and the local educational agency affected by such action have had an opportunity, for at least 45 days after receiving written notice thereof, to submit written objections and to appear before the Secretary or the Secretary's designee to show cause why that action should not be taken.

“(2) If a State or local educational agency is dissatisfied with the Secretary's final action after a proceeding under paragraph (1) of this subsection, it may, within 60 days after notice of such action, file with the United States court of appeals for the circuit in which such State is located a petition for review of that action. A copy of the petition shall be forthwith transmitted by the clerk of the court to the Secretary. The Secretary thereupon shall file in the court the record of the proceedings on which the Secretary

based this action, as provided in section 2112 of title 28, United States Code.

“(3) The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive; but the court, for good cause shown, may remand the case to the Secretary to take further evidence and the Secretary may thereupon make new or modified findings of fact and may modify the Secretary's previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

“(4) Upon the filing of such petition, the court shall have jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.

“(i) PRIOR DETERMINATION.—Any bypass determination by the Secretary under chapter 2 of the Education Consolidation and Improvement Act of 1981 shall, to the extent consistent with the purposes of this chapter, apply to programs under this chapter.

“SEC. 2253. EVALUATIONS AND REPORTING.

"SEC. 8003. PAYMENTS RELATING TO FEDERAL ACQUISITION OF REAL PROPERTY.

"(a) IN GENERAL.—Where the Secretary, after consultation with any local educational agency and with the appropriate State educational agency, determines for a fiscal year ending prior to October 1, 1999—

"(1) that the United States owns Federal property in the local educational agency, and that such property—

"(A) has been acquired by the United States since 1938;

"(B) was not acquired by exchange for other Federal property in the local educational agency which the United States owned before 1939; and

"(C) had an assessed value (determined as of the time or times when so acquired) aggregating 10 percent or more of the assessed value of all real property in the local educational agency (similarly determined as of the time or times when such Federal property was so acquired); and

"(2) that such agency is not being substantially compensated for the loss in revenue resulting from such ownership by increases in revenue accruing to the agency from the conduct of Federal activities with respect to such Federal property, then such agency shall be paid the amount described in subsection (b).

"(b) AMOUNT.—

"(1) IN GENERAL.—(A) The amount that a local educational agency shall be paid under subsection (a) for a fiscal year shall be calculated in accordance with paragraph (2), except that such amount shall be reduced by the Secretary by an amount equal to the amount of revenue, if any, that such agency received from activities conducted on such property during the previous fiscal year.

"(B) If funds appropriated under section 8013(a) are insufficient to pay the amount determined under subparagraph (A), the Secretary shall ratably reduce the payment to each eligible local educational agency.

"(C) Notwithstanding any other provision of this subsection, a local educational agency may not be paid an amount under this section which exceeds the difference of—

"(i) the maximum amount that such agency is eligible to receive for such fiscal year under section 8004(b)(1)(C); and

"(ii) the amount that such agency receives in such fiscal year under section 8004(b)(2).

"(2) APPLICATION OF CURRENT LEVIED REAL PROPERTY TAX RATE.—In calculating the amount that a local educational agency shall be paid for a fiscal year, the Secretary shall apply the current levied real property tax rate for current expenditures levied by fiscally independent local educational agencies or imputed, for fiscally dependent local educational agencies, to the current annually determined aggregate assessed value of such acquired Federal property.

"(3) DETERMINATION OF AGGREGATE ASSESSED VALUE.—Such aggregate assessed value of such acquired Federal property shall be determined (on the basis of the highest and best use of property adjacent to such acquired Federal property as of the time such value is determined), and provided to the Secretary, by the local official responsible for assessing the value of real property located in the jurisdiction of such local educational agency for the purpose of levying a property tax.

"(c) APPLICABILITY TO TENNESSEE VALLEY AUTHORITY ACT.—For the purposes of this section, any real property with respect to which payments are being made under section 13 of the Tennessee Valley Authority Act of 1933 shall not be regarded as Federal property.

"(d) OWNERSHIP BY UNITED STATES.—The United States shall be deemed to own Federal property for the purposes of this Act, where—

“(1) prior to the transfer of Federal property, the United States owned Federal property meeting the requirements of subparagraphs (A), (B), and (C) of subsection (a)(1); and

“(2) the United States transfers a portion of the property referred to in paragraph (1) to another nontaxable entity, and the United States—

“(A) restricts some or any construction on such property;

“(B) requires that the property be used in perpetuity for the public purposes for which it was conveyed;

“(C) requires the grantee of the property to report to the Federal government (or its agent) containing information on the use of the property;

“(D) except with the approval of the Federal government (or its agent), prohibits the sale, lease, assignment, or other disposal of the property unless such sale, lease, assignment, or other disposal is to another eligible government agency; and

“(a) COMPUTATION OF PAYMENT.—

“(1) IN GENERAL.—For the purpose of computing the amount that a local educational agency is eligible to receive under subsection (b), (d), or (f) for any fiscal year, the Secretary shall determine the number of children who were in average daily attendance in the schools of such agency, and for whom such agency provided free public education, during the preceding school year and who, while in attendance at such schools—

“(A) resided on Federal property with a parent employed on Federal property situated in whole or in part within the boundaries of the school district of such agency;

“(B) resided on Federal property and had a parent on active duty in the uniformed services (as defined in section 101 of title 37, United States Code);

“(D) had a parent on active duty in the uniformed services (as defined by section 101 of title 37, United States Code) but did not reside on Federal property; or

“(E) resided in low-rent housing.

“(2) DETERMINATION OF WEIGHTED STUDENT UNITS.—For purposes of computing the basic support payment under subsection (b), the Secretary shall calculate the total number of weighted student units for a local educational agency by adding together the results obtained by the following computations:

“(A) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of 1.0.

“(B) Multiply the number of children described in paragraph (1)(C) by a factor of 1.25.

“(C) Multiply the number of children described in subparagraphs (A) and (B) of paragraph (1) by a factor of .35 if the local educational agency has—

“(i) a number of such children described in such subparagraphs which exceeds 6,500; and

“(ii) an average daily attendance for all children which exceeds 100,000.

“(D) Multiply the number of children described in subparagraphs (D) and (E) of paragraph (1) by a factor of .20.

“(b) BASIC SUPPORT PAYMENTS AND PAYMENTS WITH RESPECT TO FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—

“(1) BASIC SUPPORT PAYMENTS.—

cational agencies with children described under subsection (a).

“(B) ELIGIBILITY.—A local educational agency shall be entitled to receive a basic support payment under subparagraph (A) for a fiscal year with respect to a number of children determined under subsection (a) only if the number of children so determined with respect to such agency amounts to the lesser of—

“(ii) a number of such children which equals at least 3 percent of the total number of children who were in average daily attendance, during such year, at the schools of such agency and for whom such agency provided free public education.

“(C) MAXIMUM AMOUNT.—The maximum amount that a local educational agency is eligible to receive under this subsection for any fiscal year is the sum of the total weighted student units, as computed under subsection (a)(2), multiplied by—

“(i) the greater of—

“(I) one-half of the average per pupil expenditure of the State in which the local educational agency is located for the 3rd preceding fiscal year, or

“(II) one-half of the average per pupil expenditures of all of the States for the 3rd preceding fiscal year;

“(ii) the comparable local contribution rate certified by the State, as determined under regulations prescribed to carry out the Act of September 30, 1950 (Public Law 874, 81st Congress), as in effect on January 1, 1994; or

“(iii) the average per pupil expenditure of the State in which the local educational agency is located, multiplied by the local contribution percentage.

“(2) PAYMENTS WITH RESPECT TO FISCAL YEARS IN WHICH INSUFFICIENT FUNDS ARE APPROPRIATED.—

“(A) IN GENERAL.—For any fiscal year in which the sums appropriated under section 8013(b) are insufficient to pay to each local educational agency the full amount computed under paragraph (1), the Secretary shall make payments based upon the provisions of this paragraph.

“(B) LEARNING OPPORTUNITY THRESHOLD PAYMENTS.—(i) For fiscal years described in subparagraph (A), the Secretary shall compute a learning opportunity threshold payment (hereinafter ‘threshold payment’) by multiplying the amount obtained under paragraph (1)(C) by the total percentage obtained by adding—

“(I) the percentage of federally connected children for each local educational agency determined by calculating the fraction, the numerator of which is the total number of children described under subsection (a)(1) and the denominator of which is the total number of children in average daily attendance at the schools served by such agency; and

“(II) the percentage that funds under this paragraph represent of the total budget of the local educational agency, determined by calculating the fraction, the numerator of which is the total amount of funds calculated for each educational agency under this paragraph (not including amounts received under subsection (f)), and the denominator of which is the total current expenditures for such agency.

“(ii) Such total percentage used to calculate threshold payments under paragraph (1) shall not exceed 100.

“(C) RATABLE DISTRIBUTION.—For fiscal years described in subparagraph (A), the Secretary shall make payments as a ratable distribution based upon the computation made under subparagraph (B).

“(c) PRIOR YEAR DATA.—All calculations under this section shall be based upon data for each local educational agency from the

fiscal year preceding the fiscal year for which the agency is making application for payment.

“(d) USE OF FUNDS FOR CHILDREN WITH DISABILITIES.—

“(1) IN GENERAL.—From the amount appropriated under section 8013(c) for a fiscal year, the Secretary shall pay to each eligible local educational agency, on a pro rata basis, the amounts determined by—

“(A) multiplying the number of children described in subparagraphs (B) and (C) of subsection (a)(1) who are eligible to receive services under the Individuals with Disabilities Education Act (20 U.S.C. 1400 et seq.) by a factor of 1.0; and

“(B) multiplying the number of children described in subparagraph (D) of subsection (a)(1) who are eligible to receive services under such Act by a factor of .5.

“(A) IN GENERAL.—Subject to subparagraph (B), the Secretary shall determine the maxi-

imum amount that a local educational agency may receive under this subsection in accordance with the following computations:

“(i) The Secretary shall first determine the greater of—

“(I) the average per pupil expenditure of the State in which the local educational agency is located or the average per pupil expenditure of all the States;

“(II) the average per pupil expenditure of generally comparable school districts located in the State of the local educational agency, as defined by the Secretary in regulations; or

“(III) the average per pupil expenditure of three generally comparable school districts located in the State of the local educational agency, as defined by the Secretary in regulations.

“(ii) The Secretary shall next subtract from the amount determined under clause (i) the average amount of State aid per pupil received by the local educational agency.

“(iii) The Secretary shall next multiply the amount determined under clause (ii) by the sum of the total weighted units of the local educational agency, as computed under subsection (a)(2).

“(iv) If the tax rate of the local educational agency is greater than 94 percent, but less than 100 percent, of the tax rate of comparable school districts, the Secretary shall next multiply the amount determined under clause (iii) by the percentage that the tax rate of the local educational agency is of—

“(I) the average tax rate of its generally comparable school districts; or

“(II) the average tax rate of all the school districts in the State in which the local educational agency is located.

“(v) The Secretary shall next subtract the total amount of payments received by a local educational agency under subsections (b) and (d) for a fiscal year from the amount determined under clause (iii) or clause (iv), as the case may be.

“(B) SPECIAL RULE.—With respect to payments to local educational agencies described in subparagraphs (B) and (C) of paragraph (2), the maximum amount of such payments shall be equal to the product of the average per pupil expenditure of all the States multiplied by .7, except that such amount may not exceed 125 percent of the average per pupil expenditure of all local educational agencies in the State.

“(4) CURRENT YEAR DATA.—The Secretary shall, for purposes of providing assistance under this subsection, use—

“(A) data from the fiscal year in which the local educational agency is applying for assistance under this subsection; or

“(d) TECHNICAL ASSISTANCE AND ENFORCEMENT.—The Secretary shall—

“(1) provide technical assistance to local educational agencies, parents, and Indian tribes to enable them to carry out this section; and

“(2) enforce this section through such actions, which may include the withholding of funds, as the Secretary determines to be appropriate, after affording the affected local educational agency, parents, and Indian tribe an opportunity to present their views.

“(e) NOTIFICATION PROCESS.—

“(1) ESTABLISHMENT.—The Secretary shall endeavor to establish, with the Secretary of Defense, a notification process relating to the closure of Department of Defense facilities, or the adjustment of personnel levels assigned to such facilities, which may substantially affect the student enrollment levels of local educational agencies which receive or may receive payments under this title.

“SEC. 8009. STATE CONSIDERATION OF PAYMENTS IN PROVIDING STATE AID.

“(a) GENERAL PROHIBITION.—Except as provided in subsection (b), a State may not—

“(1) consider payments under this title or under the Act of September 30, 1950 (Public Law 874, 81st Congress) in determining for any fiscal year—

“(A) the eligibility of a local educational agency for State aid for free public education; or

“(B) the amount of such aid; or

“(2) make such aid available to local educational agencies in a manner that results in less State aid to any local educational agency that is eligible for such payment than it would receive if it were not so eligible.

“(b) STATE EQUALIZATION PLANS.—

“(1) IN GENERAL.—A State may reduce State aid to a local educational agency that receives a payment under sections 8003 and 8004(b) (except the amount calculated in excess of 1.0 under subparagraph (B) of subsection (a)(2)) or under the Act of September 30, 1950 (Public Law 874, 81st Congress) as such Act existed prior to the enactment of the Improving America's Schools Act of 1994 (other than an increase in payments described in paragraphs (2)(B), (2)(C), (2)(D), or (3)(B)(ii) of section 3(d) of such Act of September 30, 1950) for any fiscal year if the Secretary determines, and certifies under subsection (c)(3)(A), that such State has in effect a program of State aid that equalizes expenditures for free public education among local educational agencies in such State.

“(2) COMPUTATION.—

“(A) IN GENERAL.—For purposes of paragraph (1), a program of State aid equalizes expenditures among local educational agencies if, in the second preceding fiscal year, the amount of per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the highest such per-pupil expenditures or revenues did not exceed the amount of such per-pupil expenditures made by, or per-pupil revenues available to, the local educational agency in the State with the lowest such expenditures or revenues by more than 10 percent.

“(B) OTHER FACTORS.—In making a determination under this subsection, the Secretary shall—

“(i) disregard local educational agencies with per-pupil expenditures or revenues above the 95th percentile or below the 5th percentile of such expenditures or revenues in the State; and

“(ii) take into account the extent to which a program of State aid reflects the additional cost of providing free public education in particular types of local educational agencies, such as those that are geographically isolated, or to particular types of students, such as children with disabilities.

“(3) EXCEPTION.—Notwithstanding paragraph (2), if the Secretary determines that the State has substantially revised its program of State aid, the Secretary may certify such program for any fiscal year only if—

“(A) the Secretary determines, on the basis of projected data, that the State's pro-

gram will meet the 10 percent disparity standard described in paragraph (2) in that fiscal year; and

“(B) the State provides an assurance to the Secretary that, if final data do not demonstrate that the State's program met such standard for that year (or that it met such standard with a greater percentage of disparity than anticipated), the State will pay to each affected local educational agency the amount by which it reduced State aid to the local educational agency on the basis of such certification, or a proportionate share thereof, as the case may be.

“(c) PROCEDURES FOR REVIEW OF STATE EQUALIZATION PLANS.—

“(1) WRITTEN NOTICE.—

“(A) IN GENERAL.—Any State that wishes to consider payments described in subsection (b)(1) in providing State aid to local educational agencies shall submit to the Secretary, not later than 120 days before the beginning of the State's fiscal year, a written notice of its intention to do so.

“(B) CONTENTS.—Such notice shall be in the form and contain the information the Secretary requires, including evidence that the State has notified each local educational agency in the State of its intention to consider such payments in providing State aid.

“(2) OPPORTUNITY TO PRESENT VIEWS.—Before making a determination under subsection (b), the Secretary shall afford the State, and local educational agencies in the State, an opportunity to present their views.

“(3) QUALIFICATION PROCEDURES.—If the Secretary determines that a program of State aid qualifies under subsection (b), the Secretary shall—

“(A) certify the program and so notify the State; and

“(B) afford an opportunity for a hearing, in accordance with section 8011(a), to any local educational agency adversely affected by such certification.

“(4) NON-QUALIFICATION PROCEDURES.—If the Secretary determines that a program of State aid does not qualify under subsection (b), the Secretary shall—

“(A) so notify the State; and

“(B) afford an opportunity for a hearing, in accordance with section 8011(a), to the State, and to any local educational agency adversely affected by such determination.

“(d) REDUCTIONS OF STATE AID.—

“(1) IN GENERAL.—A State whose program of State aid has been certified by the Secretary under subsection (c)(3) may reduce the amount of such aid provided to a local educational agency that receives a payment under section 8003 and section 8004(b) by any amount up to—

“(A) the amount of such payment (excluding amounts provided under subsections (d) and (f) of section 8004 and the amount calculated in excess of 1.0 under section 8004(a)(2)); multiplied by

“(B) 100 percent minus the percentage of disparity determined under subsection (b).

“(2) PROHIBITION.—A State may not make a reduction described in paragraph (1) before its program of State aid has been certified by the Secretary under subsection (c)(3).

“(e) REMEDIES FOR STATE VIOLATIONS.—

“(1) IN GENERAL.—The Secretary or any aggrieved local educational agency may, without exhausting administrative remedies, bring an action in a United States district court against any State that violates subsection (a) or subsection (d)(2) or fails to carry out an assurance provided under subsection (b)(3)(B).

“(2) IMMUNITY.—A State shall not be immune under the eleventh amendment to the Constitution of the United States from an action described in paragraph (1).

“SEC. 8011. ADMINISTRATIVE HEARINGS AND JUDICIAL REVIEW.

“(a) ADMINISTRATIVE HEARINGS.—A local educational agency and a State that is adversely affected by any action of the Secretary under this title shall be entitled to a hearing on such action in the same manner as if such agency were a person under chapter 5 of title 5, United States Code.

“(b) JUDICIAL REVIEW OF SECRETARIAL ACTION.—

“(1) IN GENERAL.—A local educational agency or a State aggrieved by the Secretary's final decision following an agency proceeding under subsection (a) may, within 60 days after receiving notice of such decision, file with the United States court of appeals for the circuit in which such agency or State is located a petition for review of that action. The clerk of the court shall promptly transmit a copy of the petition to the Secretary. The Secretary shall then file in the court the record of the proceedings on which the Secretary's action was based, as provided in section 2112 of title 28, United States Code.

“(2) FINDINGS OF FACT.—The findings of fact by the Secretary, if supported by substantial evidence, shall be conclusive, but the court, for good cause shown, may remand the case to the Secretary to take further evidence. The Secretary may thereupon make new or modified findings of fact and may modify the Secretary's previous action, and shall file in the court the record of the further proceedings. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

“(3) REVIEW.—The court shall have exclusive jurisdiction to affirm the action of the Secretary or to set it aside, in whole or in part. The judgment of the court shall be subject to review by the Supreme Court of the United States upon certiorari or certification as provided in section 1254 of title 28, United States Code.
