House on the state of the Union, was
agreed to:

Strike out all after the enacting clause and
insert:

(a) SHORT TITLE.—This Act may be cited as
the "Black Lung Benefits Restoration Act of
1994".

(b) REFERENCE.—Whenever in this Act
(other than section 9(a)(1)) an amendment or
repeal is expressed in terms of an amend-
ment to, or repeal of, a section or other pro-
vision, the reference shall be considered to
be made to a section or other provision of
the Black Lung Benefits Act.

SEC. 2. BENEFIT OVERPAYMENT.

Part C is amended by adding at the end the
following:

"SEC. 436 (a) The repayment of benefits
paid on a claim filed under this part before
the final adjudication of the claim shall not
be required if the claim was finally denied,
unless fraud or deception was used to pro-
cure the payment of such benefits.

"(b) The trust fund shall refund any pay-
ments made to it as a reimbursement of ben-
efits paid on a claim filed under this part be-
fore the final adjudication of the claim, un-
less fraud or deception was used to procure
the payment of such benefits.

"(c) The trust fund shall reimburse an op-
erator for any benefits paid on a claim filed
under this part before the final adjudication
of the claim if the claim was finally denied.

“(d) If on a claim for benefits filed under this part—

“(1) the Secretary makes an initial determination—

“(A) of eligibility, or

“(B) that particular medical benefits are payable, or

“(2) an award of benefits is made, the operator found to be the responsible operator under section 422(h) shall, within 30 days of the date of such determination or award, commence the payment of monthly benefits accruing thereafter and of medical benefits that have been found payable. If an operator fails to timely make any payment required by an initial determination or by an award, such determination or award shall be considered final as of the date of its issuance.”.

SEC. 3. EVIDENCE.

Section 422 (30 U.S.C. 932) is amended by adding at the end the following:

“(m)(1)(A) During the course of all proceedings on a claim for benefits under this part, the results of not more than 3 medical examinations offered by the claimant may be received as evidence to support eligibility for benefits.

“(B) During the course of all proceedings on a claim for benefits under this part, the responsible operator and the trust fund—

“(i) may each require, at no expense to the claimant, not more than one medical examination of the miner, and

“(ii) may not each offer as evidence the results of more than one medical examination of the miner.

“(C) An administrative law judge may require the miner to submit to a medical examination by a physician assigned by the District Director if the administrative law judge determines that, at any time, there is good cause for requiring such examination. For purposes of this subparagraph, good cause shall exist only when the administrative law judge is unable to determine from existing evidence whether the claimant is entitled to benefits.

“(D) The complete pulmonary evaluation provided each miner under section 413(b) and any consultative evaluation developed by the District Director shall be received into evidence notwithstanding subparagraph (A) or (B).

“(E) Any record of—

“(i) hospitalization for a pulmonary or related disease,

“(ii) medical treatment for a pulmonary or related disease, and

“(iii) a biopsy or an autopsy, may be received into evidence notwithstanding subparagraph (A) or (B).

“(2) In addition to the medical examinations authorized by paragraph (1), each party may submit one interpretive medical opinion (whether presented as documentary evidence or in oral testimony) reviewing each clinical study or physical examination (including a consultative reading of a chest roentgenogram, an evaluation of a blood gas study, and an evaluation of a pulmonary function study) derived from any medical examination or contained in a record referred to in paragraph (1)(E).

“(3) A request for modification of a denied claim under section 22 of the Longshore and Harbor Workers' Compensation Act, as made applicable to this Act by subsection (a) of this section, shall be considered as if it were a new claim for the purpose of applying the limitations prescribed by paragraphs (1) and (2).

“(4) The opinion of a miner's treating physician, if offered in accordance with paragraph (1)(A), shall be given substantial weight over the opinion of other physicians in determining the claimant's eligibility for benefits if the treating physician is board-

certified in a specialty relevant to the diagnosis of total disability or death due to pneumoconiosis.

“(5) For purposes of this subsection, a medical examination consists of a physical examination and all appropriate clinical studies (not including a biopsy or an autopsy) related to the diagnosis of total disability or death due to pneumoconiosis.”.

“(2) The widow or widower of a miner is disqualified to receive survivor benefits under this part if the widow or widower remarries before attaining the age of 50.

“(2)(A) Prior to issuing an initial determination of eligibility, the Secretary shall, after investigation, notice, and a hearing as provided in section 19 of the Longshore and Harbor Workers' Compensation Act, as made applicable to this Act by subsection (a) of this section, determine whether any operator meets the Secretary's criteria for liability as a responsible operator under this Act. If a hearing is timely requested on the liability issue, the decision of the administrative law judge conducting the hearing shall be issued not later than 120 days after such request and shall not be subject to further appellate review.

“(B) If the administrative law judge determines that an operator's request for a hearing on the liability issue was made without reasonable grounds, the administrative law judge may assess the operator for the costs of the proceeding (not to exceed \$750).”.

SEC. 6. ATTORNEY FEES.

Section 422 (30 U.S.C. 932), as amended by section 4(b), is amended by adding at the end the following:

“(2) In the case of a proceeding held with respect to such claim—

“(A) the person or Board which made the determination that the claimant is entitled to benefits in an administrative proceeding and any other person or Board which made a prior determination in an administrative proceeding on such claim, or

“(B) the court in the case of a judicial proceeding, shall determine the amount of all costs and expenses (including expert witness and attorney's fees) incurred by the claimant in connection with any such proceeding and shall assess the operator responsible to the claimant for such costs and expenses which are reasonable or if there is not an operator responsible to the claimant, shall assess the fund for such costs and expenses.

“(3) The determination of such costs and expenses shall be made within 60 days of the date the claimant submits a petition for the payment of such costs and expenses to a person, the Board, or court which made a determination on the claimant's claim. The person, Board, or court receiving such petition shall take such action as may be necessary to assure that such costs and expenses are paid within 45 days of the date of the determination of such costs and expenses unless a motion to reconsider—

“(A) the amount of such costs and expenses, or

“(B) the person liable for the payment of such amount, is pending.

“(4) If an operator pays costs and expenses assessed under paragraph (1) and if the claimant for whom such costs and expenses were paid is determined in a later proceeding not to be eligible for benefits under this part, the fund shall pay the operator the amount paid for such costs and expenses.

“(5) Section 28(e) of the Longshore and Harbor Workers' Compensation Act shall apply with respect to any person who receives costs and expenses which are paid under this subsection on account of services rendered a claimant.”.
