SECTION 1. SHORT TITLE.

This Act may be cited as the "The Enhanced Rescission/Receipts Act of 1994".

SEC. 2. LEGISLATIVE LINE-ITEM VETO RESCISSION AUTHORITY.

(a) IN GENERAL.—Notwithstanding the provisions of part B of title X of the Congressional Budget and Impoundment Control Act of 1974, and subject to the provisions of this section, the President may rescind all or part of any discretionary budget authority or veto any targeted tax benefit within any revenue bill which is subject to the terms of this Act if the President—

- (1) determines that—
  - (A) such rescission or veto would help reduce the Federal budget deficit;
  - (B) such rescission or veto will not impair any essential Government functions; and
  - (C) such rescission or veto will not harm the national interest; and
- (2) notifies the Congress of such rescission or veto by a special message not later than twenty calendar days (not including Saturdays, Sundays, or holidays) after the date of enactment of a regular or supplemental appropriation act or a joint resolution making continuing appropriations providing such budget authority or a revenue bill containing a targeted tax benefit.

The President shall submit a separate rescission message for each appropriation bill and for each revenue bill under this paragraph.

SEC. 3. RESCISSION EFFECTIVE UNLESS DISAPPROVED.

(a)(1) Any amount of budget authority rescinded under this Act as set forth in a special message by the President shall be deemed canceled unless, during the period described in subsection (b), a rescission/receipts disapproval bill making available all of the amount rescinded is enacted into law.

(2) Any provision of law vetoed under this Act as set forth in a special message by the President shall be deemed repealed unless, during the period described in subsection (b), a rescission/receipts disapproval bill restoring that provision is enacted into law.

(b) The period referred to in subsection (a) is—

(1) a congressional review period of twenty calendar days of session during which Congress must complete action on the rescission/receipts disapproval bill and present such

bill to the President for approval or disapproval;

(2) after the period provided in paragraph (1), an additional ten days (not including Sundays) during which the President may exercise his authority to sign or veto the rescission/receipts disapproval bill; and

(3) if the President vetoes the rescission/receipts disapproval bill during the period provided in paragraph (2), an additional five calendar days of session after the date of the veto.

(c) If a special message is transmitted by the President under this Act and the last session of the Congress adjourns sine die before the expiration of the period described in subsection (b), the rescission or veto, as the case may be, shall not take effect. The message shall be deemed to have been retransmitted on the first day of the succeeding Congress and the review period referred to in subsection (b) (with respect to such message) shall run beginning after such first day.

#### SEC. 4. DEFINITIONS.

As used in this Act:

(1) The term "rescission/receipts disapproval bill" means a bill or joint resolution which—

(A) only disapproves a rescission of budget authority, in whole, rescinded, or

(B) only disapproves a veto of any provision of law that would decrease receipts, in a special message transmitted by the President under this Act.

(2) The term "calendar days of session" shall mean only those days on which both Houses of Congress are in session.

(3) The term "targeted tax benefit" means any provision which has the practical effect of providing a benefit in the form of a differential treatment to a particular taxpayer or a limited class of taxpayers, whether or not such provision is limited by its terms to a particular taxpayer or a class of taxpayers. Such term does not include any benefit provided to a class of taxpayers distinguished on the basis of general demographic conditions such as income, number of dependents, or marital status.

#### SEC. 5. CONGRESSIONAL CONSIDERATION OF LEGISLATIVE LINE ITEM VETO RESCISSIONS.

(a) **PRESIDENTIAL SPECIAL MESSAGE.**—Whenever the President rescinds any budget authority as provided in this Act or vetoes any provision of law as provided in this Act, the President shall transmit to both Houses of Congress a special message specifying—

(1) the amount of budget authority rescinded or the provision vetoed;

(2) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;

(3) the reasons and justifications for the determination to rescind budget authority or veto any provision pursuant to this Act;

(4) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect of the rescission or veto; and

(5) all facts, circumstances, and considerations relating to or bearing upon the rescission or veto and the decision to effect the rescission or veto, and to the maximum extent practicable, the estimated effect of the rescission upon the objects, purposes, and programs for which the budget authority is provided.

(b) **TRANSMISSION OF MESSAGES TO HOUSE AND SENATE.**—

(1) Each special message transmitted under this Act shall be transmitted to the House of Representatives and the Senate on the same day, and shall be delivered to the Clerk of the House of Representatives if the House is not in session, and to the Secretary of the Senate if the Senate is not in session. Each

special message so transmitted shall be referred to the appropriate committees of the House of Representatives and the Senate. Each such message shall be printed as a document of each House.

(2) Any special message transmitted under this Act shall be printed in the first issue of the Federal Register published after such transmittal.

(c) **REFERRAL OF RESCISSION/RECEIPTS DISAPPROVAL BILLS.**—Any rescission/receipts disapproval bill introduced with respect to a special message shall be referred to the appropriate committees of the House of Representatives or the Senate, as the case may be.

(d) **CONSIDERATION IN THE SENATE.**—

(1) Any rescission/receipts disapproval bill received in the Senate from the House shall be considered in the Senate pursuant to the provisions of this Act.

(2) Debate in the Senate on any rescission/receipts disapproval bill and debatable motions and appeals in connection therewith, shall be limited to not more than ten hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader on their designees.

(3) Debate in the Senate on any debatable motions or appeal in connection with such bill shall be limited to one hour, to be equally divided between, and controlled by the mover and the manager of the bill, except that in the event the manager of the bill is in favor of any such motion or appeal, the time in opposition thereto shall be controlled by the minority leader or his designee. Such leaders, or either of them, may, from the time under their control on the passage of the bill, allot additional time to any Senator during the consideration of any debatable motion or appeal.

(4) A motion to further limit debate is not debatable. A motion to recommit (except a motion to recommit with instructions to report back within a specified number of days not to exceed one, not counting any day on which the Senate is not in session) is not in order.

(e) **POINTS OF ORDER.**—

(1) It shall not be in order in the Senate or the House of Representatives to consider any rescission/receipts disapproval bill that relates to any matter other than the rescission of budget authority or veto of the provision of law transmitted by the President under this Act.

(2) It shall not be in order in the Senate or the House of Representatives to consider any amendment to a rescission/receipts disapproval bill.

(3) Paragraphs (1) and (2) may be waived or suspended in the Senate only by a vote of three-fifths of the members duly chosen and sworn.

Amendment in the nature of a substitute submitted by Mr. STENHOLM:

Strike all after the enacting clause and insert the following:

#### SECTION 1. EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS AND TARGETED TAX BENEFITS.

(a) **IN GENERAL.**—Section 1012 of the Congressional Budget and Impoundment Control Act of 1974 (2 U.S.C. 683) is amended to read as follows:

##### "EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS

SEC. 1012. (a) **PROPOSED RESCISSION OF BUDGET AUTHORITY OR REPEAL OF TARGETED TAX BENEFITS.**—The President may propose, at the time and in the manner provided in subsection (b), the rescission of any budget authority provided in an appropriation Act or repeal of any targeted tax benefit provided in any revenue Act. Funds made available for obligation under this procedure may

not be proposed for rescission again under this section.

"(b) **TRANSMITTAL OF SPECIAL MESSAGE.**—

(1) The President may transmit to Congress a special message proposing to rescind amounts of budget authority or to repeal any targeted tax benefit and include with that special message a draft bill that, if enacted, would only rescind that budget authority or repeal that targeted tax benefit. That bill shall clearly identify the amount of budget authority that is proposed to be rescinded for each program, project, or activity to which that budget authority relates or the targeted tax benefit proposed to be repealed, as the case may be. It shall include a Deficit Reduction Account. The President may place in the Deficit Reduction Account an amount not to exceed the total rescissions in that bill. A targeted tax benefit may only be proposed to be repealed under this section during the 20-calendar-day period (excluding Saturdays, Sundays, and legal holidays) commencing on the day after the date of enactment of the provision proposed to be repealed.

"(2) In the case of an appropriation Act that includes accounts within the jurisdiction of more than one subcommittee of the Committee on Appropriations, the President in proposing to rescind budget authority under this section shall send a separate special message and accompanying draft bill for accounts within the jurisdiction of each such subcommittee.

"(3) Each special message shall specify, with respect to the budget authority proposed to be rescinded, the following—

"(A) the amount of budget authority which he proposes to be rescinded;

"(B) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;

"(C) the reasons why the budget authority should be rescinded;

"(D) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect (including the effect on outlays and receipts in each fiscal year) of the proposed rescission; and

"(E) all facts, circumstances, and considerations relating to or bearing upon the proposed rescission and the decision to effect the proposed rescission, and to the maximum extent practicable, the estimated effect of the proposed rescission upon the objects, purposes, and programs for which the budget authority is provided.

Each special message shall specify, with respect to the proposed repeal of targeted tax benefits, the information required by subparagraphs (C), (D), and (E), as it relates to the proposed repeal.

"(c) **PROCEDURES FOR EXPEDITED CONSIDERATION.**—

"(1)(A) Before the close of the second legislative day of the House of Representatives after the date of receipt of a special message transmitted to Congress under subsection (b), the majority leader or minority leader of the House of Representatives shall introduce (by request) the draft bill accompanying that special message. If the bill is not introduced as provided in the preceding sentence, then, on the third legislative day of the House of Representatives after the date of receipt of that special message, any Member of that House may introduce the bill.

"(B) The bill shall be referred to the Committee on Appropriations or the Committee on Ways and Means of the House of Representatives, as applicable. The committee shall report the bill without substantive revision and with or without recommendation. The bill shall be reported not later than the seventh legislative day of that House after

the date of receipt of that special message. If that committee fails to report the bill within that period, that committee shall be automatically discharged from consideration of the bill, and the bill shall be placed on the appropriate calendar.

(C)(i) During consideration under this paragraph, any Member of the House of Representatives may move to strike any proposed rescission or rescissions of budget authority or any proposed repeal of a targeted tax benefit, as applicable, if supported by 49 other Members.

(ii) It shall not be in order for a Member of the House of Representatives to move to strike any proposed rescission under clause (i) unless the amendment reduces the appropriate Deficit Reduction Account if the program, project, or account to which the proposed rescission applies was identified in the Deficit Reduction Account in the special message under subsection (b).

(D) A vote on final passage of the bill shall be taken in the House of Representatives on or before the close of the 10th legislative day of that House after the date of the introduction of the bill in that House. If the bill is passed, the Clerk of the House of Representatives shall cause the bill to be engrossed, certified, and transmitted to the Senate within one calendar day of the day on which the bill is passed.

(2)(A) A motion in the House of Representatives to proceed to the consideration of a bill under this section shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate in the House of Representatives on a bill under this section shall not exceed 4 hours, which shall be divided equally between those favoring and those opposing the bill. A motion further to limit debate shall not be debatable. It shall not be in order to move to recommit a bill under this section or to move to reconsider the vote by which the bill is agreed to or disagreed to.

(C) Appeals from decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to a bill under this section shall be decided without debate.

(D) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of a bill under this section shall be governed by the Rules of the House of Representatives. It shall not be in order in the House of Representatives to consider any rescission bill introduced pursuant to the provisions of this section under a suspension of the rules or under a special rule.

(3)(A) A bill transmitted to the Senate pursuant to paragraph (1)(D) shall be referred to its Committee on Appropriations or Committee on Finance, as applicable. That committee shall report the bill without substantive revision and with or without recommendation. The bill shall be reported not later than the seventh legislative day of the Senate after it receives the bill. A committee failing to report the bill within such period shall be automatically discharged from consideration of the bill, and the bill shall be placed upon the appropriate calendar.

(B)(i) During consideration under this paragraph, any Member of the Senate may move to strike any proposed rescission or rescissions of budget authority or any proposed repeal of a targeted tax benefit, as applicable, if supported by 14 other Members.

(ii) It shall not be in order for a Member of the House or Senate to move to strike any proposed rescission under clause (i) unless the amendment reduces the appropriate Deficit Reduction Account (pursuant to section 314) if the program, project, or account to which the proposed rescission applies was

identified in the Deficit Reduction Account in the special message under subsection (b).

(4)(A) A motion in the Senate to proceed to the consideration of a bill under this section shall be privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

(B) Debate in the Senate on a bill under this section, and all debatable motions and appeals in connection therewith (including debate pursuant to subparagraph (C)), shall not exceed 10 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

(C) Debate in the Senate on any debatable motion or appeal in connection with a bill under this section shall be limited to not more than 1 hour, to be equally divided between, and controlled by, the mover and the manager of the bill, except that in the event the manager of the bill is in favor of any such motion or appeal, the time in opposition thereto, shall be controlled by the minority leader or his designee. Such leaders, or either of them, may, from time under their control on the passage of a bill, allot additional time to any Senator during the consideration of any debatable motion or appeal.

(D) A motion in the Senate to further limit debate on a bill under this section is not debatable. A motion to recommit a bill under this section is not in order.

(d) AMENDMENTS AND DIVISIONS PROHIBITED.—Except as otherwise provided by this section, no amendment to a bill considered under this section shall be in order in either the House of Representatives or the Senate. It shall not be in order to demand a division of the question in the House of Representatives (or in a Committee of the Whole) or in the Senate. No motion to suspend the application of this subsection shall be in order in either House, nor shall it be in order in either House to suspend the application of this subsection by unanimous consent.

(e) REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.—(1) Any amount of budget authority proposed to be rescinded in a special message transmitted to Congress under subsection (b) shall be made available for obligation on the day after the date on which either House rejects the bill transmitted with that special message.

(2) Any targeted tax benefit proposed to be repealed under this section as set forth in a special message transmitted to Congress under subsection (b) shall be deemed repealed unless, during the period described in that subsection, either House rejects the bill transmitted with that special message.

(f) DEFINITIONS.—For purposes of this section—

(1) the term 'appropriation Act' means any general or special appropriation Act, and any Act or joint resolution making supplemental, deficiency, or continuing appropriations;

(2) the term 'legislative day' means, with respect to either House of Congress, any day of session; and

(3) The term "targeted tax benefit" means any provision which has the practical effect of providing a benefit in the form of a differential treatment to a particular taxpayer or a limited class of taxpayers, whether or not such provision is limited by its terms to a particular taxpayer or a class of taxpayers. Strike out all after the enacting clause and insert:

**SECTION 1. EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS AND TARGETED TAX BENEFITS.**

(a) IN GENERAL.—Section 1012 of the Congressional Budget and Impoundment Control Act of 1974 (2 U.S.C. 683) is amended to read as follows:

“EXPEDITED CONSIDERATION OF CERTAIN PROPOSED RESCISSIONS

SEC. 1012. (a) PROPOSED RESCISSION OF BUDGET AUTHORITY OR REPEAL OF TARGETED TAX BENEFITS.—The President may propose, at the time and in the manner provided in subsection (b), the rescission of any budget authority provided in an appropriation Act or repeal of any targeted tax benefit provided in any revenue Act. Funds made available for obligation under this procedure may not be proposed for rescission again under this section.

“(b) TRANSMITTAL OF SPECIAL MESSAGE.—

(1) The President may transmit to Congress a special message proposing to rescind amounts of budget authority or to repeal any targeted tax benefit and include with that special message a draft bill that, if enacted, would only rescind that budget authority or repeal that targeted tax benefit. That bill shall clearly identify the amount of budget authority that is proposed to be rescinded for each program, project, or activity to which that budget authority relates or the targeted tax benefit proposed to be repealed, as the case may be. It shall include a Deficit Reduction Account. The President may place in the Deficit Reduction Account an amount not to exceed the total rescissions in that bill. A targeted tax benefit may only be proposed to be repealed under this section during the 20-calendar-day period (excluding Saturdays, Sundays, and legal holidays) commencing on the day after the date of enactment of the provision proposed to be repealed.

“(2) In the case of an appropriation Act that includes accounts within the jurisdiction of more than one subcommittee of the Committee on Appropriations, the President in proposing to rescind budget authority under this section shall send a separate special message and accompanying draft bill for accounts within the jurisdiction of each such subcommittee.

“(3) Each special message shall specify, with respect to the budget authority proposed to be rescinded, the following—

“(A) the amount of budget authority which he proposes to be rescinded;

“(B) any account, department, or establishment of the Government to which such budget authority is available for obligation, and the specific project or governmental functions involved;

“(C) the reasons why the budget authority should be rescinded;

“(D) to the maximum extent practicable, the estimated fiscal, economic, and budgetary effect (including the effect on outlays and receipts in each fiscal year) of the proposed rescission; and

“(E) all facts, circumstances, and considerations relating to or bearing upon the proposed rescission and the decision to effect the proposed rescission, and to the maximum extent practicable, the estimated effect of the proposed rescission upon the objects, purposes, and programs for which the budget authority is provided.

Each special message shall specify, with respect to the proposed repeal of targeted tax benefits, the information required by subparagraphs (C), (D), and (E), as it relates to the proposed repeal.

“(c) PROCEDURES FOR EXPEDITED CONSIDERATION.—

“(1)(A) Before the close of the second legislative day of the House of Representatives after the date of receipt of a special message transmitted to Congress under subsection (b), the majority leader or minority leader of the House of Representatives shall introduce (by request) the draft bill accompanying that special message. If the bill is not introduced as provided in the preceding sentence, then, on the third legislative day of the House of Representatives after the date of receipt of that special message, any Member of that House may introduce the bill.

“(B) The bill shall be referred to the Committee on Appropriations or the Committee on Ways and Means of the House of Representatives, as applicable. The committee shall report the bill without substantive revision and with or without recommendation. The bill shall be reported not later than the seventh legislative day of that House after the date of receipt of that special message. If that committee fails to report the bill within that period, that committee shall be automatically discharged from consideration of the bill, and the bill shall be placed on the appropriate calendar.

“(C)(i) During consideration under this paragraph, any Member of the House of Representatives may move to strike any proposed rescission or rescissions of budget authority or any proposed repeal of a targeted tax benefit, as applicable, if supported by 49 other Members.

“(ii) It shall not be in order for a Member of the House of Representatives to move to strike any proposed rescission under clause (i) unless the amendment reduces the appropriate Deficit Reduction Account if the program, project, or account to which the proposed rescission applies was identified in the special message under subsection (b).

“(D) A vote on final passage of the bill shall be taken in the House of Representatives on or before the close of the 10th legislative day of that House after the date of the introduction of the bill in that House. If the bill is passed, the Clerk of the House of Representatives shall cause the bill to be engrossed, certified, and transmitted to the Senate within one calendar day of the day on which the bill is passed.

“(2)(A) A motion in the House of Representatives to proceed to the consideration of a bill under this section shall be highly privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

“(B) Debate in the House of Representatives on a bill under this section shall not exceed 4 hours, which shall be divided equally between those favoring and those opposing the bill. A motion further to limit debate shall not be debatable. It shall not be in order to move to recommit a bill under this section or to move to reconsider the vote by which the bill is agreed to or disagreed to.

“(C) Appeals from decisions of the Chair relating to the application of the Rules of the House of Representatives to the procedure relating to a bill under this section shall be decided without debate.

“(D) Except to the extent specifically provided in the preceding provisions of this subsection, consideration of a bill under this section shall be governed by the Rules of the House of Representatives. It shall not be in order in the House of Representatives to consider any rescission bill introduced pursuant to the provisions of this section under a suspension of the rules or under a special rule.

“(3)(A) A bill transmitted to the Senate pursuant to paragraph (1)(D) shall be referred to its Committee on Appropriations or Committee on Finance, as applicable. That committee shall report the bill without substantive revision and with or without recommendation. The bill shall be reported not later than the seventh legislative day of the Senate after it receives the bill. A committee failing to report the bill within such period shall be automatically discharged from consideration of the bill, and the bill shall be placed upon the appropriate calendar.

“(B)(i) During consideration under this paragraph, any Member of the Senate may move to strike any proposed rescission or rescissions of budget authority or any proposed repeal of a targeted tax benefit, as applicable, if supported by 14 other Members.

“(ii) It shall not be in order for a Member of the House or Senate to move to strike any proposed rescission under clause (i) unless the amendment reduces the appropriate Deficit Reduction Account (pursuant to section 314) if the program, project, or account to which the proposed rescission applies was identified in the Deficit Reduction Account in the special message under subsection (b).

“(4)(A) A motion in the Senate to proceed to the consideration of a bill under this section shall be privileged and not debatable. An amendment to the motion shall not be in order, nor shall it be in order to move to reconsider the vote by which the motion is agreed to or disagreed to.

“(B) Debate in the Senate on a bill under this section, and all debatable motions and appeals in connection therewith (including debate pursuant to subparagraph (C)), shall not exceed 10 hours. The time shall be equally divided between, and controlled by, the majority leader and the minority leader or their designees.

“(C) Debate in the Senate on any debatable motion or appeal in connection with a bill under this section shall be limited to not more than 1 hour, to be equally divided between, and controlled by, the mover and the manager of the bill, except that in the event the manager of the bill is in favor of any such motion or appeal, the time in opposition thereto, shall be controlled by the minority leader or his designee. Such leaders, or either of them, may, from time under their control on the passage of a bill, allot additional time to any Senator during the consideration of any debatable motion or appeal.

“(D) A motion in the Senate to further limit debate on a bill under this section is not debatable. A motion to recommit a bill under this section is not in order.

“(d) AMENDMENTS AND DIVISIONS PROHIBITED.—Except as otherwise provided by this section, no amendment to a bill considered under this section shall be in order in either

the House of Representatives or the Senate. It shall not be in order to demand a division of the question in the House of Representatives (or in a Committee of the Whole) or in the Senate. No motion to suspend the application of this subsection shall be in order in either House, nor shall it be in order in either House to suspend the application of this subsection by unanimous consent.

“(e) REQUIREMENT TO MAKE AVAILABLE FOR OBLIGATION.—(1) Any amount of budget authority proposed to be rescinded in a special message transmitted to Congress under subsection (b) shall be made available for obligation on the day after the date on which either House rejects the bill transmitted with that special message.

“(2) Any targeted tax benefit proposed to be repealed under this section as set forth in a special message transmitted to Congress under subsection (b) shall be deemed repealed unless, during the period described in that subsection, either House rejects the bill transmitted with that special message.

“(f) DEFINITIONS.—For purposes of this section—

“(1) the term ‘appropriation Act’ means any general or special appropriation Act, and any Act or joint resolution making supplemental, deficiency, or continuing appropriations;

“(2) the term ‘legislative day’ means, with respect to either House of Congress, any day of session; and

“(3) The term ‘targeted tax benefit’ means any provision which has the practical effect of providing a benefit in the form of a differential treatment to a particular taxpayer or a limited class of taxpayers, whether or not such provision is limited by its terms to a particular taxpayer or a class of taxpayers. Such term does not include any benefit provided to a class of taxpayers distinguished on the basis of general demographic conditions such as income, number of dependents, or marital status.”

That amendment in the nature of a substitute shall be considered by title rather than by section, and each title shall be considered as read. All points of order against that amendment in the nature of a substitute are waived. No amendment directly or indirectly changing section 111(c)(2)(B)(iii), 111(d)(4)(F), 111(e)(3), or 226(b)(8) of the amendment in the nature of a substitute made in order as original text shall be in order. All points of order against the amendments printed in the report are waived. If more than one of the amendments printed in the report is adopted, only the last to be adopted shall be considered as finally adopted and reported to the House. Except as provided in section 3, no other amendment to the amendment in the nature of a substitute made in order as original text shall be in order unless printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII before the commencement of consideration of the bill.
