CONSIDERATION OF H.R. 3838

Mr. MOAKLEY, by direction of the Committee on Rules, reported (Rept. No. 103-612) the resolution (H. Res. 482) providing for consideration of the bill (H.R. 3838) to amend and extend certain laws relating to housing and community development, and for other purposes.

When said resolution and report were referred to the House Calendar and ordered printed.

The House will again, as it did on May 4, 1994, conduct a structured debate on a mutually agreed upon subject. A Member recognized by the Speaker and holding the floor as moderator will yield time to eight Members on two teams, with each team composed of two Members from the Majority Party and two Members from the Minority Party.

The primary purpose of this debate is to enhance the quality of the deliberative process of the House of Representatives, so as to enable all Members to be better informed and to participate in subsequent debates and decisions on major issues.

Under the previous orders of February 11 and June 10, 1994, Mr. Cardin will be recognized to moderate a structured debate in the format and sequence that he will describe, which has been mutually established by the Majority and Minority Leaders.

The rules of the House with respect to decorum and proper forms of address to the Chair will apply during this debate. The moderator will yield time to the participants, and will insist that Members not interrupt on other Members' time. As part of the experiment—and not as a precedent for other proceedings of the House—the moderator and the participants will have the aid of a visual timing device.
