¶98.14 MESSAGE FROM THE PRESIDENT—
NATIONAL EMERGENCY WITH RESPECT
TO ANGOLA

The SPEAKER pro tempore, Mr. HASTINGS, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the emergency declared

with respect to the National Union for the Total Independence of Angola ("UNITA") is to continue in effect beyond September 26, 1994, to the Federal Register for publication.

The circumstances that led to the declaration on September 26, 1993, of a national emergency have not been resolved. The actions and policies of UNITA pose a continuing unusual and extraordinary threat to the foreign policy of the United States. United Nations Security Council Resolution 864 (1993) continues to oblige all Member States to maintain sanctions. Discontinuation of the sanctions would have a prejudicial effect on the Angolan peace process. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure to UNITA to reduce its ability to pursue its aggressive policies of territorial acquisition.

WILLIAM J. CLINTON.

THE WHITE HOUSE, August 17, 1994.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on Foreign Affairs and ordered to be printed (H. Doc. 103-292).

¶98.15 WAIVING POINTS OF ORDER

All points of order against the conference report and against its consideration are waived.

When said resolution was considered.

After debate,

On motion of Mr. FROST, the previous question was ordered on the resolution to its adoption or rejection and under the operation thereof, the resolution was agreed to.

A motion to reconsider the vote whereby said resolution was agreed to was, by unanimous consent, laid on the table.

¶98.17 DOD AUTHORIZATION

Mr. DELLUMS, pursuant to House Resolution 521, called up the following conference report (Rept. No. 103-701):

The committee of conference on the disagreeing votes of the two Houses on the amendment of the House to the bill (S. 2182), to authorize appropriations for fiscal year 1995 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe personnel strengths
