

2. FAC has worked closely with the U.S. financial community to assure a heightened awareness of the sanctions against UNITA—through the dissemination of publications, seminars, and notices to electronic bulletin boards. This educational effort has resulted in frequent calls from banks to assure that they are not routing funds in violation of these prohibitions. United States exporters have also been notified of the sanctions through a variety of media, including special fliers and computer bulletin board information initiated by FAC and posted through the Department of Commerce and the Government Printing Office. There have been no license applications under the program.

3. The expenses incurred by the Federal Government in the 6-month period from March 26, 1994, through September 25, 1994, that are directly attributable to the exercise of powers and authorities conferred by the declaration of a national emergency with respect to Angola (UNITA) are reported at about \$75,000, most of which represents wage and salary costs for Federal personnel. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the U.S. Customs Service, the Office of the Under Secretary for Enforcement, and the Office of the General Counsel) and the Department of State (particularly the Office of Southern African Affairs).

I will continue to report periodically to the Congress on significant developments, pursuant to 50 U.S.C. 1703(c).

WILLIAM J. CLINTON.
