So the resolution was agreed to.

A motion to reconsider the vote whereby said resolution was agreed to was, by unanimous consent, laid on the table.

110.12 HEADWATERS FOREST

The SPEAKER pro tempore, Mr. KLECZKA, pursuant to House Resolution 536 and rule XXIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 2866) to provide for the sound management and protection of Redwood forest areas in Humboldt County, California, by adding certain lands and waters to the Six Rivers National Forest and by including a portion of such lands in the national wilderness preservation system.

The SPEAKER pro tempore, Mr. KLECZKA, by unanimous consent, designated Mr. LANCASTER as Chairman of the Committee of the Whole; and after some time spent therein,

So the amendment was not agreed to. After some further time, The SPEAKER pro tempore, Mr. McNULTY, assumed the Chair.

When Mr. LANCASTER, Chairman, pursuant to House Resolution 536, reported the bill back to the House with sundry amendments adopted by the Committee.

The previous question having been ordered by said resolution.

The following amendments, reported from the Committee of the Whole House on the state of the Union, were agreed to:

Strike section 3 and insert the following:

(c) DEFINITIONS.—For purposes of this Act:

(1) The terms "Six Rivers National Forest Addition" and "Headwaters Forest" mean the area authorized for land acquisition activities under section 3, as depicted on the map described in section 3(b)(1).

(2) The term "Secretary" means the Secretary of Agriculture.

SEC. 3. ADDITION TO SIX RIVERS NATIONAL FOREST.

(a) MODIFICATION OF BOUNDARIES.—Effective upon the consummation of a land acquisition conducted as provided in subsection (b), the Secretary of Agriculture shall modify the exterior boundaries of the Six Rivers National Forest in the State of California to include the acquired lands.

(b) ACQUISITION OF LAND.—

(1) AREA FOR ACQUISITION ACTIVITIES.—The Secretary may acquire lands and interests in land within the boundaries of an area comprising approximately 44,000 acres, as generally depicted on the map entitled "Six Rivers National Forest Addition proposed" and dated June 1993, for inclusion in the Six Rivers National Forest under subsection (a). The map shall be on file and available for public inspection in the offices of the Forest Supervisor, Six Rivers National Forest, and in the offices of the Chief of the Forest Service, Department of Agriculture.

(2) MANNER OF CONDUCTING ACQUISITION.—Lands and interests in lands within the Six Rivers National Forest Addition may be acquired by the Secretary only by donation, by purchase with donated or appropriated funds, or by exchange.

(3) SPECIAL RULE FOR FEDERAL TRANSFERS.—For purposes of making an exchange under paragraph (2), excess or surplus lands under the jurisdiction of any other department, agency, or instrumentality of the United States may be transferred, subject to the advance approval of the transfer by law, to the administrative jurisdiction of the Secretary if the Secretary identifies the lands as suitable for use in making an exchange. To facilitate the approval of a transfer of lands under this paragraph, the Secretary shall submit to the Committee on Agriculture and the Committee on Natural Resources of the House of Representatives and to the Committee on Agriculture, Nutrition, and Forestry of the Senate proposed legislation in connection with the proposed transfer. The transfer of lands under this paragraph shall be made without compensation to the transferring department, agency, or instrumentality.

(4) ACQUISITION OF CERTAIN LANDS OUTSIDE ADDITION.—When a tract of land proposed to be acquired is only partly within the Six Rivers National Forest Addition, the Secretary may acquire all or any portion of the land outside of the Six Rivers National Forest Addition to minimize the payment of severance costs. Land acquired outside of the boundaries may be exchanged by the Secretary for non-Federal lands within the boundaries. Land acquired outside of the boundaries of the Six Rivers National Forest Addition under this paragraph and not used for exchange shall be reported to the Administrator of the General Services Administration for disposal under the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 471 et seq.).

(5) SPECIAL RULE FOR STATE OR LOCAL GOVERNMENT LANDS.—Lands and interests in lands within the boundaries of the Six Rivers National Forest Addition that are owned by the State of California or any political subdivision thereof, may be acquired only by donation or exchanges.

(6) ACCEPTANCE AND USE OF FUNDS.—The Secretary may accept from the State of California funds to cover the cost of acquiring lands within the Six Rivers National Forest Addition. Notwithstanding any other provision of law, the Secretary may retain and expend such funds for purposes of such acquisition. Such funds shall be available for such purposes without further appropriation and without fiscal year limitation.

(c) LAND ACQUISITION PLAN.—The Secretary shall develop and implement, within 6 months after the date of the enactment of this Act, a land acquisition plan that contains specific provisions addressing how and when lands will be acquired under subsection (b). The plan shall give priority first to the acquisition of lands within the Six Rivers National Forest Addition proposed for inclusion in the National Wilderness Preservation System. The plan shall include an analysis of the possibilities for acquisition through means other than the expenditure of funds, including the use of excess and surplus Federal properties. The Secretary shall identify and list these properties. The Secretary shall submit copies of the plan to the Committee on Natural Resources, the Committee on Agriculture, and the Committee on Appropriations of the House of Representatives and to the Committee on Energy and Natural Resources, the Committee on Agriculture, Nutrition, and Forestry, and the Committee on Appropriations of the Senate.

(d) AUTHORIZATION OF APPROPRIATIONS.—There are hereby authorized to be appro-

priated such sums as may be necessary to carry out the purposes of this Act.

(e) TERMINATION OF ACQUISITION AUTHORITY.—Notwithstanding any other provision of this section, the Secretary may not acquire lands under the authority of this section after the end of the 10-year period beginning on the date of the enactment of this Act.

In section 4 of the bill, strike subsection (b) and insert the following new subsection:

(b) MAP AND DESCRIPTION.—As soon as practicable after the inclusion of any lands in the Headwaters Forest Wilderness, the Secretary shall file a map and a legal description of the area so included with the Committee on Natural Resources of the House of Representatives and with the Committee on Energy and Natural Resources of the Senate. The Secretary may correct clerical and typographical errors in such legal description and such map. Each such map and legal description shall be on file and available for public inspection in the offices of the Forest Supervisor, Six Rivers National Forest, and in the offices of the Chief of the Forest Service, Department of Agriculture.

In section 5 of the bill, strike subsection (a) and insert the following new subsection:

(a) MANAGEMENT PLAN.—Within 1 year after acquiring all or part of the lands identified to be acquired in section 3, the Secretary shall develop a comprehensive management plan for the acquired lands detailing measures for the preservation of the existing old growth redwood ecosystems. The management plan shall include each of the following with respect to the lands so acquired:

(1) Prohibition of the sale of timber from lands within the old growth redwood groves as depicted generally on the map referred to in section 3(b)(1). Timber sales in other areas within the Six Rivers National Forest Addition shall be allowed consistent with the purposes of this Act and other applicable Federal laws and regulations.

(2) Measures to restore lands affected by previous timber harvests to mitigate watershed degradation and impairment of habitat for the marbled murrelet, northern spotted owl, native salmon stocks, and other old-growth forest dependent species.

The management plan shall be reviewed and revised each time the land and resource management plan for the Six Rivers National Forest is revised or more frequently as necessary to meet the purposes of this Act.

Add at the end of the following new section:
SEC. 8. NO ADVERSE EFFECT ON LANDS UNTIL ACQUIRED.

(A) IN GENERAL.—Until the lands in the Six River National Forest Addition are acquired under section 3, the owners of the lands and their designees shall be entitled to the full and lawful use and enjoyment of the lands. Nothing in this Act may be—

(1) construed to impose any limitations upon any otherwise lawful use of the lands by the owners of the lands or their designees;
(2) construed as authority to defer the submission, review, approval, or implementation of any timber harvest or similar plan with respect to any portion of the lands; or
(3) construed to grant a cause of action against the owner of the lands or their designees.

(b) VOLUNTARY DEFERMENT OF USE.—The owners of lands described in section 3 or their designees may agree of their own accord to defer some or all lawful enjoyment and use of the land for a certain period of time.

Add at the end of section 3 of the bill the following new subsection:

(e) CONSENT OF OWNER REQUIRED FOR ACQUISITION.—Lands and interests in lands within the Six Rivers National Forest Addition may not be acquired by the Secretary

for purposes of this Act without the consent of the owner of the lands.

The Secretary may not acquire lands or interests in land within the Six Rivers National Forest Addition by condemnation.

Add at the end of subsection (a) of section 2 of the bill the following new paragraph:

(6) The continued fragmentation and loss of irreplaceable ecosystems creates an urgent need to develop creative solutions to achieve the long-term benefits of permanent protection and preservation.

Add at the end of the following new section:

SEC. . SEARCH AND RESCUE OPERATIONS IN SIX RIVERS NATIONAL FOREST.

As provided in section 4(c) of the Wilderness Act (16 U.S.C. 1133(c)), mechanical transport (including motor vehicles, motorized equipment, and the landing of fixed-wing and rotary aircraft) shall be permitted anywhere within the boundaries of the Six Rivers National Forest with respect to any emergency involving the health or safety of an individual within the national forests.

Add at the end of the bill the following new section:

SEC. 8. PURCHASE OF AMERICAN-MADE EQUIPMENT AND PRODUCTS.

(a) SENSE OF CONGRESS.—It is the sense of the Congress that, to the greatest extent practicable, all equipment and products purchased with funds made available under this Act should be American-made.

(b) NOTICE REQUIREMENT.—In providing payments under section 6 or other financial assistance to, or entering into any contract with, any entity using funds made available under this Act, the Secretary, to the greatest extent practicable, shall provide to such entity a notice describing the statement made in subsection (a) by the Congress.

Strike subsection (d) of section 3 of the bill and insert the following new subsection.

(d) AUTHORIZATION OF APPROPRIATIONS; LIMITATIONS.—There are authorized to be appropriated such sums as may be necessary to carry out this Act; except that the total amount obligated or expended to acquire lands or interests in lands in the Six Rivers National Forest Addition shall not exceed \$200,000,000.

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.

The question being put, viva voce, Will the House pass said bill?

The SPEAKER pro tempore, Mr. McNULTY, announced that the yeas had it.

Mr. LEWIS of Florida demanded a recorded vote on passage of said bill, which demand was supported by one-fifth of a quorum, so a recorded vote was ordered.

The vote was taken by electronic device.
