Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1976) making appropriations for Agriculture, Rural Development, Food and Drug Administration, and Related Agencies programs for the fiscal year ending September 30, 1996, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule, and the amendment printed in the report of the Committee on Rules accompanying this resolution shall be considered as pending. That amendment shall be considered as read, shall be debatable for ten minutes equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. If that amendment is adopted, the provisions of the bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule. Further consideration of the bill for amendment shall proceed by title rather than by paragraph. Each title shall be considered as read. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may ac-

cord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
