On motion of Mr. GILMAN, by unanimous consent, the Committee on International Relations was discharged from further consideration of the bill (H.R. 2161) to extend authorities under the Middle East Peace Facilitation Act of 1994 until October 1, 1995, and for other purposes.

When said bill was considered, read twice, ordered to be engrossed and read a third time, was read a third time by title, and passed.

A motion to reconsider the vote whereby the bill was passed was, by unanimous consent, laid on the table.

Ordered, That the Clerk request the concurrence of the Senate in said bill.

¶107.24 PROVIDING FOR THE CONSIDERATION OF H.R. 1555

Mr. LINDER, by direction of the Committee on Rules, called up the following resolution (H. Res. 207):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXXIII, declare the

House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1555) to promote competition and reduce regulation in order to secure lower prices and higher quality services for American telecommunications consumers and encourage the rapid deployment of new telecommunications technologies. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 302(f) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed ninety minutes equally divided among and controlled by the chairmen and ranking minority members of the Committee on Commerce and the Committee on the Judiciary. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Commerce now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI and section 302(f) of the Congressional Budget Act of 1974 are waived. Before consideration of any other amendment it shall be in order to consider the amendment printed in part 1 of the report of the Committee on Rules accompanying this resolution. That amendment may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for thirty minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. If that amendment is adopted, the provisions of the bill, as amended, shall be considered as the original bill for the purpose of further amendment under the five-minute rule. No further amendment shall be in order except those printed in part 2 of the report of the Committee on Rules. Each amendment printed in part 2 of the report may be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against amendments printed in the report of the Committee on Rules are waived. The chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment. The chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without inter-

vening motion except one motion to recommend with or without instructions.

SEC. 2. After passage of H.R. 1555, it shall be in order to take from the Speaker's table the bill S. 652 and to consider the Senate bill in the House. All points of order against the Senate bill and against its consideration are waived. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 1555 as passed by the House. All points of order against that motion are waived. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendments to S. 652 and request a conference with the Senate thereon.

When said resolution was considered.

After debate,

On motion of Mr. LINDER, the previous question was ordered on the resolution to its adoption or rejection.
