137.22 AMENDMENT IN DISAGREEMENT—  
H.R. 1868

The House then proceeded to the consideration of the following amendment of the Senate reported in disagreement numbered 115:

Page 44, line 19, after "lizations" insert: :  
*Provided*, That in determining eligibility for assistance from funds appropriated to carry out section 104 of the Foreign Assistance Act of 1961, nongovernmental and multilateral organizations shall not be subjected to requirements more restrictive than the re-

quirements applicable to foreign governments for such assistance: *Provided further*, That none of the funds made available under this Act may be used to lobby for or against abortion.

Mr. CALLAHAN, pursuant to House Resolution 249, moved that the House recede from its disagreement to the amendment of the Senate numbered 115 and concur therein with an amendment, as follows:

In lieu of the matter proposed by said amendment, insert:

: *Provided*, That none of the funds made available under this Act may be used to lobby for or against abortion.

PROHIBITION ON FUNDING FOR ABORTION

Sec. 518A. (a) IN GENERAL.—

(1) Notwithstanding any other provision of this Act or other law, none of the funds appropriated by this Act for population assistance activities may be made available for any foreign private, nongovernmental, or multilateral organization until the organization certifies that it will not during the period for which the funds are made available, perform abortions in any foreign country, except where the life of the mother would be endangered if the fetus were carried to term or in cases of forcible rape or incest.

(2) Paragraph (1) may not be construed to apply to the treatment of injuries or illnesses caused by legal or illegal abortions or to assistance provided directly to the government of a country.

(b) LOBBYING ACTIVITIES.—

(1) Notwithstanding any other provision of this Act or other law, none of the funds appropriated by this Act for population assistance activities may be made available for any foreign private, nongovernmental, or multilateral organization until the organization certifies that it will not during the period for which the funds are made available, violate the laws of any foreign country concerning the circumstances under which abortion is permitted, regulated, or prohibited.

(2) Notwithstanding any other provision of this Act, paragraph (1) shall not apply to activities in opposition to coercive abortion or involuntary sterilization.

(c) Subsections (a) and (b) apply to funds made available for a foreign organization either directly or as a subcontractor or subgrantee, and the required certifications apply to activities in which the organization engages either directly or through a subcontractor or subgrantee.

(d) COERCIVE POPULATION CONTROL METHODS.—Notwithstanding any other provision of this Act or other law, none of the funds appropriated by this Act may be made available for the United Nations Population Fund (UNFPA) unless the President certifies to the appropriate congressional committees that (1) the United Nations Population Fund will terminate all family planning activities in the People's Republic of China no later than March 1, 1996; or (2) during the 12 months preceding such certification, there have been no abortions as the result of coercion associated with the family planning policies of the national government or other governmental entities within the People's Republic of China. As used in this section the term "coercion" includes physical duress or abuse, destruction or confiscation of property, loss of means of livelihood, or severe psychological pressure.

On motion of Mr. CALLAHAN, by unanimous consent,

*Ordered*, That debate on the motion made in order by House Resolution 249 to dispose of the amendment of the Senate numbered 115 be limited to 20 minutes, equally divided and con-
