45.29 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO DRUG TRAFFICKING IN COLUMBIA

The SPEAKER pro tempore, Mr. UPTON, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

I hereby report to the Congress on the developments concerning the national emergency with respect to significant narcotics traffickers centered in Colombia that was declared in Executive Order No. 12978 of October 21, 1995. This report is submitted pursuant to section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c).

1. On October 21, 1995, I signed Executive Order No. 12978, "Blocking Assets and Prohibiting Transactions with Significant Narcotics Traffickers" (the "Order") (60 Fed. Reg. 54579, October 24, 1995). The Order blocks all property subject to U.S. jurisdiction in which there is any interest of four significant foreign narcotics traffickers who are principals in the so-called Cali drug cartel centered in Colombia. They are listed in the annex to the Order. In addition, the Order blocks the property and interests in property of foreign persons determined by the Secretary of the Treasury, in consultation with the Attorney General and the Secretary of State, (a) to play a significant role in international narcotics trafficking centered in Colombia or (b) to materially assist in or provide financial or technological support for, or goods or services in support of, the narcotics trafficking activities of persons designated in or pursuant to the Order. In addition the Order blocks all property and interests in property subject to U.S. jurisdiction of persons determined by the Secretary of the Treasury in consultation with the Attorney General and the Secretary of State, to be owned or controlled by, or to act for or on behalf of, persons designated in or pursuant to the Order (collectively "Specially Des-

ignated Narcotics Traffickers" or "SDNTs").

The Order further prohibits any transaction or dealing by a United States person or within the United States in property or interests in property of SDNTs, and any transaction that evades or avoids, has the purpose of evading or avoiding, or attempts to violate, the prohibitions contained in the Order.

Designations of foreign persons blocked pursuant to the Order are effective upon the date of determination by the Director of the Department of the Treasury's Office of Foreign Assets Control (FAC) acting under authority delegated by the Secretary of the Treasury. Public notice of blocking is effective upon the date of filing with the Federal Register, or upon prior actual notice.

2. On October 24, 1995, the Department of the Treasury issued a notice containing 76 additional names of persons determined to meet the criteria set forth in Executive Order No. 12978 (60 Fed. Reg. 54582-84, October 24, 1995). A copy of the notice is attached to this report.

The Department of the Treasury issued another notice adding the names of one additional entity and three additional individuals, as well as expanded information regarding addresses and pseudonyms, to the List of SDNTs on November 29, 1995 (60 Fed. Reg. 61288-89). A copy of this notice is attached to this report.

3. On March 8, 1996, FAC published a notice in the Federal Register adding the names of 138 additional individuals and 60 entities designated pursuant to the Order, and revising information for 8 individuals on the list of blocked persons contained in the notices published on November 29, 1995, and October 24, 1995 (61 Fed. Reg. 9523-28). A copy of the notice is attached to this report. The FAC, in coordination with the Attorney General and the Secretary of State, is continuing to expand the list of Specially Designated Narcotics Traffickers, including both organizations and individuals, as additional information is developed.

4. On October 22, 1995, FAC disseminated details of this program to the financial, securities, and international trade communities by both electronic and conventional media. This information was updated on November 29, 1995, and again on March 5, 1996. In addition to bulletins to banking institutions via the Federal Reserve System and the Clearing House Inter-bank Payments System (CHIPS), individual notices were provided to all State and Federal regulatory agencies, automated clearing houses, and State and independent banking associations across the country. The FAC contacted all major securities industry associations and regulators, posted electronic notices to 10 computer bulletin boards and 2 fax-on-demand services, and provided the same material to the U.S. Embassy in Bogota for distribution to U.S. companies operating in Colombia.

5. There were no funds specifically appropriated to implement this program. The expenses incurred by the Federal Government in the 6-month period from October 21, 1995, through April 20, 1996, that are directly attributable to the exercise of powers and authorities conferred by the declaration of the national emergency with respect to Significant Narcotics Traffickers are estimated at approximately \$500,000 from previously appropriated funds. Personnel costs were largely centered in the Department of the Treasury (particularly in the Office of Foreign Assets Control, the Office of the General Counsel, and the U.S. Customs Service), the Department of Justice, and the Department of State.

6. Executive Order No. 12978 provides this Administration with a new tool for combating the actions of significant foreign narcotics traffickers centered in Colombia, and the unparalleled violence, corruption, and harm that they cause in the United States and abroad. The Order is designed to deny these traffickers the benefit of any assets subject to the jurisdiction of the United States and to prevent United States persons from engaging in any commercial dealings with them, their front companies, and their agents. Executive Order No. 12978 demonstrates the U.S. commitment to end the scourge that such traffickers have wrought upon society in the United States and beyond.

The magnitude and the dimension of the problem in Colombia—perhaps the most pivotal country of all in terms of the world's cocaine trade—is extremely grave. I shall continue to exercise the powers at my disposal to apply economic sanctions against significant foreign narcotics traffickers and their violent and corrupting activities as long as these measures are appropriate, and will continue to report periodically to the Congress on significant developments pursuant to 50 U.S.C. 1703(c).

WILLIAM J. CLINTON.

THE WHITE HOUSE, April 23, 1996.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 104-200).
