A motion to reconsider the vote whereby said resolution, as amended, was agreed to was, by unanimous consent, laid on the table.

§54.11 PROVIDING FOR THE CONSIDERATION OF H.R. 2406

Mr. DREIER, by direction of the Committee on Rules, called up the following resolution (H. Res. 426):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2406) to repeal the United States Housing Act of 1937, deregulate the public housing program and the program for rental housing assistance for low-income families, and increase community control over such programs, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Banking and Financial

Services. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Banking and Financial Services now printed in the bill. The committee amendment in the nature of a substitute shall be considered by title rather than by section. The first two sections and each title shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 5(a) of rule XXI are waived. Before consideration of any other amendment it shall be in order to consider the amendment printed in the Congressional Record of May 7, 1996, pursuant to clause 6 of rule XXIII, if offered by Representative Lazio of New York or his designee. That amendment shall be considered as read, shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against that amendment are waived. If that amendment is adopted, the bill, as amended, shall be considered as the original bill for the purpose of further amendment. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the committee amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

SEC. 2. After passage of H.R. 2406, it shall be in order to take from the Speaker's table the bill S. 1260 and to consider the Senate bill in the House. It shall be in order to move to strike all after the enacting clause of the Senate bill and to insert in lieu thereof the provisions of H.R. 2406 as passed by the House. All points of order against that motion are waived. If the motion is adopted and the Senate bill, as amended, is passed, then it shall be in order to move that the House insist on its amendments to S. 1260 and request a conference with the Senate thereon.

When said resolution was considered. After debate,

Mr. DREIER moved the previous question on the resolution to its adoption or rejection.

The question being put, viva voce,

Will the House now order the previous question?

The SPEAKER pro tempore, Mr. BUNNING, announced that the yeas had it.

Mr. BEILENSEN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
