Mr. LINDER, by direction of the Committee on Rules, called up the following resolution (H. Res. 303):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the State of the Union for consideration of the bill (H.R. 1745) to designate certain public lands in the State of Utah as wilderness, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(l)(6) of rule XI or section 302(f) or 311(a) of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Resources. After general debate the bill shall be considered for amendment under the five-minute rule. It shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule the amendment in the nature of a substitute recommended by the Committee on Resources now printed in the bill. The committee amendment in the nature of a substitute shall be considered as read. Points of order against the committee amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI or section 302(f) or 311(a) of the Congressional Budget Act of 1974 are waived. Before consideration of any other amendment, it shall be in order to consider the amendment printed in the report of the Committee on Rules accompanying this resolution. That amendment may be offered only by the chairman of the Committee on Resources or his designee, shall be considered as read, shall be debatable for ten minutes equally divided and controlled by the proponent and an opponent, shall not be sub-

ject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. If that amendment is adopted, the bill, as amended, shall be considered as the original bill for the purpose of further amendment. During further consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.
