

"We, who know what objective truth is, must make a firm commitment every day * * * to never, ever compromise in this intense conflict to preserve a culture that is not just safe for children but for their families * * * a culture with virtue, a culture that pleases God.

"And what possible claims can homosexual activists make toward Christian loyalty. A true Christian must be able to say with believability, 'I try to walk in the footsteps of my Savior Jesus Christ.' For someone to claim without shame, that the disgusting display of hedonism at the majestic, publicly-owned Andrew W. Mellon Auditorium had anything to do with Jesus Christ or his followers is to exercise raw evil egotism. Dr. Billy Graham had it exactly right. We are 'a nation on the brink of self-destruction.' But we need not self-destruct nor commit national suicide. Honest Abe Lincoln, at only age 38, warned us to steel ourselves against national self-destruction.

"Mr. Speaker, let me repeat those words from a four-star general that I used in my opening, 'we must insist on disciplined and principled behavior. * * * The majority of our members understand well that integrity is essential in an organization where we count on fellow members and that honesty is the glue that binds the members into a cohesive team.

"And they easily take responsibility for their actions and exhibit the courage to do the right thing.

"Yes, most professionals place service before self and willingly subordinate personal interests for the good of their unit, the Air Force and the Nation and, if called upon, are willing to risk their lives in defense of the United States."

"Thank you, General Ron Fogelman for inspiring me in a period when I certainly find myself on a solo deep-strike recon mission.

"Mr. Speaker, true love will always protect the innocent. I will always challenge the child corrupters, my shield is always the chastening and fearful words of Jesus Christ in Matthew 18:6, 'Whosoever shall cause one of these little ones who believe in me to sin, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the sea'. . . I will do a post mortem on these matters, if I have to, in a Special Order, so as to clear up, with the truth, any late breaking developments. Thank you for your attention, Mr. Speaker, and may God truly bless and watch over our bountiful land. I yield back the balance of my time, but I will never yield my sense of decency."
