¶92.34 MESSAGE FROM THE PRESIDENT—
NATIONAL EMERGENCY WITH RESPECT
TO IRAQ

The SPEAKER pro tempore, Mr. HUTCHINSON, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the Federal Register and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iraqi emergency is to continue in effect beyond August 2, 1996, to the Federal Register for publication.

The crisis between the United States and Iraq that led to the declaration on August 2, 1990, of a national emergency has not been resolved. The Government of Iraq continues to engage in activities inimical to stability in the Middle East and hostile to United States interests in the region. Such Iraqi actions pose a continuing unusual and extraordinary threat to the national security and vital foreign policy interests of the United States. For these reasons, I have determined that it is necessary to maintain in force the broad authorities necessary to apply economic pressure on the Government of Iraq.

WILLIAM J. CLINTON.

THE WHITE HOUSE, July 22, 1996.

The message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 104-250).
