"Mr. Speaker, the gentleman from Wisconsin [Mr. BARRETT] is not speaking to the legislation in front of us, and he knows it."

Mr. BARRETT of Wisconsin was recognized to speak to the point of order, and said:

"I am tying this into the reforms that are going on in this body. The previous speaker spoke to the many reforms that he thought were necessary. I acknowledge that there are reforms that are necessary. I also think that this is very consistent with those reforms and whether we have reform in this body."

The SPEAKER pro tempore, Mr. GUTKNECHT, sustained the point of order, and said:

"The gentleman from Wisconsin should confine his remarks to the subjects contained with this bill. The Chair sustains the point of order."

¶115.36 POINT OF ORDER

Mr. FAZIO made a point of order, and said:

"Mr. Speaker, a number of Members have spoken on the issue of reform, as it has come before the body during this entire Congress. To allow the gentleman from Wisconsin to proceed would only be fair in light of what has happened in prior discussion of this legislation."

Mr. BARRETT of Wisconsin was recognized to speak to the point of order, and said:

"Again, my whole point here is I think that this is a good bill. I support this bill. In fact, I am a cosponsor of a similar version of this bill. I think that we should pass this legislation.

"My point, in a generic sense, is that we as a body have to make sure that we police ourselves as well. And to police ourselves as well means that we have to disclose reports that we have paid for. Why would we spend \$500,000 on a report and not release it to the public? That is my only point."
