

is to continue in effect beyond March 15, 1997, to the *Federal Register* for publication. This emergency is separate from that declared on November 14, 1979, in connection with the Iranian hostage crisis and therefore requires separate renewal of emergency authorities.

The factors that led me to declare a national emergency with respect to Iran on March 15, 1995, have not been resolved. The actions and policies of the Government of Iran, including its support for international terrorism, efforts to undermine the Middle East peace process, and its acquisition of weapons of mass destruction and the means to deliver them, continue to threaten the national security, foreign policy, and economy of the United States. Accordingly, I have determined that it is necessary to maintain in force the broad authorities that are in place by virtue of the March 15, 1995, declaration of emergency.

WILLIAM J. CLINTON.

THE WHITE HOUSE, March 5, 1997.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 105-51).
