A message from the Senate by Ms. McDevitt, one of its clerks, announced that the Senate had passed a bill of the following title, in which the concurrence of the House is requested:

S. 670. An Act to amend the Immigration and Nationality Technical Corrections Act of 1994 to eliminate the special transition rule for issuance of a certificate of citizenship for certain children born outside the United States.

49.6 PROVIDING FOR THE CONSIDERATION OF H.R. 1469

Mr. SOLOMON, by direction of the Committee on Rules, called up the following resolution (H. Res. 149):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 1469) making emergency supplemental appropriations for recovery from natural disasters, and for overseas peacekeeping efforts, including those in Bosnia, for the fiscal year ending September 30, 1997, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and con-

trolled by the chairman and ranking minority member of the Committee on Appropriations. An amendment striking lines 8 through 17 on page 24 shall be considered as adopted in the House and in the Committee of the Whole. Points of order against provisions in the bill for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: page 3, line 1, through line 9; page 10, line 3, through line 15; page 26, line 8, through line 15; and page 33, line 14, through page 34, line 19. Before consideration of any other amendment it shall be in order to consider the amendments printed in the report of the Committee on Rules accompanying this resolution. Each amendment printed in the report may be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. During consideration of the bill for further amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be fifteen minutes. During consideration of the bill, points of order against amendments for failure to comply with clause 2(e) of rule XXI are waived. At the conclusion of consideration of the bill for amendment, the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and any amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered.

After debate,

Mr. SOLOMON moved the previous question on the resolution to its adoption or rejection.

The question being put, *viva voce*,
