Whereas Mother Teresa has forever enhanced the culture and history of the world; and

Whereas Mother Teresa truly leads by example and shows the people of the world the way to live by love for all humanity; Now, therefore, be it

¶52.13 CONGRESSIONAL SUPPORT FOR DECENT HOUSING

Mr. LAZIO moved to suspend the rules and agree to the following resolution (H. Res. 147); as amended:

Whereas the United States promotes and encourages the creation and revitalization of sustainable and strong neighborhoods in partnership with States, cities, and local communities and in conjunction with the independent and collective actions of private citizens and organizations;

Whereas establishing a housing infrastructure strengthens neighborhoods and local economies and nurtures the families who reside in them;

Whereas an integral element of a strong community is a sufficient supply of affordable housing;

Whereas such housing can be provided in traditional and nontraditional forms, including apartment buildings, transitional and temporary homes, condominiums, co-operatives, and single family homes;

Whereas for many families a home is not merely shelter, but also provides an opportunity for growth, prosperity, and security;

Whereas homeownership is a cornerstone of the national economy because it spurs the production and sale of goods and services, generates new jobs, encourages savings and investment, promotes economic and civic responsibility, and enhances the financial security of all people in the United States;

Whereas the United States is the first country in the world to make owning a home a reality for a vast majority of its families; however, more than one-third of the families in the United States are not homeowners;

Whereas a disproportionate percentage of non-homeowning families in the United States are low-income families;

Whereas the National Partners in Homeownership, a public-private partnership comprised of 63 national organizations under the leadership of the Department of Housing and Urban Development, has established a goal of reaching an all-time high homeownership level in the United States by the end of the 20th century;

Whereas there are many other nonprofit and for-profit organizations that, in partnership with the Federal Government and local governments, strive to make the American dream of homeownership a reality for low-income families;

Whereas national organizations such as the Fannie Mae Foundation, Freddie Mac, the Local Initiatives Support Corporation, the Enterprise Foundation, the Housing Assistance Council, and the Neighborhood Reinvestment Corporation, in conjunction with local organizations, have developed thousands of homes each year for low-income families and have, in the process, reduced urban decay and blight and fostered business activity;

Whereas the community building activities of neighborhood-based nonprofit organizations empower individuals to improve their lives and make communities safer and healthier for families;

Whereas one of the best known nonprofit housing organizations is Habitat for Humanity, which builds simple but adequate housing for less fortunate families and symbolizes the self-help approach to homeownership;

Whereas Habitat for Humanity provides opportunities for people from every segment of society to volunteer to help make the American dream a reality for families who otherwise would not own a home; and

Whereas the second week of June 1997 is National Homeownership Week; Now, therefore, be it

Resolved, That it is the sense of the House of Representatives that—
