¶77.12 MOTION TO INSTRUCT CONFEREES—H.R. 2014

Mr. RANGEL moved that the managers on the part of the House at the conference on the disagreeing votes of the two Houses on H.R. 2014, be instructed to work in a bipartisan fashion to provide fair and equitable tax relief to working families and avoid large and growing out-year revenue costs. In doing so, the conferees shall, within the scope of the conference:

1. Recede from their insistence on the provision of the House bill that provides for indexing of capital assets.

2. Support tax relief that provides a family credit commonly referred to as the \$500-per-child credit, to working families, who pay Federal taxes.

3. Support tax provisions designed to assist working families in meeting the costs of college education and those provisions shall—

a. Include a HOPE Scholarship credit for the first 2 years of postsecondary education consistent with the objectives of the HOPE Scholarship credit proposed by the President so that students attending low-cost community colleges are not disadvantaged;

b. Include tax benefits for families paying tuition costs for the second 2 years of postsecondary education out of wages and salary income; and

c. Not include the provisions of the House bill that impose new taxes on graduate students receiving tuition waivers.

After debate,

By unanimous consent, the previous question was ordered on the motion to instruct the managers on the part of the House.

The question being put, viva voce,

Will the House agree to said motion?

The SPEAKER pro tempore, Mr. GILLMOR, announced that the nays had it.

Mr. SPRATT objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.
