SEC. 8103. (a) None of the funds appropriated or otherwise made available by this Act for the Department of Defense specimen repository described in subsection (b) may be used for any purpose except in accordance with the requirement in paragraph numbered 3 of the covered Department of Defense policy memorandum that specifically provides that permissible uses of specimen samples in the repository are limited to the following purposes:

- (1) Identification of human remains.
(2) Internal quality assurance activities to validate processes for collection, maintenance and analysis of samples.
(3) A purpose for which the donor of the sample (or surviving next-of-kin) provides consent.

(4) As compelled by other applicable law in a case in which all of the following conditions are present:

(A) The responsible Department of Defense official has received a proper judicial order or judicial authorization.

(B) The specimen sample is needed for the investigation or prosecution of a crime punishable by one year or more of confinement.

(C) No reasonable alternative means for obtaining a specimen for DNA profile analysis is available.

(D) The use is approved by the Assistant Secretary of Defense (Health Affairs) after consultation with the Department of Defense General Counsel.

(b) The specimen repository referred to in subsection (a) is the repository that was established pursuant to Deputy Secretary of Defense Memorandum 47803, dated December 16, 1991, and designated as the "Armed Forces Repository of Specimen Samples for the Identification of Remains" by paragraph numbered 4 in the covered Department of Defense policy memorandum.

(c) For purposes of this section, the covered Department of Defense policy memorandum is the memorandum of the Assistant Secretary of Defense (Health Affairs) for the Secretary of the Army, dated April 2, 1996, issued pursuant to law which states as its subject "Policy Refinements for the Armed Forces Repository of Specimen Samples for the Identification of Remains".
