A motion to reconsider the vote whereby said conference report was agreed to was, by unanimous consent, laid on the table.

Ordered, That the Clerk notify the Senate thereof.

¶110.30 MESSAGE FROM THE PRESIDENT—NATIONAL EMERGENCY WITH RESPECT TO IRAN

The SPEAKER pro tempore, Mr. LATOURETTE, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iran emergency declared in 1979 is to continue in effect beyond November 14, 1997, to the *Federal Register* for publication. Similar notices have been sent annually to the Congress and the *Federal Register* since November 12, 1980. The most recent notice appeared

in the *Federal Register* on October 31, 1996. This emergency is separate from that declared with respect to Iran on March 15, 1995, in Executive Order 12957.

The crisis between the United States and Iran that began in 1979 has not been fully resolved. The international tribunal established to adjudicate claims of the United States and U.S. nationals against Iran and of the Iranian government and Iranian nationals against the United States continues to function, and normalization of commercial and diplomatic relations between the United States and Iran has not been achieved. In these circumstances, I have determined that it is necessary to maintain in force the broad authorities that are in place by virtue of the November 14, 1979, declaration of emergency and that are needed in the process of implementing the January 1981 agreements with Iran.

WILLIAM J. CLINTON.

THE WHITE HOUSE, September 30, 1997.

NOTICE

CONTINUATION OF IRAN EMERGENCY

On November 14, 1979, by Executive Order 12170, the President declared a national emergency to deal with the threat to the national security, foreign policy, and economy of the United States constituted by the situation in Iran. Notices of the continuation of this national emergency have been transmitted annually by the President to the Congress and the *Federal Register*. The most recent notice appeared in the *Federal Register* on October 31, 1996. Because our relations with Iran have not yet returned to normal, and the process of implementing the January 19, 1981, agreements with Iran is still underway, the national emergency declared on November 14, 1979, must continue in effect beyond November 14, 1997. Therefore, in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)), I am continuing the national emergency with respect to Iran. This notice shall be published in the *Federal Register* and transmitted to the Congress.

WILLIAM J. CLINTON.

THE WHITE HOUSE, September 30, 1997.

By unanimous consent, the message, together with the accompanying papers, was referred to the Committee on International Relations and ordered to be printed (H. Doc. 105-137).

¶110.31 COMMERCE, JUSTICE, STATE, JUDICIARY APPROPRIATIONS

The SPEAKER, pro tempore, Mr. LATOURETTE, pursuant to House Resolution 239 and rule XXIII, declared the House resolved into the Committee of the Whole House on the state of the Union for the further consideration of the bill (H.R. 2267) making appropriations for the Departments of Commerce, Justice, and State, the Judiciary, and related agencies for the fiscal year ending September 30, 1998, and for other purposes.

Mr. HASTINGS of Washington, Chairman of the Committee of the

Whole, resumed the chair; and after some time spent therein,

The Committee rose informally to receive a message from the Senate.

The SPEAKER pro tempore, Mr. MILLER of Florida, assumed the Chair.

110.32 FURTHER MESSAGE FROM THE SENATE

A further message from the Senate by Mr. Lundregan, one of its clerks, announced that the Senate agrees to the report of the committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 2203) "An Act making appropriations for energy and water development for the fiscal year ending September 30, 1998, and for other purposes."

The Committee resumed its sitting; and after some further time spent therein,

110.33 RECORDED VOTE

A recorded vote by electronic device was ordered in the Committee of the Whole on the following amendment submitted by Mr. MOLLOHAN:

In the first paragraph under "DEPARTMENT OF COMMERCE—BUREAU OF THE CENSUS—PERIODIC CENSUSES AND PROGRAMS" strike "Subject to the limitations provided in section 209, for" and insert "For".

Strike section 209 and insert the following:

SEC. 209. None of the funds made available in this Act for fiscal year 1998 may be used by the Department of Commerce to make irreversible plans or preparations for the use of sampling or any other statistical method (including any statistical adjustment) in taking the 2000 decennial census of population for purposes of the apportionment of Representatives in Congress among the States.

SEC. 210. (a) There shall be established a board to be known as the Board of Observers for a Fair and Accurate Census (hereinafter in this section referred to as the "Board").

(b)(1) The function of the Board shall be to observe and monitor all aspects of the preparation and implementation of the 2000 decennial census (including all dress rehearsals) to determine whether the process has been manipulated in any way so as to bias the results in favor of any geographic region, population group, or political party, or on any other basis.

(2) In carrying out such function, the Board shall give special attention to the design and implementation of any sampling techniques and any statistical adjustments used in determining the population for purposes of the apportionment of Representatives in Congress among the several States.

(3) The Board shall promptly report to the Congress and the President evidence of any manipulation referred to in paragraph (1).

(c)(1) The Board shall be composed of 3 members as follows:

(A) 1 individual appointed by the President.

(B) 1 individual appointed jointly by the Speaker of the House of Representatives and the President pro tempore of the Senate.

(C) The Comptroller General of the United States.

The members appointed under subparagraphs (A) and (B), respectively, shall be former Presidents or others of similar stature.

(2) Members shall not be entitled to any pay by reason of their service on the Board, but shall receive travel expenses, including per diem in lieu of subsistence, in accordance

with sections 5702 and 5703 of title 5, United States Code.

(d)(1) The Board shall have an Executive Director who shall be appointed by the Board and paid at a rate not to exceed level IV of the Executive Schedule.

(2) The Board may appoint and fix the pay of such additional personnel as it considers appropriate, subject to the provisions of chapter 51 and subchapter III of chapter 53 of title 5, United States Code.

(3) Subject to such rules as may be prescribed by the Board, the Board may procure temporary and intermittent services under section 3109(b) of such title 5, but at rates for individuals not to exceed the daily equivalent of the maximum annual rate of pay payable for grade GS-15 of the General Schedule.

(4)(A) Upon request of the Board, any personnel of an agency under subparagraph (B) may be detailed to the Board, on a reimbursable basis or otherwise, to assist the Board in carrying out its duties.

(B) The agencies under this subparagraph are the General Accounting Office, the Congressional Research Service, and the Congressional Budget Office.

(e)(1) Notwithstanding any provision of title 13, United States Code, or any other provision of law, members of the Board and any members of the staff who may be designated by the Board under this paragraph shall be granted access to any data, files, information, or other matters maintained by the Bureau of the Census (or received by it in the course of conducting a decennial census of population) which they may request, subject to such regulations as the Board may prescribe in consultation with the Secretary of Commerce.

(2) The regulations shall include provisions under which individuals gaining access to any information or other matter pursuant to paragraph (1) shall be subject to sections 9 and 214 of title 13, United States Code.

(f) The Board shall transmit to the Congress and the President—

(1) interim reports, as least semiannually, with the first such report due by August 1, 1998; and

(2) a final report not later than August 1, 2001.

The final report shall contain a detailed statement of the findings and conclusions of the Board with respect to the matters described in subsection (b), together with any recommendations regarding future decennial censuses of population.

(g) Of the amounts appropriated to the Bureau of the Census for each of fiscal years 1998 through 2001, \$2,000,000 shall be available to the Board to carry out this section.

(h) To the extent practicable, members of the Board shall work to promote the most accurate and complete census possible by using their positions to publicize the need for full and timely responses to census questionnaires.

(i) The Board shall cease to exist on September 30, 2001.
