So the motion to adjourn was not agreed to.

127.16 ACQUISITION BY IRAN OF CRUISE MISSILES

Mr. GILMAN, pursuant to House Resolution 302, called up the following resolution (H. Res. 188):

Whereas the United States escort vessel U.S.S. Stark was struck by a cruise missile in the Persian Gulf, causing the death of 37 United States sailors;

Whereas the China National Precision Machinery Import-Export Corporation is marketing the C-802 model cruise missile for use against escort vessels such as the U.S.S. Stark;

Whereas the China National Precision Machinery Import-Export Corporation delivered 60 C-802 cruise missiles to Iran for use by vessels of the Iranian Revolutionary Guard Navy;

Whereas Iran is constructing sites and equipment to launch C-802 cruise missiles which will provide its armed forces with a weapon of greater range, reliability, accuracy, and mobility than before;

Whereas 15,000 members of the United States Armed Forces are stationed within the range of the C-802 cruise missiles acquired by Iran;

Whereas the Department of State believes that "[t]hese cruise missiles pose new, direct threats to deployed United States forces";

Whereas the delivery of cruise missiles to Iran is a violation of the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note); and

Whereas the executive branch has concluded at present that the known types (of C-802 cruise missiles) are not of a "destabilizing number and type": Now, therefore, be it

Resolved, That the House of Representatives—

(1) finds that the delivery of cruise missiles to Iran is of a destabilizing number and type and, therefore, is a violation of the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note); and

(2) urges the executive branch to enforce the Iran-Iraq Arms Non-Proliferation Act of 1992 (50 U.S.C. 1701 note) with respect to the acquisition by Iran of C-802 model cruise missiles.

When said resolution was considered and read twice.

Pursuant to House Resolution 302, the following amendments printed in part 2 of House Report 105-379 were considered as agreed to:

Page 3, line 2, strike "and".
Page 3, line 6, strike the period and insert "; and".

Page 3, after line 6, insert the following:

(3) recommends that the Secretary of State should not issue any visa to, and the Attorney General should not admit to the United States, any national of the People's Republic of China where a consular officer or the Attorney General knows or has reasonable grounds to believe that the applicant has been materially involved in the proliferation of advanced conventional weapons; nuclear, chemical, or biological weapons or technology; or other sensitive or dual-use technologies, in contravention of United States interests.

At the end of the resolving clause, add the following:

SEC. 2. It is the sense of the House of Representatives that—

(1) the President should demand that the Government of Russia take concrete actions to stop governmental and nongovernmental entities in the Russian Federation from providing missile technology and technical advice to Iran, in violation of the Missile Technology Control Regime;

(2) if the Russian response is inadequate, the United States should impose sanctions on the responsible Russian entities in accordance with Executive Order 12938 on the Proliferation of Weapons of Mass Destruction, and reassess cooperative activities with Russia;

(3) the threshold under current law allowing for the waiver of the prohibition on the release of foreign assistance to Russia should be raised; and

(4) the European allies of the United States should be encouraged to take steps in accordance with their own laws to stop such proliferation.

In the preamble, in the next to the last whereas clause, strike "and" after the semicolon.

In the last whereas clause, strike ": Now, therefore, be it", and insert a semicolon.

Insert after the last whereas clause the following:

Whereas there is substantial evidence that missile technology and technical advice have been provided from Russia to Iran, in violation of the Missile Technology Control Regime;

Whereas these violations include providing assistance to Iran in developing ballistic missiles, including the transfer of wind tunnel and rocket engine testing equipment;

Whereas these technologies give Iran the capability to deploy a missile of sufficient range to threaten United States military installations in the Middle East and Persian Gulf, as well as the territory of Israel, and our North Atlantic Treaty Organization ally Turkey; and

Whereas President Clinton has raised with Russian President Boris Yeltsin United States concerns about these activities and the Russian response has to date been inadequate: Now, therefore, be it

Amend the title to read as follows: "Resolution urging the executive branch to take action regarding the acquisition by Iran of C-802 cruise missiles, and expressing the sense of the House of Representatives regarding proliferation of missile technology from Russia to Iran."

After debate, Pursuant to House Resolution 302, the previous question was ordered.

The question being put, viva voce, Will the House agree to said resolution, as amended?

The SPEAKER pro tempore, Mrs. EMERSON, announced that they yeas had it.

Mr. GILMAN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 4, rule XV, and the call was taken by electronic device.

When there appeared { Yeas 414
