#### 71.6 PROVIDING FOR THE CONSIDERATION OF H.R. 4193

Mr. HASTINGS of Washington, by direction of the Committee on Rules, called up the following resolution (H. Res. 504):

*Resolved*, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 4193) making appropriations for the Department of the Interior and related agencies for the fiscal year ending September 30, 1999, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with section 306 or 401 of the Congressional Budget Act of 1974 are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. The amendments printed in part 1 of the report of the Committee on Rules accompanying this resolution shall be considered as adopted in the House and in the Committee of the Whole. Points of order against provisions in the bill, as amended, for failure to comply with clause 2 or 6 of rule XXI are waived except as follows: page 88, line 10, through page 89, line 6. If an unprotected provision is stricken on a point of order, the Committee of the Whole shall immediately consider the amendment printed in part 2 of the report of the Committee on Rules if offered by Representative Johnson of Connecticut or her designee. That amendment shall be considered as read, be debatable for 30 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The amendment printed in part 3 of the report of the Committee on Rules may be offered only by Representative Young of Alaska or his designee, may be offered only at the appropriate point in the reading of the bill, shall be considered as read, shall be debatable for 30 minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments printed in the report are waived. During consideration of the bill for further amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 6 of rule XXIII. Amendments so printed shall be considered as read. The chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. During consideration of the bill, points of order against amendments for failure to comply with clause 2(e) of rule XXI are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill, as amended, to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommit with or without instructions.

When said resolution was considered.

## ¶71.23 MESSAGE FROM THE PRESIDENT—VETO OF H.R. 2646

The SPEAKER pro tempore, Mr. HASTINGS of Washington, laid before the House a message from the President, which was read as follows:

*To the House of Representatives:*

I am returning herewith without my approval H.R. 2646, the "Education Savings and School Excellence Act of 1998."

As I have said before, we must prepare our children for the 21st century by providing them with the best education in the world. To help meet this goal, I have sent the Congress a comprehensive agenda for strengthening our public schools, which enroll almost 90 percent of our students. My plan calls for raising standards, strengthening accountability, and promoting charter schools and other forms of public school choice. It calls for reducing class size in the early grades, so our

students get a solid foundation in the basic skills, modernizing our schools for the 21st century, and linking them with the Internet. And we must strengthen teaching and provide students who need additional help with tutoring, mentoring, and after-school programs. We must take these steps now.

By sending me this bill, the Congress has instead chosen to weaken public education and shortchange our children. The modifications to the Education IRAs that the bill would authorize are bad education policy and bad tax policy. The bill would divert limited Federal resources away from public schools by spending more than \$3 billion on tax benefits that would do virtually nothing for average families and would disproportionately benefit the most affluent families. More than 70 percent of the benefits would flow to families in the top 20 percent of income distribution, and families struggling to make ends meet would never see a penny of the benefits. Moreover, the bill would not create a meaningful incentive for families to increase their savings for educational purposes; it would instead reward families, particularly those with substantial incomes, for what they already do.

The way to improve education for all our children is to increase standards, accountability, and choice within the public schools. Just as we have an obligation to repair our Nation's roads and bridges and invest in the infrastructure of our transportation system, we also have an obligation to invest in the infrastructure needs of our public schools. I urge the Congress to meet that obligation and to send me instead the legislation I have proposed to reduce class size; improve the quality of teaching; modernize our schools; end social promotions; raise academic standards; and hold school districts, schools, and staff accountable for results.

WILLIAM J. CLINTON.

THE WHITE HOUSE, July 21, 1998.

By unanimous consent, the veto message and the bill were referred to the Committee on Ways and Means and ordered to be printed (H. Doc. 105-287).

¶71.25 MESSAGE FROM THE PRESIDENT—  
NATIONAL EMERGENCY WITH RESPECT  
TO TERRORISM

The SPEAKER pro tempore, Mr. HASTINGS of Washington, laid before the House a message from the President, which was read as follows:

*To the Congress of the United States:*

I hereby report to the Congress on the developments concerning the national emergency with respect to terrorists who threaten to disrupt the Middle East peace process that was declared in Executive Order 12947 of January 23, 1995. This report is submitted pursuant to section 401(c) of the National Emergencies Act, 50 U.S.C. 1641(c), and section 204(c) of the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1703(c).

1. On January 23, 1995, I signed Executive Order 12947, "Prohibiting Transactions with Terrorists Who Threaten To Disrupt the Middle East Peace Process" (the "Order") (60 Fed. Reg. 5079, January 25, 1995). The Order blocks all property subject to U.S. jurisdiction in which there is any interest of 12 terrorist organizations that threaten the Middle East peace process as identified in an Annex to the Order. The Order also blocks the property and interests in property subject to U.S. jurisdiction of persons designated by the Secretary of State, in coordination with the Secretary of the Treasury and the Attorney General, who are found (1) to have committed, or to pose a significant risk of committing, acts of violence that have the purpose or effect of disrupting the Middle East peace process, or (2) to assist in, sponsor, or provide financial, material, or technological support for, or services in support of, such acts of violence. In addition, the Order blocks all property and interests in property subject to U.S. jurisdiction in which there is any interest of persons determined by the Secretary of the Treasury, in coordination with the Secretary of State and the Attorney General, to be owned or controlled by, or to act for or on behalf of, any other person designated pursuant to the Order (collectively "Specially Designated Terrorists" or "SDTs").

The Order further prohibits any transaction or dealing by a United States person or within the United States in property or interests in property of SDTs, including the making or receiving of any contribution of funds, goods, or services to or for the benefit of such persons. This prohibition includes donations that are intended to relieve human suffering.

Designations of persons blocked pursuant to the Order are effective upon the date of determination by the Sec-

retary of State or her delegate, or the Director of the Office of Foreign Assets Control (OFAC) acting under authority delegated by the Secretary of the Treasury. Public notice of blocking is effective upon the date of filing with the Federal Register, or upon prior actual notice.

Because terrorist activities continue to threaten the Middle East peace process and vital interests of the United States in the Middle East, on January 21, 1998, I continued for another year the national emergency declared on January 23, 1995, and the measures that took effect on January 24, 1995, to deal with that emergency. This action was taken in accordance with section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)).

2. On January 25, 1995, the Department of the Treasury issued a notice listing persons blocked pursuant to Executive Order 12947 who have been designated by the President as terrorist organizations threatening the Middle East peace process or who have been found to be owned or controlled by, or to be acting for or on behalf of, these terrorist organizations (60 Fed. Reg. 5084, January 25, 1995). The notice identified 31 entities that act for or on behalf of the 12 Middle East terrorist organizations listed in the Annex to Executive Order 12947, as well as 18 individuals who are leaders or representatives of these groups. In addition, the notice provided 9 name variations or pseudonyms used by the 18 individuals identified. The list identifies blocked persons who have been found to have committed, or to pose a significant risk of committing, acts of violence that have the purpose or effect of disrupting the Middle East peace process or to have assisted in, sponsored, or provided financial, material or technological support for, or services in support of, such acts of violence, or are owned or controlled by, or act for or on behalf of other blocked persons. The Department of the Treasury issued three additional notices adding the names of three individuals, as well as their pseudonyms, to the list of SDTs (60 Fed. Reg. 41152, August 11, 1995; 60 Fed. Reg. 44932, August 29, 1995; and 60 Fed. Reg. 58435, November 27, 1995).

3. On February 2, 1996, OFAC issued the Terrorism Sanctions Regulations (the "TSRs" or the "Regulations") (61 Fed. Reg. 3805, February 2, 1996). The TSRs implement the President's declaration of a national emergency and imposition of sanctions against certain persons whose acts of violence have the purpose or effect of disrupting the Middle East peace process. There have been no amendments to the TSRs, 31 C.F.R. Part 595, administered by the Office of Foreign Assets Control of the Department of the Treasury, since my report of January 28, 1998.

4. Since January 25, 1995, OFAC has issued six licenses pursuant to the Regulations. These licenses authorize payment of legal expenses and the disbursement of funds for normal expenditures for the maintenance of family

members, the employment and payment of salary and educational expenses, payment for secure storage of tangible assets, and payment of certain administrative transactions, to or for individuals designated pursuant to Executive Order 12947.

5. The expenses incurred by the Federal Government in the 6-month period from January 23 through July 22, 1998, that are directly attributable to the exercise of powers and authorities conferred by the declaration of the national emergency with respect to organizations that disrupt the Middle East Peace process, are estimated at approximately \$165,000. These data do not reflect certain costs of operations by the intelligence and law enforcement communities.

6. Executive Order 12947 provides this Administration with a tool for combating fundraising in this country on behalf of organizations that use terror to undermine the Middle East peace process. The Order makes it harder for such groups to finance these criminal activities by cutting off their access to sources of support in the United States and to U.S. financial facilities. It is also intended to reach charitable contributions to designated organizations and individuals to preclude diversion of such donations to terrorist activities.

Executive Order 12947 demonstrates the determination of the United States to confront and combat those who would seek to destroy the Middle East peace process, and our commitment to the global fight against terrorism. I shall continue to exercise the powers at my disposal to apply economic sanctions against extremists seeking to destroy the hopes of peaceful coexistence between Arabs and Israelis as long as these measures are appropriate, and will continue to report periodically to the Congress on significant developments pursuant to 50 U.S.C. 1703(c).

WILLIAM J. CLINTON.

THE WHITE HOUSE, July 21, 1998.

By unanimous consent, the message was referred to the Committee on International Relations and ordered to be printed (H. Doc. 105-288).
