Whereas many community- and faith-based organizations are offering the American public a new vision of compassion, designed to encourage volunteerism, strengthen the community, and care for the poor and vulnerable;

Whereas private sector investment in capital development—social and economic—in the most poverty stricken pockets across the country is key to long-term renewal of urban centers and distressed rural communities;

Whereas economic growth attracts new businesses, provides stability to neighborhoods, as well as provides jobs that yield income to support families and nurture self-respect;

Whereas over 100 bipartisan Members of Congress have cosponsored H.R. 815, the American Community Renewal Act, which targets the 100 poorest communities in the Nation for pro-growth tax benefits, regulatory relief, brownfields cleanup, and homeownership opportunities that combine to create jobs, hope, and a sense of community;

Whereas the President and the Vice President, along with congressional organizations such as the Renewal Alliance, have recognized the importance of community renewal and have recently promoted strategies designed to rebuild communities to empower faith-based organizations on the front lines of renewal in our country; and

Whereas a concerted effort to empower community institutions, encourage community renewal, and implement educational reform will help those who reside in inner cities and distressed rural communities to gain their share of America's prosperity: Now, therefore, be it

Resolved, That the House of Representatives—

(1) extends gratitude to the private nonprofit organizations and volunteers whose commitment to meet human needs in areas of poverty is key to long-term renewal of urban centers and distressed rural communities;

(2) seeks to empower the strengths of America's communities, local leaders, and mediating institutions such as its families, schools, spiritual leaders, businesses and nonprofit organizations;

(3) should work to empower community- and faith-based organizations to promote effective solutions to the social, financial, and emotional needs of urban centers and rural communities, and the long-term solutions to the problems faced by our culture; and

(4) should work with the Senate and the President to support a compassionate grassroots approach to addressing the family, economic, and cultural breakdown that plagues many of our Nation's urban and rural communities.

Amendments so printed shall be considered as read. The chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. On motion of Mr. HASTINGS of Washington, the previous question was

ordered on the resolution to its adoption or rejection and under the operation thereof, the resolution was agreed to.

A motion to reconsider the vote whereby said resolution was agreed to was, by unanimous consent, laid on the table.

TITLE II—VALLEY FORGE NATIONAL HISTORICAL PARK

SEC. 201. SHORT TITLE.

This title may be cited as the "Valley Forge Museum of the American Revolution Act of 1999".

SEC. 202. FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress finds the following:

(1) Valley Forge National Historical Park, formerly a State park, was established as a unit of the National Park System in 1976. The National Park Service acquired various lands and structures associated with the park, including a visitor center, from the Commonwealth of Pennsylvania.

(2) Valley Forge National Historical Park maintains an extensive collection of artifacts, books, and other documents associated with the Continental Army's winter encampment of 1777–1778 at Valley Forge, Revolutionary War-era artifacts of military life, important archaeological resources, and numerous structures and associated artifacts.

(3) Between 1982 and 1997 the National Park Service completed a general management plan, long-range interpretive plan, and strategic business plan for Valley Forge National Historical Park that establish goals and priorities for management of the park.

(4) These plans identify inadequacies in the park's current visitor center and interpretive programs. The plans call for the development of a new or significantly renovated visitor center that would make the collection accessible to the public through exhibits and research facilities. Plans also call for improving the interpretation of the landscape and improving the circulation into and through the park.

(5) The Valley Forge Historical Society was established in 1918 as a nonprofit organization to preserve and interpret for future generations the significant history and artifacts of the American Revolution in their historic setting at Valley Forge. The Valley Forge Historical Society has amassed valuable holdings of artifacts, art, books, and other documents relating to the 1777–1778 encampment of Washington's Continental Army at Valley Forge, the American Revolution, and the American colonial era. The Society continues to pursue additional important collections through bequests, exchanges, and acquisitions.

(6) The Society's collection is currently housed in a facility inadequate to properly maintain, preserve, and display their ever-growing collection. The Society is interested in developing an up-to-date museum and education facility.

(7) The Society and the National Park Service have discussed the idea of a joint museum and education and visitor facility. Such a collaborative project would directly support the historical, educational, and interpretive activities and needs of Valley Forge National Historical Park and those of the Valley Forge Historical Society. A joint facility would combine 2 outstanding museum collections and provide an enhanced experience at Valley Forge for visitors, scholars, and researchers.

(8) The Society has proposed to raise funds to construct a new museum and education and visitor center on park property at Valley Forge National Historical Park that would be planned, developed, and operated jointly with Valley Forge National Historical Park.

(b) PURPOSE.—The purpose of this title is to authorize the Secretary of the Interior to enter into an agreement with the Valley Forge Historical Society to construct and operate a museum within the boundary of Valley Forge National Historical Park in cooperation with the Secretary.

SEC. 203. VALLEY FORGE MUSEUM OF THE AMERICAN REVOLUTION AUTHORIZATION.

(a) AGREEMENT AUTHORIZED.—The Secretary of the Interior, in administering the Valley Forge National Historical Park, is authorized to enter into an agreement under appropriate terms and conditions with the Valley Forge Historical Society to facilitate the planning, construction, and operation of the Valley Forge Museum of the American Revolution on Federal land within the boundary of Valley Forge National Historical Park.

(b) CONTENTS AND IMPLEMENTATION OF AGREEMENT.—An agreement entered into under subsection (a) shall—

(1) authorize the Society to develop and operate the museum pursuant to plans devel-

oped by the Secretary and to provide at the museum appropriate and necessary programs and services to visitors to Valley Forge National Historical Park, related to the story of Valley Forge and the American Revolution;

(2) only be carried out in a manner consistent with the General Management Plan and other plans for the preservation and interpretation of the resources and values of Valley Forge National Historical Park;

(3) authorize the Secretary to undertake at the museum activities related to the management of Valley Forge National Historical Park, including, but not limited to, provision of appropriate visitor information and interpretive facilities and programs related to Valley Forge National Historical Park;

(4) authorize the Society, acting as a private nonprofit organization, to engage in activities appropriate for operation of a museum that may include, but are not limited to, charging appropriate fees, conducting events, and selling merchandise, tickets, and food to visitors to the museum;

(5) provide that the Society's revenues from the museum's facilities and services shall be used to offset the expenses of the museum's operation; and

(6) authorize the Society to occupy the structure(s) so constructed for the term specified in the Agreement and subject to the following terms and conditions:

(A) The conveyance by the Society to the United States of America of all right, title, and interest in the structure(s) to be constructed at Valley Forge National Historical Park.

(B) The Society's right to occupy and use the structure(s) shall be for the exhibition, preservation, and interpretation of artifacts associated with the Valley Forge story and the American Revolution, to enhance the visitor experience of Valley Forge National Historical Park, and to conduct appropriately related activities of the Society consistent with its mission and with the purposes for which the Valley Forge National Historical Park was established. Such right shall not be transferred or conveyed without the express consent of the Secretary.

(C) Any other terms and conditions as may be determined by the Secretary.

SEC. 204. PRESERVATION AND PROTECTION.

Nothing in this Act shall authorize the Secretary or the Society to take any actions in derogation of the preservation and protection of the values and resources of Valley Forge National Historical Park. An agreement entered into under section 203 shall be construed and implemented in light of the high public value and integrity of the Valley Forge National Historical Park and the National Park System.

SEC. 205. SENSE OF THE CONGRESS ON PURCHASE OF AMERICAN-MADE GOODS.

It is the sense of the Congress that the Society, in constructing and operating the Museum, purchase American-made goods to the greatest degree practicable.

The bill, as amended, was ordered to be engrossed and read a third time, was read a third time by title.

The question being put, *viva voce*,

Will the House pass said bill?

The SPEAKER pro tempore, Mr. BARTLETT of Maryland, announced that the yeas had it.

Mr. HANSEN objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 6, rule XX, and the call was taken by electronic device.
