NOT VOTING—10

So the bill was passed.
A motion to reconsider the vote whereby said bill was passed was, by unanimous consent, laid on the table.
Ordered, That the Clerk request the concurrence of the Senate in said bill.

¶78.10 PROVIDING FOR THE CONSIDERATION OF H.R. 2490

Mr. SESSIONS, by direction of the Committee on Rules, called up the following resolution (H. Res. 246):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2490) making appropriations for the Treasury Department, the United States Postal Service, the Executive Office of the President, and certain Independent Agencies, for the fiscal year ending September 30, 2000, and for other purposes. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 or rule XCI are waived. During consideration of the bill for amendment, the Chairman of the Committee of the Whole may accord priority in recognition on the basis of whether the Member offering an amendment has caused it to be printed in the portion of the Congressional Record designated for that purpose in clause 8 of rule XVIII. Amendments so printed shall be considered as read. The chairman of the Committee of the whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for

electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto of final passage without intervening motion except on motion to recommit with or without instructions.

When said resolution was considered.

After debate,

Mr. SESSIONS moved the previous question on the resolution to its adoption or rejection.

The question being put, *viva voce*,

Will the House now order the previous question?

The SPEAKER *pro tempore*, Mr. PEASE, announced that the yeas had it.

Mr. FLETCHER objected to the vote on the ground that a quorum was not present and not voting.

A quorum not being present,

The roll was called under clause 6, rule XX, and the call was taken by electronic device.
