Mr. DIAZ-BALART, by direction of the Committee on Rules, called up the following resolution (H. Res. 263):

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2606) making appropriations for foreign operations, export financing, and related programs for the fiscal year ending September 30, 2000, and for other purposes. The first reading of the bill shall be dispensed with. General debate shall be confined to the bill and shall not exceed one hour equally divided and controlled by the chairman and ranking minority member of the Committee on Appropriations. After general debate the bill shall be considered for amendment under the five-minute rule. Points of order against provisions in the bill for failure to comply with clause 2 of rule XXI are waived. Before consideration of any other amendment it shall be in order to consider the amendments printed in part A of the report of the Committee on Rules accompanying this resolution. Each amendment printed in part A of the report may be con-

sidered only in the order printed in the report. The amendment printed in part B of the report may be offered only at the appropriate point in the reading of the bill. Each amendment printed in the report may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, and shall not be subject to amendment. All points of order against the amendments printed in the report are waived. Amendments so printed shall be considered as read. The Chairman of the Committee of the Whole may: (1) postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment; and (2) reduce to five minutes the minimum time for electronic voting on any postponed question that follows another electronic vote without intervening business, provided that the minimum time for electronic voting on the first in any series of questions shall be 15 minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted.
