¶129.38 MESSAGE FROM THE
PRESIDENT—NATIONAL EMERGENCY
WITH RESPECT TO IRAN

The SPEAKER pro tempore, Mr. WALDEN, laid before the House a message from the President, which was read as follows:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent the enclosed notice, stating that the Iran emergency declared in 1979 is to continue in effect beyond November 14, 1999, to the *Federal Register* for publication. Similar notices have been sent annually to the Congress and published in the *Federal Register* since November 12, 1980. The most recent notice appeared in the *Federal Register* on November 12, 1998. This emergency is separate from that declared with respect to Iran on March 15, 1995, in Executive Order 12957.

The crisis between the United States and Iran that began in 1979 has not been fully resolved. The international tribunal established to adjudicate claims of the United States and U.S. nationals against Iran and of the Iranian government and Iranian nationals against the United States continues to function, and normalization of commercial and diplomatic relations between the United States and Iran has not been achieved. On March 15, 1995, I declared a separate national emergency with respect to Iran pursuant to
