[H.R. 497]

To create the National Gambling Impact and Policy Commission.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

National
Gambling Impact

note.

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Gambling Impact Study Commission Act”.

18 USC 1955

SEC. 2. FINDINGS.

The Congress finds that—

(1) the most recent Federal study of gambling in the United States was completed in 1976;

(2) legalization of gambling has increased substantially over the past 20 years, and State, local, and Native American tribal governments have established gambling as a source of jobs and additional revenue;

(3) the growth of various forms of gambling, including electronic gambling and gambling over the Internet, could affect interstate and international matters under the jurisdiction of the Federal Government;

(4) questions have been raised regarding the social and economic impacts of gambling, and Federal, State, local, and Native American tribal governments lack recent, comprehensive information regarding those impacts; and

(5) a Federal commission should be established to conduct a comprehensive study of the social and economic impacts of gambling in the United States.

18 USC 1955
note.
